Sydney,

Thanks so much for getting back to me. I regret Administrator Pruitt won't be able to speak at the ISO/RTO annual meeting, but totally understand.

If we can ever be a resource to Administrator Pruitt, please let me know.

Warmest Regards,

Mike Ross

Subject: RE: Invitation to Address ISO/RTO Annual Joint Board Conference

Just wanted to follow up on my email below in hopes that we can receive confirmation soon regarding whether Administrator Pruitt can accept our invitation to speak at the IRC annual joint board conference. We are finalizing the agenda, program and brochure for the event and would like very much to include Administrator Pruitt in the materials. As I mentioned below, the CEO's and executives, along with the board members, for each of the ISO/RTO's in North America will be attending. Collectively, we manage the electric grid and operate the wholesale electric markets for two-thirds of the U.S.

Thank you for your consideration.

Subject: Invitation to Address ISO/RTO Annual Joint Board Conference

Sydney,

The ISO/RTO Council (IRC), which collectively manages the electric grid and wholesale electric markets for two-thirds of the U.S., is having its annual joint board conference meeting in Washington, DC May 25. The meeting will be attended by the CEOs, executives and board members for all nine ISO/RTOs in North America.

Since Nick Brown, SPP's President and CEO, is chairing the IRC this year, we are responsible for planning the program. Nick recently hosted a call with all the other ISO/RTO CEOs and they discussed the agenda for the upcoming conference. They were in agreement that they would like to have Administrator Pruitt address the group and asked me to extend this invitation to him.

We have the FERC Commissioners confirmed and hope to have Secretary Perry address the group as well. We were hoping Administrator Pruitt would agree to address the group sometime between 12 pm and 3:30 pm on May 25. The event will be held at The Willard InterContinental Hotel, 1401 Pennsylvania Ave NW, Washington, DC.

If I can provide you with additional information, please let me know.

Thanks for your consideration.

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

Katelyn

Dear Sydney

I would like to apologize to ask you to reappoint the meeting with the Administrator due to change in my travel date to US. Therefore I would kindly ask if possible to appoint the meeting on 10 or 11 May.

During our last meeting with Mr. Pruitt we discussed that we would need about an hour to cover all the revolutionary technologies I have sent you in my last email they would contribute a lot to the protection of the US environment.

All the technologies has a huge potential in saving the energy consumption and cleaning a lot of air.

Kindly advise,

Maxim

Dear Sydney,

Thank you very much for the finding us a slot to meet the Administrator despite the short notice.

Following our meeting we have agreed to meet during my next visit to US in the end of the month.

I would appreciate to appoint in advance the meeting with Administrator and with his team that will be required regarding following issues:

1. WaterGen – Water Air Generators product and the standards; our technology is saving the tremendous amount of electricity and standards of energy stars for home appliance air conditioners, dehumidifiers and industrial one.

2. Vertical Field – the solution for the pollution, I have left the materials

3. Smart LED – I will send you the materials in order to save energy and to reduce the pollution of the fluorescent lamps.

I would appreciate to have the meeting on 24 April if it is possible, if not kindly advise other alternatives.

I would appreciate to get the details of Sara, who attended our meeting and the picture we made with Administrator.

Many thanks,

Maxim.

Subject: RE: Request for Meeting Regarding ELG Rule

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 16th at 4:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the right heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

I just tried to call you to ask a quick question on the number you have listed below but didn't get an answer. Is there a better number to call you? My number is 202-368-4323.

Attached is the form I have filled out today.

I wanted to let you know to do the meeting the week of May 1st we will need to send in the Executive team which are listed on the request form. The team is well versed on the issues facing republic and will be able to provide in detail to the Administrator the issues facing Republic Services.

Thanks and let me know what more information you need from me.

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Subject: RE: Invitation to Address ISO/RTO Annual Joint Board Conference

Just wanted to follow up on my email below in hopes that we can receive confirmation soon regarding whether Administrator Pruitt can accept our invitation to speak at the IRC annual joint board conference. We are finalizing the agenda, program and brochure for the event and would like very much to include Administrator Pruitt in the materials. As I mentioned below, the CEO's and executives, along with the board members, for each of the ISO/RTO's in North America will be attending. Collectively, we manage the electric grid and operate the wholesale electric markets for two-thirds of the U.S.

Thank you for your consideration.

Subject: Invitation to Address ISO/RTO Annual Joint Board Conference

Sydney,

The ISO/RTO Council (IRC), which collectively manages the electric grid and wholesale electric markets for two-thirds of the U.S., is having its annual joint board conference meeting in Washington, DC May 25. The meeting will be attended by the CEOs, executives and board members for all nine ISO/RTOs in North America.

Since Nick Brown, SPP's President and CEO, is chairing the IRC this year, we are responsible for planning the program. Nick recently hosted a call with all the other ISO/RTO CEOs and they discussed the agenda for the upcoming conference. They were in agreement that they would like to have Administrator Pruitt address the group and asked me to extend this invitation to him.

We have the FERC Commissioners confirmed and hope to have Secretary Perry address the group as well. We were hoping Administrator Pruitt would agree to address the group sometime between 12 pm and 3:30 pm on May 25. The event will be held at The Willard InterContinental Hotel, 1401 Pennsylvania Ave NW, Washington, DC.

If I can provide you with additional information, please let me know.

Thanks for your consideration.

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 9 at 3:30.. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Theater style might be the most pragmatic, but I'm open to other options as well.

I think the way you outlined it with him speaking for a bit, then taking questions would be great. We're very interested to hear his priorities for the agency, and specifically his plan for timely implementation of TSCA.

Does that help?

Thanks,

Autumn

Sydney,

Below are two options. Let me know which you prefer.

Option 1

1:45-2:00pm - Registration

2:00-2:05pm - Welcome by Micheal Franc, Hoover DC director of programs

2:05-3:00pm - Hoover Research Fellow interviews Administrator Scott Pruitt, EPA

3:00-3:15pm - Audience Q&A

Option 2

5:00-5:15pm - Registration

5:15-5:20pm - Welcome by Micheal Franc, Hoover DC director of programs

5:20-6:20pm - Hoover Research Fellow interviews Administrator Scott Pruitt, EPA

6:20-6:30pm - Audience Q&A

6:30-7:00pm - Rooftop reception

Best,

Paige

Sydney & Aaron,

Sorry for the slow reply, I was on the Hill most of the day.

For the week of the 15th, there's several open dates: May 15, 18, and 19. I'd recommend against Friday the 19th, as it's harder to draw audiences at the end of a Friday.

Those three dates work for events in the late afternoon, early evening. If you'd like to do morning or midday, let me know, and I'll get more dates.

Best,

Adam

Dear Sydney,

Thanks again for considering the Hoover Institution's invitation. In the meantime, the American Bar Association would like to invite a member of Administrator Pruitt's team to participate in a panel discussion at an upcoming conference in DC, on May 19. It would be a panel discussion on federalism and federal policy.

Is there a form that the ABA should complete and submit?

(I'm the middleman on this because I happen to serve on this ABA committee, which asked me to submit and invitation.)

Best,

Adam

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Sure thing, that would be great, thanks Sydney! In the invitation, I did mark that we would like Mr. Pruitt to speak the morning of Dec 5th , but we would certainly work with you and the team to accommodate his busy schedule, adjusting the agenda accordingly.

I look forward to hearing from you in a few weeks!

Thanks again Sydney,

Tom Thornton

Subject: Speaking Request for Administrator Scott Pruitt

Good afternoon Ms. Hupp,

My name is Tom Thornton, Energy Program Manager with S&P Global Market Intelligence. On December 5-6, 2017, we are hosting our **2017 Utility Regulation Conference**, to be held at the Liaison Capitol Hill, Washington, DC. This conference has become an important event for energy executives, with recent speakers including Tony Clark-FERC Commissioner, and Sheryl LaFleur-FERC Commissioner.

I would like to submit a request for Administrator Scott Pruitt to speak at this executive conference, sharing insights on his vision for shaping the EPA, and the role EPA plays in advancing energy policy. I have attached a formal request, and after speaking to Cheryl, a colleague at EPA, she suggested I email you directly with this request.

Please let me know what details you require for this request, and how I may assist. We look forward to hearing from you soon, and hope Mr. Pruitt will be available to join us.

Thank you Ms. Hupp,

Tom Thornton

Subject: RE: Meeting Next Week

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27 at 11:45 am. The instructions/directions to EPA is below and if you have any questions please contact me. As stated earlier, send the list by COB tomorrow (Tuesday, April 25th) to get to security. You asked by the shuttle bus parking, we don't have designated parking around our agency however there are places buses uses around the Smithsonian area they may be able to hold until meeting is over. But feel free to give my contact number if you need for me to speak with them directly. If the company is familiar with the area the driver might be knowledgeable on where to sit for the 30-45 minutes. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

I've copied Sheila James here at the Alliance who can also assist with the list of attendees for our meeting with the Administrator next Thursday at 11:45-12:15 pm

My initial estimate is that with 12 member companies being represented, we'll likely have just under 30 folks coming over for the meeting. Cheryl, can you tell us when you need the list by?

We wrap up our meeting with Secretary Chao at DOT shortly after 11:00 so that will give us enough time to commute to EPA HQ.

I appreciate you flagging my follow up e-mail/call to Ryan.

HI Sydney,

Our best open windows for bringing the egg producers to meet with Administrator Pruitt are as follows:

Wednesday, May 17

3:00 pm - 5:00 pm

Thursday, May 18

9:00 am - 11:00 am

Can we find something in these windows that works or do we need to look for others?

Best!

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period?

These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Thanks for the response. Let me know on timing for a possible meeting in the Administrator's office. For logistical reasons on our end, we wouldn't try to bring our entire group over, but would like bring a subset of 8-10 folks (or whatever you suggest is appropriate size for your space).

Dear Sydney,

Attached is a meeting request letter from Western Growers CEO, Tom Nassif. Our board of directors will be in DC the week of May 15th, and would appreciate the opportunity to meet with Administrator Pruitt.

As an aside, I'm good friends with Luke Holland, and got your contact information from him, if there is someone else that this request should go through additionally please advise or pass along as appropriate.

Thanks again, let me know if you need any additional information to process this request, and I look forward to hearing back.

Best,
Ken

Subject: RE: Meeting request from Sorghum Producers

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Friday, April 28th at 1:45 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney,

Just checking in again to see if we can get on Administrator Pruitt's schedule for the 27th or 28th? If Mr. Pruitt's schedule does not allow, would it be possible to meet with one of his advisors, perhaps his Chief of Staff Ryan Jackson?

Thank you,

Joe

Subject: Meeting request from Sorghum Producers

Hi Sydney,

The good folks over at EPW suggested that I reach out to you.

The CEO and board president of the National Sorghum Producers will be in town the last week of April and would greatly appreciate the opportunity to meet with Administrator Pruitt. We'd like to express our appreciation on some recent actions by EPA, specifically on WOTUS and Chlorpyrifos. In addition, we would like to discuss the Grain Sorghum Oil Biodiesel Pathway Petition, originally submitted to EPA in July, 2016 and some specific crop protection concerns.

We're hopeful that a meeting could be possible on Thursday (April 27th) or Friday (April 28th). However, they are willing to adjust their arrival times if Wednesday (26th) offers the only opportunity.

Thank you,

Joe

Hi Sydney,

Thank you for calling yesterday. I've confirmed April 27 with our senior executives to meet with the Administrator. Please confirm that 2pm works for him.

The executives are eager to make arrangements, so please let me know as soon as possible.

Thank you again,
Marissa

Hi Sydney,

Attached is a formal meeting request to EPA Administrator Pruitt for April 20 from the Alliance to Restore Our Waterways (AROW) to discuss EPA's Superfund program. The meeting will include senior executives from companies, including Honeywell, BASF, Boeing, Dow and Schnitzer Steel, that are affected by the cleanup process at contaminated sediment sites.

Please do not hesitate to contact me with any further questions.

Thank you,
Marissa

Subject: FW: 4/25 Meeting w/ EPA Administrator

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, April 25th at 10:00 am. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed this with earlier today as well.

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Subject: RE: Meeting request from Sorghum Producers

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Friday, April 28th at 1:45 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney,

The good folks over at EPW suggested that I reach out to you.

The CEO and board president of the National Sorghum Producers will be in town the last week of April and would greatly appreciate the opportunity to meet with Administrator Pruitt. We'd like to express our appreciation on some recent actions by EPA, specifically on WOTUS and Chlorpyrifos. In addition, we would like to discuss the Grain Sorghum Oil Biodiesel Pathway Petition, originally submitted to EPA in July, 2016 and some specific crop protection concerns.

We're hopeful that a meeting could be possible on Thursday (April 27th) or Friday (April 28th). However, they are willing to adjust their arrival times if Wednesday (26th) offers the only opportunity.

Thank you,

Joe

Subject: Secretary Pruitt - Speaking Opportunity with New England Council

Good Morning Michelle,

On behalf of the New England Council, please find the attached invitation for Secretary Pruitt to speak its members at a Federal Policy Briefing, as part of their Annual Spring Event in Washington, D.C., on the afternoon of Wednesday, May 3, 2017.

The briefing will be held at the Willard Intercontinental Hotel from 2:00 – 4:00 PM. There are 4-5 speakers over the course of the afternoon, each speak for approximately 10-15 minutes. There may also be a few questions as well. They are able to accommodate what works best for the Secretary's schedule.

Additional information on the event, as well as background on the New England Council, is included in the attachment. I have also attached a separate list of speakers from the Obama and Bush Administrations as well.

Thank you for your consideration and please let me know if you have any additional questions.

Best,

Laine

Subject: SIGMA - Speaker Request Form for Scott Pruitt, July 18, 2017

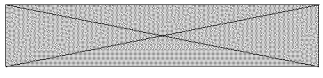

Hello,

The Society of Independent Gasoline Marketers of America (SIGMA) would like to invite Scott Pruitt to speak at our Summer Legislative Conference. I have attached the speaker request form for Scott Pruitt for the event on July 18, 2017, following up on a personal invitation from Charles Michael Thornbrugh from the QuikTrip Corporation in Tulsa, Oklahoma, and member of SIGMA's Board of Directors, and our CEO Ryan McNutt. Please let me know if we can provide any further information.

Thank you.

Best,

Liz

Hi Sydney,

I'm currently getting feedback from our group that June 8th is potentially a workable date, with June 7 in the afternoon as a possible back up. How do either of these dates look for Administrator Pruitt?

I will definitely fill out the form and send it to you. Thank you for sending it.

Best,

Lyndsay

Hey Lyndsay,

May 3 won't work for us now either. Since you are coordinating so many schedules, why don't you send me some possible days in times and I will endeavor to make one of them work.

Additionally, would you mind filling out the attached form for scheduling purposes on our part?

Thank you!

Hi Sydney,

We are having trouble coordinating our CEOs' schedules. We may be able to make one of these work, but are there any other dates/times that would work for Administrator Pruitt in early May?

Many thanks in advance for your help!

Best,

Lyndsay

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

External Meeting Request Form - Robert F. Helminiak - SOCMA.docx

Hi Sydney,

I'm following up on our conversation from earlier today. I'm excited to meet with the Administrator, May 24 at 2pm. I've filled out and attached the form as per your request.

I don't have the names of my member company participants, but I will get them to you as soon as I confirm their participation. I am anticipating eight total participants.

Please let me know if you need anything else.

Regards,
Robert

Administrator Pruitt,

I hope this finds you well. I am reaching out on behalf of the Society of Chemical Manufacturers & Affiliates (SOCMA). We are a trade association representing the specialty chemicals industry. I have attached a meeting request from SOCMA's CEO, Jennifer Abril.

SOCMA member companies employ more than 100,000 workers across the country and produce some 50,000 products - valued at $60 billion annually - that make our standard of living possible. From pharmaceuticals to cosmetics, soaps to plastics, and all manner of industrial and construction products, SOCMA members make materials that save lives, make our food supply safe and abundant, and enable the manufacture of literally thousands of other products people use daily.

We hope to introduce you to some of the key players in the specialty chemical industry and explain our high priority issues.

Please contact me if you have any questions.

Regards,
Robert

External Meeting Request Form for
Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: April 21, 2017

Meeting Date: May 24, 2017

Meeting Time: 2:00pm

Requested Location (if offsite, please list address, parking instructions, etc.): EPA office

Requestor: Robert F. Helminiak, Managing Director of Government Relations with the Society of Chemical Manufacturers and Affiliates

Purpose of the Meeting: Introduction to the Society of Chemical Manufacturers and Affiliates and the specialty chemical industry, discussion of "new" TSCA and Risk Management Program

Background on the Meeting: I would like to introduce Administrator Pruitt to SOCMA and some SOCMA member companies and discuss current EPA regulations (TSCA and RMP) and their impact on our industry.

Role of the Administrator: I would like to meet with the Administrator to give him information regarding the specialty chemical industry.

Attendees:

Jennifer Abril – President and CEO -- SOCMA
Robert F. Helminiak – Managing Director, Government Relations – SOCMA
Representatives of SOCMA member company to be determined based on the date of the meeting. CEO/President level participants from the SOCMA Board of Directors

Point of Contact:

Subject: Hi Sydney

Luke Holland suggested that I reach out to you – I am trying to see if my CEO at International Paper (Mark Sutton) could meet with the Administrator on either May 17 or May 18.

Our CEO is the Chair of Regulatory Reform for President Trump's CEO Manufacturers Job Initiative. Since some of issues pertains to environmental reform, we though that it would be nice to sit with the Administrator for about 30 minutes if possible on either of those dates.

As an old Inhofe staffer, both Ryan and Luke can vouch for me.

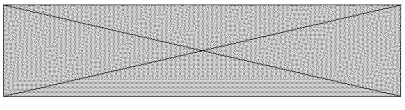

Thanks again

Neil.

Subject: RE: AROW Meeting Request to Administrator Pruitt - April 20

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-

1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already

facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

From: Noe, Paul

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Yes - we understand completely. We can exchange cell numbers with whomever is staffing him that day and we can be as flexible as possible with our other speakers.

Just as an FYI, here is our morning schedule:

8 to 11:30 a.m. Breakfast and Briefings
Location: National Press Club, Holeman Lounge, 529 14th St. NW, 13th Floor

Session times:
8 - 8:45 a.m. Maj. Gen. James Martin Jr., Deputy Assistant Secretary for Budget, US Air Force
8:45 - 9:30 a.m. Mark Correll, Deputy Assistant Secretary of the Air Force for Environmental Safety and Infrastructure
9:45 - 10:30 a.m. Administrator Scott Pruitt, US Environmental Protection Agency
10:15 - 11 a.m. Jake Horowitz, Director of Research and Policy for The Pew Charitable Trusts' Public Safety Performance Project
11 - 11:45 a.m. Ben Schreckinger, POLITCO

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

From: Noe, Paul
Sent: Tuesday, April 4, 2017 5:33 PM
To: Mandy Gunasekara (Gunasekara.Mandy@Epa.gov) <Gunasekara.Mandy@Epa.gov>
Cc: Bhandaram, Sundara <Sundara_Bhandaram@afandpa.org>; Samantha Dravis (Dravis.Samantha@Epa.gov) <Dravis.Samantha@Epa.gov>; Sarah Greenwalt (Greenwalt.Sarah@Epa.gov) <Greenwalt.Sarah@Epa.gov>; George Sugiyama (Sugiyama.George@Epa.gov) <Sugiyama.George@Epa.gov>; Ryan Jackson (Jackson.Ryan@Epa.gov) <Jackson.Ryan@Epa.gov>
Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Subject: Meeting request - Apr. 25,26, or 27

Dear Administrator Pruitt:

Congratulations on your appointment and confirmation! We are excited

about the prospects for our tenure and service.

The Southwest Council of Agribusiness (SWCA) has a group coming to DC next week (April 24-27) and would greatly appreciate any opportunity to meet with you or your designees.

The SWCA is an alliance of agricultural organizations, lending institutions, and agriculture-related businesses established to actively advocate for strong agricultural policy — you can see the membership at http://southwest-council.org/wp/our-members/.

The SWCA represents land-holders — stewards of our resources — who work daily to safeguard and cultivate a sustainable environment. From water to air to soil health to pesticide permitting, the EPA has a significant impact upon the members and interests of SWCA. We expect there will be a greater respect in the new EPA for those who toil in this ancient and challenging field, and would hope to establish a stronger working relationship going forward.

Thank you for considering. The group has 20 representatives flying in, but we would fashion a group to the size you would request. They could make anytime on the 25th, 26th or 27th work, but would prefer the 25th if possible. We would provide a specific list of names from those below, and specific issues to be discussed prior to the meeting.

Sincerely,

Tom Sell
Combest, Sell and Associates
tom@combest-sell.com
(806)535-0093

Fly-in participants include:

Rickey Bearden, SWCA Chairman, Plains Cotton Growers
Matt Huie, SWCA President, South Texas and Grain
L.G. Raun, SWCA Vice President, Texas Rice Producers
David Cleavinger, SWCA Vice President, Texas Wheat Producers Association
Steve Verett, SWCA Treasurer, Plains Cotton Growers
Scott Averhoff, SWCA Secretary, Texas Corn Producers
Jimmy Clark, SWCA Executive Director
Jeff Nunley, SWCA Member, South Texas Cotton & Grain
Steelee Fischbacher, SWCA Member, Texas Wheat Producers Association
Linda Raun, SWCA Member, Texas Rice Producers
Tim McDonald, SWCA Board Member, Ag Texas Farm Credit
Rick Boyd, SWCA Board Member, First United Bank
Tony Dill, SWCA Board Member, Western Peanut Growers
David Gibson, SWCA Member, Texas Corn Producers
Dee Vaughan, SWCA Board Member, Texas Corn Producers
Dale Artho, SWCA Board Member, Texas Sorghum Producers
Dave Cure, SWCA Board Member, Colorado Corn Producers

Mark Boardman, SWCA Member, Western Peanut Growers
Kody Bessent, SWCA Member, Plains Cotton Growers
Scott Schafer, SWCA Member, Farm Credit of New Mexico

Also attending our meetings will be Tom Sell, Jeff Harrison, Brad Weddelman, or Nolan Smith of Combest, Sell & Associates.

<External Meeting Request Form.docx>

External Meeting Request Form for
Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: April 21, 2017

Meeting Date: April 25, 2017

Meeting Time: 2:15 p.m.

Requested Location (if offsite, please list address, parking instructions, etc.): Administrator's **office.**

Requestor: Combest Sell & Associates on behalf of the Southwest Council of Agribusiness, a consortium of farm organizations, lenders, and supporting Main Street businesses in Texas, Oklahoma, Kansas, Colorado, and New Mexico.

Purpose of the Meeting: Discuss the importance of regulatory relief for farmers and ranchers. The SWCA represents land-holders — stewards of our resources — who work daily to safeguard and cultivate a sustainable environment. From water to air to soil health to pesticide permitting, the EPA has a significant impact upon the members and interests of SWCA. We expect there will be a greater respect in the new EPA for those who toil in this ancient and challenging field, and would hope to establish a stronger working relationship going forward.

Background on the Meeting: The Southwest Council of Agribusiness is in Washington for an annual fly in to meet with Members of Congress and the Administration.

Role of the Administrator: Discuss regulatory relief efforts of EPA.

Attendees: From among the following list. Ideal size?

Matt Huie, SWCA President, South Texas and Grain
L.G. Raun, SWCA Vice President, Texas Rice Producers

David Cleavinger, SWCA Vice President, Texas Wheat Producers Association
Steve Verett, SWCA Treasurer, Plains Cotton Growers
Scott Averhoff, SWCA Secretary, Texas Corn Producers
Jimmy Clark, SWCA Executive Director

Jeff Nunley, SWCA Member, South Texas Cotton & Grain
Steelee Fischbacher, SWCA Member, Texas Wheat Producers Association
Linda Raun, SWCA Member, Texas Rice Producers
Tim McDonald, SWCA Board Member, Ag Texas Farm Credit
Rick Boyd, SWCA Board Member, First United Bank
Tony Dill, SWCA Board Member, Western Peanut Growers
David Gibson, SWCA Member, Texas Corn Producers
Dee Vaughan, SWCA Board Member, Texas Corn Producers
Dale Artho, SWCA Board Member, Texas Sorghum Producers
Dave Cure, SWCA Board Member, Colorado Corn Producers
Mark Boardman, SWCA Member, Western Peanut Growers
Kody Bessent, SWCA Member, Plains Cotton Growers
Scott Schafer, SWCA Member, Farm Credit of New Mexico

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Yes - we understand completely. We can exchange cell numbers with whomever is staffing him that day and we can be as flexible as possible with our other speakers.

Just as an FYI, here is our morning schedule:

8 to 11:30 a.m. Breakfast and Briefings
Location: National Press Club, Holeman Lounge, 529 14th St. NW, 13th Floor

Session times:
8 - 8:45 a.m. Maj. Gen. James Martin Jr., Deputy Assistant Secretary for Budget, US Air Force
8:45 - 9:30 a.m. Mark Correll, Deputy Assistant Secretary of the Air Force for Environmental Safety and Infrastructure
9:45 - 10:30 a.m. Administrator Scott Pruitt, US Environmental Protection Agency
10:15 - 11 a.m. Jake Horowitz, Director of Research and Policy for The Pew Charitable Trusts' Public Safety Performance Project
11 - 11:45 a.m. Ben Schreckinger, POLITCO

Sydney -
Ryan Jackson gave me your name as point for scheduling Administrator Pruitt. We have a group of business leaders from Oklahoma City coming to Washington DC May 3 and 4. We were hoping to schedule time with him on the morning of May 4th at the National Press Club.

Thanks for your assistance with this request.

Luke Holland suggested that I reach out to you – I am trying to see if my CEO at International Paper (Mark Sutton) could meet with the Administrator on either May 17 or May 18.

Our CEO is the Chair of Regulatory Reform for President Trump's CEO Manufacturers Job Initiative. Since some of issues pertains to environmental reform, we though that it would be nice to sit with the Administrator for about 30 minutes if possible on either of those dates.

As an old Inhofe staffer, both Ryan and Luke can vouch for me.

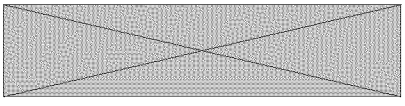

Thanks again

Neil.

2017 PSRW Invitation - Administrator Pruitt.pdf

Good morning Sydney,

I would like to also ask about a request we made for Administrator Pruitt's signature on our annual Public Service Recognition Week co-chair letter. Donna Vizian helped pass this up to the Administrator's office, but thought you could assist in providing an update.

I have attached the email chain between the Partnership and Donna. I have also attached a PSRW flyer, the co-chair letter and the invitation to the Administrator asking for the signature.

The following have agreed to sign so far – Commerce Secretary Ross, Transportation Secretary Choa, VA Secretary Shulkin, Labor Acting Secretary Hugler, Justice Attorney General Sessions and SBA Administrator McMahon.

Please let me know if you have any questions.

Best,

Amy

PARTNERSHIP FOR PUBLIC SERVICE
OURPUBLICSERVICE.ORG
1100 New York Ave NW Suite 200 East Washington DC 20005

April 11, 2017

The Honorable E. Scott Pruitt
Administrator
Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Dear Administrator Pruitt:

It is my great pleasure to invite you to participate in *Public Service Recognition Week* (PSRW), an annual celebration honoring the men and women who serve in government at the federal, state or local level. Scheduled for May 7-13, 2017, this week provides a unique opportunity for agency leaders to shine a spotlight on the important services our government provides on behalf of the American people.

In particular, I invite you to sign the attached letter as an honorary co-chair of PSRW. It has been a tremendous show of support the past five years to have the signatures of all 15 federal department heads as honorary co-chairs. This year we are excited to extend the invitation to include EPA as well. The Partnership will publish the letter online and share it with our media contacts to bring attention to this annual celebration of excellence in government.

In addition, I invite you to join us for a tribute breakfast on Capitol Hill on Tuesday, May 9, where we will introduce the finalists of our 2017 Service to America Medals. I can share with you confidentially that your agency will be represented among this year's Sammies finalists. The breakfast will take place in Room 106 of the Dirksen Senate Office Building from 9:00 to 10:30 a.m.

Finally, I hope you will take time to deliver a personal message of thanks to your agency's employees and showcase their accomplishments in your internal and external communications during PSRW. Please encourage your senior team and managers to do the same.

Thank you for considering our request. Your involvement will be a powerful testimony to the value of government employees wherever they serve.

Please let us know by Monday, April 24 if you will sign on as a PSRW 2017 honorary co-chair. If you have any questions or need additional information, feel free to contact me or Jim Seymour at (202) 775-9111 or jseymour@ourpublicservice.org.

Very best wishes,

Max Stier
President and CEO

Honoring Our Public Servants. C onnecting Citizens with Their Government.

Celebrated annually during the first week of May since 1985 (beginning on the first Sunday of the month), *Public Service Recognition Week* (PSRW) is time set aside to honor the men and women who serve our nation as federal, state, county and local government employees. Throughout the country, elected officials, agency leaders, communities and public service organizations participate in PSRW by issuing proclamations, hosting award ceremonies and special tribute events, and delivering messages about the value of public service.

We encourage agency leaders to participate by sending messages internally to thank employees for their hard work and dedicated service, and to publicly highlight the important work and accomplishments employees are doing on behalf of the American people.

There are several ways you can participate that require very little time or resources:

- Choose a day to greet your employees at the door and thank them for their service.
- Send an all-staff message of appreciation, including a statement about the collective impact your agency's employees are making on behalf of the American people.
- Blog or tweet—using #PSRW—about a recent accomplishment that demonstrates the value of the services your agency provides.
- Post a brief video online thanking government workers and talking about what you are most proud of among your agency's accomplishments.
- Convene your agency's executive leadership and encourage them to likewise take time to show their appreciation to their employees.
- Encourage your employees to talk about their work with local schools or civic groups during PSRW.
- Open your agency for job shadowing or a family day event.

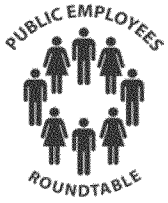

As in previous years, the nonprofit, nonpartisan Partnership for Public Service has requested a message from the President celebrating PSRW and a Senate resolution officially designating the week-long observance. We also look forward to sharing an honorary co-chair letter signed by members of the White House Cabinet. We will post these on the PSRW website as they become available.

Please see page two of this flyer for information about events that agency employees in the Washington, D.C. area may wish to attend either individually or with colleagues from their office or program.

Find more ideas and resources on how your agency can participate at psrw.org.

PARTNERSHIP FOR PUBLIC SERVICE

EVENTS

http://publicservicerecognitionweek.org/events/

- **Fifth Annual Public Service Charity 5K Run/Walk**: Sunday, May 7, 9:00 a.m.
  Join fellow government employees, family and friends for this fun event supporting a good cause. The 5K is open to runners and walkers in the Washington, D.C. area, plus others who wish to form teams and participate in communities across the country. Proceeds benefit the Federal Employee Education & Assistance Fund.
- **Service to America Medals Finalist Announcement**: Tuesday, May 9, 9:00 a.m.
  The Partnership for Public Service will introduce our 2017 Sammies finalists at a breakfast on Capitol Hill. Attendance is by invitation only. For more information, contact Amy Mayer at sammies@ourpublicservice.org.
- **Washington Nationals**: Thursday, May 25, 4:05 p.m.
  May 25 is Federal Workforce Day at Nationals Park. Government employees will have the opportunity to purchase discount tickets. Pre-game activities will include tributes to public servants in attendance. Save the date and watch for additional information during PSRW.

MEDIA AND SOCIAL MEDIA

- Share stories of excellence in public service by sending letters to the editor of your local newspaper. The National Active and Retired Federal Employees Association has a quick, easy-to-use template for writing and sending customized letters. Visit votervoice.net/NARFE/campaigns/51284/respond.
- Join our annual Public Service White Board campaign on Facebook and Instagram.
  http://publicservicerecognitionweek.org/celebration_toolkit/PSRW_White_Board_Guide.pdf
- Use #PSRW to spread the word and connect. Follow @RPublicService on Twitter, Facebook and Instagram for updates on Twitter chats, behind-the-scenes looks at PSRW events and more.

RESOURCES AND INFORMATION

http://publicservicerecognitionweek.org/celebration_toolkit/.

Find additional ideas and resources on how your agency or organization can participate, and email us at psrw@ourpublicservice.org to let us know what events and activities you are planning for PSRW 2017.

###

PSRW is organized annually by the Public Employees Roundtable (PER) and its member organizations, including the Partnership for Public Service. For 35 years, PER has served as a coalition of good government organizations representing public employees and retirees across the country.

Subject: RE: Public Service Recognition Week invitation for Administrator Pruitt

Good afternoon Donna,

I want to share an update that five Cabinet members have agreed to sign the PSRW co-chair letter so far--Commerce Secretary Ross, Transportation Secretary Chao, VA Secretary Shulkin, Labor Acting Secretary Hugler and SBA Administrator McMahon. Hopefully this will help encourage Administrator Pruitt to sign as well.

Please let me know if you need any additional information. I am out of the office this week, but checking email periodically. I've also copied Amy Mayer who is helping collect the signatures as they're approved.

Many thanks,

Jim Seymour

> Our annual Public Service Recognition Week celebration is coming soon (May 7-13, 2017) and I would like to invite Administrator Pruitt to sign on as a honorary co-chair. This simple yet meaningful gesture lets employees know that their work is valued and appreciated. For the past five years we've been delighted to include all 15 Cabinet department heads, and this year we're expanding the invitation to include all of the Cabinet agencies. We will be collecting co-chair signatures over the next two weeks and plan to publicize the signed letter online and via social media.
>
> In addition, I would like to invite Administrator Pruitt to join us for the breakfast on Tuesday, May 9 where we will introduce our 2017 Service to America Medals finalists, including two finalists from EPA. You should have received an invitation to the breakfast already, and I hope you can make it again this year.

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by

phone, if that's easier. Thanks in advance.

It is not a problem – I am sure you all are extremely busy. I can set a call anytime that will be good for the Secretary's schedule. Because so many states are in legislative session, Thursdays and Fridays are best (in the afternoon so folks on the west coast can join us).

Looking at our network's schedule, the next few weeks are pretty open so we can be flexible if there are a few dates / times that work with his schedule.

Thank you!

Subject: State Policy Network - Speaking request

Attached is the completed form requesting Secretary Pruitt to join our monthly State Energy / Environmental Policy Call. To expand the call to other key parties in the states, I can invite ALEC and RGA to participate. Our three organizations have been on a lot of policy related calls (healthcare and tax reform) together lately.

Background on this call:

We kicked off this call in December of 2015 with the goal of getting as many states as possible to submit requests to EPA for two-year state plan extensions, but after the SCOTUS stay the call transitioned into getting as many states to stop working on a plan. During session our weekly war room calls quickly became the go-to source for state action and info sharing. We not only have state and national think tank policy experts engaged, but also private industry and attorneys associated with state AG offices. We also deal with RPS mandates, carbon tax and messaging proactive free market solutions. The call is now on a monthly basis and would benefit greatly from receiving a first-hand update on changes we will see at the EPA, plus what support the agency needs during this transition.

Look forward to discussing this request. Thank you for your consideration.

Sent: Monday, April 17, 2017 2:35 PM
To: Lyons, Troy <lyons.troy@epa.gov>
Subject: Meeting request for Administrator Pruitt

Troy,

We represent a golf coalition you may be familiar with called We Are Golf (WAG). The coalition was formed in 2008 with the express purpose of giving decision-makers in Washington a more accurate picture of the golf industry and the game of golf in general. Negative assumptions about who plays, where they play etc. and a lack of recognition about how many jobs golf provides and the nature of those jobs had lead to punitive singling out of golf in policymaking and legislation. Apart from clearing the air on those fronts, WAG has also invested a lot of the coalition's efforts in advocating around environmental issues. It's that set of issues we of course would love to talk about with Administrator Pruitt and your appropriate EPA colleagues.

The golf industry has made huge strides in recent years when it comes to sustainable management of the two million acres of open space golf course land and water we have in this country. We have a great story to tell about huge steps we have taken forward to improve water quality and use, energy savings, pollution reduction and creation and protection of high quality fish and wildlife habitat. We want to stay on this trajectory and firmly believe we can continue to improve golf property stewardship to provide broad public benefits. In recent years, federal policies have unfortunately represented drags on our ability to do this. The golf industry is very excited about starting some fresh conversations with this administration and we'd like to start at EPA with your boss. WAG is eager to work with an administration that will have an interest in pausing to think through how any

new policies or enforcement of existing policies will impact the golf industry's ability to increase the environmental value of golf.

The proposed attendees for this meeting are below. As of now the group is open from 10am to 4PM on Wednesday April 26.

Attendees:

· Steve Mona, Chief Executive Officer, World Golf Foundation

· Darell Crall, Chief Operating Officer, PGA of America

· Ty Votaw, Chief Marketing Office, PGA Tour

· Kathryn Carson, Chief Legal Officer, United States Golf Association

· Rhett Evans, Chief Executive Officer, Golf Course Superintendents Association of America

· Jay Karen, Chief Executive Officer, National Golf Course Owners Association

· Jeff Morgan, Chief Executive Officer, Club Managers Association of America

· Michael Kline, Director of Intellectual Property and Corporate Secretary, Srixon/Cleveland Golf

US Golf Manufacturers Council

More on We Are Golf and National Golf Day can be found here:

Sydney – the Governor would like to discuss CERCLA 108(b) hard rock mining regulations, a local mine that we've been working with EPA Region 9 on (to avoid Superfund) and funding for the EPA delegated programs for air and water.

On the logistical side, we will have a Virginia State Police officer driving us, but I've told him that we don't need him to accompany us in the building. However, would it be possible to have a space for him to park while he waits for us? Could you let me know the best place to enter, etc?

Thanks!

And suddenly we have to be traveling tomorrow. I am so sorry for the last minute change! How flexible is Mr. Perkins tomorrow? Could potentially have the Administrator call if there is downtime in travel or if he prefers a scheduled call, I can arrange that as well. it just doesn't look like we can commit to 2PM anymore. So sorry!

Thanks!

2PM EST this Wednesday is perfect. Just let me know if it is preferred for Tony to call your office or the reverse. Tony will be at his home in Personal Address/Ex. 6 so Administrator Pruitt is welcome to call him on his cell: Personal Phone/Ex. 6

Thank you for fitting this in before all the travels.

Subject: Request for phone call with Tony Perkins

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

John,

No worries at all. I felt bad even asking so late in the game. Remarkably, Vice President Pence stopped by on Friday afternoon and that was a real encouragement to our attendees.

Sydney, I will send you a separate note so we can work on finding a time for a phone call this week or next.

Thank you!

Lindsay: I apologize for the delay in getting back with you, unfortunately Administrator Pruitt's schedule has been very busy, as you can imagine. I also apologize that he will not be able to attend the event tomorrow. However, the Administrator is very interested in moving forward on the business meeting and discussing that with Mr. Perkins.

Copied on this email is Sydney Hupp who can help you move the ball down the field on that front.

Thank you Lindsay and have a great weekend!

To: Konkus, John <konkus.john@epa.gov>
Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Subject: Meeting request from Sorghum Producers

Hi Sydney,

The good folks over at EPW suggested that I reach out to you.

The CEO and board president of the National Sorghum Producers will be in town the last week of April and would greatly appreciate the opportunity to meet with Administrator Pruitt. We'd like to express our appreciation on some recent actions by EPA, specifically on WOTUS and Chlorpyrifos. In addition, we would like to discuss the Grain Sorghum Oil Biodiesel Pathway Petition, originally submitted to EPA in July, 2016 and some specific crop protection concerns.

We're hopeful that a meeting could be possible on Thursday (April 27th) or Friday (April 28th). However, they are willing to adjust their arrival times if Wednesday (26th) offers the only opportunity.

Thank you,

Joe

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: State Policy Network - Speaking request

Attached is the completed form requesting Secretary Pruitt to join our monthly State Energy / Environmental Policy Call. To expand the call to other key parties in the states, I can invite ALEC and RGA to participate. Our three organizations have been on a lot of policy related calls (healthcare and tax reform) together lately.

Background on this call:

We kicked off this call in December of 2015 with the goal of getting as many states as possible to submit requests to EPA for two-year state plan extensions, but after the SCOTUS stay the call transitioned into getting as many states to stop working on a plan. During session our weekly war room calls quickly became the go-to source for state action and info sharing. We not only have state and national think tank policy experts engaged, but also private industry and attorneys associated with state AG offices. We also deal with RPS mandates, carbon tax and messaging proactive free market solutions. The call is now on a monthly basis and would benefit greatly from receiving a first-hand update on changes we will see at the EPA, plus what support the agency needs during this transition.

Look forward to discussing this request. Thank you for your consideration.

Jennifer Butler |Senior Policy Advisor | State Policy Network | M: (561) 352-0011 | www.spn.org |butler@spn.org

Subject: Re: AROW Meeting Request to Administrator Pruitt - April 20

Hi Sydney,

Thank you for calling yesterday. I've confirmed April 27 with our senior executives to meet with the Administrator. Please confirm that 2pm works for him.

The executives are eager to make arrangements, so please let me know as soon as possible.

Thank you again,
Marissa

Hi Sydney,

Attached is a formal meeting request to EPA Administrator Pruitt for April 20 from the Alliance to Restore Our Waterways (AROW) to discuss EPA's Superfund program. The meeting will include senior executives from companies, including Honeywell, BASF, Boeing, Dow and Schnitzer Steel, that are affected by the cleanup process at contaminated sediment sites.

Please do not hesitate to contact me with any further questions.

Thank you,
Marissa

There's no time limit. They would have to wait until the pass is handwritten. Less time having names to prepare on arrival. Just send if you get them and change out or no show would not be a problem we couldn't handle. Let me know if you have any other questions.

Hi Cheryl – Thank you for the directions. As for attendees, the current list is as follows:

1. Congressman Kevin Cramer ND-AL;
2. Daryl Lies – President, North Dakota Farm Bureau;
3. Josh Kramer - Exec VP & Gen Manager, NDAREC;
4. Tom Meland – GM, Central Power Electric Cooperative;
5. Paul Sukut – CEO, Basin Electric Cooperative;
6. Mac McLennan – President/CEO, Minnkota Power Cooperative;
7. Zachary Smith - Comm & Gov't Affairs, NDAREC;
8. Bob Grant – President, NDAREC;
9. Wayne Martian – Manager, North Central Electric Cooperative;
10. David O'Connell - North Central Electric Cooperative;
11. Jean Brandt - North Central Electric Cooperative

12. Mark Gruman - Chief of Staff, Congressman Kevin Cramer

13. Chris Marohl – Senior Policy Advisor, Congressman Kevin Cramer

If we need to change a couple names later, what would be the latest we can make adjustments to the list?

Best,

Rachel Buening

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, April 25th at 3 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all. If you can send me the list of attendee's so that I might get your passes ready for security guards at South Entrance.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

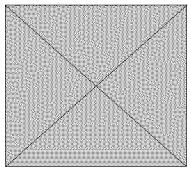

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

Hey Sydney, our mutual friend, Glen Mulready said you had made the move to D.C. with GP. However he said the trip was one for the ages.

I wanted to check (rather than pester GP) who's keeping his schedule. Someone told me that Michelle went with y'all as well but I don't have her contact info. Would you mind sharing that or help me schedule a meeting -no agenda, just wanted to check out the new digs- with myself, Commissioner John Doak and Buddy Combs.

Commissioner John Doak, myself and Buddy Combs will be in D.C. with the National Association of Insurance Commissioners for our annual D.C. Fly-In on May 2-4.

If I need to work with Michelle please let me know. Otherwise I'll let you know that if there's a window of time GP is available, we'll rearrange our schedule to meet his busy schedule, even if he's only available for 15-30 min. He may not even be in town but I thought I'd check.

Thanks for your help!

Blessings,
Tyler

Subject: Meeting request - Apr. 25,26, or 27

Dear Administrator Pruitt:

Congratulations on your appointment and confirmation! We are excited about the prospects for our tenure and service.

The **Southwest Council of Agribusiness (SWCA)** has a group coming to DC next week (April 24-27) and would greatly appreciate any opportunity to meet with you or your designees.

The SWCA is an alliance of agricultural organizations, lending institutions, and agriculture-related businesses established to actively advocate for strong agricultural policy — you can see the membership at http://southwest-council.org/wp/our-members/.

The SWCA represents land-holders — stewards of our resources — who work daily to safeguard and cultivate a sustainable environment. From water to air to soil health to pesticide permitting, the EPA has a significant impact upon the members and interests of SWCA. We expect there will be a greater respect in the new EPA for those who toil in this ancient and challenging field, and would hope to establish a stronger working relationship going forward.

Thank you for considering. The group has 20 representatives flying in, but we would fashion a group to the size you would request. They could make anytime on the 25th, 26th or 27th work, but would prefer the 25th if possible. We would provide a specific list of names from those below, and specific issues to be discussed prior to the meeting.

Sincerely,

Tom Sell

Combest, Sell and Associates
tom@combest-sell.com
(806)535-0093

Fly-in participants include:

Rickey Bearden, SWCA Chairman, Plains Cotton Growers

Matt Huie, SWCA President, South Texas and Grain

L.G. Raun, SWCA Vice President, Texas Rice Producers

David Cleavinger, SWCA Vice President, Texas Wheat Producers Association

Steve Verett, SWCA Treasurer, Plains Cotton Growers

Scott Averhoff, SWCA Secretary, Texas Corn Producers

Jimmy Clark, SWCA Executive Director

Jeff Nunley, SWCA Member, South Texas Cotton & Grain

Steelee Fischbacher, SWCA Member, Texas Wheat Producers Association

Linda Raun, SWCA Member, Texas Rice Producers

Tim McDonald, SWCA Board Member, Ag Texas Farm Credit

Rick Boyd, SWCA Board Member, First United Bank

Tony Dill, SWCA Board Member, Western Peanut Growers

David Gibson, SWCA Member, Texas Corn Producers

Dee Vaughan, SWCA Board Member, Texas Corn Producers

Dale Artho, SWCA Board Member, Texas Sorghum Producers

Dave Cure, SWCA Board Member, Colorado Corn Producers

Mark Boardman, SWCA Member, Western Peanut Growers

Kody Bessent, SWCA Member, Plains Cotton Growers

Scott Schafer, SWCA Member, Farm Credit of New Mexico

Also attending our meetings will be Tom Sell, Jeff Harrison, Brad Weddelman, or Nolan Smith of Combest, Sell & Associates.

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Subject: Invitation to Administrator Pruitt to Offer a Keynote Address to the Nation's Egg Producers in DC on May 17, 18 or 19, 2017

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Sydney & Aaron,

Sorry for the slow reply, I was on the Hill most of the day.

For the week of the 15th, there's several open dates: May 15, 18, and 19. I'd recommend against Friday the 19th, as it's harder to draw audiences at the end of a Friday.

Those three dates work for events in the late afternoon, early evening. If you'd like to do morning or midday, let me know, and I'll get more dates.

Best,
Adam

Dear Sydney,

Thanks again for considering the Hoover Institution's invitation. In the meantime, the American Bar Association would like to invite a member of Administrator Pruitt's team to participate in a panel discussion at an upcoming conference in DC, on May 19. It would be a panel discussion on federalism and federal policy.

Is there a form that the ABA should complete and submit?

(I'm the middleman on this because I happen to serve on this ABA committee, which asked me to submit and invitation.)

Best,
Adam

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

To: Dewey, Amy <Dewey.Amy@epa.gov>; Graham, Amy <graham.amy@epa.gov>
Cc: Hupp, Sydney <hupp.sydney@epa.gov>; Hale, Michelle <hale.michelle@epa.gov>
Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

From: Noe, Paul
Sent: Tuesday, April 4, 2017 5:33 PM

Cc: Bhandaram, Sundara <Sundara_Bhandaram@afandpa.org>; Samantha Dravis (Dravis.Samantha@Epa.gov) <Dravis.Samantha@Epa.gov>; Sarah Greenwalt (Greenwalt.Sarah@Epa.gov) <Greenwalt.Sarah@Epa.gov>; George Sugiyama (Sugiyama.George@Epa.gov) <Sugiyama.George@Epa.gov>; Ryan Jackson (Jackson.Ryan@Epa.gov) <Jackson.Ryan@Epa.gov>
Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Hi Claire,

Thank you for following up! To be completely honest it'll be a few weeks before we are looking at the September schedule. I'm sorry for the delay! In the interim period, would you mind filling out the attached for ease of scheduling on our end? It helps the process. Please let me know if you have any questions!

Thank you!

Good afternoon, Sydney,

My name is Claire Killen, and I am with the Louisiana Association of Business & Industry. We are currently planning our fourth annual Federal Outreach Tour for September 12 & 13 in Washington, D.C.

Please find a letter attached respectfully requesting Administrator Pruitt to join us for either a dinner or breakfast—whichever may work best for his schedule.

If you should have any questions, please do not hesitate to contact me. I look forward to hearing from you.

Thanks!

Hi Sydney,

Several major health and medical conferences take place the last two weeks of May, which means several of our CEOs would not be able to attend if we scheduled the meeting during that timeframe.

Are there any times in June that might work on your end?

Thanks again,

Lyndsay

Subject: Meeting Request With Administrator Pruitt

Dear Ms. Hupp,

I hope this note finds you well. I am writing to request a meeting with Administrator Pruitt on behalf of my company's President & CEO Paul Browning. I understand that there might be a form we'd need to fill out as part of the scheduling process, and I'd appreciate any assistance you can provide. Mr. Browning will be in Washington on 17th.

MHPSA is a U.S.-based manufacturer and provider of thermal power generation technologies. Mr. Browning would like to speak with Administrator Pruitt about our company's experience in deploying commercially-viable clean coal and emissions' control solutions in the United States. He would appreciate the opportunity to provide feedback on ways in which the Administration can expedite the deployment of commercially-viable technologies to achieve cleaner air and water and economic growth. Thank you in advance, and I look forward to hearing from you.

Best regards,

Victor

Subject: FW: Meeting Request from the Toy Association

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 9 at 3:30.. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Theater style might be the most pragmatic, but I'm open to other options as well.

I think the way you outlined it with him speaking for a bit, then taking questions would be great. We're very interested to hear his priorities for the agency, and specifically his plan for timely implementation of TSCA.

Does that help?

Thanks,

Autumn

Subject: Re: Meeting Request from the Toy Association

Actually we were successful in moving our other meeting so if the 3:30pm spot is still available, we'll take it! Let me know if that still works for the administrator.

Thanks so much,

Autumn

Subject: FW: Meeting Request from the Toy Association

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 9 at 3:30.. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Theater style might be the most pragmatic, but I'm open to other options as well.

I think the way you outlined it with him speaking for a bit, then taking questions would be great. We're very interested to hear his priorities for the agency, and specifically his plan for timely implementation of TSCA.

Does that help?

Thanks,

Autumn

Thank you, Rick, for the kind introduction.

Dear Sidney: It's a pleasure to meet you. Please let me know the preferred date and time for Administrator Pruitt to address BCIU. While we are more than capable on short notice, it's best if we have around 3 weeks' notice to get the perfect table in place. Does anything look open the last week in May/first week in June?

I look forward to working with you. Please feel free to call me at 202-595-2669 if that is easier.

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, May 8 at 4:45 pm in the ALM Conference Room. The instructions/directions to EPA is below and if you have any questions please contact me. Please send me the name of the Board Members. Don't worry if some may not be attend, just give me all the names to prepare for security. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the right heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or

Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hosts and Sponsors
In association with the Library of Congress, presented by Lead Sponsor, Law360, and Co-Sponsored by American Bar Association.

About the Library of Congress
The Library of Congress is the research Library of the United States Congress, the de facto national library of the United States and the oldest federal cultural institution in the United States. Located in three buildings in Washington, D.C., it is the largest library in the world by shelf space and holds the largest number of books. The Library of Congress was established by Congress in 1800 and was housed in the United States Capitol for most of the 19th Century. The Library's primary mission is researching inquiries made by members of Congress through the Congressional Research Service and although it is open to the public, only legislators, Supreme Court justices and other high-ranking government officials may check out books.

Presented by Law360, Lead Sponsor
Law360, a LexisNexis company, is a one-stop source for legal news and analysis, covering litigation, policy developments, corporate deals, and legal industry trends. Law360 covers 50+ practice area, industry, and state sections, and our daily newsletters reach over 700,000 professionals at top law firms, Fortune 500 companies, and key government agencies every business day.

The American Bar Association, Co-Sponsor
With nearly 400,000 members, The American Bar Association is one of the largest voluntary professional membership organizations in the world. As the national voice of the legal profession, the ABA works to improve the administration of justice, promotes programs that assist lawyers and judges in their work, accredits law schools, provides continuing legal education, and works to build public understanding around the world of the importance of the rule of law.

The Burton Foundation
The Burton Foundation is a nonprofit, cultural and academic organization devoted to further promoting the performance and stature of the legal profession.

About the Chairman
The Founder and Chair of The Burton Awards for Legal Achievement is William C. Burton, Esq., a partner in the law firm of Sagat|Burton LLP. He is a former New York State Assistant Attorney General, a former New York State Assistant Special Prosecutor, and the author of the first legal thesaurus ever written for the profession of law, BURTON'S LEGAL THESAURUS (5th edition), published by McGraw-Hill. He was presented the highest honor given by The Legal Writing Institute, for "significantly advancing the cause of legal writing in the profession of law." In addition, the Law Library of Congress presented Burton with the "Blackstone Award" for exemplifying the best objectives of the Law Library of Congress and advancing the mission and activities of the Law Library of Congress.

May 3, 2017

Hon. Scott Pruitt
Administrator, Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Re: National Awards Program, May 22, 2017, Library of Congress

Dear Administrator Pruitt:

Almost two decades ago , I established a national non-profit foundation in law to promote the legal profession and encourage excellence by all lawyers. My concept then, as it is now 18 years later, is to select the finest recipients, and, therefore, set an example for all to follow.

Our emphasis - since the outset - was to encourage clear and cogent legal writing. That is my enduring interest, especially since I authored the first thesaurus in law. Since that time, the awards program has grown universally. Today, our scope of our awards ranges from lawyers in the military to attorneys in the executive branch, from general counsel of the world's largest corporations to managing partners in America's finest law firms, and from professors at law schools to journalists in law, and even legal writers in the largest law firms and leading law schools.

Our program is now co-sponsored by the American Bar Association, and presented in association with the Library of Congress. Since it is non -profit, there are no commercial aspects and our selections are made by le ading professors and highly distinguished professionals.

As in the past, we are honored that Chief Justice Roberts has traditionally attended our reception; Justice Ginsburg is on the program this year, and Justice Sotomayor is attending our Gala. In addition, Chief Judge US Court of Appeals for the Second Circuit, Robert Katzmann, will also be a recipient at the event.

To this effect, we would be extremely honored if you would accept this invitation to join us at the Gala on Monday, May 22, 2017 in the Great Hall of the Library of Congress. The R eception begins at 6:30pm in the Great Hall, the Dinner starts at 7pm, and impressionist Darrell Hammond's performance is set for 8:45 pm. We expect over 400 guests to attend the event, including the General Counsels of General Motors, CBS, Apple, Paypal, Toyota, Bank of America, and Home Depot, etc.

As a matter of background, our Honorary and Distinguished Board of Directors include: Judge Richard Posner, 7th Circuit U.S. Court of Appeals; Judge Alex Kozinski, 9th Circuit U.S. Court of Appeals; U.S. Senator John Cornyn; U.S. Senator Robert P. Casey, Jr.;

U.S. Senator Mike Crapo; U.S. Senator Michael F. Bennet; Supreme Court Justice Ca rol Corrigan of California; Yabo Lin, Partner, Sidley Austin LLP; Jane Sullivan Roberts, Partner, Major, Lindsey & Africa; Lisa Rickard, President, U.S. Chamber Institute for Legal Reform; Elissa Lichtenstein, Director, Public Services Division, American Bar Association; Thomas L. Sager, Partner, Ballard Spahr LLP; Les Parrette, Senior Vice President, General Counsel and Compliance Officer, Novelis Inc.; James M. Rishwain, Jr., Chairman of Emeritus, Pillsbury Winthrop LLP; Betty Whelchel, Head of PublicPolicy & Regulatory Affairs, BNP Paribas SA; Stephen R. Mysliwiec, Partner, DLA Piper LLP (US); Brian E. Cabrera, Former SVP and General Counsel,NVIDIA Corporation; and Linda Klein, President, American Bar Association.

Again, we would be extremely honored , and genuinely delighted, if you would accept this invitation and join us on May 22, 2017 for an evening to celebrate law.

With all my best wishes,

William C. Burton
Founder & Chair

2017 BURTON AWARDS PROGRAM

A TRADITION
OF EXCELLENCE

THE BURTON AWARDS

IN ASSOCIATION WITH THE LIBRARY OF CONGRESS,
PRESENTED BY LEAD SPONSOR LAW360,
AND CO-SPONSORED BY THE AMERICAN BAR ASSOCIATION

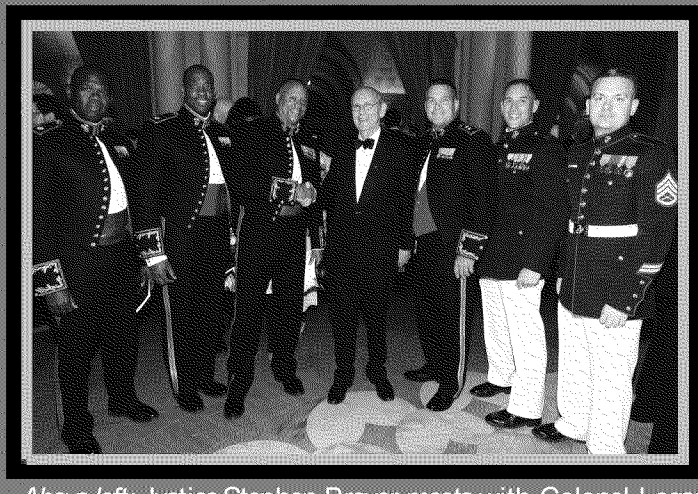

Specifics of the 2017 Burton Awards Program

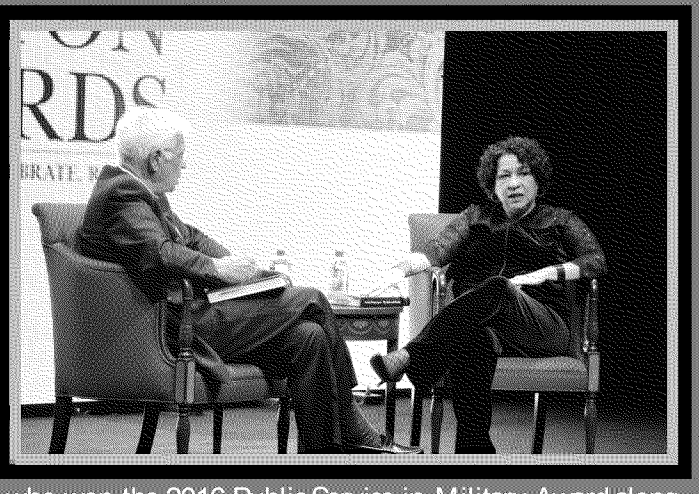

The 18th annual national awards will be held on Monday, May 22, 2017 at the Library of Congress. U.S. Supreme Court Justice Ruth Bader Ginsburg, will be awarded the Book of the Year in Law.

The Burton Awards: An Established Tradition in Law

The Burton Awards program is run in association with the Library of Congress. The non-profit event is held each year to honor distinguished writers and recognize leaders in law, including those counsel belonging to America's most prestigious law firms. Patterned after the Pulitzers, the program has become one of the most prominent and dynamic awards programs in law. While the emphasis is on writing, the program is also geared towards rewarding legal achievement in many other areas of law. In addition, awards are also given to general counsel for their distinguished careers in law.

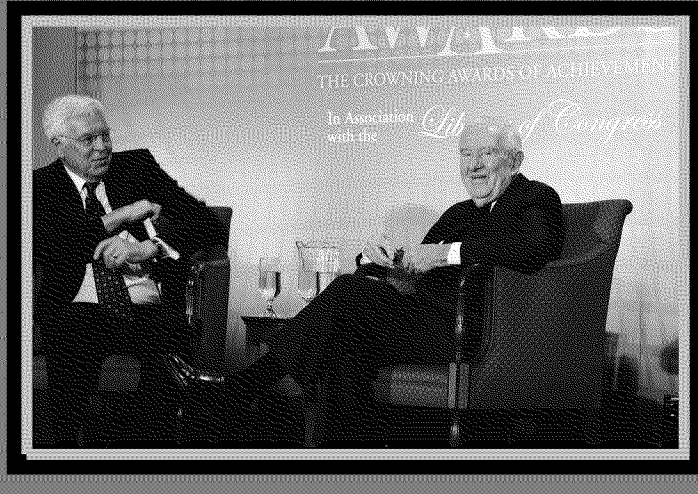

Prior Renowned Guest Speakers

Above left: Justice Stephen Breyer meets with Colonel Logan who won the 2016 Public Service in Military Award along with other high ranking members of the military. *Above right:* U.S. Supreme Court Justice Sonia Sotomayor, honored guest at the 2013 program.

Below left: U.S. Supreme Court Justice John Paul Stevens *(retired)*. *Below right:* U.S. Supreme Court Justice Ruth Bader Ginsburg discusses writing, the art of persuasion and memorandums of law with Bill Press, CNN commentator and Master of Ceremonies.

Award Categories

The Legends in Law Awards — These awards recognize the finest general counsel in the world's largest corporations.

Distinguished Writing Awards — Presented to the best law firm and law school authors.

Distinguished Public Service in the Military — Presented to the finest lawyers in the military.

Leadership in Law Award — This award is given to the nation's finest managing partner in a leading law firm.

Outstanding Contributions to Legal Writing Education Award — Presented for outstanding contributions to the education of new lawyers in the field of legal analysis, research and writing, whether through teaching, program design, program support, innovative thinking or writing.

Book of the Year Award — Presented to the authors of the most outstanding book in the profession of law.

Distinguished Public Service in the Executive Branch — These awards are given to top tier and staff-member levels of the Executive Branch.

Blog of the Year — Presented to the law firm which has published the most outstanding blog in the country on the issues involving law.

The Outstanding Journalist in Law — Presented for a lifetime of achievement and accomplishment reporting on legal issues, cases or the profession.

President, American Bar Association

ABA Announces sponsorship of the Burton Awards to honor major achievements in law

WASHINGTON, April 7, 2015 – American Bar Association President William C. Hubbard announced that the ABA will sponsor the Burton Awards, a national awards program created by William C. Burton and run in association with the Library of Congress and its Law Library.

The Burton Awards program rewards accomplishments in law, including the finest writing, teaching, journalism, public service in government, public interest work, general counsel efforts and achievements of lawyers in the military. Close to 70 awards are presented annually.

Hubbard said, "The ABA and the Burton Awards program share a desire to promote excellence in the legal profession. Both organizations have the ultimate goal of encouraging the highest level of accomplishment in law. This new relationship builds on the finest traditions of the American Bar Association."

The Standing Committee on the Law Library of Congress, chaired by Elizabeth Medaglia, will be the ABA liaison to the awards program. This year's awards program will take place on June 15 at the Library of Congress. Justice Sonia Sotomayor will be the guest speaker. Robert Katzmann, chief judge, U.S. Court of Appeals for the Second Circuit, will also participate in the program. Emmy and Tony award winning actress and singer Kristen Chenoweth will provide entertainment.

William C. Burton, founder and chair of the awards program, said, "We are profoundly honored and grateful to President William Hubbard, Chairperson Elizabeth Medaglia and the members of the House of Delegates of the American Bar Association for their partnership. I could not think of a greater honor for our program. I look forward to working with this renowned institution to continue to recognize the greatest accomplishments in law."

Hi Sydney,

I would just ask if Monday May 15 or Thursday May 18 would possibly work for the Administrator to take this meeting with the South Coast AQMD Executive Officer Wayne Nastri and his Board folks. These are local elected officials, consider themselves partners with the EPA, that have a strong interest to speak directly with Mr. Pruitt. We would rearrange schedules on this end to make any of those days work while they are in town.

Thanks you for consideration,

Gary

Thank you Sydney!

We can accommodate any time that works for you in the 12-2pm slot. Speaking at 12:30 or 1pm would be good. Max 30 min with Q&A. However, we are flexible. If the administrator wants to just come in and speak that is fine, if he wants to stay and eat that is also great! We are flexible with press and duration of speaking. Whatever is best for you.

When you get a chance can you please let me know who will be staffing the boss, and we can also send over more policy information to help too.

Thank you,

Rachel

Subject: Cement Association MAY Meeting/Keynote Request

Hi Michelle,

I am sure you are super busy, but I wanted to reach out to you because the Portland Cement Association is hosting our annual Washington, D.C. Fly-In on **May 9th and 10th**. PCA represents 92 percent of U.S. cement production capacity and have facilities in all 50 states. Cement and concrete product manufacturing directly or indirectly employs approximately 500,000 people in our country, and our collective industries contribute approximately $100 billion to our economy. The D.C. Fly-In is attended by CEO's and senior company executives. This year we will also invited other concrete trade associations to participate as well.

PCA would be honored to have Administrator Pruitt as our keynote speaker on **Tuesday, May 9th** anytime from **6pm** on at our opening dinner at the 101 Constitution Roof Terrace. Administrator Pruitt is welcome to join us for dinner, or just come to speak, whatever is best for your schedule. Attached is an invitation with additional details. Should this time not accommodate your schedule we also welcome the Administrator at our breakfast on **Wednesday, May 10th** at the Washington Marriott at Metro Center anytime from 7:00am to 10:00am. Additionally, Cement CEO's would be able to come for a meeting on Tuesday, May 9th at 4pm.

Happy to answer any additional questions or concerns via email or phone: 202-679-8223. If you could let us know no later than April 26th that would be very helpful. Thank you again and enjoy the spring weather!

All My Best,

Rachel Derby

Subject: RE: AROW Meeting Request to Administrator Pruitt - April 27

Thank you, Sydney. Given that we have such a large group flying in to attend, is there any way we could extend the meeting to an hour (ideally) or 45 minutes?

Thank you,
Marissa

Hi Sydney,

For planning purposes, how long will we have with the Administrator at our meeting next week?

I've also attached a final list of the attendees here.

Thank you,
Marissa

Subject: RE: AROW Meeting Request to Administrator Pruitt - April 20

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Doug,

Hope all is well!

Gov. Hogan was hoping to schedule a call in early June with EPA Administrator Scott Pruitt to discuss the Chesapeake Bay and other issues facing Maryland. (Tuesday, June 6 before 2 PM would be ideal, if possible.) Please let me know if you need any other information to put in this request. We appreciate your assistance!

Thanks,

Ariel

Subject: Re: Follow up call with Administrator Pruitt

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed this with earlier today as well.

Subject: RE: Industry Coalition Request to Meet with Administrator Pruitt

Hi Owen,

Hope you've been well! Would you mind if we moved your meeting up to 2:45 instead of 3:00? He is needing to attend a meeting at the White House at 3:30.

Thanks!

Sydney Hupp

Great. Thanks, Sydney.

I'm putting the list together now – still waiting to hear back from some members of the coalition. I will have a list for you early next week.

Best,

Owen

Hi Sydney,

Sorry I missed your call earlier today.

Is there anything more than names and organization of attendees that you'll in advance of our 3:00 PM meeting on 5/8? And when do you need the information by?

Thanks!

Owen

Hi Sydney,

Good to hear from you and happy to hear we're able to move forward!

We have an all-member coalition meeting at 2:00 today and will identify several possible dates at that time.

I'll touch base with you this afternoon.

Cheers,

Owen

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

Subject: Our conversation

Dear Sarah
It was a pleasure to talk to you last week

To recap our discussion about setting our agenda for the may 10th meeting. I would like to propose the following subject to your comments and ideas

We would like to have a company deliver our home unit on may ninth to your administer's office. Our technician will set it up and it will be plugged in at a location in your offices of your choosing. It will be operational within 24 hours and we will be able to provide drinking water for all at the meeting from the device

We will spend the first portion of the meeting. Discussing the applications. Of water gen and we would like to offer the EPA the opportunity of running a pilot program at an area of your choosing to be jointly monitored

Then we would like to introduce two technologies from our sister companies that also affect the Enviorment and have enormous global implications .

The vertical fields project and secondly under the new rules of energy consumption set to go into effect in 2019 we haven a technology that reduces energy consumption drastically in driers and humidifiers

We would like to invite you for a dinner on the ninth of may

Sincerely

Yehuda Kaploun

Watergen Inc

Sydney, thank you. I understand. Forgive me for asking the next question which will be asked of me: In light of these circumstances, can we look ahead on the calendar and find a day and time where Mr. Pruitt will be available to meet with Mr. Nastri and maybe one or two others from his group? Since such a meeting did not work on his trip earlier in March, and again here, he will do whatever is necessary to accommodate the Administrator's schedule. Appreciate your working with me on this.

Thank you again,

Gary

Hi Sydney,

I would just ask if Monday May 15 or Thursday May 18 would possibly work for the Administrator to take this meeting with the South Coast AQMD Executive Officer Wayne Nastri and his Board folks. These are local elected officials, consider themselves partners with the EPA, that have a strong interest to speak directly with Mr. Pruitt. We would rearrange schedules on this end to make any of those days work while they are in town.

Thanks you for consideration,

Gary

Subject: Important Reminders for the 2017 Resource Bank Meeting

Dear Administrator Pruitt,

We are delighted you will be joining us for 40th Annual Meeting of The Heritage Foundation's Resource Bank Meeting, Tuesday, May 9 – Friday, May 12, 2017, at The Broadmoor Resort in Colorado Springs, Colorado. Please review the following details in preparation for the conference.

AGENDA

The final conference agenda is available online here.

SESSION TIME AND LOCATION

Please plan to arrive to your room at least 15 minutes prior to your session's start time. The time and location of your session is listed below.

Session Title: Robert H. Krieble Dinner

Date: 5/11/2017

Time: 6:00:00 PM

Room: Broadmoor Hall B

VENUE

The Broadmoor Resort
1 Lake Avenue

Colorado Springs, CO 80906
Phone: (719) 634-7711

REGISTRATION & HOTEL CHECK-IN

Registration for Resource Bank will be open from **3:00 p.m. to 8:00 p.m. on Tuesday, May 9**, in the Pompeiian Room in the Broadmoor Main Building (Mezzanine Level). **The hotel will also provide a satellite check-in desk at this location so you can check-in for your guest room and Resource Bank at the same time!**

On Wednesday, May 10, Registration will relocate to the Broadmoor Hall Foyer for the duration of the Meeting. Registration and the Networking Lounge open at 9:00 a.m. on May 10.

A property map of the Broadmoor can be viewed here.

WELCOME PARTY AT PLAY BOWLING LOUNGE – TUESDAY, MAY 9

Join us from 8:00 – 11:00 p.m. on Tuesday, May 9, at PLAY Bowling Lounge in the Broadmoor West Building. Sponsored by Facebook, this event will include 6 lanes of bowling, food and drinks, and a great opportunity to connect with friends and colleagues as you arrive.

DOWNLOAD THE RESOURCE BANK APP

Download the Resource Bank app to create your profile, start connecting with other attendees, and review the agenda, speaker biographies, and session materials. To access the app, search for "2017 Resource Bank" in the app store, enter your email, and passcode **RB2017** to get logged in.

PARTICIPANTS LIST

A contact list of Resource Bank attendees can be accessed here. Please note that this list only includes attendees who gave permission for their information to be listed as of Thursday, May 4.

TRANSPORTATION
By car, taxicab, or Uber, The Broadmoor Resort is a 15 minute ride from Colorado Springs Airport and a 90 minute ride from Denver International Airport.

Round-trip and one-way shuttle service between both airports and the resort can be arranged through The Broadmoor Transportation Department. Please contact (719) 362-3276 to arrange reservations or for more information. Cost is $24 each way to/from Colorado Springs Airport, and $95 each way to/from Denver Airport.

PARKING

Valet parking for overnight guests is $20 per night (discounted rate for Heritage guests) and complimentary for day visitors.

Self-parking for a 24-hour period is $22 per night, with in and out privileges.

DRESS ATTIRE

The attire is business casual for daytime meetings and business for dinner.

OPTIONAL ACTIVITIES: HIKE TO SEVEN FALLS & PIKES PEAK COG RAILWAY EXPERIENCE

Tickets are still available for the Wednesday morning pre-conference hike and the Friday morning post-conference cog railway experience, but you must pre-register by calling our Special Events department at (202) 608-1524 no later than Monday at 5:00 p.m. Please note that The Heritage Foundation does not cover the cost of these activities for speakers.

Buses for both activities will depart from the Broadmoor South Lobby. Buses will load at 6:45 a.m. on Wednesday for the Seven Falls Hike and 8:15 a.m. on Friday for the Pikes Peak Cog Railway Experience.

CHANGE OF PLANS OR QUESTIONS

If you are no longer able to attend the conference or have any questions, please contact our Special Events team at 202-608-1524 or via email at specialevents@heritage.org. Also, remember to contact The Broadmoor Resort directly at (719) 362-3276 to cancel your hotel reservation. Please note that deposits are only refundable for cancellations occurring up to 7 days prior to arrival.

We look forward to seeing you in Colorado Springs!

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Sydney,

Great news! Right now, our schedule on Wednesday, July 12 and Thursday, July 13 is flexible. I've sent speaking requests to all the Kentucky delegation offices and to Secretary Chao. I'm waiting to hear back from them.

We have space reserved in the Capitol Visitors Center for both days from 9:00 am to 3:00 pm.

Is there a time that you think would be better for Mr. Pruitt? Would he be traveling to us in the CVC or would you prefer our group hear from him at EPA?

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

Katelyn

Hi Lincoln,

I wanted to thank you and Administrator Pruitt for our meeting last week at Earth Day Texas. I appreciated the opportunity to share TNC's views on natural infrastructure, climate change, and federal funding levels for conservation and the environment. We look forward to continuing these discussions with Administrator Pruitt and other leaders at EPA. Please let me know if there are specific follow-up conversations that we should have.

I'd also like to reiterate my invitation to Administrator Pruitt to view some of TNC's work in the field. Of particular interest might be our efforts to develop green infrastructure for storm water management in Washington, DC, or our work to restore the ecological health of Chesapeake Bay. Please let me know if we might develop a field trip together.

All the best,

Glenn

Oklahoma_ASPECT_Program.pdf

Sydney,
I am sending an attachment for the item that members of the Oklahoma emergency response team would like to urgently discuss with Mr. Jackson. This item shown in the attachment and concerns the only 24/7 airborne chemical and radiological emergency platform operating within the United States today. This asset was moved to the U.S. EPA during the 9/11 emergency by the Bush Administration. At that time, EPA was the only Federal organization with the legal authority to conduct these types of emergency response missions. However, this legal issues has now changed and the asset was never returned to the originating agency and continued operating within the U.S. EPA since 2001. We would like to discuss the issue of how to maintain this critical national capability while still providing the EPA needed immediate access to the platform. Our goal is to reduce costs to the EPA while still providing the country this single critical national emergency response capability.

Best Regards,
Robert Kroutil, Ph.D.

Subject: Re: scheduling issue

Hello Sydney !

Yes, I was wanting to set up a meeting with Mr. Ryan Jackson to discuss national emergency response issues that impact the U.S. EPA. I would like to bring two colleagues from Oklahoma that are experts about the EPA emergency response program to the meeting. We would like to propose a requested transition of an EPA asset back from where it originated which is the Department of Defense. We expect this will reduce costs for the EPA.

At any point, we would like to discuss a proposal to reduce the current costs of operation to the EPA.

I am originally from Yukon, Oklahoma and a Ph.D. graduate in physical chemistry from Oklahoma State University. I am one of the leading scientists in the country in the technical area of chemical and radiological emergency response technology with over 100 scientific publications and scientific lectures at numerous invited national and international scientific conferences. I have attached a short bio of my experience and a photo.

We would only need about 30-45 minutes with Mr. Jackson to discuss the issues related to the EPA and emergency response. We would be pleased to answer any questions that Mr. Jackson would want to ask about this technology area and the state of the Nation's chemical and radiological emergency response capabilities.

Thanks so much !

Best Regards,

Robert Kroutil

ASPECT Program

Airborne Spectral Photometric Environmental Collection Technology

NATION'S ONLY

Remote-Sensing & Imagery for Emergency Response

Chemical, Radiological & Situational Awareness

ASPECT

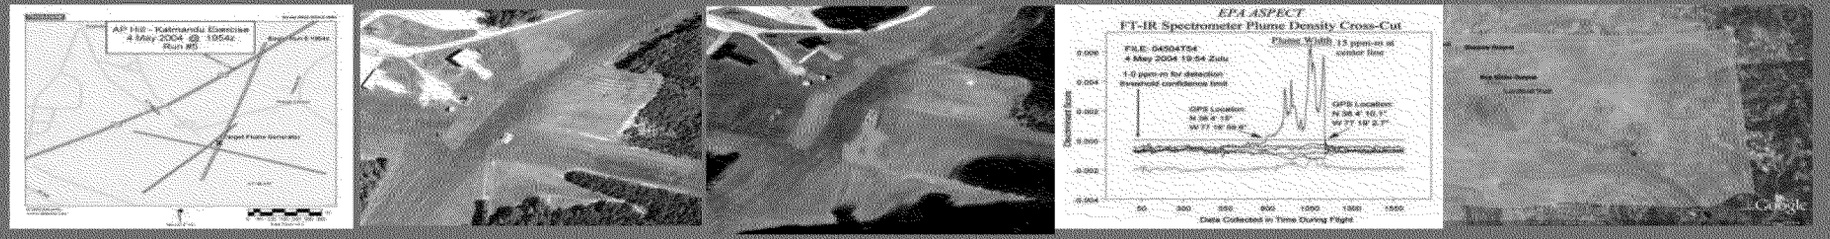

Industria Probitas

Utilitatas Velocitatem

ASPECT - Operational Concept

- Provide a readiness level on a 24/7 basis
- Provide a simple, one phone call activation of the aircraft
- Wheels up in under 1 hour from the time of activation
- Once onsite and data is collected it takes about….

~ 5 minutes to process and turn around data to first responders

- Deployment Simplified:
  - Once on-scene collect chemical, radiological, or situational data (imagery) using established collection procedures
  - Process all data within the aircraft using tested automated algorithms
  - Extract the near real time data from the aircraft using a broadband satellite system and rapidly QA/QC the data by a dedicated scientific mission montrol team
  - Provide the qualified data to the first responder enabling them to make informed decisions in minimal time

Deployments & Range

- 167 deployments
- ~510 Sorties (flights)
- 67 Emergency Responses
- 24+ Scientific Studies
- Numerous FTXs
- SEAR & NSSEs
- Utilized by all EPA Regions
- Federal, HRF, CST
- International Notoriety
- Terabytes of Data

Estimates Include:

1. 1 hour prep
2. Refueling stop
3. >1 hour data collection

Communications:

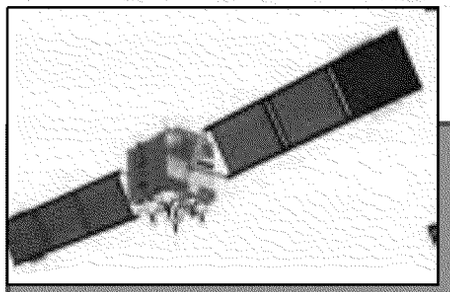

1. Real-time status
2. Flight parameters developed & uploaded while in-flight
3. Preliminary products in-flight

Safety/Regulation:

1. Fully FAA Certified Aircraft and Pilots
2. FAR Part 91
3. FAR Part 135

ASPECT – Data Analysis & Dissemination

Detect – QC – Disseminate in 3 - 5 minutes

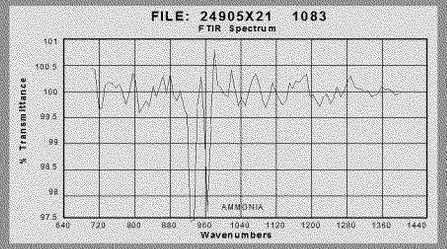

Compressed data package sent via satellite

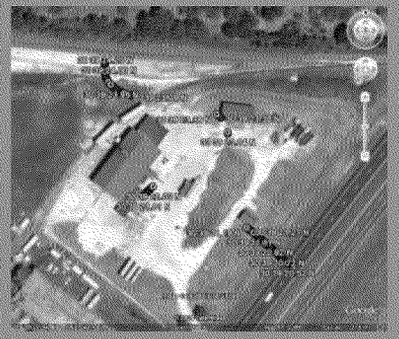

Automated airborne processing and packaging

Chem/Rad/Situational data collected

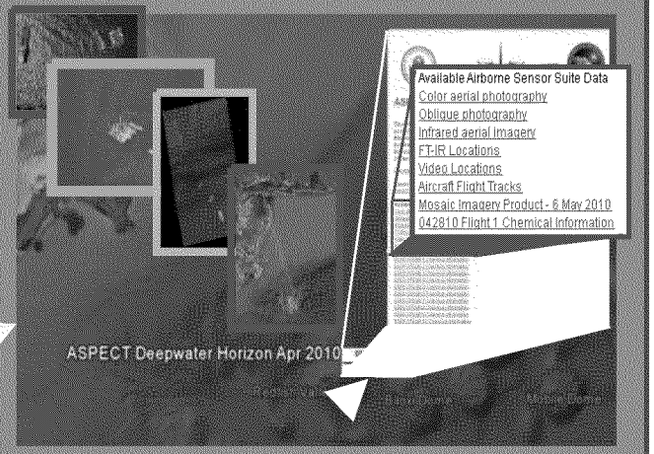

Data package QA/QC by Mission Control Team

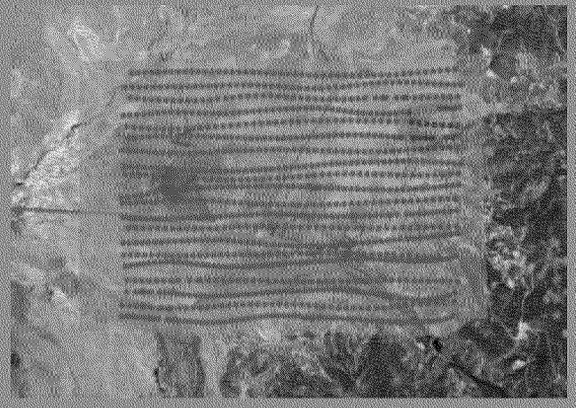

Scientific Analysis and Confirmation

Data dissemination using Google Earth/ESRI

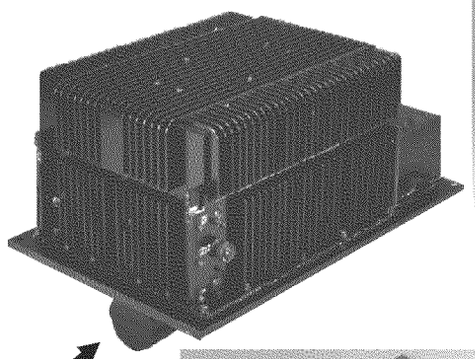

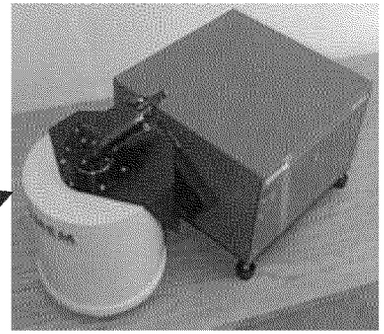

ASPECT - CURRENT SYSTEMS

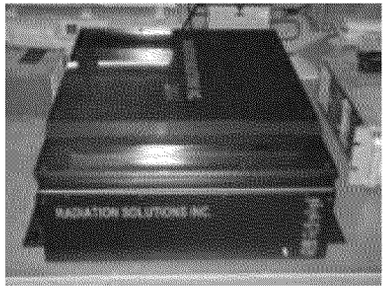

ASPECT Primary Sensors/Systems:

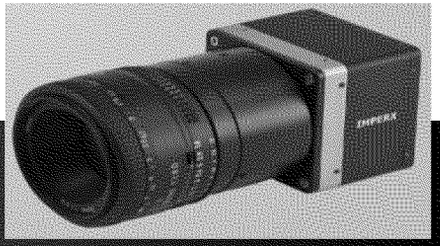

- An Infrared Line Scanner* to image the plume
- A High Speed Infrared Spectrometer* to identify and quantify the composition of the plume
- Gamma-Ray Spectrometer Packs for Radiological Detection (NaI and LaBr) and two BF_3 Neutron Detector arrays
- High Resolution Digital Aerial Cameras* with ability to rectify for inclusion into GIS
- Broadband Satellite Data System (SatCom)

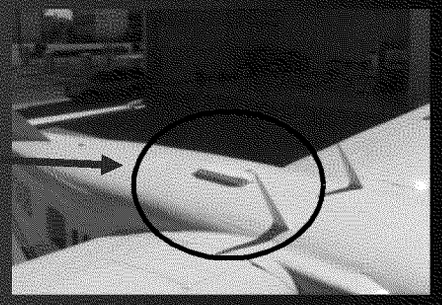

*29 MP Mapping and 12.5 MP Nikon DX2 DSLR

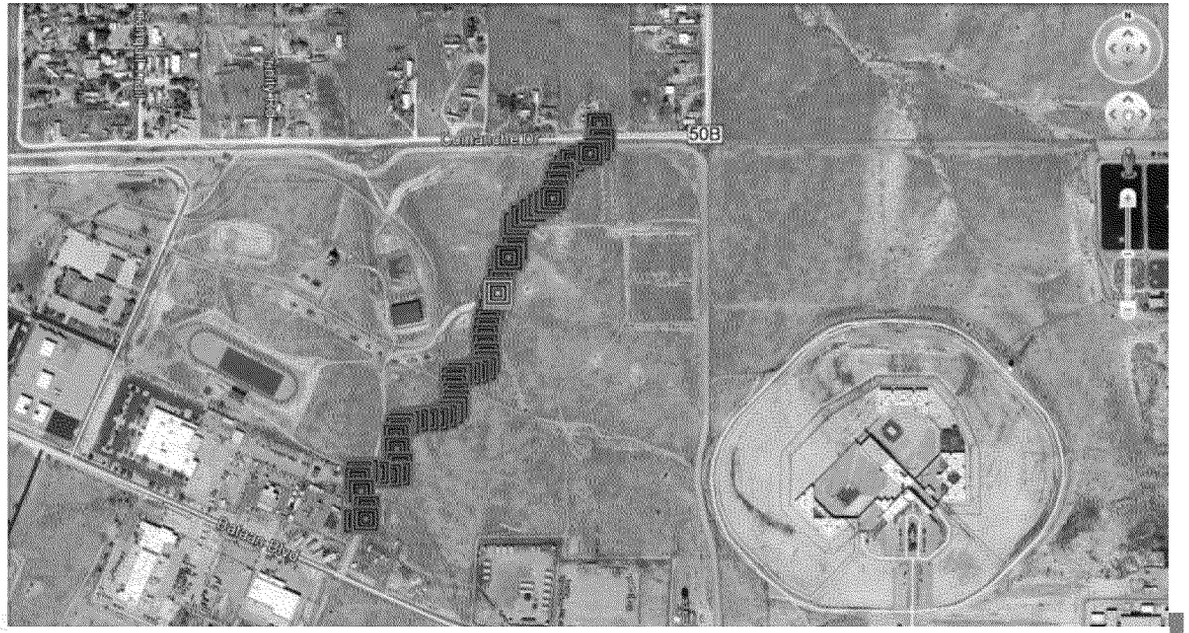

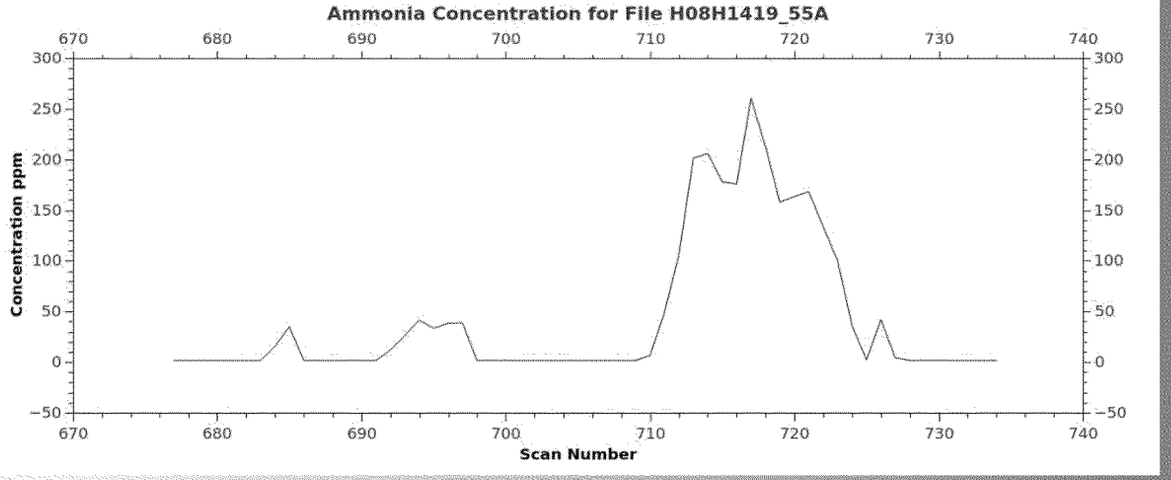

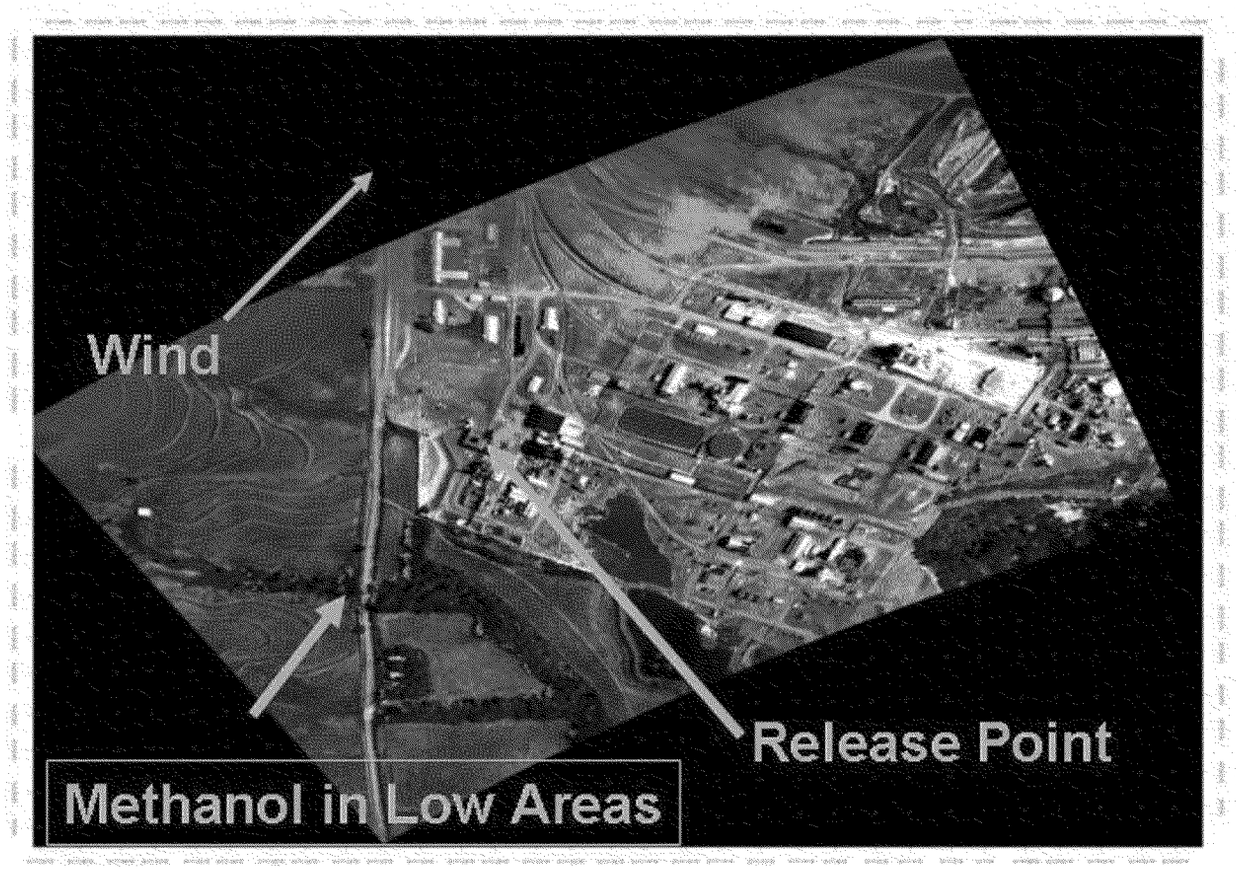

Chemical Detection Product

Ammonia Detection & IR Image of an Industrial Methanol Plume

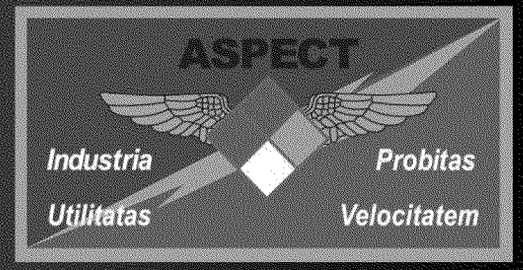

Summary

- ASPECT has capabilities applicable to a wide range needs. 167 Deployments !
- **Nation's only system** and operates at a fraction of the cost of any other programs offering far less
- Produces quality vetted data allowing boots on the ground to make actionable decisions
- Small footprint and self sufficient

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

Katelyn

Subject: Speaking Request for Administrator Scott Pruitt
Scott Pruitt-EPA.docx

Good afternoon Ms. Hupp,

My name is Tom Thornton, Energy Program Manager with S&P Global Market Intelligence. On December 5-6, 2017, we are hosting our **2017 Utility Regulation Conference**, to be held at the Liaison Capitol Hill, Washington, DC. This conference has become an important event for energy executives, with recent speakers including Tony Clark-FERC Commissioner, and Sheryl LaFleur-FERC Commissioner.

I would like to submit a request for Administrator Scott Pruitt to speak at this executive conference, sharing insights on his vision for shaping the EPA, and the role EPA plays in advancing energy policy. I have attached a formal request, and after speaking to Cheryl, a colleague at EPA, she suggested I email you directly with this request.

Please let me know what details you require for this request, and how I may assist. We look forward to hearing from you soon, and hope Mr. Pruitt will be available to join us.

Thank you Ms. Hupp,

Tom Thornton

Scott Pruitt
Administrator
United States Environmental Protection Agency
1200 Pennsylvania Ave NW
Washington, DC 20004

Mr. Pruitt,

We are excited to announce our **2017 Utility Regulation Conference**, December 5-6, 2017 at the Liaison Capitol Hill, in Washington, DC. The theme for this year's conference is **'Strategies for Profit and Reliability'**, during which top executives and regulatory experts will examine the shifting regulatory environment, obstacles to profit as well as rate case strategies to overcome those hurdles, and threats to the grid and reliability.

> *I would like to take this opportunity to cordially invite you to speak at this great executive conference, and hope that you are available to join us, sharing valuable insight into projects and initiatives the EPA is working on, and the current energy landscape.*

We would appreciate your participation at this conference, speaking the morning of December 5th, approximately 9:00am.

As part of your participation in the program, we would be delighted to host you as our guest for the duration of the program. Please let me know if you, or anyone from your team, have any questions regarding this executive conference. We look forward to hearing from you soon and appreciate your consideration.

Thank you in advance Mr. Pruitt,

Tom Thornton

Sydney,

Hope you are well. I just wanted to circle back with you on this request. Actually, on June 6, BRT is holding their meeting and there will be a lot of CEO's in town for the meeting. We have been speaking with Chevron and wanted to see if the Administrator would potentially be interested in doing a joint meeting with Mr. Heminger, as well as Chevron's CEO, John Watson.

Please let me know if you think we can make a time on June 6 work for a meeting with both of our companies. Thanks!

Mike

Hi Sydney,

Marathon Petroleum Corp.'s CEO, Gary Heminger, will be in town June 20-21 and is looking to meet with the Administrator. I've cc'd Mike Birsic who is a good friend and is the point person for setting this up. Mr. Heminger would like to talk about RFS and air regulations, among other things.

Mike, fill in any missing details.

Sydney, let me know if you need anything else from my end in the interim.

Best,

Mandy

Hi Ryan:

I would like to request a meeting with Administrator Pruitt to discuss air quality issues facing the rapidly growing petrochemical/refining industry in Southeast, Texas. The dates that could work for our team are May 15, May 25 or May 26. Attendees would be myself, John Durkay, General Counsel to the Industrial Safety Training Council, Wayne Turner, Sunoco logistics, Greg Masica, BASF Total petrochemicals, and Eric Miller, Total refining. I have attached hereto, a brief synopsis of the issue at hand.

Please let me know how we can help make this meeting a reality.

Best regards,

John

Subject: Request for meeting next week with Administrator Pruitt with CEO of Syngenta

Hi Holly and Kenneth,

It was lovely to meet you last week with the Greater Phoenix Economic Council (GPEC). You both and Administrator Pruitt were very helpful. On a separate topic, this is a request for a brief meeting for Monday or Tuesday with Administrator Pruitt with the CEO of Syngenta, Erik Fyrwald, who will be in Washington, D.C. at that time. As you may know, Syngenta is one of the world's largest providers of products to help farmers achieve sustainable crop and food security. Syngenta operates in 90 countries with nearly 30,000 employees and generates nearly $13 B in annual sales. We are providing additional background on Erik below.

Background on Erik Fyrwald, CEO, Syngenta

Erik Fyrwald is the CEO of Syngenta, a position he has held since June 1, 2016. Previously, he served as President and CEO of Univar, a world leader in the distribution of chemistry related products and services, as well as Nalco Holding Co., a leading global provider of water treatment and oil and gas products and services. Additionally, Mr. Fyrwald spent 27 years at DuPont, where he held positions relating to technology, manufacturing, sales and marketing, strategic planning, and management. He also serves on the Board of Directors of Eli Lilly & Company and the Society of Chemical Industry. Mr. Fyrwald holds degrees from the University of Delaware and the Harvard School of Business.

Can you please let us know if a brief meeting would be possible with Administrator Pruitt on Monday or Tuesday?

Thank you,
Sarah

Michelle Hale will meet you on Friday, May 19 at 11:00 am. The instructions/directions to EPA is below and if you have any questions please contact me. Please send the information requested below **(Full Name, DOB, SSN and place of birth**). Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 10-15 minutes to get through the process.

Hi Sydney-

Hope this note finds you well. Duke Energy's CEO, Lynn Good, met with Administrator Pruitt at CERAWeek back in March. They had a great discussion, and we wanted to schedule a follow-up call to go into more detail on some of the issues raised.

Would either May 18 or May 22 sometime between 2:30 and 5 pm work? I think 15-30 minutes for the phone call would be sufficient.

Thanks, Venu

Subject: RE: AFPM Meeting Request

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Good morning Geoff,

Hope this email finds you well! Ryan forwarded me the below email to facilitate getting the meetings mentioned on the Administrator's calendar. Are you all based in DC or will people need to travel in for the first meeting as well as the second? Trying to get an idea of which May days you would like for me to look at for your group. Additionally, would you mind filling out the attached document at your convenience?

Thank you!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Hi Susan,

Thank you for your email! So on the Mid-Year meeting, would you mind filling out the attached form so that we may discuss in scheduling? And as for the senior executives being in town next week, we actually just had a meeting cancelled at 3PM on the 29th. Is it still possible for your senior officers to meet with him then? It would be from 3:00-3:30 and I would request their names and topic of the meeting. Hoping this still works on your end!

Thank you!

Subject: NAHB Meeting w Administrator Pruitt

Hi Sydney!

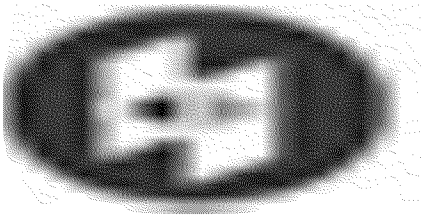

Thanks for the call today. The National Association of Home Builders is very interested in having EPA Administrator Pruitt speak before a larger group of our members. In an effort to accommodate his schedule, we are willing to create a special meeting during our Mid-Year Meeting if the Administrator is available. The timing for the meeting would be Thursday, June 15 at a time that is convenient between 12:30 and 2:30 at the Marriott Wardman Park, 2660 Woodley Road, NW, Washington, DC. We would have an audience of approximately 700 members who are interested in hearing about Administrator Pruitt's vision for the agency, how the agency will address some of the high priority issues, and steps that may be taken to improve the regulatory environment for the Nation's home builders. We would also like to reserve some time for questions, if allowed.

Our Senior Officers would also like to meet privately with Administrator Pruitt. They will be in town and available for a quick visit next week, if a meeting on such short notice is possible. They could be available Wednesday, March 29, between 3 – 5 pm or Thursday, March 30, between 8 am – 12 pm. They could also be available for a meeting on Wednesday, June 14 or before or after the address to the members on June 15, if that schedule works.

Please take another look at the calendar and let me know what might be possible. I look forward to working with you and the Administrator in the future.

Thanks for your assistance!

Susan

From: Woodward, Cheryl
Sent: Tue 5/16/2017 6:01:52 PM
Subject: RE: Meeting Request with ND Agriculture Commissioner Doug Goehring

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, May 18 at 1:15 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Administrator Pruitt Meeting schedule request

Ryan/Millan: Good morning, hope that all is well with you. My President and CEO Jack Gerard would like to schedule a meeting with Administrator Pruitt to follow up on several items the Administrator touched on in his remarks to API's Board meeting in March as well as ongoing regulatory activities. Our hope is to schedule this 40 minute meeting at the Administrator's earliest in town availability.

I have copied Susan Tackish, Mr. Gerard's Executive Assistant on this email. She manages his schedule/calendar and can facilitate scheduling the meeting.

Thanks in advance for your assistance.

Hi Sydney,

I hope all is well. Touching base with you regarding Mr. Pruitt's availability to speak at our upcoming 2017 Utility Regulation Conference, December 5-6, at the Liaison Capitol Hill, Washington, DC. Have you had a chance to review 4th quarter travel?

I am happy to answer any questions you have regarding this executive conference that you and your team may have.

Thanks Sydney,

Tom Thornton

Subject: Speaking Request for Administrator Scott Pruitt

Good afternoon Ms. Hupp,

My name is Tom Thornton, Energy Program Manager with S&P Global Market Intelligence. On December 5-6, 2017, we are hosting our **2017 Utility Regulation Conference**, to be held at the Liaison Capitol Hill, Washington, DC. This conference has become an important event for energy executives, with recent speakers including Tony Clark-FERC Commissioner, and Sheryl LaFleur-FERC Commissioner.

I would like to submit a request for Administrator Scott Pruitt to speak at this executive conference, sharing insights on his vision for shaping the EPA, and the role EPA plays in advancing energy policy. I have attached a formal request, and after speaking to Cheryl, a colleague at EPA, she suggested I email you directly with this request.

Please let me know what details you require for this request, and how I may assist. We look forward to hearing from you soon, and hope Mr. Pruitt will be available to join us.

Thank you Ms. Hupp,

Tom Thornton

Subject: Meeting with EPA Administrator Scott Pruitt

Hi Sydney,
I would like to set a meeting with Administrator Pruitt at his convenience to discuss some of the challenges we are facing at Sanitation District #1 in Northern Kentucky. We have a very good working relationship with our District 4 representatives as well as our State regulators and I believe they do their very best to balance the challenges of enforcing the Clean Water Act with affordability issues in our community. As a former Board Member of SD1 and a businessman in Northern Kentucky, I am very interested in accomplishing the shared goals of the EPA and our community, however, I believe the ground rules for accomplishing these goals are too vague and don't allow for enough certainty, specifically as it relates to post construction Wet Weather Quality Standards. Please let me know when might be a good time to meet with Mr. Pruitt and I will make every effort to accommodate. Thanks very much in advance for your help.

Subject: RE: Administrator Pruitt Meeting schedule request

Sydney,

Jack is out of town part of the week of the 19th but here is what does work for him as of now:

6/19: 11:00am – 2:30pm, 5:00pm on

6/20: open until 2:00pm & after 4:30pm

Let me know if any of these work or if you'd prefer me to send add'l times/dates.

Laine cc'ed here will get you the form shortly.

Thank you so much!
Larissa

Sydney,

Hope all is well!

I just wanted to flag the below note from API about a meeting with API's President, Jack Gerard and Administrator Pruitt. Please let me know if I can provide any additional information for your team to review this request, Jack is based in DC so he's fairly flexible on dates/times.

Thank you!
Larissa

Subject: Administrator Pruitt Meeting schedule request

Ryan/Millan: Good morning, hope that all is well with you. My President and CEO Jack Gerard would like to schedule a meeting with Administrator Pruitt to follow up on several items the Administrator touched on in his remarks to API's Board meeting in March as well as ongoing regulatory activities. Our hope is to schedule this 40 minute meeting at the Administrator's earliest in town availability.

I have copied Susan Tackish, Mr. Gerard's Executive Assistant on this email. She manages his schedule/calendar and can facilitate scheduling the meeting.

Thanks in advance for your assistance.

Hi there!

I realize you all had a super busy week last week but wanted to see if I could put this back on someone's radar in your office. Is there a window of time when you commit to invitations for speaking engagements?

We are working on our main stage commitments now and would love to save 10 minute time slot for Secretary Pruitt.

Thanks so much for your consideration and time!

Hello Charles and Sydney!

Please find attached invitation for Secretary Pruitt to speak on our main stage General Session on Saturday, August 19th in Richmond, Virginia. If his schedule permits and there is interest to speak to a room full of our AFP activists please respond when available.

Thank you very much for your time!

Hi Sydney, I tried to call you at the number below and it said it was not in service. I guess those budget cuts are extreme!!

I have visited with Ryan Bernstein from Senator Hoeven's office (copied) and we were wondering about a meeting in North Dakota per the media discussion here today on the ND Senators inviting the Secretary to ND. I have also through Blu Hulsey at Continental Resources extended an invitation for the Secretary to speak at our Annual Meeting in Grand Forks, North Dakota on Sept 27 or 28th but that's likely too far out for these discussions.

We are more than happy to visit in DC as well.

Thanks, I look forward to more discussion on a meeting date. My number if you chose to call is 701-223-6380.

Cc: Susan Tackish
Subject: Administrator Pruitt Meeting schedule request

Ryan/Millan: Good morning, hope that all is well with you. My President and CEO Jack Gerard would like to schedule a meeting with Administrator Pruitt to follow up on several items the Administrator touched on in his remarks to API's Board meeting in March as well as ongoing regulatory activities. Our hope is to schedule this 40 minute meeting at the Administrator's earliest in town availability.

I have copied Susan Tackish, Mr. Gerard's Executive Assistant on this email. She manages his schedule/calendar and can facilitate scheduling the meeting.

Thanks in advance for your assistance.

Subject: Speaking Request for Administrator Scott Pruitt

Good afternoon Ms. Hupp,

My name is Tom Thornton, Energy Program Manager with S&P Global Market Intelligence. On December 5-6, 2017, we are hosting our **2017 Utility Regulation Conference**, to be held at the Liaison Capitol Hill, Washington, DC. This conference has become an important event for energy executives, with recent speakers including Tony Clark-FERC Commissioner, and Sheryl LaFleur-FERC Commissioner.

I would like to submit a request for Administrator Scott Pruitt to speak at this executive conference, sharing insights on his vision for shaping the EPA, and the role EPA plays in advancing energy policy. I have attached a formal request, and after speaking to Cheryl, a colleague at EPA, she suggested I email you directly with this request.

Please let me know what details you require for this request, and how I may assist. We look forward to hearing from you soon, and hope Mr. Pruitt will be available to join us.

Thank you Ms. Hupp,

Tom Thornton

Held at New Lab, an independent, interdisciplinary space designed to support advancement in emerging technologies, the Summit will feature a panel discussion and addresses by Sir Richard Branson, Rocky Mountain Institute, DS Virgin Racing's Team Principal, the Chief Sustainability Officer at Hewlett Packard Enterprise, and other surprise guests!

Date: Friday July 14, 2017

Time: 1:30pm - 4:30pm

Location: Brooklyn Navy Yard Building 128, New Lab

RSVP: DSVR_NYC_Summit@ds-virginracing.com

The Innovation Summit is an integral component in the Virgin Group & DS Virgin Racing's drive for awareness, engagement, and action in relation to Future Mobility & Sustainability and we would love to have you join us! Please find further details below.

Hope you can make it!

My best,

Sasha

NEW YORK ePRIX

DS VIRGIN RACING INNOVATION SUMMIT

On behalf of Sir Richard Branson and DS Virgin Racing, we would like to invite you to join us at our exclusive Innovation Summit on Friday, July 14, in advance of the inaugural New York ePrix.

This invitation-only event will take place at the state of the art New Lab facility in Brooklyn from 1.30pm to 4.30pm, the highlight being a panel discussion with Sir Richard Branson and other industry leaders discussing **'THE ROLE OF THE BUSINESS SECTOR IN ADDRESSING CLIMATE CHANGE'.**

As well as the panel discussion, our Innovation Summit will also feature addresses by the Rocky Mountain Institute, DS Virgin Racing's Team Principal and the Chief Sustainability Officer from Hewlett Packard Enterprise, as well as one or two other surprise guests.

Our Innovation Summits are an integral part of how the Virgin Group & DS Virgin Racing seek to drive awareness, engagement and action in relation to Future Mobility & Sustainability. Competing in Formula E gives us a powerful opportunity to advance this agenda in the world's megacities and we're proud to share this with you in Brooklyn.

New Lab is an independent, interdisciplinary space designed to support advancement in emerging technologies, and a pioneering resource for new tech, new hardware, and new manufacturing in New York City. Located in historic Brooklyn Navy Yard Building 128, New Lab, which launched in September 2016, provides the tools and community that unite and support over 500 hardware-centric innovators, representing 100 companies in a variety of fields-including robotics, A.I., connected devices, urban technology, and energy-and fosters collaboration and advancement across disciplines. We hope you will be able to join us for this exclusive opportunity.

Regards,

Alex Tai
DS Virgin Racing Team Principal

Panellists
Sir Richard Branson: Founder - Virgin Group
Andrew N. Liveris: Chairman & CEO - The Dow Chemical Company
Mr Bali Padda: CEO - The Lego Group
Terry Tamminen: CEO - Leonardo Di Caprio Foundation
Dr Jennifer Holmgren: CEO - LanzaTech

Other speakers TBC including:
Lara Birkes - Chief Sustainability Officer - Hewlett Packard Enterprise

Please RSVP to DSVR_NYC_Summit@ds-virginracing.com

Subject: [SPAM] Invitation to Speak to OK Building Summit

Hello Sydney,
Checking in again about the possibility of Administrator Pruitt coming to Oklahoma to speak to our builders. I am looking forward to hearing him next week in DC while I am attending the NAHB meetings.

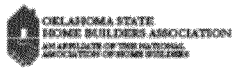

I know our builders in OK would love to hear him as well.

Mike

Subject: Invitation to Speak to OK Building Summit

Dear Ms. Hupp,

I know an invitation or two is floating around the offices there at EPA, but I was recently given your email as you are the scheduler for Administrator Pruitt. We want to formally invite Mr. Pruitt to be our opening keynote to our annual OK Building Summit & Expo on September 27, 2017, 10:00 am, at the Cox Convention Center. As builders and developers we heavily endorsed and applauded his appointment as Administrator of the EPA.

Our annual Summit has grown each year and last year we had over 650 in attendance. We would love to welcome Mr. Pruitt back to Oklahoma in his new role.

Thank you for consideration and please let me know if I can provide any additional details.

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The

instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

External Meeting Request Form for
Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: 6/5/17

Meeting Date: 6/22/17

Meeting Time:

Requested Location (if offsite, please list address, parking instructions, etc.): Headquarters

Requestor: Rachel Rogier

Purpose of the Meeting: discuss issues facing the coal industry: mine site production issues, coal-fired electricity generation issues

Background on the Meeting: Administrator Pruitt asked for the meeting when he previously met Deck Slone at conference so we could better discuss Arch Coal's issues with him

Role of the Administrator:

Attendees: Deck Slone. Snr. VP, Strategy & Public Policy, Arch Coal
Rachel Rogier, Federal Affairs Representative, Arch Coal

Point of Contact: Rachel Rogier, rrogier@archcoal.com, 202-333-5265

Subject: ACCCE Board Meeting Request

Hi Sydney,

Hope you had a good weekend. The American Coalition for Clean Coal Electricity is having their mid-year board meeting in Washington on Thursday, June 29th, and would love to have the Administrator attend for 30-45 minutes if his schedule permits. The meeting starts at 10am on the 29th, but we will accommodate the Administrator's schedule if he is available to give brief remarks.

There will be several CEOs and senior executives in attendance from the coal, railroad and utility sectors. Bob Murray, who is the current Chairman of ACCCE, and Joe Craft of Alliance are scheduled to attend the meeting as are several senior executives from CSX, Norfolk Southern, BNSF, Union Pacific, AEP, Southern Company, Peabody Energy, etc.

The ACCCE board meeting would be a great opportunity for the Administrator to discuss his regulatory reform efforts. Please let me know if you need any additional information. Thank you for your consideration and assistance.

Subject: POWER-GEN Keynote Invitation
Importance: High

Mr. Pruitt,

On behalf of POWER-GEN International and PennWell Corporation, I would like to invite you to be a keynote speaker at POWER-GEN International 2017, the world's largest annual forum for the power sector. We're expecting more than 20,000 power professionals to attend. Nearly 4,000 are expected to attend the keynote session on Tuesday Dec. 5 in Las Vegas, Nevada.

As EPA Administrator, your perspective on the power generation market is important to our attendees. POWER-GEN would be an excellent place to share your vision with the rest of the industry as power producers face tremendous pressure to craft comprehensive strategies to comply with a host of new and pending environmental standards. Your plan to restore balance between the economic concerns and environmental concerns of power generation is a topic of great interest for the industry. POWER-GEN would be the perfect forum to convey your ideas about the EPA's role in regulating the construction, maintenance and operation of power plants in the U.S. Nearly 40 percent of POWER-GEN's attendees are power generators (IOUs, IPPs, electric co-ops and municipal utilities).

Keynote presentations are typically 15 to 20 minutes with slides. You would be joined by four other high-ranking executives. **The keynote session begins at 9:30 a.m. Tuesday Dec. 5.** A rehearsal will be held Monday Dec. 4 around 3 p.m.

To see last year's keynote session, click here: http://bit.ly/2has7fQ. Also, here's the link to the POWER-GEN International website: www.power-gen.com.

We would be proud and honored by your participation. Please let me know if you would like to participate in the keynote session by April 17. If you have any questions, don't hesitate to contact me. I hope to hear from you soon.

Thank you for your time.

Sincerely,

Russell Ray

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Sydney,

We understand. June 16th will likely not work for the executives. I will follow-up tomorrow.

Thanks,

Rebbie

Sydney,

Good afternoon. We would have to check the executives' schedule for the 16th, as the meeting ends on the 15th. Is it possible for The Administrator to meet on June 14th at 3:30 – 4:30 p.m. at EPA?

Thanks,

Sydney, I've attached the form for Tuesday's meeting. I will join Chet for the meeting as well. Please let me know if you need anything else.

For June 15th, do you think it would be possible for the Administrator to join us in our meeting space across the street at the Trump Hotel? If not, that is completely understandable and we'll keep the meeting in EPA HQ. We're just working through some logistical issues on our end.

Thanks!

Geoff

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should

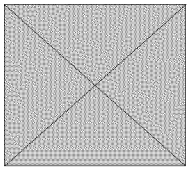

work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

HI Sydney,

Our best open windows for bringing the egg producers to meet with Administrator Pruitt are as follows:

Wednesday, May 17

3:00 pm - 5:00 pm

Thursday, May 18

9:00 am - 11:00 am

Can we find something in these windows that works or do we need to look for others?

Best!

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Subject: Invitation to Administrator Pruitt to Offer a Keynote Address to the Nation's Egg Producers in DC on May 17, 18 or 19, 2017

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Subject: The First 100 Days of the Trump Administration | May 3, 2017 | Speaker Invitation

Mike

It has been a long time. Keri Norris, Jeff Bell, and I were together in DC two weeks ago, and we were talking about you and our meeting

with you and Harlan way back when, which led to our great victory at the FTC. I am sure your ears were ringing.

I am writing at Keri's suggestion to see if you might be able to help secure EPA Chairman Scott Pruitt's participation at an event we are hosting on the first 100 days of the Trump Administration. (See below) The event is scheduled for Wednesday, May 3, 2017, at the Watergate Hotel in Washington, D.C. and we would like to feature Chairman Pruitt as a keynote speaker. Keri will be attending, as well as one or two other Legal Shield reps. I am hoping that you might be able to make it too.

The program will provide an overview of the President's early governing priorities as well as sessions on energy, infrastructure, consumer protection, communications, international trade, cybersecurity, government contracts, and other important areas of change. We are expecting 200-300 attendees from major U.S. corporations to attend. Confirmed speakers include CPSC Acting Chair Ann Marie Buerkle, Utah Attorney General Sean Reyes (who is being considered for the Federal Trade Commission Chairmanship), and Congressman Garret Graves. Other high-level agency, congressional, and administration speakers have been invited and are expected to commit in the coming days.

This event will offer speakers:

- An opportunity to highlight the administration's accomplishments from the first 100 days and lay out the agenda for the rest of the year.

- A large audience of thought leaders from a diverse list of companies, organizations, and communities, such as Baker Hughes, BP, Caterpillar, Chevron, ExxonMobil, Halliburton, Daimler, Dell, Keystone Consolidated Industries, JPMorgan Chase, Mars, Nestle, Samsung, Shell, Sprint, Steel Manufacturers Association, U.S. Chamber of Commerce, U.S. Steel Corporation, Verizon, and many others

- A platform to help contribute to the news cycle on a day that will receive concentrated media focus at the premier program commemorating the 100th day in D.C. and build relationships with other senior administration officials and Members of Congress, as well as the business and legal community

If it is helpful, we can provide you with a list of expected attendees prior to the event.

We really would like to have Chairman Pruitt on the program, and one of my partners (Joseph Corrigan) has reached out to his office as well. Any help you can provide to secure his participation would be much appreciated and I will owe you one. If you need more information or just want to catch up, give me a call. 202.409.9433.

Join us on May 3 for this important complimentary seminar to review the first 100 days of the Trump Administration and the potential implications for the next four years and beyond.

Rooms are filling fast so please make your reservations by **April 12** to guarantee the Kelley Drye rate.

8:00 AM – 9:00 AM Registration and Breakfast

9:00 AM – 12:30 PM Morning Plenary
The morning plenary sessions will feature a series of key Trump administration appointees, senior level agency officials, and members of Congress who will discuss the President's early priorities and top policy initiatives.

12:30 – 1:30 Lunch

1:30 – 5:00 Afternoon Breakout Sessions
In the afternoon, attendees will be able to choose between a series of concurrent breakout

sessions that will cover topics including international trade, cybersecurity, consumer protection, environmental policy, communications, infrastructure, and other important areas of change. Attendees can move between rooms to hear stakeholders from the public and private sector review key policy developments and analyze their potential impact on businesses. Sessions include:

Advertising, Cybersecurity and Consumer Protection

- Cybersecurity: Beyond Russia and WikiLeaks
- FTC Prospective: Predicting New Outcomes
- Consumer Financial Protection: Not Dead Yet
- Who's Watching Your Ads: Advertiser Issues Then and Now

International Trade and Supply Chains

- The Trade Agenda in the Trump Administration
- Adapting Your Business Strategies to the New Administration's Trade Policies
- The China Puzzle
- U.S. Trade Remedy Laws – A Stronger Weapon Against Imports?

Communications and Infrastructure

- The Road Ahead for Public Private Partnerships (P3s)
- Congress: A Bridge and a Barrier to Infrastructure Development
- The Outlook for Telephone Consumer Protection Act (TCPA)
- 5G and the Internet of Everything

Key Regulatory Issues

- Food & Beverage Law
- Environmental Priorities and State Responses
- Employment Law

5:00 PM – 7:00 PM Reception

Join us after the conference for a cocktail reception on the Watergate rooftop bar, Top Of The Gate

Mike

It has been a long time. Keri Norris, Jeff Bell, and I were together in DC two weeks ago, and we were talking about you and our meeting

with
you
and
Harlan
way
back
when,
which
led
to
our
great
victory
at
the
FTC.
I
am
sure
your
ears
were
ringing.

I am
writing
at
Keri's
suggestion
to
see
if
you
might
be
able
to
help
secure
EPA
Chairman
Scott
Pruitt's
participation
at
an
event
we
are

hosting on the first 100 days of the Trump Administration. (See below) The event is scheduled for Wednesday, May 3, 2017, at the Watergate Hotel in Washington, D.C. and we would like to feature Chairman Pruitt as a keynote speaker. Keri will be attending, as well as one or two other Legal

Shield
reps.
I am
hoping
that
you
might
be
able
to
make
it
too.

The
program
will
provide
an
overview
of
the
President's
early governing priorities
as
well
as
sessions
on
energy,
infrastructure,
consumer
protection,
communications,
international
trade,
cybersecurity,
government
contracts,
and
other
important
areas
of
change.
We
are
expecting
200-

300 attendees from major U.S. corporations to attend. Confirmed speakers include CPSC Acting Chair Ann Marie Buerkle, Utah Attorney General Sean Reyes (who is being considered for the Federal Trade Commission Chairmanship), and Congressman Garret Graves. Other high-level agency, congressional, and administration speakers have been invited and are expected to

commit
in
the
coming
days.

This
event
will
offer
speakers:

•□□□□□□□
An
opportunity
to
highlight
the
administration's
accomplishments
from
the
first
100
days
and
lay
out
the
agenda
for
the
rest
of
the
year.

•□□□□□□□
A
large
audience
of
thought
leaders
from

a diverse list of companies, organizations, and communities, such as Baker Hughes, BP, Caterpillar, Chevron, ExxonMobil, Halliburton, Daimler, Dell, Keystone Consolidated Industries, JPMorgan Chase, Mars, Nestle, Samsung, Shell, Sprint, Steel Manufacturers Association, U.S. Chamber of Commerce, U.S. Steel Corporation, Verizon, and many others

- A platform to help contribute to

the
news
cycle
on
a
day
that
will
receive
concentrated
media
focus
at
the
premier
program
commemorating
the
100th
day
in
D.C.
and
build
relationships
with
other
senior
administration
officials
and
Members
of
Congress,
as
well
as
the
business
and
legal
community

If it
is
helpful,
we
can
provide

you with a list of expected attendees prior to the event.

We really would like to have Chairman Pruitt on the program, and one of my partners (Joseph Corrigan) has reached out to his office as well. Any help you can provide to secure his participation would be

much
appreciated
and
I will
owe
you
one.
If
you
need
more
information
or
just
want
to
catch
up,
give
me
a
call.

Hi Sydney,

I just wanted to touch base on this invitation for Mr. Pruitt from SIGMA – I know Mike Thornbrugh and the senior management of the QuikTrip Corporation, as well as the Love family of the Love's Travel Stops & Country Stores would be thrilled to have him speak to our membership at our Chicago conference this November. We'd love to be able to include him in our promotions for the conference if he's able to join us.

If there is further information I can provide, please don't hesitate to ask.

Thank you!

Best,

Liz.

Subject: SIGMA Invitation to Scott Pruitt - November 2017

Hi Syndey,

I'm reaching out on behalf of Mike Thornbrugh of the QuikTrip Corporation in Tulsa, OK and SIGMA to touch base on the invitation for Scott Pruitt to speak at the SIGMA Annual Conference in Chicago this November.

We would love to have him address our membership at our largest meeting of the year. I do have two dates available, so have a bit of flexibility with his schedule:

Wednesday, November 8, 2017

Opening General Session

3.00pm – 4.30 pm *(presentation time roughly 3.20pm – we start the session with some association business)*

OR

Friday, November 10, 2017

Business Meeting and General Session

9.00am – Noon *(presentation time approximately 10.00am depending on how quickly the session flows)*

I know you're juggling quite the schedule with him and he has a multitude of obligations, but we 're inching closer to the date and are starting our promotions for the meeting. We'd love to be able to include Mr. Pruitt if he is available! I know that our members would gain wonderful insights from him.

I am happy to provide further information or answer any questions for you or Mr. Pruitt. Thank you so much.

Sincerely,

Mike Thornbrugh

Hi Sydney,

I hope all is well. Touching base with you regarding Mr. Pruitt's availability to speak at our upcoming 2017 Utility Regulation Conference, December 5-6, at the Liaison Capitol Hill, Washington, DC. Have you had a chance to review 4th quarter travel?

I am happy to answer any questions you have regarding this executive conference that you and your team may have.

Thanks Sydney,

Tom Thornton

Sure thing, that would be great, thanks Sydney! In the invitation, I did mark that we would like Mr. Pruitt to speak the morning of Dec 5th , but we would certainly work with you and the team to accommodate his busy schedule, adjusting the agenda accordingly.

I look forward to hearing from you in a few weeks!

Thanks again Sydney,

Tom Thornton

Subject: Speaking Request for Administrator Scott Pruitt

Good afternoon Ms. Hupp,

My name is Tom Thornton, Energy Program Manager with S&P Global Market Intelligence. On December 5-6, 2017, we are hosting our **2017 Utility Regulation Conference**, to be held at the Liaison Capitol Hill, Washington, DC. This conference has become an important event for energy executives, with recent speakers including Tony Clark-FERC Commissioner, and Sheryl LaFleur-FERC Commissioner.

I would like to submit a request for Administrator Scott Pruitt to speak at this executive conference, sharing insights on his vision for shaping the EPA, and the role EPA plays in advancing energy policy. I have attached a formal request, and after speaking to Cheryl, a colleague at EPA, she suggested I email you directly with this request.

Please let me know what details you require for this request, and how I may assist. We look forward to hearing from you soon, and hope Mr. Pruitt will be available to join us.

Thank you Ms. Hupp,

Tom Thornton

Pruitt Invitation 7.5.17.docx

Sydney and Michelle,

I am reaching out to call your attention to a request (attached) from the Colorado Association of Home Builders for Administrator Pruitt to speak to a group of home builders and general contractors in October. The event will take place on the morning of October 6 in Colorado Springs, CO. NAHB will be participating in the event, as well, and I want to add our name to request. Our builders recognize the impact Administrator Pruitt is having on the regulatory burdens facing the industry and they would very much like to hear his vison for the future. NAHB is enjoying an excellent relationship with the Administrator and I hope you will seriously consider attending the Colorado event.

If I can answer any questions, please do not hesitate to ask.

JAMES TOBIN EVP, Government Affairs & Chief Lobbyist

COLORADO
ASSOCIATION OF
HOME BUILDERS

July 5, 2017

The Honorable Scott Pruitt
Administrator
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

Dear Administrator Pruitt:

I am writing to invite you to speak at a forum on the legislative and regulatory issues facing the construction industry that will take place on Oct. 6 at the Broadmoor Resort located at 1 Lake Ave. in Colorado Springs, Colorado.

The forum will be from 9-11 a.m. and it will be followed by a golf outing and dinner reception that evening.

The event will be hosted by the National Association of Home Builders and the Associated General Contractors and is expected to draw around 300 audience participants.

A robust residential and commercial construction industry is essential to a thriving economy and to boost job growth. We appreciate your strong leadership in addressing the concerns of the nation's home builders and developers as you work to implement common-sense reforms to protect our water, air and land while simultaneously avoiding undue economic burdens for the nation's small business community.

We deeply appreciate your consideration of this request. If you have any questions, please contact me at 719-499-7764 or email me at scott@hbacolorado.com.

Very Sincerely,

Scott Smith CEO
Colorado Association of Home Builders

Hey Jahan,

It will be from 6:05 to about 6:10AM.

The address is 90 S 11th Street, Minneapolis, MN 55403. We don't have a parking lot, but there is usually plenty of parking right on the street that early in the morning.

When you get here, you'll want to go to the door off Marquette, across from the Hilton

Hotel. There's a white button outside the door to buzz security.

Thanks for the opportunity, we are looking forward to having Scott on the show!

Thanks,

Bess

Off-the-record, EPA Administrator Scott Pruitt will be in Minnesota next Wednesday and was curious if you/WCCO-TV would like to have him in studio to talk about some Pruitt's goals for the EPA. Specifically speaking, we will be in Minnesota to talk about repealing the Waters of the United States Rules (WOTUS), but you can also ask him other questions including regulatory rollback, why he persuaded President Trump to exit from the Paris Accord, and general environmental questions. This would be an exclusive for WCCO as we would not go in-studio for a similar event with KARE 11 or KSTP.

Good morning,

I am writing to see if you have any questions about the invitation for Administrator Pruitt to join us as a Keynote Speaker at the 2017 Oil & Gas Environmental Conference? The conference will be held on November 28-29, 2017, at the Royal Sonesta Houston Galleria, 2222 West Loop South, Houston, Texas 77027. My original email is copied below for quick reference.

Sincerely,

Oil&Gas ENVIRONMENTAL CONFERENCE

Scott Pruitt

Administrator

Environmental Protection Agency

1200 Pennsylvania Avenue, N.W.
Washington, DC 20460

Dear Mr. Pruitt,

We request the honor of your presence at the 3rd Biennial Oil & Gas Environmental Conference as a keynote speaker. The conference will be held on November 28-29, 2017, at the Royal Sonesta Houston Galleria, 2222 West Loop South, Houston, Texas 77027 with expected attendance of 450.

The Oil & Gas Environmental Conference is focused on new and emerging issues related to environmental performance in the oil and gas industry. This event is intended to bring together recognized experts from relevant and diverse disciplines to provide a broad range of perspectives. The conference will feature a variety of panel discussions and breakout sessions designed to inform attendees of the latest environmental trends, and issues related to the oil & gas industry.

It would be an honor and privilege to have you address environmental professionals in the oil and gas industry at the 2017 Conference.

Please let us know if we can answer any questions you may have about the invitation.

Sincerely,

Cassandra Smith

Executive Director

Subject: Re: Invitation to Pruitt to Speak to OK Building Summit

Good morning Sydney,
As we are getting close to August, wanted to check the Administrator's schedule. Also, the following is an email from my counterpart in Tennessee. Can you make sure the Administrator sees it?

Thanks

PS - this is from Susan Ritter, the EO for the Tennessee Home Builders Association -

I have to tell you what happened yesterday.

We have appealed Tennessees adoption of our new post construction stormwater permit. Last year we successfully passed legislation that does not allow our state to pass stormwater regulations that are more stringent than that of the EPAs. We believe this permit is more stringent in a number of areas.

So during this appeal process, there are depositions. Coincidently, the Enviros have appealed saying just the opposite, that Tennessees new permit is less stringent than our previous permit and therefore guilty of backsliding. Right. So during depositions yesterday, the executive director for the clean water network proceeded to openly
bust on Trump for his selection of Pruitt as head of the EPA. We were all quite speechless. She also spent a good amount of time busting on developers who do not care one bit about clean water, while waving her hand in my direction every time. It was quite amazing and amusing. Almost made it somewhat tolerable after having spent 8 hours deposing just two witnesses.

Thought you would enjoy. Can't wait for Scott Pruitt to get in full swing. Would love for him to be aware of what we are appealing in Tennessee because it will have national repercussions. And NAHB gave us legal action money to help with this battle.

Another day another battle.

Thanks again,

Mike

I certainly understand Sydney. No worries. Is there a date where we can finally say go or no go? As far as I am concerned it can be near the first of August. We will need time to print the program (and find a substitute if need

be.)

For now, I am going to promote it as just invited.

Thanks.

Dear Ms. Hupp,

I know an invitation or two is floating around the offices there at EPA, but I was recently given your email as you are the scheduler for Administrator Pruitt. We want to formally invite Mr. Pruitt to be our opening keynote to our annual OK Building Summit & Expo on September 27, 2017, 10:00 am, at the Cox Convention Center. As builders and developers we heavily endorsed and applauded his appointment as Administrator of the EPA.

Our annual Summit has grown each year and last year we had

over 650 in attendance. We would love to welcome Mr. Pruitt back to Oklahoma in his new role.

Thank you for consideration and please let me know if I can provide any additional details.

Hi Sydney,

I hope you're well. I realize this is a very last minute request and we greatly appreciate any consideration you can give this. My client, Plains All American Pipeline's leadership team is coming to DC next week to meet with the leadership of DOT and PHMSA. We wanted to check in and see if the Administrator had a few minutes on Wednesday, July 19th to meet with Plains executives, Harry Pefanis, President and COO, Willie Chiang, COO - US, Dan Nerbonne, Executive Vice President and Dean Gore, Vice President of Environmental & Regulatory Compliance. Their meeting with PHMSA is at 1:30pm so if there is any time around 12:00 or 12:30pm, or later in the afternoon at 4:00pm to stop by, please let me know if this would be possible. As you may know, Plains All American Pipeline was founded in Oklahoma City, OK and headquartered in Houston, TX. They are the largest crude oil shipper in North America and a significant presence in the midstream industry. They would love to have the opportunity to meet the Administrator.

Please let me know if this is possible and we greatly appreciate your consideration.

Thanks again,

Denise

To: Hupp, Sydney <hupp.sydney@epa.gov>; Chris Bliley <cbliley@growthenergy.org>
Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: RE: AROW Meeting Request to Administrator Pruitt - April 20

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney,

Thank you for calling yesterday. I've confirmed April 27 with our senior executives to meet with the Administrator. Please confirm that 2pm works for him.

The executives are eager to make arrangements, so please let me know as soon as possible.

Thank you again,
Marissa

Subject: SIGMA Invitation to Scott Pruitt - November 2017

Hi Syndey,

I'm reaching out on behalf of Mike Thornbrugh of the QuikTrip Corporation in Tulsa, OK and SIGMA to touch base on the invitation for Scott Pruitt to speak at the SIGMA Annual Conference in Chicago this November.

We would love to have him address our membership at our largest meeting of the year. I do have two dates available, so have a bit of flexibility with his schedule:

Wednesday, November 8, 2017

Opening General Session

3.00pm – 4.30 pm *(presentation time roughly 3.20pm – we start the session with some association business)*

OR

Friday, November 10, 2017

Business Meeting and General Session

9.00am – Noon *(presentation time approximately 10.00am depending on how quickly the session flows)*

I know you're juggling quite the schedule with him and he has a multitude of obligations, but we 're inching closer to the date and are starting our promotions for the meeting. We'd love to be able to include Mr. Pruitt if he is available! I know that our members would gain wonderful

insights from him.

I am happy to provide further information or answer any questions for you or Mr. Pruitt. Thank you so much.

Sincerely,

Mike Thornbrugh

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19th.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19th. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian

America's Ethanol Supporters

701 8th Street, NW, Suite 450, Washington, D.C. 20001
PHONE 202.545.4000 FAX 202.545.4001 GrowthEnergy.org

March 2, 2017

The Honorable Scott Pruitt
Administrator
U.S. Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Dear Administrator Pruitt:

Congratulations on your confirmation and appointment as the Fourteenth Administrator of the U.S. EPA. Growth Energy represents 82 ethanol producers and 83 associate members and is the leading trade association for the ethanol industry. We, too, share your belief that our nation can be pro-energy and pro-environment at the same time, and we look forward to working with you to administer and implement policies that fulfill the President's strong support for American-made ethanol including the Renewable Fuel Standard (RFS).

I write today to request a meeting with you and several of our industry CEOs to discuss the pressing issue of maintaining the current point of obligation under the RFS. Our industry along with fuel retailers, convenience stores, truck stops, railroads, and consumers all oppose this change as it would turn the success of the RFS program on its head. As such, we are troubled by rumors suggesting that a deal has been made to determine the future of the renewable fuels industry without our input. Those attending the meeting would be myself, Jeff Broin, CEO of Poet in Sioux Falls, South Dakota; Todd Becker, CEO of Green Plains in Omaha, Nebraska; Mitch Miller, CEO of Carbon Green Bioenergy in Lake Odessa, Michigan; and Craig Willis, President, Ethanol, at Archers Daniels Midland of Decatur, Illinois.

Thank you in advance for your consideration, and we look forward to meeting you as soon as you are able. If you need any information in the meantime, please do not hesitate to reach out to me or Chris Bliley, our Vice President of Regulatory Affairs.

Sincerely,

Emily Skor, CEO
Growth Energy

External Meeting Request Form for
Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: April 10, 2017

Meeting Date: April 27, 2017

Meeting Time: Afternoon

Requested Location (if offsite, please list address, parking instructions, etc.): Administrator's Office/EPA HQ

Requestor: Growth Energy (Emily Skor, CEO/Chris Bliley, VP, Regulatory Affairs)

Purpose of the Meeting: Discuss developments within the ethanol industry, the development of the market for higher ethanol blends such as E15 and regulatory barriers to commercial introduction. The interaction of EPA administered fuel programs such as the Renewable Fuel Standard (RFS), RFS Point of Obligation and ethanol production and marketing.

Background on the Meeting: Growth Energy represents nearly 86 ethanol plants and 85 associated industry members across the country. Growth is the leading association of ethanol producers and has been actively engaged on growing the market for higher ethanol blends such as E15. Those participating in the meeting represent the leaders of the some of the U.S.' (and the world) largest biofuel producers.

Role of the Administrator: Introduction to the global leaders in ethanol production and marketing and feedback on the Administration's positions on EPA programs that impact the industry.

Attendees: Emily Skor, CEO, Growth Energy; Todd Becker, CEO, Green Plains; Craig Willis, President – Ethanol, Archer Daniels Midland; Jeff Broin, CEO, Poet; Mitch Miller, CEO, Carbon Green Bioenergy; Chris Bliley, VP Regulatory Affairs, Growth Energy.

Point of Contact: Chris Bliley, Growth Energy, cbliley@growthenergy.org **Phone: 202-545-4023**

Subject: Request for phone call with Tony Perkins

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small

meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Lindsay Hoefer

Chemours Letter to EPA Administrator Scott Pruitt (April 10, 2017) .pdf

Ms. Hale and Ms. Hupp,

Attached please find a letter directed to Administrator Pruitt from The Chemours Company, which includes a request for the scheduling of a meeting with Chemours' President and CEO, Mark Vergnano.

We trust our request for a meeting with Administrator Pruitt will receive a favorable response and I look forward to working with you to schedule the meeting in the coming weeks.

Please do not hesitate to contact me if you have questions or would like additional information.

Many thanks.

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 16th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Good Morning Sydney,

I didn't know you had gone to EPA with General Pruitt….CONGRATULATIONS! I am sure your life has become quite zesty since making the move. If we can ever be of assistance, don't hesitate to give us a call.

When we met with General (I obtained his permission to still call him "General") Pruitt a few weeks ago he expressed his desire to come to the Summer Meeting and speak to his former colleagues. The dates of the meeting are 20 – 22 June 2017 in Big Sky, Montana. I am sure there is a form we need to complete and return to you. Could you send me a copy and we will get it right back to you.

Again, Welcome to DC!

Hello Sydney,

Happy Sunday!

A quick note to make sure you received back the below emailed Meeting Request Form; and to ask if a conference call between Administrator Pruitt and EPSI's Steve Sexton is or will be scheduled this week.

Also we wanted to advise that Doug and I have a meeting with Tom Dadey tomorrow (Monday 4-9-2017) morning, with Steve Sexton calling in from Arizona.

This meeting is to be sure that Tom can be fully briefed on the Vocgen technology, should Administrator Pruitt call him before talking with EPSI's Steve Sexton.

Lastly, Steve Sexton thought we should pass along this YouTube link, that you might have time to visit and pass on to Administrator Pruitt: https://www.youtube.com/user/wwwVOCGENcom

It has some short educational/information videos on the VOCGEN.

Thank you again Sydney for orchestrating this for us all !

Best Regards

Mark and Doug

Subject: per Karen Bianco from your office - we are requesting a quick meeting between EPA Secretary Pruitt and EPSI President Steve Sexton

Dear Ms. Hupp,

Per a friendly conversation today (approx. 2:30 pm) and direction from your Karen Bianco to Mr. Doug R. Jarvis of Green Visions Solar in Upstate New York, Doug and I are writing to respectfully request/schedule a 5 to 10 minute appointment for a telephone conversation between Mr. EPA Secretary Scott Pruitt and EPSI (Environment & Power Systems International http://www.vocgen.com/) President, Mr. Steve Sexton; that Mr. Sexton may discuss how EPSI's VOCGEN technology can uniquely help our President Trump to revitalize U.S. manufacturing and jobs and careers in America, – and while directly positively affecting a cleaner environment than called for by the Clean Power Plan.

As background for that conversation, assuming Secretary Pruitt has not heard this yet from Mr. Tom Dadey, we attached the VOCGEN National Plan and drafted the below talking points:

• the Vocgen eliminates the age-old cost vs. compliance paradigm; making cost-effective air pollution controls and clean energy available to all industrial operations;

• Vocgen is a market-based energy (combined heat and power) and air pollution control solution designed to serve over 46,000 US industrial operations;

• Vocgen gensets (1 unit) reduce energy consumption; generating positive cash flows exceeding $1 Million/year;

• the Vocgen technology has been vetted by:

U.S. DOE - Department of Energy, Berkeley National Labs

U.S. EPA - Environmental Protection Agency

U.S. DARPA - Defense Advanced Research Projects Agency, an agency of the U.S. Department of Defense

GTI - Gas Technology Institute (formerly 1976 founded Gas Research Institute)

EPRI - Electric Power Research Institute

ACEEE - American Society for an Energy-Efficient Economy

CEC - California Energy Commission

We look forward to hearing from you in regard to scheduling a date and time.

Thank You Ms. Hupp and Ms. Bianco !

Should you have any questions regarding the VOCGEN technology or EPSI, toward scheduling the appointment, please feel free to call either of us at your convenience.

Best Regards

Doug and Mark

To: Michelle Hale <Personal Email/Ex. 6 Sydney Hupp
<Personal Email/Ex. 6

Michelle and Sydney,

It was good to see the two of you on Thursday. I asked Scott if he would be willing to be the keynote speaker for the BG Products, Inc. International Sales Convention, Oct. 23, 2017 in Nashville. He said he would do it if his schedule was open, so that is the purpose of my email. I have worked for BG for 35 years and so much of our business, the automotive industry, is tied to EPA regulations that having Scott here would be a good fit.

Angela and I will be there so we'd like Marlyn to accompany him. They could arrive on Sunday, Oct. 22nd, spend the night in Nashville and Scott would speak at about 10am on Oct. 23rd. I envision a 30 minute speech followed by about 45 minutes of Q & A. We usually have about 250 people from North America and about 50 others from around the world.

I would appreciate it if you could fit this into his schedule. Let me know what other details you need from me at this time. We will be staying at a golf resort in Nashville. We will cover all the expenses for Marlyn. (We'll cover the expenses for Scott, too…but I don't know if that is allowed or not.)

This far out, we are a little flexible. The morning of Oct. 23rd is best, but if it works out better for Scott's schedule he could speak on Oct. 24 or 25.

Thank you for your help,

Charlie

Subject: Scott Speaking at BG Convention Oct. 23rd....
To: Michelle Hale **Personal Email/Ex. 6**, Sydney Hupp **Personal Email/Ex. 6**

Michelle and Sydney,

It was good to see the two of you on Thursday. I asked Scott if he would be willing to be the keynote speaker for the BG Products, Inc. International Sales Convention, Oct. 23, 2017 in Nashville. He said he would do it if his schedule was open, so that is the purpose of my email. I have worked for BG for 35 years and so much of our business, the automotive industry, is tied to EPA regulations that having Scott here would be a good fit.

Angela and I will be there so we'd like Marlyn to accompany him. They could arrive on Sunday, Oct. 22nd, spend the night in Nashville and Scott would speak at about 10am on Oct. 23rd. I envision a 30 minute speech followed by about 45 minutes of Q & A. We usually have about 250 people from North America and about 50 others from around the world.

I would appreciate it if you could fit this into his schedule. Let me know what other details you need from me at this time. We will be staying at a golf resort in Nashville. We will cover all the expenses for Marlyn. (We'll cover the expenses for Scott, too…but I don't know if that is allowed or not.)

This far out, we are a little flexible. The morning of Oct. 23rd is best, but if it works out better for Scott's schedule he could speak on Oct. 24 or 25.

Thank you for your help,

Charlie

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, May 10th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will

be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Sydney,

I apologize that it has taken a bit of time to return the attached meeting request form. Coordination among the attendees and finding available dates to propose to you and Administrator Pruitt was a little tricky. We are suggesting May 9, May 11 or May 12 (times specified in the form). If Administrator Pruitt is not free during those times, please let me know as soon as possible, and we will revisit calendars.

Thanks again.

Best,

Komal

Subject: Commercial Vehicle Manufacturers Mtg Request - April 19

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19th.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19th. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian

Lindsay: I apologize for the delay in getting back with you, unfortunately Administrator Pruitt's schedule has been very busy, as you can imagine. I also apologize that he will not be able to attend the event tomorrow. However, the Administrator is very interested in moving forward on the business meeting and discussing that with Mr. Perkins.

Copied on this email is Sydney Hupp who can help you move the ball down the field on that front.

Thank you Lindsay and have a great weekend!

Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a

couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the

President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

External Meeting Request Form for Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: 4/7/2017

Meeting Date: 4/27/2017

Meeting Time: 2:00 pm

Requested Location (if offsite, please list address, parking instructions, etc.): EPA

Requestor: Rich Gold, Executive Director, Alliance to Restore Our Waterways

Purpose of the Meeting: Superfund Program

Background on the Meeting: The Alliance to Restore Our Waterways (AROW) is a coalition of industry groups affected by the cleanup process at contaminated sediment sites. The group plans to discuss ways to improve implementation of the Superfund program.

Role of the Administrator: Implementation of the Superfund Program

Attendees:

Rich Gold, Executive Director of the Alliance to Restore Our Waterways
Marissa Serafino, Alliance to Restore Our Waterways
Mary Draves, Dow, Global Director, Environmental Remediation and Restoration
Dennis Deziel, Dow, Director of Government Affairs
Evan Van Hook, Honeywell, Global Vice President for Health, Safety, Environment and Sustainability
Larry Kast, Honeywell, Vice President of Government Relations
Darren Collins, Celanese, Vice President of Manufacturing and EHS
Stephanie Daigle, Celanese, Vice President of Government Affairs
Steve Shestag, Boeing, Director of Enterprise Remediation
Peter Pagano, Boeing, Director of Environment
Steve Goldberg, BASF, Vice President for Regulatory Law and Government Affairs

Representatives from ExxonMobil and Schnitzer Steel will also attend the meeting. When I have their names, I will send a final list.

Hi Jackie - I'm so glad we can make a meeting with Governor Scott work on May 10. I'm looping in Administrator Pruitt's scheduler Sydney Hupp to nail down the exact time.

Sydney - The Governor can be available at 10:30 or 11:00 a.m. He'll be flying up from Florida that morning. Defer to you on what works best.

Thank you both!

Scott Pruitt

Administrator

Environmental Protection Agency

1200 Pennsylvania Avenue, N.W.
Washington, DC 20460

Dear Mr. Pruitt,

We request the honor of your presence at the 3rd Biennial Oil & Gas Environmental Conference as a keynote speaker. The conference will be held on November 28-29, 2017, at the Royal Sonesta Houston Galleria, 2222 West Loop South, Houston, Texas 77027 with expected attendance of 450.

The Oil & Gas Environmental Conference is focused on new and emerging issues related to environmental performance in the oil and gas industry. This event is intended to bring together recognized experts from relevant and diverse disciplines to provide a broad range of

perspectives. The conference will feature a variety of panel discussions and breakout sessions designed to inform attendees of the latest environmental trends, and issues related to the oil & gas industry.

It would be an honor and privilege to have you address environmental professionals in the oil and gas industry at the 2017 Conference.

Please let us know if we can answer any questions you may have about the invitation.

Sincerely,

Cassandra Smith

Executive Director

The University of Texas at Arlington

Division for Enterprise Development

Oil and Gas Environmental Conference Administrative Chair

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19th.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19th. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian

Subject: Two AF&PA Meeting Requests
Scott Pruitt EPA May 4 Meeting Request Letter.pdf

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

American
Forest & Paper
Association

Office of the President

March 2, 2017

The Honorable Scott Pruitt
Administrator
US Environmental Protection Agency
1200 Pennsylvania Avenue, N.W., 1101A
Washington, DC 20460

Dear Administrator Pruitt:

On behalf of the Board of Directors of the American Forest & Paper Association (AF&PA), I am writing to request a meeting with you to discuss the industry's current regulatory reform priorities with a group of our member company CEOs and senior executives from across the country. Our CEOs and senior executives will be available to meet on May 4.

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products with fact-based public policy and marketplace advocacy. More than 75 percent of forest products industry facilities are located in predominantly rural counties across America and are often the economic driver for their communities, large and small. The approximately 900,000 family wage jobs represent a $50 billion annual payroll, making our industry among the top 10 manufacturing sector employers in 45 states. AF&PA member companies make products essential for everyday life from renewable and recyclable resources and are committed to continuous improvement through the industry's sustainability initiative - *Better Practices, Better Planet 2020*.

We will be in touch with your office shortly, but in the meantime, feel free to have your staff please contact Brooke Haywood Hack at 202-463-5169 or Brooke_Hack@afandpa.org with your availability on May 4.

Best Regards,

Donna Harman

Donna A. Harman

Sydney,

Could you please assist us with setting up an introductory meeting between the Administrator and IPAA's President and CEO, Barry Russell? We have several items affecting independent oil and natural gas producers that we'd like to identify and offer our assistance as EPA seeks to address them.

Feel free to reach out to Lee Fuller (cc'd) or myself with any questions. We thank you in advance for the consideration of this request.

Best,

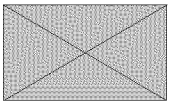

Sam

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

Katelyn

Sydney,

Could you please assist us with setting up an introductory meeting between the Administrator and IPAA's President and CEO, Barry Russell? We have several items affecting independent oil and natural gas producers that we'd like to identify and offer our assistance as EPA seeks to address them.

Feel free to reach out to Lee Fuller (cc'd) or myself with any questions. We thank you in advance for the consideration of this request.

Best,

Sydney,

Thank you for your reply. We appreciate the difficulties in trying to balance his schedule.

Is there another member of the EPA that you would recommend to meet with us regarding the same issues? Our organization only is able to make it out to DC every other year, so we would really value a meeting with the EPA.

I appreciate any guidance you can provide

Good afternoon Nicolle,

Hope this email finds you well! My apologies for the delay in getting back to you about the attached invitation. Unfortunately the Administrator is not available on the days suggested. I'm sorry that we were not able to make it work but I hope your event goes well and that you have a great end to your week!

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

To: 'jackson.ryan@epa.gov' <jackson.ryan@epa.gov>
Subject: Commercial Vehicle Manufacturers Mtg Request - April 19

Ryan, I hope you are doing well with your transition to the EPA. I will be visiting Washington, DC with several of my colleagues in the commercial vehicle industry and hope that you could meet with us on Wednesday, April 19th.

The participants in the meeting would be the President of the Truck and Engine Manufacturers Association (EMA) and executives from the major manufacturers – Cummins, Navistar, Paccar, Daimler and Volvo. Our intent is to discuss industry regulatory issues including the Phase 2 Fuel Efficiency and Greenhouse Gas regulations and the potential for a future low NOx rule.

We can be flexible on the timing for a meeting on April 19th. We are hoping that you would also invite other leaders in the Agency that could contribute to the discussion.

Please let me know what time would work and thanks for your consideration,

Brian

Subject: Request for phone call with Tony Perkins

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

Lindsay Hoefer

To: Konkus, John <konkus.john@epa.gov>
Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Subject: Scheduling Request

Hi Sydney!

Michelle Hale gave me your information to request a form to fill out to see if Mr. Pruitt is available to speak at Leadership Oklahoma's Fall Forum September 14th at Shangri-La Resort in Northeast Oklahoma. As a member of Leadership Oklahoma, we would love to have Mr. Pruitt be a part of our event! I am happy to send more details, however, if you have any questions, please feel free to call or email me.

Thank you so much and I look forward to hearing from you soon!

30th Leadership
ANNIVERSARY
Oklahoma
CONNECTING LEADERS SINCE 1988

ADMINISTRATOR PRUITT SPEAKER REQUEST FORM
U.S. Environmental Protection Agency

Deadline for Acceptance:	As soon as possible. Invitations will be sent to the membership by the end of July 2017.
Event Title:	Leadership Oklahoma All Class Reunion & Fall Forum focused on Energy – A Utility Perspective
Speech Date:	Thursday, September 14, 2017
Is the Above Date Flexible:	No
Speech Time & Duration:	9:00 am – 10:00 am
Speaker Requested:	Administrator Scott Pruitt
Would You Consider a Surrogate:	Administrator Pruitt is a 15-year member of Leadership Oklahoma and is well known by the members of the organization which would be the majority of the audience. Our request is for him to participate.
Event Location:	Shangri-La Resort 57301 E. Hwy 125, Monkey Island, OK 74331 918.257.4202
Open Press/Closed Press:	Closed
Is Event Webcast/Recorded/Transcribed:	No – At this time, there is no plan to record the event.
Purpose of the Event:	Annually, Leadership Oklahoma offers its members educational opportunities to learn about various topics/challenges. This specific event will highlight the utility perspective – Utility 101; regulatory challenges; critical issues – renewables, cybersecurity, game changers; and end with Utility 2.0 – The Future of Utilities.
Speech Topic:	Regulatory Challenges from the EPA perspective.
Requested Presentation Format:	Panel and Q&A.
Dress Code:	September 13 – Casual; September 14 – Business Casual
Speech/Presentation Duration:	Tentatively, each panelist will have about 10 minutes to speak with about 20 minutes open to Q&A.
Teleprompter Available:	No
Microphone / Room Setup:	To be determine based upon speaker preference. Historically, there is a stage with speaker chair(s) and a hand-held microphone.
Event Sponsor:	TBD – Leadership Oklahoma events are sponsored by Leadership Oklahoma members and their businesses. We are working on sponsorships currently.
Relationship to the EPA:	Administrator Pruitt is a long-term member of Leadership Oklahoma.
Event Agenda/Program:	The Leadership Oklahoma All Class Reunion and Fall Forum is a two-day event:

ADMINISTRATOR PRUITT SPEAKER REQUEST FORM
U.S. Environmental Protection Agency

	Wednesday, September 13 – All Class Reunion Optional Activities including a tour of GRDA, golf, etc. Cocktail Reception and Dinner **Thursday, September 14** – Fall Forum 8:00 am - Welcome/Utility Overview 8:30 am – Utility 101 9:00 am – Regulatory Challenges 10:00 am – Critical Issues in Utilities (Renewables, Cybersecurity, Game Changers) 11:15 am – Utility 2.0 – CEO's Vision – Utility of the Future 12:00 pm - Adjourn
Honorable Guests Attending:	Unknown at this time - Can update as guests/speakers confirm.
Notable Federal, State or Local Appointed or Elected officials attending:	Unknown at this time - Can update as guests/speakers confirm – numerous elected officials are members of Leadership Oklahoma and may attend because of topic and reunion opportunity.
Individual Introducing Administrator:	Unknown at this time - Can update when moderator is confirmed.

ADMINISTRATOR PRUITT SPEAKER REQUEST FORM
U.S. Environmental Protection Agency

Is the organization or host of the event a registered 501(c)(3), (4), or has a 527 Political Action Committee (PAC):	**Leadership Oklahoma is a 501c3**
Will there be a presentation of a "gift" to the Administrator?	**Typically, LOK gives a small gift of appreciation to its speakers, however, should it be a problem, that can be addressed.**
If so, what is the US currency value of the gift?	**Typically, around $15-20.**
Will a meal be provided, if so what is the US currency value?	**Breakfast is available to attendees. Around $20.**

Please return this form completed to scheduling@epa.gov and Sydney Hupp (hupp.sydney@epa.gov).

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Meeting Request

I am writing on behalf of the Brick Industry Association (BIA) to request a meeting with Administrator Pruitt. BIA is a national trade association representing clay brick manufacturers, distributorships, and their suppliers. Two-thirds of all the brick shipped in North American is manufactured by BIA members. In addition, many BIA member companies are family-owned small businesses.

Many of BIA's members are subject to a recently-promulgated National Emissions Standard for Hazardous Air Pollutants for Brick Manufacturing (i.e., the "Brick MACT"). BIA has a pending challenge to this rule in the DC Circuit. BIA does not want to discuss the litigation with the Administrator. BIA does hope to discuss with the Administrator the enormous impact that the rule is having on the industry and some of BIA's ideas as to how the rule could be improved and the burden lessened.

A group of BIA members will be in Washington, DC, on Thursday, June 15. A meeting that date would be ideal. If that does not work for Administrator Pruitt, we would appreciate any suggested alternative dates.

Please feel free to contact me if you need anything more. Thanks for your consideration.

Sydney, I've attached the form for Tuesday's meeting. I will join Chet for the meeting as well. Please let me know if you need anything else.

For June 15th, do you think it would be possible for the Administrator to join us in our meeting space across the street at the Trump Hotel? If not, that is completely understandable and we'll

keep the meeting in EPA HQ. We're just working through some logistical issues on our end.

Thanks!

Geoff

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and

senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Subject: FW: Scott Pruitt

Tamara, I hope all is well with you and your current endeavors.

I know before Scott's world changed, he or his staff were trying to get with me to discuss his future. Obviously, I would be a big supporter of Scott's in any pursuit, just as I have been from the early days. We never connected mostly due to me being unavailable at the right times. Of course, shortly thereafter he deservedly was nominated to his current, prestigious position at the federal level. I'm so happy for and proud of him! I'd love the opportunity to say hello to Scott at the right time. I am in D.C. a couple of times a year for my work at MidFirst Bank, so perhaps I will get the opportunity to briefly check in with him at some point.

As I think you know, I work for the Records family that owns MidFirst Bank. Specifically, I work for Jeff Records, MidFirst's Chairman and CEO. Jeff has a good friend, Paul

Tosetti, who is Los Angeles based and works for the law firm Latham and Watkins. Paul reached out to us as a London-based client of his was hoping to get Scott to address their organization, perhaps in the House of Lords, later this year. Paul forwarded us a letter (attached to this email – note the confidential treatment requested below) that the organization addressed to Scott extending him this invitation. I do not know the organization and have no idea if Scott would have any interest in accepting the invitation to speak, but I agreed to attempt to ensure Scott at least received and considered the invitation given Paul's relationship with Jeff.

Paul included this excerpt from a prior email: "It's not a lobbying exercise – a London-based non-profit for which I do some work is hoping to get him to address their annual gathering (in the House of Lords, I believe). And while there's nothing of great sensitivity in the letter, the GWPF people would appreciate if it were kept in confidence. If Scott declines the invitation, and/or doesn't wish to receive any input regarding it except through official channels, that's of course 100% OK." In addition, I included below excerpts from Paul's most recent email I received and to which he provided the attached invitation letter.

Could you be so kind as to assist me in ensuring Scott receives the invitation and has an appropriate opportunity to consider it? That's my mission, regardless of whether Scott accepts the invitation or not. Please note that Paul has requested that the invitation be letter be kept in confidence.

Also, I know you've recently reached out to me to introduce me and others at MidFirst to Matt Pinnell. We should work on a date and time to make a meet and greet with Matt happen.

I hope our paths soon cross.

Take care,

Todd

Subject: RE: Scott Pruitt

The letter is attached. I appreciate your willingness to forward it along to an appropriate recipient.

While I know that the global warming/climate change debate can be deeply contentious, I have found the GWPF folks, though fairly described as skeptics, to be civil and reasonable in their work.

And while there's nothing controversial in the letter, please keep it in confidence.

Regards, and many thanks. Paul

Mr Scott Pruitt
Administrator of the US Environmental Protection Agency
USEPA HQ
William Jefferson Clinton Building
1200 Pennsylvania Ave, NW
Washington DC 20460-1101A
U.S.A.

May 8, 2017

Dear Mr Pruitt

As a former UK Energy Secretary, in the first Thatcher government, and subsequently Margaret Thatcher's Chancellor of the Exchequer, let me start by wishing you every success and the best of luck in your new post as Administrator of the US EPA.

I am writing to you now as founding Chairman of the Global Warming Policy Foundation (www.thegwpf.org) and of its campaigning arm, The Global Warming Policy Forum (www.thegwpf.com) to invite you to deliver our 2017 Annual Lecture.

This is the most important event of our year. Past lecturers have included Vaclav Klaus, the former President of the Czech Republic, John Howard, the former Prime Minister of Australia, and Owen Paterson MP, former UK Secretary of State for Environment, Food and Rural Affairs, all of whose lectures attracted excellent media attention.

Last January we hosted Myron Ebell, former head of President Trump's EPA transition team, who spoke very highly of you.

The subject matter would be up to you – preferably, of course, your thoughts on US climate and energy policy. The lecture would be subsequently published in printed form, as well as appearing on our website. It would be held at a high quality address in Central London on a date to suit you; but it is usually in October or November, which would be ideal from our point of view. The lecture would be followed by a private dinner in your honour for some thirty to forty guests.

I very much hope that you will be able to accept this invitation. I look forward to hearing from you.

Yours sincerely

Nigel Lawson, Chairman

Director: Dr Benny Peiser

Sydney,

Andrew Wheeler was kind enough to share your contact information. We sent an invitation via US mail for Administrator Pruitt to keynote our annual meeting in November. After hearing him on Wednesday of this week at the Faegre Baker Daniels meeting I'm even more keen on getting him to our meeting – his comments were outstanding and a breath of fresh air from EPA.

Attached is a copy of the letter for your reference. We'd love to hear from you as soon as you're able to provide a tentative indication.

Have a great Memorial Day weekend!

ADMINISTRATOR PRUITT SPEAKER REQUEST FORM
U.S. Environmental Protection Agency

Deadline for Acceptance:	September 1, 2017 to be included in printed materials. Promotional materials will begin to be circulated in June. We would take a "yes" anytime!
Event Title:	Agricultural Retailers Association Annual Conference & Expo
Speech Date:	Wednesday, November 29, 2017
Is the Above Date Flexible:	Not really – there is a very short general session the following morning but it would be difficult to make the switch. Our Board of Directors meets Monday evening Nov 27 so that would be an opportunity with a much smaller crowd if Wednesday cannot work.
Speech Time & Duration:	The slot we have reserved is in the early afternoon on Nov 29. We could swap speakers and place him in the late morning if necessary. We're looking for 30-45 minutes with an opportunity for a few questions.
Speaker Requested:	Administrator Scott Pruitt
Would You Consider a Surrogate:	Our strong preference is for the Administrator – his role, presentation style and personality would be a superb fit for our audience. We would *consider* a senior surrogate if he is absolutely not available.
Event Location:	Arizona Biltmore (www.arizonabiltmore.com) 2400 East Missouri Avenue, Phoenix, Arizona, 85016 (855)689-2878 McArthur Ballroom
Open Press/Closed Press:	Open to registered media (generally agribusiness trade press)
Is Event Webcast/Recorded/Transcribed:	Video recorded with the permission of the speaker but not live streamed.
Purpose of the Event:	Annual meeting of the Association
Speech Topic:	A New Day at EPA – Returning to Foundations of Science and Law. We're very flexible on the actual title. Our members felt like they were under assault from the prior EPA with legal process fouls too numerous to mention; we could provide a briefing on that for his preparation if that would be helpful. We are very pleased to hear the Administrator's comments about focusing on the core mission, relying on science, and conforming to enabling statutes.
Requested Presentation Format:	Keynote
Dress Code:	Business. Most attendees will be in business or business casual and speakers will be in business attire.
Speech/Presentation Duration:	30-45 minutes
Teleprompter Available:	We have a confidence monitor but not a teleprompter.
Microphone / Room Setup:	Room setup is a mixture of classroom and theater seating for

	approximately 600. We can provide a podium, handheld or lavalier microphone – whatever he prefers. We frequently have international colleagues attend, particularly from Brazil, so there may be simultaneous interpretation for the non-English speakers.
Event Sponsor:	The Agricultural Retailers Association (ARA) is the convener of the event. There is a long list of event sponsors which will not be confirmed until later in the year. Sponsors typically include producers of fertilizer, crop protection chemicals, application equipment, and services that support agricultural retailers. For reference, a list of sponsors for the same event in 2016 is available at http://www.aradc.org/ara2016/sponsors2016.
Relationship to the EPA:	ARA retail member companies supply farm inputs and agronomy services to farmer customers, and the use of many of those inputs (pesticides, anhydrous ammonia) is regulated by EPA. ARA has worked with EPA on joint projects in the past to communicate container recycling and fuel spill/storage requirements and we look forward to doing so again.
Event Agenda/Program:	The program starts Tuesday evening November 28 with a reception in the exhibit hall. General sessions run on Wednesday morning, early afternoon Wednesday and late morning Thursday. The conference closes at noon on Thursday though there is an optional agricultural tour that afternoon. Confirmed keynoters at present include Jim Collins from DuPont, who is expected to run the agribusiness that emerges from the DuPont-Dow merger; global strategist Peter Zeihan; and a panel on alternative business models featuring Steve Watts (Farrell Growth Group) and Amol Deshpande (Farmers Business Network) moderated by Dr. Dave Downey (Purdue University). ARA offers concurrent breakout sessions late afternoon Wednesday and early morning Thursday. We can provide information on these sessions if it would be helpful. The 2017 conference marks the 25th Anniversary of the creation of ARA so we will be inviting past chairs and celebrating that landmark.
Honorable Guests Attending:	Our members!
Notable Federal, State or Local Appointed or Elected officials attending:	Agriculture Secretary Sonny Perdue has been invited but has not yet confirmed.
Individual Introducing Administrator:	Daren Coppock, ARA President & CEO
Person to contact for speechwriting purposes:	Daren Coppock, President & CEO dcoppock@aradc.org O: (202) 595-1724 M: (202) 997-4041
Person to contact for media purposes:	Brian Reuwee, Director of Communications and Marketing brian@aradc.org

brian@aradc.org
O: (202) 595-1712
M: (636) 579-0290

Is the organization or host of the event a registered 501(c)(3), (4), or has a 527 Political Action Committee (PAC):	ARA is a 501(c)6 trade association and does have a PAC. The only PAC event at the conference requires a separate purchased ticket by eligible participants and is scheduled for Wednesday evening.
Will there be a presentation of a "gift" to the Administrator?	We customarily provide a speaker gift but are not required to do so. If he prefers to not receive anything we can accommodate that request.
If so, what is the US currency value of the gift?	Speaker gifts have not been selected for 2017 but will not exceed $35 in value.
Will a meal be provided, if so what is the US currency value?	He and his staff are welcome to join us for receptions, buffet lunch and/or breakfast in our trade show if their schedules and guidelines permit. Cost of these meals is included in the conference registration fee which is complementary for the Administrator and his staff. He would also be welcome Tuesday evening at our dinner for guest speakers. Participation in all meal events is entirely optional. Approximate values have not yet been determined.

Please return this form completed to scheduling@epa.gov and Sydney Hupp (hupp.sydney@epa.gov).

Dear Ms. Hupp,
I would like to follow up on my request submitted May17 (below).

Our company representatives now have a high-level meeting scheduled at the State Department for the afternoon of June 29. This being the case, I would like to know if it is possible to schedule this meeting with Administrator Pruitt either early or later in the morning on that day.

I look forward to hearing from you.

Thank you for your help.

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

-

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

From: Woodward, Cheryl
Sent: Tue 5/30/2017 7:28:03 PM
Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Meeting with Administrator Scott Pruitt

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

Subject: RE: AFPM Meeting Request for June 15

Sydney,

Good afternoon. We would have to check the executives' schedule for the 16th, as the meeting ends on the 15th. Is it possible for The Administrator to meet on June 14th at 3:30 – 4:30 p.m. at EPA?

Thanks,

Rebbie

Sydney, I've attached the form for Tuesday's meeting. I will join Chet for the meeting as well. Please let me know if you need anything else.

For June 15th, do you think it would be possible for the Administrator to join us in our meeting space across the street at the Trump Hotel? If not, that is completely understandable and we'll keep the meeting in EPA HQ. We're just working through some logistical issues on our end.

Thanks!

Geoff

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Sydney: how about the afternoon of 4/28? Maybe 30 minutes between 2:30-5:00 pm ET?

I still need to check this date with the other governors' offices.

Thank you,

Kristin

Sydney: thank you for the update. We certainly understand.

I'll work with the other governors' offices to identify some good options on our end.

Could you suggest a few dates that work well for the Administrator/dates that are best to avoid? If it's easier to compare calendars over the phone, please feel free to give me a call at 402-471-1969.

Thank you, again!

Great,

Again, I am sure Mr. Pruitt, will find this meeting to be beneficial. As a Environmental Scientist with a Graduate degree from Johns Hopkins, not only does the connection of population growth, driven by immigration found as a valid environmental issue. But with Presidents Trump's focused on restricting our dysfunctional immigration system, I foresee Mr. Pruitt's effort to address these connection will be very beneficial to President Trump.

Subject: Request meeting with Mr. Pruitt: Regarding the environmental concerns of population growth driven by mass immigration.

Greetings Ms. Sidney,

My name is Paul Clark and I am the President of The Chesapeake Bay Population Stability Society (CBPSS). Our mission is to goal is to stabilize the population of the Chesapeake Bay watershed to ensure future environmental sustainability. Our mission includes generating greater awareness of the impacts of growth on the Bay which can be considered the Bay's leading environmental challenge. On behalf of the CBPSS, I would like to schedule a meeting with Mr. Pruitt regarding the environmental concerns of population growth driven by mass immigration. We believe that not only will this meeting be beneficial in helping efforts to reduce immigration, as is favored by President Trump, but can also provide suggestions that implement existing environmental laws and policies. We have confidence that the resources we provide will aid Mr. Pruitt in further reducing the impacts of population growth, a considerable environmental challenge.

Please let us know when you are able to schedule a time/day/place and I will ensure my availability. For more information please view us at http://cbpss.weebly.com and/or www.PandorasGreenBox.com

Thank you for your time.,

Paul Clark

Hi Cheryl – Thank you for the directions. As for attendees, the current list is as follows:

1. Congressman Kevin Cramer ND-AL;
2. Daryl Lies – President, North Dakota Farm Bureau;
3. Josh Kramer - Exec VP & Gen Manager, NDAREC;
4. Tom Meland – GM, Central Power Electric Cooperative;
5. Paul Sukut – CEO, Basin Electric Cooperative;
6. Mac McLennan – President/CEO, Minnkota Power Cooperative;
7. Zachary Smith - Comm & Gov't Affairs, NDAREC;
8. Bob Grant – President, NDAREC;
9. Wayne Martian – Manager, North Central Electric Cooperative;
10. David O'Connell - North Central Electric Cooperative;
11. Jean Brandt - North Central Electric Cooperative
12. Mark Gruman - Chief of Staff, Congressman Kevin Cramer
13. Chris Marohl – Senior Policy Advisor, Congressman Kevin Cramer

If we need to change a couple names later, what would be the latest we can make adjustments to the list?

Best,

Rachel Buening

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, April 25th at 3 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all. If you can send me the list of attendee's so that I might get your passes ready for security guards at South Entrance.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Sydney

I just tried to call you to ask a quick question on the number you have listed below but didn't get an answer. Is there a better number to call you? My number is 202-368-4323.

Attached is the form I have filled out today.

I wanted to let you know to do the meeting the week of May 1st we will need to send in the Executive team which are listed on the request form. The team is well versed on the issues facing republic and will be able to provide in detail to the Administrator the issues facing Republic Services.

Thanks and let me know what more information you need from me.

Sydney

We will get this filled out and back to you by tomorrow.

We would like to do the meeting in the next couple of weeks and we can also offer to meet Mr. Pruitt outside of DC if you all are traveling the country. While the executive team for Republic is based in Phoenix we can get to anywhere.

Should we just outline that in the attachment?

Thanks.

Good afternoon Malloy,

Thank you for reaching out! My apology for the delay in getting back with you. When were you wanting to get this meeting set up? Additionally, would you mind filling out the attached form for scheduling purposes?

Thank you!

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Subject: RE: State Policy Network - Speaking request

It is not a problem – I am sure you all are extremely busy. I can set a call anytime that will be good for the Secretary's schedule. Because so many states are in legislative session, Thursdays and Fridays are best (in the afternoon so folks on the west coast can join us).

Looking at our network's schedule, the next few weeks are pretty open so we can be flexible if there are a few dates / times that work with his schedule.

Thank you!

Subject: State Policy Network - Speaking request

Attached is the completed form requesting Secretary Pruitt to join our monthly State Energy / Environmental Policy Call. To expand the call to other key parties in the states, I can invite ALEC and RGA to participate. Our three organizations have been on a lot of policy related calls (healthcare and tax reform) together lately.

Background on this call:

We kicked off this call in December of 2015 with the goal of getting as many states as possible to submit requests to EPA for two-year state plan extensions, but after the SCOTUS stay the call transitioned into getting as many states to stop working on a plan. During session our weekly war room calls quickly became the go-to source for state action and info sharing. We not only have state and national think tank policy experts engaged, but also private industry and attorneys associated with state AG offices. We also deal with RPS mandates, carbon tax and messaging proactive free market solutions. The call is now on a monthly basis and would benefit greatly from receiving a first-hand update on changes we will see at the EPA, plus what support the agency needs during this transition.

Look forward to discussing this request. Thank you for your consideration.

Subject: RE: Kentucky Association of Electric Cooperatives- Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, April 25. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going

down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Sydney – I need Albert to make this decision as it is his event, so I apologize for the delay in any answers. If you don't hear from Albert today, my best recommendation is if you could just give Albert the time Pruitt can be there. Albert will build and adjust his schedule around that. USOGA and its chapters – like me -- are just happy to have Pruitt there!

Good afternoon Sydney,

Sorry – just emerging from our Health Fair here at AF&PA, so I apologize for my silence earlier this morning when you emailed.

Yes, we would gladly meet on May 4th at 1:00 PM.

Please let me know where Donna Harman and our CEOs should report, and if you require a WAVES security clearance form, and if so – by when/what deadline.

Thank you,
Brooke

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Subject: Invitation to Administrator Pruitt to Offer a Keynote Address to the Nation's Egg Producers in DC on May 17, 18 or 19, 2017

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Sydney—

Thank you for your follow-up. We appreciate you trying to make it work for our group and hope that our schedules will allow us to have the Administrator as a guest at one of our future meetings in DC or at our fall convention. Thank you for the invitation to reach out in the future.

For what it's worth, we have an opening in our program on the afternoon of May 2 at the Holiday Inn Capitol hotel (550 C Street SW) between 1:00pm and 4:30pm. If the Administrator has an opening and would be able to join us, please let me know and we'll plan accordingly.

Thank you!

Good morning, Sydney!

I'm following up on the request for Administrator Pruitt to join our group of farm broadcasters at our upcoming Washington Watch event on Tuesday, May 2.

Has your team had the opportunity to review our request and discuss the Administrator joining us?

Thank you for any update you're able to provide.

Subject: Schedule Request for Administrator Pruitt

Millan & Sydney—

Good afternoon! Ron Hays with the Radio Oklahoma Network in Oklahoma City shared your contact information with me.

The National Association of Farm Broadcasting will hold its annual Washington Watch event next month in our nation's capital. Farm broadcasters in attendance come from a diverse geography across the US, covering a variety of issues. These broadcast journalists connect with the nation's farmers and ranchers multiple times daily in their broadcasts and are responsible for communicating the developments of regulation and legislation with their listeners and viewers.

Our group of over 35 broadcasters will be at the US Department of Agriculture in the Williamsburg Room (Room 104-A of the Whitten Building) on the morning of Tuesday, May 2, and have invited the Secretary of Agriculture nominee, along with other members of the USDA team to meet with us for remarks and a question and answer session. A request has also been shared with Interior Secretary Zinke's office. I'm reaching out to you to request Administrator Pruitt also speak during our time at USDA. The session would include approximately 5-10 minutes of speaking time from the Administrator, followed by a question and answer session with farm broadcasters.

Please let me know what additional information I can provide and if there are additional contacts at EPA we should contact to include the Administrator in our program.

Thank you for your consideration. I'll look forward to hearing from you or one of the members of your team.

Subject: RE: Meeting Next Week

Thanks Sydney. I appreciated your call.

I've copied Sheila James here at the Alliance who can also assist with the list of attendees for our meeting with the Administrator next Thursday at 11:45-12:15 pm

My initial estimate is that with 12 member companies being represented, we'll likely have just under 30 folks coming over for the meeting. Cheryl, can you tell us when you need the list by?

We wrap up our meeting with Secretary Chao at DOT shortly after 11:00 so that will give us enough time to commute to EPA HQ.

I appreciate you flagging my follow up e-mail/call to Ryan.

Dave

Hello SeVera,

We are able to start at 8 a.m. on 4/6.

If we install only the two portraits from the NPG, the estimated time to install is 2-3 hours. We would need to confirm that the NPG staff can also meet us at 8 a.m.

If we also need to install the other 4-5 works already on site, the estimated time to install is 4 hours.

Should you wish to proceed with either option, please let me know as soon as possible. We will also need you to return the signed estimate.

Thank you,

Emilia

Hello SeVera,

I am checking on our availability for a 7 am start on 4/5 or 4/6. As mentioned in my previous email, labor before 8 am is subject to overtime rates.

Please note that the site visit today will give us a better idea of how long the installation will take. The installation time is also dependent on how much time is needed by the NPG staff to condition check the works.

Thank you,

Emilia

Hello All,

The new date of 4/11 at 8:30 a.m. works for Artex. We estimate the installation of only the two NPG portraits will take two hours.

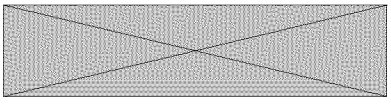

Molly, kindly confirm if this date and time works for the NPG staff.

Thank you,

Emilia

Hello SeVera,

We are able to start at 8 a.m. on 4/6.

If we install only the two portraits from the NPG, the estimated time to install is 2-3 hours. We would need to confirm that the NPG staff can also meet us at 8 a.m.

If we also need to install the other 4-5 works already on site, the estimated time to install is 4 hours.

Should you wish to proceed with either option, please let me know as soon as possible. We will also need you to return the signed estimate.

Thank you,

Emilia

Hello SeVera,

I am checking on our availability for a 7 am start on 4/5 or 4/6. As mentioned in my previous email, labor before 8 am is subject to overtime rates.

Please note that the site visit today will give us a better idea of how long the installation will take. The installation time is also dependent on how much time is needed by the NPG staff to condition check the works.

Thank you,

Emilia

Dear Emilia,

We can have the artwork packed and ready for pick up on Friday; it can stay in your storage until it heads over to EPA. You can contact Todd Gardner (gardnert@si.edu) to set up a pick up time. Unfortunately, our staff does not work on Saturdays or Sundays so we can't install.

Best,

Molly

Hello Molly,

SeVera Wilson has been in touch regarding the collection, delivery, and installation of the two

portraits being lent by the NPG to the EPA.

I understand that NPG staff will send staff to condition check the works at delivery and oversee the installation at the EPA. SeVera has inquired about scheduling the installation for this Saturday, 4/1. Would your staff be available on this date? We would plan to collect the works from Apollo on Friday, 3/31.

Many thanks,

Subject: Poultry Festival

Sydney,

Thank you for setting up our meeting with the Administrator earlier this week. It was great! I mentioned to the Administrator coming to the Poultry Festival in June in Rogers, AR. It is an annual event attended by those in the poultry industry in Oklahoma, Arkansas and Missouri. On Friday night June 16th we have a huge fundraiser to raise money for scholarships. There will be around 1500 people at that event and would be the best event of the Festival for him to attend and speak.

I know it is a ways off and hard to know his schedule but we would love to have him if his schedule allows.

Thanks!

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Good morning Geoff,

Hope this email finds you well! Ryan forwarded me the below email to facilitate getting the meetings mentioned on the Administrator's calendar. Are you all based in DC or will people need to travel in for the first meeting as well as the second? Trying to get an idea of which May days you would like for me to look at for your group. Additionally, would you mind filling out the attached document at your convenience?

Thank you!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Sydney, I've attached the form for Tuesday's meeting. I will join Chet for the meeting as well. Please let me know if you need anything else.

For June 15th, do you think it would be possible for the Administrator to join us in our meeting space across the street at the Trump Hotel? If not, that is completely understandable and we'll keep the meeting in EPA HQ. We're just working through some logistical issues on our end.

Thanks!

Geoff

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Good morning Geoff,

Hope this email finds you well! Ryan forwarded me the below email to facilitate getting the meetings mentioned on the Administrator's calendar. Are you all based in DC or will people need to travel in for the first meeting as well as the second? Trying to get an idea of which May days you would like for me to look at for your group. Additionally, would you mind filling out the attached document at your convenience?

Thank you!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Thank you so much for the words before it is always a pleasure .

Maxim and i will be in Washington on the 6th (awaiting confirmation from the executive office for a 1 30 pm meeting)

We would like to have a brief conversation with the administrator and work jointly on moving our projects forward as well as informing him of some of the advances and other interests from majorr american manufacturers

Thank you in advance for your assistance and if this is possible we would appreciate the meeting

All the best

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk about the Significant New Alternatives Policy (SNAP) program and SNAP rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Honeywell (www.honeywell.com) is a Fortune 100 diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes, and industry; turbochargers; and performance materials. For more news and information on Honeywell, please visit www.honeywell.com/newsroom.

Honeywell Performance Materials and Technologies (PMT) is a global leader in helping industrial customers become more connected in order to improve efficiency, reliability, optimization and security. PMT's Advanced Materials business manufactures a wide variety of high-performance products, including Solstice® an environmentally preferable refrigerant, and Spectra®, a lightweight but incredibly strong fiber used in bullet-resistant armor, helmets and other performance fabrics. Honeywell UOP (www.uop.com) helped create the modern refining industry, and its process technologies and catalysts form the foundation for most of the world's refineries, petrochemical manufacturers and natural gas processors. Honeywell Process Solutions (www.honeywellprocess.com) is a pioneer in automation control, instrumentation and services for industries such as oil and gas, refining, pulp and paper, industrial power generation, chemicals and petrochemicals, biofuels, life sciences, and metals, minerals and mining.

Hi Sydney, I tried to call you at the number below and it said it was not in service. I guess those budget cuts are extreme!!

I have visited with Ryan Bernstein from Senator Hoeven's office (copied) and we were wondering about a meeting in North Dakota per the media discussion here today on the ND Senators inviting the Secretary to ND. I have also through Blu Hulsey at Continental Resources extended an invitation for the Secretary to speak at our Annual Meeting in Grand Forks, North Dakota on Sept 27 or 28th but that's likely too far out for these discussions.

We are more than happy to visit in DC as well.

Thanks, I look forward to more discussion on a meeting date. My number if you chose to call is 701-223-6380.

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

I just left you a voice message but then thought that email might be easier for you. Here are the time slots that would work for me next week:

Tues (the 30th)	Before 12:00 or after 2:00
Wed	After 3:30
Thurs	Before 10:00 or after 11:00
Friday	Any time after 10:00

I could also do it any time tomorrow

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

Stanley,

Good morning. I am so sorry for my tardiness in responding. I am copying the Administrator's Executive Scheduler and hopefully we can include it in our day!

Thank you so much.

Millan Hupp

On Apr 24, 2017, at 11:56 AM, Stanley Goldstein <sgoldstein@the-cei.org> wrote:

> As you know, our all day Sustainability Conference is the same day as the Manhattan Institute board meeting (and I have to find a way to attend both). It does present an opportunity, however, in that Secretary Pruitt can deliver a few remarks to our conference (from 8:00 am to 5:30 pm, on the very same street as the Manhattan Institute meeting!). An alternative is our cocktail party for speakers, 5:00-7:30 pm on Tuesday, May 16.

Dear Mike,

On behalf of Sir Richard Branson and DS Virgin Racing, I'm honored to invite you to the exclusive 2017 US Innovation Summit on July 14th, in advance of the inaugural New York ePrix.

Held at New Lab, an independent, interdisciplinary space designed to support advancement in emerging technologies, the Summit will feature a panel discussion and addresses by Sir Richard Branson, Rocky Mountain Institute, DS Virgin Racing's Team Principal, the Chief Sustainability Officer at Hewlett Packard Enterprise, and other surprise guests!

Date: Friday July 14, 2017
Time: 1:30pm - 4:30pm
Location: Brooklyn Navy Yard Building 128, New Lab
RSVP: DSVR_NYC_Summit@ds-virginracing.com

The Innovation Summit is an integral component in the Virgin Group & DS Virgin Racing's drive for awareness, engagement, and action in relation to Future Mobility & Sustainability and we would love to have you join us! Please find further details below.

Hope you can make it!

My best,
Sasha

NEW YORK ePRIX

DS VIRGIN RACING INNOVATION SUMMIT

On behalf of Sir Richard Branson and DS Virgin Racing, we would like to invite you to join us at our exclusive Innovation Summit on Friday, July 14, in advance of the inaugural New York ePrix.

This invitation-only event will take place at the state of the art New Lab facility in Brooklyn from 1.30pm to 4.30pm, the highlight being a panel discussion with Sir Richard Branson and other industry leaders discussing **'THE ROLE OF THE BUSINESS SECTOR IN ADDRESSING CLIMATE CHANGE'.**

As well as the panel discussion, our Innovation Summit will also feature addresses by the Rocky Mountain Institute, DS Virgin Racing's Team Principal and the Chief Sustainability Officer from Hewlett Packard Enterprise, as well as one or two other surprise guests.

Our Innovation Summits are an integral part of how the Virgin Group & DS Virgin Racing seek to drive awareness, engagement and action in relation to Future Mobility & Sustainability. Competing in Formula E gives us a powerful opportunity to advance this agenda in the world's megacities and we're proud to share this with you in Brooklyn.

New Lab is an independent, interdisciplinary space designed to support advancement in emerging technologies, and a pioneering resource for new tech, new hardware, and new manufacturing in New York City. Located in historic Brooklyn Navy Yard Building 128, New Lab, which launched in September 2016, provides the tools and community that unite and support over 500 hardware-centric innovators, representing 100 companies in a variety of fields-including robotics, A.I., connected devices, urban technology, and energy-and fosters collaboration and advancement across disciplines. We hope you will be able to join us for this exclusive opportunity.

Regards,

Alex Tai

Hi Sydney,

That's great! Yes the neutral setting does work best for us/ the membership and I appreciate you accommodating us in this regard. I will fill out the attached and get back to you asap. Looking forward to the event.

Thanks again,

Matthew

> 3:30 works well! I would like to offer that we host you all here. We can do a roundtable with coffee in our event room. We can make the St. Regis work, but to be quite honest events here run smoother from a security perspective. Understand if you prefer to do off site though. Additionally, would you mind filling out the attached event form?

Great. June 20 we could do an afternoon roundtable (light fare and coffee/tea) at 3:30pm. We could also do a dinner roundtable that evening if preferable. What do you think?

One amendment to that timeframe. With our annual board meeting on June 1, the week of June 5 would be best on our end if that is possible for the Administrator.

Very best,

Matthew

Thank you, Rick, for the kind introduction.

Dear Sidney: It's a pleasure to meet you. Please let me know the preferred date and time for Administrator Pruitt to address BCIU. While we are more than capable on short notice, it's best if we have around 3 weeks' notice to get the perfect table in place. Does anything look open the last week in May/first week in June?

I look forward to working with you. Please feel free to call me at 202-595-2669 if that is easier.

Sincerely,

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Subject: RE: AFPM Meeting Request

Good morning Geoff,

Hope this email finds you well! Ryan forwarded me the below email to facilitate getting the meetings mentioned on the Administrator's calendar. Are you all based in DC or will people need to travel in for the first meeting as well as the second? Trying to get an idea of which May days you would like for me to look at for your group. Additionally, would you mind filling out the attached document at your convenience?

Thank you!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to

reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Hi Tate,
Unfortunately we will have to reschedule--I tried to see if the Gov could do the call now but 11:15 is the only time that works. Looking forward to setting something up in the near future when the Administrator is available.

Thanks,
Ariel

Hi Doug,

Hope all is well!

Gov. Hogan was hoping to schedule a call in early June with EPA Administrator Scott Pruitt to discuss the Chesapeake Bay and other issues facing Maryland. (Tuesday, June 6 before 2 PM would be ideal, if possible.) Please let me know if you need any other information to put in this request. We appreciate your assistance!

Thanks,

Ariel

Scott,

Great seeing you the other day on the plane!

It is my distinct pleasure to extend the attached invitation for you to be a major speaker at the **2017 Concordia Annual Summit**, being held on **September 18th and 19th** in **New York City**.

As you know, Concordia is a nonprofit, nonpartisan organization that enables public-private partnerships to create a more prosperous and sustainable future. As our signature event, the Annual Summit serves as a global affairs forum promoting cross-sector collaboration on some of the world's most complex and pressing issues. The 2017 Concordia Annual Summit will convene a diversity of opinions to address issues such as national security, democratic governance, economic opportunity, and infrastructure development among many others.

Previous Concordia events have convened over 5,000 participants from across the globe, including current and former heads of state, C-suite executives, and prominent nonprofit leaders. After speaking with Rick, we both discussed that this would be an important opportunity for you to address a very powerful and global community. You could give a major speech or do a one-on-one interview.

Please see the attached speaker information packet and an initial memo on the 2017 Annual Summit outlining sessions in development for additional information.

Please do not hesitate to contact me if you have any questions. We would be honored by your participation and I sincerely hope you will be able to join us in September.

Warm Regards,

Matt

2017 CONCORDIA ANNUAL SUMMIT

SEPTEMBER 18TH & 19TH, 2017 | 9:00AM - 6:00PM | GRAND HYATT NEW YORK | NEW YORK, NY

Since 2011, the Concordia Annual Summit has convened the world's most prominent business, government, and nonprofit leaders to foster dialogue and enable effectivepartnerships for social impact. This annual global affairsforum takes place in New York City and examines the world's most pressing challenges. Since its founding, the Annual Summit has brought together over 5,000 participants, including 50 current and former heads of state, 500 international and Fortune 500 C-suite executives, prominent nonprofit leaders, and senior U.S. Congressional and Administration officials.

The 2017 Concordia Annual Summit will convene a diversity of opinions to discuss the power of partnership in tackling global challenges such as labor trafficking,global health, migration, corruption, and national security, while furthering progress in democratic governance, food and energy sustainability, environmental security, economic opportunity, and gender parity. As evidenced in its mission, Concordia believes public-private partnerships are a key tool in addressing these issues, ensuring progress, and creating a more prosperous and sustainable future for all.

CONCORDIA'S PROGRAMMING PIPELINES

- DIPLOMACY & DEFENSE
- GLOBAL HEALTH & EMERGENCY RESPONSE
- ECONOMIC DEVELOPMENT & INTERNATIONAL FINANCE

ANNUAL SUMMIT SESSION FORMATS

PLENARY SESSIONS

Our plenary stage has featured the foremost thought-leaders on public-private partnerships in business, government, and the nonprofit sector. From topic-driven panel discussions and exclusive interviews with policy influencers to exclusive partnership announcements and inspirational addresses by world leaders, the Summit's featured plenary sessions offerattendees valuable insight into the world's most pressing issues.

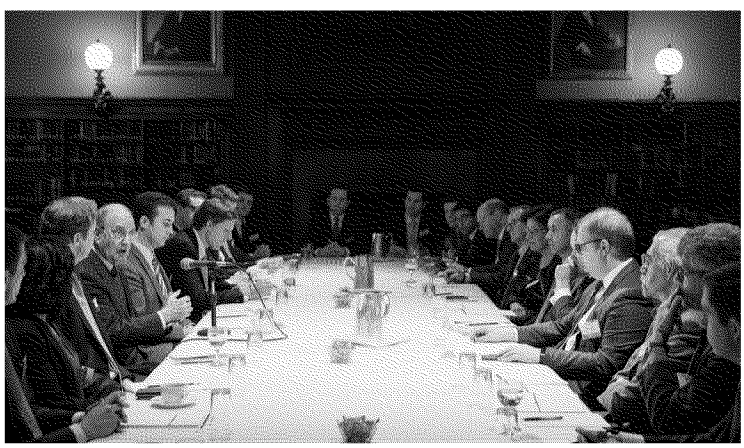

*Members, Sponsors, and Programming Partners will receive preferred seating

STRATEGIC DIALOGUES

Strategic Dialogues feature 30-40 select individuals, including current and former heads of state, Chairs, and CEOs of leading corporations and multi-lateral organizations, who discuss particularly pressing global problems in-depth. These curated, interactive discussions, where everyone around the table is encouraged to participate, will serve as high-level working groups. The aim of these discussions is to produce deliverables such as policy recommendations, collections of challenge opportunities, and repositories of best practices.

*Open only to Members, Sponsors, Programming Partners, and Speakers

ROUNDTABLES

Roundtable presentations allow for extended discussion among a small group of 15-20 experts and practitioners on a specific topic in industry, public policy, or of regional concern. These roundtable conversations allow for more granular, deep-dive discussions that may result in a more analytical framework for assessing large-scale global problems. These sessions are typically curated by Programming Partners and attended by members of the Concordia community.

*Open only to Members, Sponsors, Programming Partners, and Speakers

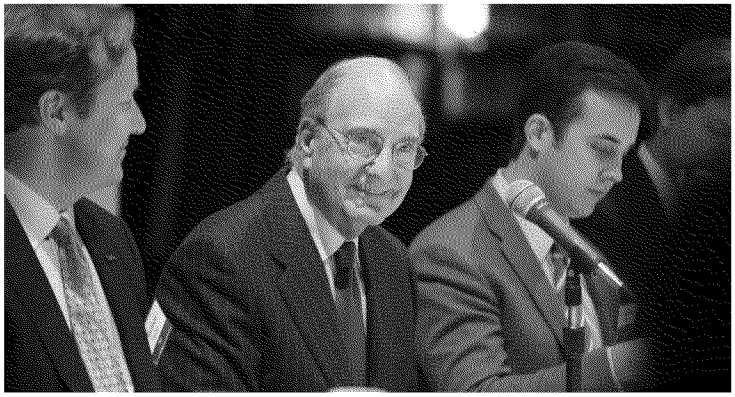

ANNUAL SUMMIT SESSION FORMATS

OFFICE HOURS

Office Hours is a series of exclusive, closed-door meetings that allow Concordia Members to engage on a more intimate level with Members of the Leadership Council, former world leaders, and select Summit speakers. These private conversations offera unique opportunity for members to receive insight from top thought-leaders working to promote public-private partnerships today.

*Open only to Members, Sponsors, Programming Partners, and Speakers

WORKING LUNCHES

Concordia hosts various working groups of about 50-70 people during the Summit lunch period. These practitioner-level groups meet to discuss a focused topic and aim to leave the meeting with both practitioner and policy-level recommendations to catalyze progress on the issue.

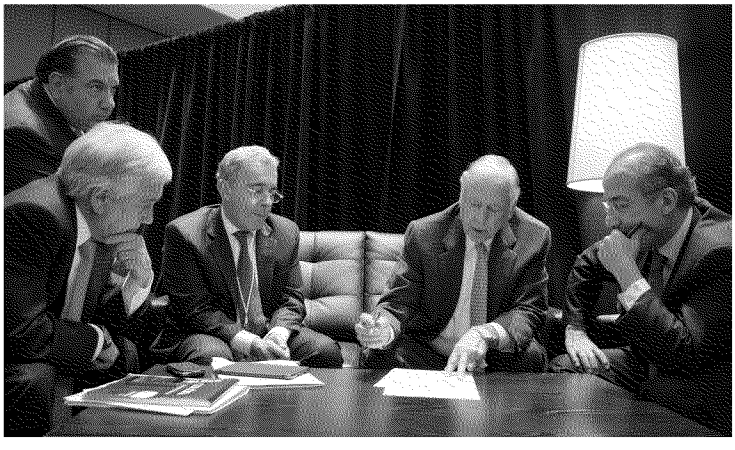

*Open only to Members, Sponsors, Programming Partners, and Speakers

PRIVATE MEETINGS

As part of the event space, private meeting rooms are available to select members of the Concordia community to host high-level conversations with Summit attendees as well as non-Summit attendees who may be in the NYC area for the U.N. General Assembly.

*Open only to Members, Sponsors, Programming Partners, and Speakers

OPPORTUNITIES TO ENGAGE

SPONSORSHIP

Benefits include extensive branding exposure and increased visibility through the live webcast. Additionally, sponsors are granted access to the Members Lounge, exclusive roundtable discussions, private meetings, and Office Hours.

MEMBERSHIP

Concordia Members are leading experts at the intersection of the public, private, and nonprofit arenas. Through Concordia, individual and organizational Members alike have a platform to pursue their areas of interest. Members join to stay informed on the latest P3 developments, connect with an immense network of global leaders, and find opportunities for creating partnerships that align with their expertise.

Each year, Concordia brings together hundreds of public, private, and nonprofit leaders by organizing various regional events, private meetings, briefings, and its annual Summit. Concordia Members are affordedunique opportunities such as OfficeHours, an exclusive conversation with a Leadership Council member or select speaker to receive insight from today's top thought leaders.

TICKETING

Non-Members have the opportunity purchase a ticket for a limited Annual Summit experience for one day at $300 or both days at $500. A one or two-day ticket provides access to plenary sessions and the P3 Lounge for the duration of the event.

PROGRAMMING PARTNERSHIP

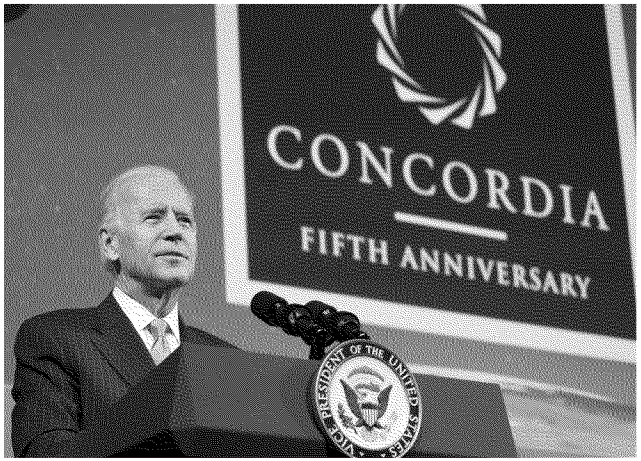

Concordia partners with leading think tanks, innovative government bureaus, and international nonprofit institutions to develop its action- oriented year-round programming. Through a collaborative and iterative process, Concordia and its Programming Partners curate topical content and develop event objectives around timely global challenges.

For more information on these engagement opportunities, please contact Concordia's Senior Director of Strategic Engagement, Maria Correa at mcorrea@concordia.net or 1 (646) 568-1248.

CONCORDIA SPEAKER INFORMATION

THE 2017 CONCORDIA ANNUAL SUMMIT

WHAT IS CONCORDIA

Concordia is a registered 501(c)3 nonprofit, nonpartisan organization that enables public-private partnerships to create a more prosperous and sustainable future. As equal parts convener, campaigner, and idea incubator, Concordia is actively building cross-sector partnerships for social impact.

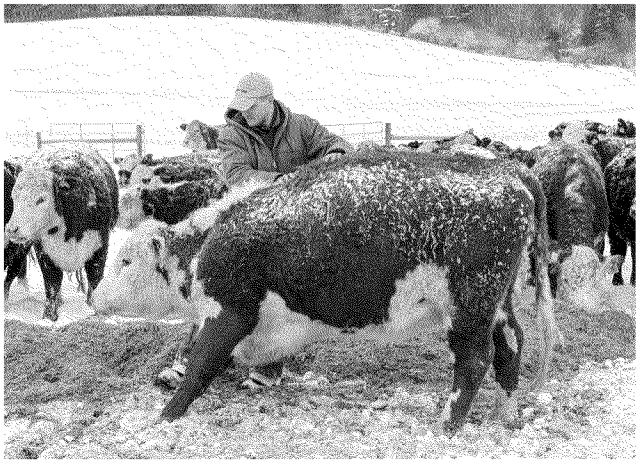

PROGRAMMING

Concordia fosters meaningful dialogue, sparks collaboration, and inspires collective action by way of diverse, innovative, and action-oriented programming. Concordia Members, Partners, and Advisors connect and collaborate year-round within ten Programming Pipelines, each representing a topical global challenge or social impact opportunity. Each Pipeline houses several points of engagement that bring our community together to share best practices, incubate ideas, identify research needs, and explore new opportunities for partnerships. Each Pipeline also contains one or more Collaboratives comprised of issue area experts that work on more specific, ongoing topics with the end goal of forming a public-private partnership (P3) as part of a Concordia Campaign.

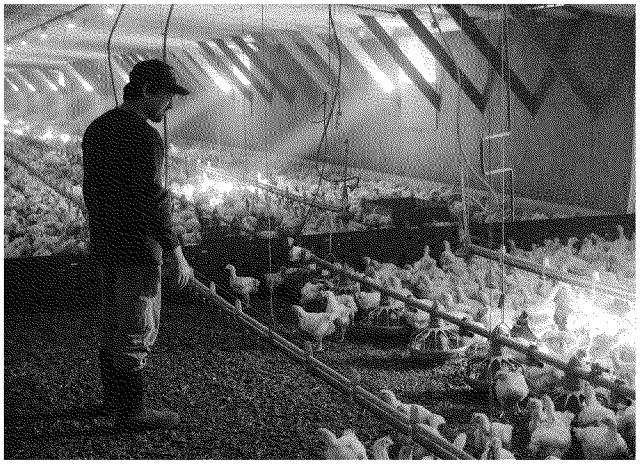

EVENTS

Since 2011, the Concordia has been convening the world's most prominent business, government, and nonprofit leaders to enable e- 耀ective partnerships for positive social impact. The Concordia Annual Summit takes place in New York City in September around the United Nations General Assembly and serves as a global a- 耀airs forum for thought leaders and innovators to examine the world's most pressing challenges. Concordia's Regional Summits, which thus far focus on Latin America and Europe, address the pressing political and economic priorities of specific regions and act as idea incubators leading up to the Concordia Annual Summit.

To complement these signature Summits, Concordia regularly hosts smaller events that feature experts and industry leaders from our Leadership Council, Membership Program, and the Concordia community.

WHAT IS CONCORDIA

SOCIAL IMPACT

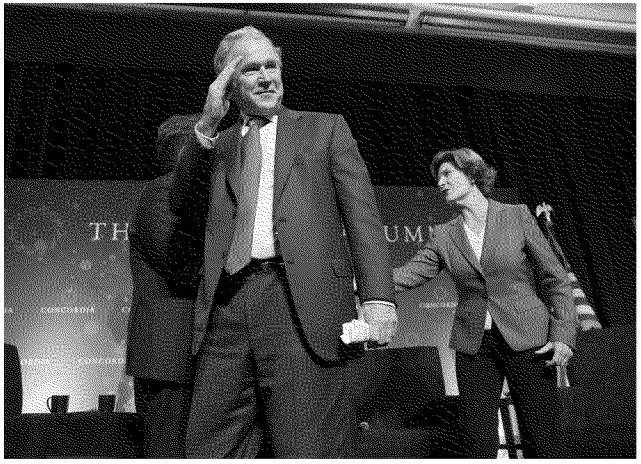

Concordia's Social Impact initiatives serve as avenues for like-minded actors to build meaningful public-private partnerships (P3s) that move the needle on a targeted global challenge at the business, government, and consumer levels through an innovative campaign series and research opportunities.

The Concordia Campaigns for Social Impact Series narrows our programmatic, research, and networking focus to tackle a particularly pressing global problem over a multiyear period. A Campaign draws attention to a specific challenge and catalyzes action for maximum social impact around that issue. Concordia runs multiple Campaigns concurrently to fully leverage the Concordia platform and network.

Aligned closely with the Campaigns Series, Concordia's research uncovers best practices and trends in the partnering space with the aim of providing governments, businesses, and nonprofits with the knowledge and tools necessary to engage e耀ectively in innovative partnerships for social impact. Concordia's research is conducted in partnership with leading global think tanks, research institutions, and socially conscious private corporations and address a broad range of issues.

2017 CONCORDIA ANNUAL SUMMIT

SEPTEMBER 18TH & 19TH | NEW YORK, NEW YORK

Since 2011, the Concordia Annual Summit has been convening the world's most prominent business, government, and nonprofit leaders to enable e– 耀ective partnerships for positive social impact. The Annual Summit takes place in New York City and serves as a global a– 耀airs forum for thought leaders and innovators to examine the world's most pressing challenges. Through our cross-sector panel discussions, Strategic Dialogues and interviews with prominent world leaders, participants are able to learn from industry experts and explore solutions with potential partners.

CONCORDIA

WWW.CONCORDIA.NET

SESSION FORMATS

PLENARY SESSIONS

Our plenary stage has featured some of the foremost thought leaders on public-private partnerships and world a- 耀airs to date. From topic-driven panel discussions, intimate interviews with policy influencers, and passionate addresses by world leaders, the Concordia audience is consistently a- 耀orded valuable insight to the world's most pressing issues through the Summit's featured plenary sessions.

STRATEGIC DIALOGUES

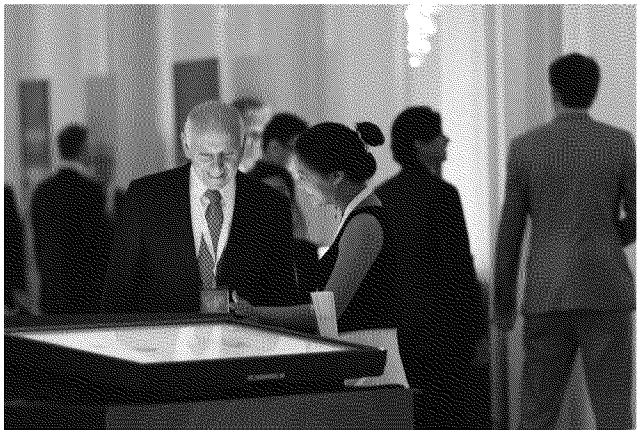

Strategic Dialogues will feature 30-50 select individuals, including current and former heads of state, Chairs and CEOs of leading corporations, and multi-lateral organizations, who will discuss particularly pressing global problems. These curated, interactive discussions will serve as high-level working groups that will produce deliverables such as policy recommendations, collections of challenge opportunities, or repositories of best practices.

ROUNDTABLE DISCUSSIONS

Concordia's Roundtables allow for extended discussion among a small group (15-20 per session) of experts on a specific topic in industry, public policy, or of regional concern. Typically led by former or sitting heads of state, industry pioneers, and civil society leaders, roundtables provide a more analytical framework for assessing large-scale global problems. Expanding beyond plenary stage presentations, roundtables o- 耀er Members the rare opportunity to listen to in-depth analysis and expert viewpoints on the salient solutions made possible by public-private partnerships.

SOCIAL MEDIA ENGAGEMENT

Concordia utilizes its social media platform to publicize Summit speakers, feature participating organizations, and highlight partnership announcements in the weeks and months surrounding the Summit. Concordia looks forward to highlighting our amazing speakers and their social impact ventures by engaging with speakers directly via our social media platforms. The 2016 Concordia Annual Summit resulted in 9 million impressions on Twitter and Facebook and received over 4,000 mentions on Twitter.

We encourage our speakers to submit their social media handles with their registration to set the foundation for this public dialogue.

ANNUAL SUMMITS

2016 ANNUAL SUMMIT

The 2016 Concordia Annual Summit convened over 2,000 cross-sector leaders to discuss issues such as Sustainable Global Food Supply, The Future of Europe, Corruption and Governance in Latin America, Labor Tra– 耀icking, among many others. The Summit featured the participation of H.E. Alexis Tsipras, Prime Minister of Greece; H.E. Nicos Anastasiades, President of Cyprus and H.E. Ellen Johnson Sirleaf, President of Liberia.

2015 ANNUAL SUMMIT

The 2015 Concordia Annual Summit convened cross-sector leaders to discuss scalable solutions to timely issues such as labor tra– 耀icking, international disaster response, and counter extremism. The Summit gathered over 1,100 participants and featured closing remarks by Vice President Joe Biden.

2014 ANNUAL SUMMIT

Cross-sector leaders discussed scalable solutions in counter-human tra– 耀icking and the future of American energy, and economic growth in Latin America. The 2014 Annual Summit featured a keynote conversation with former President George W. Bush and First Lady Laura Bush.

2013 ANNUAL SUMMIT

The Concordia community convened to create innovative solutions and bring existing initiatives to scale in order to serve and support our global youth populations. Concordia launched its Partnership Index in 2013 , which ranks countries based on their readiness and need to engage in P3s. The 2013 Annual Summit featured a keynote conversation with Andrew Liveris, President, Chairman & CEO of The Dow Chemical Company.

2012 ANNUAL SUMMIT

Participants engaged in P3-focused sessions ranging from economic growth in Haiti to advancing women's empowerment in Afghanistan. The 2012 Annual Summit featured a keynote interview with former President Bill Clinton.

2011 ANNUAL SUMMIT

At the inaugural Concordia Annual Summit, participants examined the fight against terrorism and the struggle to counter violent extremism. The Summit featured a live simulation depicting an emergency meeting of global leaders in the event of a terrorist attack. President George W. Bush delivered the keynote address.

May 2017

The Honorable Scott Pruitt
Administrator
U.S. Environmental Protection Agency

Dear Administrator Pruitt,

It is our pleasure to invite you as our honored guest and **featured speaker** at the **2017 Concordia Annual Summit**, on **September 18th and 19 th** in **New York City**. It is our hope that you would provide remarks or an interview on our plenary stage focusing on American energy security and independence.

Paul Polman, Chief Executive Officer of Unilever, stated at the 201 6 Annual Summit, "The issues that we face are well known. The solution s that we have are well thought -through. The thing that is missing, frankly, is human willpower, based on the values of dignity, respect, and equity ...a partnership for the common good." The 2017 Concordia Annual Summit will convene a diversity of opinions to discuss the power of partnership in tackling global challenges such as labor trafficking, global health, migration, corruption, and national security, while furthering progress in democratic governance, food and energy sustainability, environmental security, economic opportunity, and gender parity. As evidenced in its mission, Concordia believes public -private partnerships are a key tool in addressing these issues, ensuring progress, and creating a more prosperous and sustainable future for all.

As the world turns its attention to New York City durin g the week of the General Debate of the U .N. General Assembly, the Concordia Annual Summit offers an extraordinary opportunity to weigh in on the most relevant issues of our time. Concordia Summits have become respected and compelling nonpartisan, nonprofit platform s that transform and enhance the way global leaders approach the world's greatest challenges. As our signature gathering, the Annual Summit catalyzes action through shared value approaches and social impact objectives. Previous Concordia Summits hav e brought together over 5 ,000 participants, including current and former heads of state, international and U .S.-based Fortune 500 C -suite executives, prominent nonprofit leaders, and senior U.S. Congressional and Administration officials.

We would be honored by your participation. For more information or to confirm your participation, please have the appropriate member of your staff contact Concordia's Director of Programming, Ms. Donniell Silva at dsilva@concordia.net or +1.646.568.1308.

Sincerely,

Matthew A. Swift
Co-Founder, Chairman, & CEO
Concordia

Thanks again Sydney and Cheryl - below is what I have for logistical details for Wednesday. Please let me know if anything is incorrect.

Kind regards,

Ami

If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Invitation to Speak at the Western Conservative Summit

Dear Administrator Scott Pruitt,

Dr. Donald Sweeting, President of Colorado Christian University, and Jeff Hunt, Director of the Centennial Institute, invite you to speak at the 2017 Western Conservative Summit.

The Western Conservative Summit is hosted by the Centennial Institute, a public policy think tank at Colorado Christian University that seeks to advance faith, family, and freedom.

The Western Conservative Summit is the largest gathering of conservatives outside of Washington, D.C. As Allen West said, “The Western Conservative Summit has become the premiere summer destination for Americans who still believe in freedom, family, faith, and the future.” This year will be our 8th year, and we are expecting 4,500 attendees and over 300 media outlets.

Previous speakers included Donald Trump, Sarah Palin, Scott Walker, Tim Scott, Mike Huckabee, Rick Santorum, Carly Fiorina, Rick Perry, Ben Carson, Louie Gohmert, Spencer Tillman, Lee Strobel, Mike Lee, Star Parker, Hugh Hewitt, Mia Love, Robert Woodson, and many others.

The Western Conservative Summit will be held at the Colorado Convention

Center in Denver, CO from July 21-23, 2017.

It would be a tremendous honor to have you serve as a keynote speaker anytime between Friday evening, July 21 through Sunday afternoon, July 23.

Ashton Belk, abelk@ccu.edu (303-963-3425), is our Summit producer and will be coordinating your travel and speaking schedule on site.
Please let us know if you can join us or if you have any questions.

Other invitees this year include President Donald Trump, Vice President Mike Pence, Secretary Ben Carson, Secretary Betsy DeVos, Secretary Rick Perry, Speaker Paul Ryan, Justice Clarence Thomas, Senator Marco Rubio, Senator Tim Scott, Senator Cory Gardner, Roma Downey, Peyton Manning, and many others.

Yours for limited government,

JH

Jeff Hunt
Vice President of Public Policy, Colorado Christian University
Director, Centennial Institute

17cv01906 Sierra Club v. EPA ED_001523B_00006063-00001

Dear Vice President Mike Pence,

Dr. Donald Sweeting, President of Colorado Christian University, and Jeff Hunt, Director of the Centennial Institute, invite you to speak at the 2017 Western Conservative Summit as the William L. Armstrong Award winner for national conservative leadership.

The Western Conservative Summit is hosted by the Centennial Institute, a public policy think tank at Colorado Christian University that seeks to advance faith, family, and freedom.

The Western Conservative Summit is the largest gathering of conservatives outside of Washington, D.C. As Allen West said, "The Western Conservative Summit has become the premiere summer destination for Americans who still believe in freedom, family, faith, and the future." This year will be our 8th year, and we are expecting 4,500 attendees and over 300 media outlets.

Previous speakers included Donald Trump, Sarah Palin, Scott Walker, Ted Cruz, Mike Huckabee, Rick Santorum, Carly Fiorina, Rick Perry, Ben Carson, Louie Gohmert, Spencer Tillman, Lee Strobel, Mike Lee, Star Parker, Hugh Hewitt, Mia Love, Robert Woodson, and many others.

The Western Conservative Summit will be held at the Colorado Convention Center in Denver, CO on July 21-23, 2017.

We would like to honor you with the William L. Armstrong Award for national conservative leadership during our gala on Saturday evening, July 22, 2017. Upon receiving this award, you would be the keynote speaker for the dinner.

Ashton Belk, abelk@ccu.edu (303-963-3425), is our Summit producer and will be coordinating your travel and speaking schedule on site.

Please let us know if you can join us or if you have any questions.

Other invitees this year include President Donald Trump, Secretary of Education Betsy DeVos, Speaker Paul Ryan, Justice Clarence Thomas, Senator Marco Rubio, Senator Ted Cruz, Senator Tim Scott, Roma Downey, Franklin Graham, Peyton Manning, and many others.

Yours for limited government,

Jeff Hunt
Vice President of Public Policy, Colorado Christian University
Director, Centennial Institute

Hi Sydney: That would be terrific. I leave Sunday for the last swing a=on aseries of radio station market visits and return May 26. Dinner that night or that weekend or any nioght the following week of the 29th except Friday June 2 works. I would be happy to bring along Betsy if Marilyn is in town as well. Hugh

Good afternoon Mr. Hewitt,

Hope this finds you well! At the request of the Administrator, I am reaching out in hopes I might be able to set up a dinner between the two of you sometime soon in DC. Please let me know if this is something we might be able to facilitate.

Thank you!

Subject: RE: Administrator Pruitt- Speaking to US Chamber

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Friday, June 2nd at 2 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Can you please send me the list of who will be attending? Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from

the train otherwise two escalators then do a small U-Turn to the right heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

YES! I'm so happy we were able to find a date. Joining Mr. Donohue from our side will be Karen Harbert, president and CEO, U.S. Chamber of Commerce's Institute for 21st Century Energy. Do you need anything else from me to confirm the meeting? When you have a moment, can you please let me know which entrance they should enter from and any special instructions to the Administrator's Office. Thank YOU!

Hi Sydney!

Yes, 10 a.m. on June 20th is perfect. Thank you!

Unfortunately, Mr. Donohue is traveling on May 9th. Any chance May 5th anytime between noon and 1:15 pm is he available? I realize the time is during the traditional lunch hour but we could make it a short meeting. Or what about May 11th? Thank you for your time and help.

Best regards,

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Hi Sydney,

Marathon Petroleum Corp.'s CEO, Gary Heminger, will be in town June 20-21 and is looking to meet with the Administrator. I've cc'd Mike Birsic who is a good friend and is the point person for setting this up. Mr. Heminger would like to talk about RFS and air regulations, among other things.

Mike, fill in any missing details.

Sydney, let me know if you need anything else from my end in the interim.

Best,

Mandy

External Meeting Request Form for
Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: May 15, 2017

Meeting Date: June 20, 2017

Meeting Time: 1:30 p.m. ET

Requested Location (if offsite, please list address, parking instructions, etc.): EPA Headquarters

1200 Pennsylvania Ave NW, Washington, DC 20004

Requestor: Bradford Muller, Vice President of Marketing, Charlotte Pipe and Foundry Company, Charlotte NC on behalf of the American Foundry Society,

Purpose of the Meeting: Introduce the Administrator to the U.S. metalcasting industry, the sixth-largest industry in America and the second-largest supplier of castings in the world, after China.

Background on the Meeting: Metalcastings are integral to virtually all U.S. manufacturing activities. In the U.S., castings are used to produce 90% of all manufactured durable goods and nearly all manufacturing machinery. Our industry is composed of 1,956 facilities – down from 2,800 in 2000 – manufacturing castings made from iron, steel and aluminum alloys, which have thousands of applications. The American metalcasting industry provides employment for more than 190,000 people directly – down from 250,000 in 2000 – and supports thousands of other jobs indirectly. Our energy-intensive, trade-exposed industry supports a payroll of more than $9 billion and sales of more than $30 billion annually.

Role of the Administrator: Meet and greet. Executives would request follow up meetings with key EPA staff to discuss specific regulatory issues impacting our industry.

Attendees:

- Roddey Dowd Jr., CEO of Charlotte Pipe and Foundry Company, Charlotte. NC
- Bradford Muller, Vice President, Charlotte Pipe and Foundry Company, Charlotte, NC
- Jim Proctor, Senior Vice President and General Counsel, McWane, Inc., Birmingham, AL
- Eric Meyers, CEO, Oil City Iron Works Inc., Corsicana, TX
- Tom Teske, President, East Jordan Iron Works, East Jordan, MI
- Jean Bye, President & CEO, Dotson Iron Castings

Point of Contact: Brad Muller Charlotte Pipe and Foundry – 704-519-8352.

Subject: Re: AFS - GA FLY-IN AGENDA

The Vinyl Institute fly-in will occur tomorrow, the 17th and will have an attendance of about 75-85 attendees at the National Press Club. The current speaking slot is 3:15-3:45, but if Mandy cannot make that specific time work I think we can move some things around. While PVC MACT is the primary issue for the group I believe that there would be interest in hearing Mandy's thoughts on the new approach of EPA and any plans in the works.

Thank you!

Fly-in as you requested last week.

I may call you about those items I sent you last week to follow up as well.

As always, please let me know if you have any questions.

Respectfully, A.J. Ferate

> Please see attached our agenda for the Fly-In in June. Should Administrator Pruitt be available Tuesday morning June 20, we would slot the "Changes at EPA on Regulations - What Does it Mean for the Metalcasting Industry?" in at either 10:15 am or 11:00 am in place of one of those panels. If the Administrator cannot join us – we would be delighted to have Samantha for the 7:30 am Breakfast Session keynote slot on June 21. You can see from the agenda what the other topics are of interest to our members and the caliber of speakers we have lined up so far.
>
> As we have discussed, the American Foundry Society represents the U.S. metalcasting industry – the sixth-largest industry sector in America and the second largest supplier of castings in the world, after China. Metal castings are integral to virtually all U.S. manufacturing activities – especially national defense, energy and infrastructure. In the U.S., castings are used to produce 90% of all manufactured durable goods and nearly all manufacturing machinery.
>
> The American metalcasting industry provides employment for over 200,000 men and women directly and supports thousands of other jobs indirectly. Our energy-intensive, trade-exposed industry supports a payroll of more than $9 billion and sales of more than $30.3 billion annually. Metalcasting plants are found in every state, and the industry is made of predominately small businesses, with 80% of domestic metalcasters having fewer than 100 employees.

Foundries are the mainstay of national defense. All sectors of the U.S. military are reliant on metal castings for jet fighters, ships, tanks, trucks, weapon systems and other vital operations. In fact, the U.S. Department of Defense has established formal programs to convert fabricated components to single-piece castings, improving our military's ability to cost-effectively produce such equipment in the least amount of time.

Metalcasting is one of the most energy-intensive industries in the U.S. Approximately 55% of its energy costs are consumed in melting. Mold making, core making, heat treatment, and post-cast operations also use significant energy. As such, the sector has been particularly hard hit by the regulatory overreach from EPA over the last eight years.

The American Foundry Society (AFS) is the major trade and technical association for the North American metalcasting industry. The association has more than 8,000 members representing over 2,000 metalcasting firms, their suppliers and customers. We will have about 150 owners, CEOs and executives in Washington for the Fly-In over those two days. Energy and enthusiasm among the attendees will be very high with the new Administration in place in Washington.

Thanks again for your help Stuart.

Best.

Hey Denise, directions are below! Everyone will need an ID and will have to go through metal detectors. Do you havea complete list of attendees? Thanks!!
Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).
If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.
Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

NEWTRIENT
INNOVATIVE SOLUTIONS IN RESOURCE RECOVERY

Who is Newtrient?

Forward-looking dairy industry leaders driving to play an increasingly important role in supplying the world with healthy food, stimulating the rural economy, and effectively protecting the environment.

Agri-Mark · DFA Dairy Farmers of America · Foremost Farms USA · Land O'Lakes, Inc. · Maryland & Virginia Milk Producers Cooperative Association, Inc. · MMPA Michigan Milk Producers Association · Northwest Dairy Association · Darigold · Farmer Owned Prairie Farms · Select Milk Producers, Inc. · Southeast Milk · Tillamook · UDA United Dairymen of Arizona

These dairy cooperatives represent 50+% of the milk produced in the U.S. representing 20,000+ dairy farms of all sizes.

DMI Dairy Management Inc.™ · NMPF National Milk Producers Federation

Playing integral roles on Newtrient's Board of Managers, these two industry associations work on behalf of the entire dairy industry in terms of promotion, research, education, innovation, issues management, international trade and public policy.

Our Team of Experts

Newtrient has brought together an unprecedented team of experts and leaders in manure

Newtrient is a dairy driven venture focused on reducing the environmental footprint of dairy farming and making it economically viable to do so. **Newtrient** does this by advancing:

1. The state of manure management technologies
2. The marketplace for manure-based products
3. The adoption of environmental asset markets for voluntary, pollution prevention services

I. Farmers are perfectly situated to

A. voluntarily protect the environment,
B. reduce the total cost of environmental protection,
C. receive economic value for the products and protections created

II. Environmental Asset Markets Are the Key

to unlocking the potential environmental and economic potential of agricultural by-product. Environmental Asset Markets shift government's role from environmental "cop" to economic stimulator using an environmental services marketplace:

A. Incentivizing the lowest cost pollution prevention to voluntarily act first, and
B. Directing some of those economic savings to the benefit of those obligated to incur higher cost pollution prevention efforts

III. The Result:

A. Unleashed power of the marketplace
B. Increased application of technologies
C. Stimulated rural economies
D. Increased economic opportunity for farmers performing voluntary environmental protection actions
E. Reduced environmental protection costs for municipalities and other large sources
F. Aligning of incentives between regulators and the regulated community
G. Overall improved environmental protection

I. Timely confluence of political change, technological opportunity and shift of focus from point sources to non-point sources of potential pollution

A. EPA's command & control model was built on the belief that environmental protection required "negative drivers" to force certain behaviors

B. Positive economic drivers, will result in both faster and less expensive environmental protection/improvement with the additional benefits of:

1. Economic stimulation in rural (non-point source) America
2. Cost reduction in urban (point source & stormwater) America
3. Regulators welcomed rather than feared and avoided
4. Farmers valued as the true protectors of the environment

II. Manure is a largely neglected valuable resource

A. Manure's economic value is trapped

1. Farmers are "price takers" for their products
2. Commodity pricing
3. Necessary cooperative structures
4. Antiquated farm input supply chain

B. Antiquated concepts of environmental protection

1. Command & Control works well in urban and point-source settings
2. Command & Control is antithetical to rural outlook and non-point settings

III. Newtrient's recently released Technology Catalog is a publicly available analysis of all relevant dairy manure management technologies in the U.S.

A. Open source: available to all

1. Dairy farmers
2. The rest of the barnyard
3. Regulators
4. Technology vendors and consultants

B. Designed to provide information and spur technological competition

C. Views manure management as a means to generate economic value

Subject: RE: AROW Meeting Request to Administrator Pruitt - April 20

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, April 26th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark.

From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Administrator Pruitt:

I have been wanting to suggest a visit to offer thoughts and answer questions based on my experience at EPA. I waiting to let some time pass from the very beginning of the Administration.

I served in three different appointed positions at EPA over the last 20 years including Deputy Administrator and Acting Administrator for 6 months. I would be happy, and indeed view it as a responsibility of a former official, to offer to get together to answer questions and generally discuss EPA operations.

Let me know if you might be interested.

Thanks

Bob

Hi Sydney,

I think there is slight confusion. We are not inviting Administrator Pruitt to speak, which the form suggests otherwise. My message was just to let you all know that The Burton Awards would be sending an invitation for him to attend as a **guest**, and if he does attend that Bernie would like to invite him to sit at his table. Administrator Pruitt spoke a few years back at this event, so he should be familiar with it.

Please let me know if you still need me to fill out the form, though.

Thank you,

Emily

Hi Sydney,

As a follow up to your conversation with Scott Yager, I'm submitting the completed meeting request form on behalf of a diverse industry coalition representing nearly all sectors of the economy.

Please let me know if you need anything further at this point, and thanks for your help!

Best,

Owen

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

Dear Sydney,

Thanks again for considering the Hoover Institution's invitation. In the meantime, the American Bar Association would like to invite a member of Administrator Pruitt's team to participate in a panel discussion at an upcoming conference in DC, on May 19. It would be a panel discussion on federalism and federal policy.

Is there a form that the ABA should complete and submit?

(I'm the middleman on this because I happen to serve on this ABA committee, which asked me to submit and invitation.)

Best,

Adam

TROUT UNLIMITED
Chris Wood
President & CEO

April 14, 2017

The Honorable Scott Pruitt
USEPA Headquarters
1200 Pennsylvania Avenue, N.W.
Washington, DC 20460

Dear Administrator Pruitt:

On behalf of the Trout Unlimited's 160,000 members, I am writing to request a meeting with you to discuss several issues of mutual importance to Trout Unlimited and EPA.

We believe that EPA's most important job is to lead the Nation to improve the quality of the Nation's water, working well with state, local and conservation groups in partnership to do so. I am sure you agree that there remains a lot of work to do to clean up the Nation's waterways.

TU's mission is to conserve, protect and restore America's trout and salmon fisheries and their watersheds. Founded in 1959, TU has long supported the Clean Water Act as the backbone of the Nation's water quality efforts. Our local chapters and state councils have used the Clean Water Act to protect and restore their local home waters. As TU has evolved, we have added professional staff who have worked with EPA resources, such as its Section 319 nonpoint source funds, and its Small Watershed program funds. Using modest EPA funds, we have leveraged additional funds to restore streams and rivers across the U.S., from brook trout streams in the upper Potomac in West Virginia to cutthroat streams in the upper Colorado River in Colorado. In short we have enjoyed a long and successful partnership with EPA.

We would like to continue that partnership and take advantage of opportunities provided by the Trump Administration and Congress, such as cleaning streams and rivers polluted by abandoned coal and hardrock mine waste, and upgrading the Nation's water infrastructure. However, these efforts are threatened by the Trump Administration's proposed budget cuts and the initiative to repeal and replace the Clean Water Rule. We would deeply appreciate the chance to have a good discussion with you about the opportunities and risks that lie ahead of us.

Fishing, and Trout Unlimited, would not exist without the bountiful water resources of the United States. As President Teddy Roosevelt urged us to do, we seek to work with EPA to ensure that these waters are in better condition tomorrow than they are today.

We would like to meet with you as soon as possible to begin a discussion on how we accomplish these objectives. My assistant, Liz Thompson, will be reaching out to your scheduler to schedule a meeting. We thank you in advance for considering this request.

Sincerely,

17cv01906 Sierra Club v. EPA ED_001523B_00006102-00001

ALABAMA POWER FACTS

- Alabama Power offers competitive prices, reliable electricity supply and superior service to more than 1.4 million homes, businesses and industries in the southern two-thirds of the state. Alabama Power is one of 11 electric and natural gas U.S. utilities operated by Southern Company, one of the nation's largest producers of energy.

- Alabama Power serves customers through a network of more than 84,000 miles of transmission and distribution lines, and more than 1.55 million poles and towers, stretching across a service territory of 45,000 square miles.

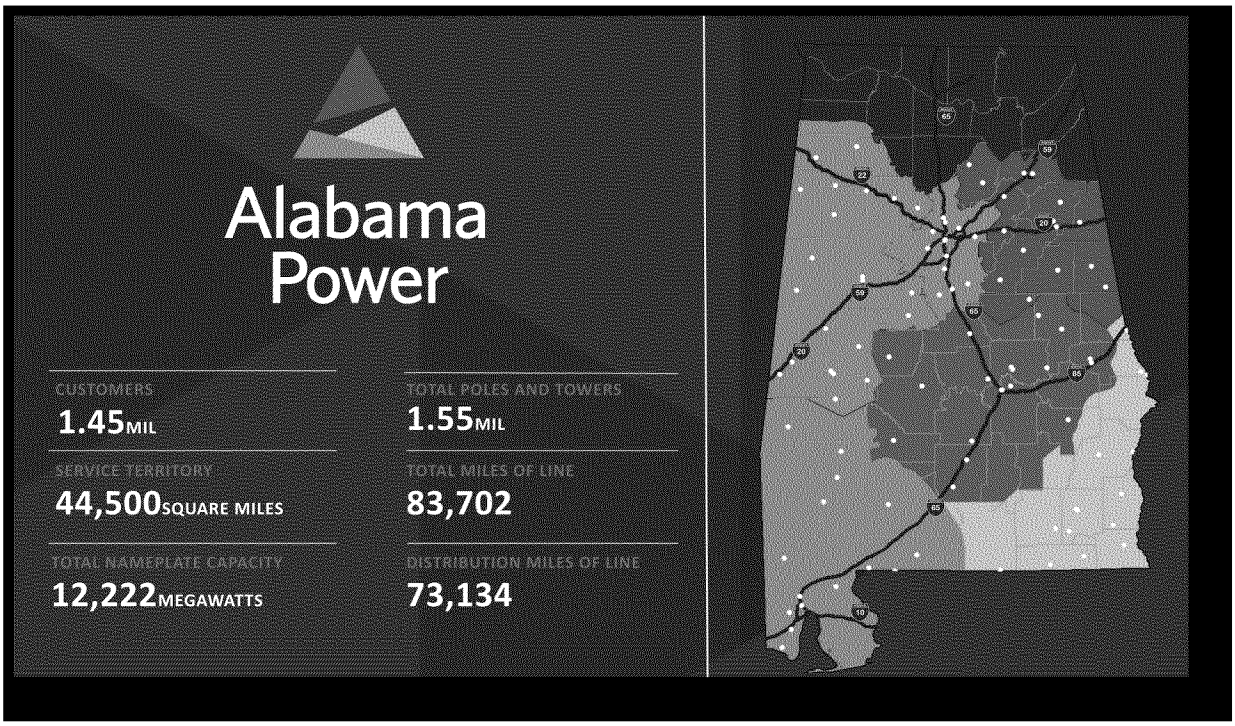

- The company uses a diverse fuel supply, including natural gas, coal, nuclear energy, hydro and other renewables, along with energy efficiency, to meet the demands of customers. A diverse fuel supply provides flexibility and protects customers from market volatility, supply shortages and price fluctuations.

- Alabama Power's total retail price is below the national average and has been for decades.

- In recent years, the company has reduced its use of coal and increased its use of natural gas and renewables, driven primarily by federal environmental mandates. Over the past three years the company has retired three coal-fired generating units and converted other coal units to natural gas. In all the company has reduced its coal fleet from 23 generating units down to 10.

- Alabama Power was the first utility in the nation to establish a new industries division, in 1920, to recruit business to the state. The company's Economic and Community Development organization continues to play a key role in recruiting industry, and supporting the state and local community efforts to attract new business.

- Alabama Power and the Alabama Power Foundation have been a force for good in the state for many years, helping to elevate Alabama and improve the quality of life. Every year, employees donate about 50,000 hours of their personal time, and resources, to support community projects through the Alabama Power Service Organization. Alabama Power retirees also support community initiatives through the Energizers retiree service organization.

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Sydney

We will get this filled out and back to you by tomorrow.

We would like to do the meeting in the next couple of weeks and we can also offer to meet Mr. Pruitt outside of DC if you all are traveling the country. While the executive team for Republic is based in Phoenix we can get to anywhere.

Should we just outline that in the attachment?

Thanks.

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Sydney,

Imagine you're being slammed with requests right now, but I wanted to circle back on a request that I believe Troy Lyons flagged for you yesterday. We Are Golf, a coalition of golf industry leaders, is hoping to meet with the Administrator next Wednesday. More information on the request is below. Thanks in advance for your consideration.

Best,

Jeff

Subject: Meeting request for Administrator Pruitt

Troy,

We represent a golf coalition you may be familiar with called We Are Golf (WAG). The coalition was formed in 2008 with the express purpose of giving decision-makers in Washington a more accurate picture of the golf industry and the game of golf in general. Negative assumptions about who plays, where they play etc. and a lack of recognition about how many jobs golf provides and the nature of those jobs had lead to punitive singling out of golf in policymaking and legislation. Apart from clearing the air on those fronts, WAG has also invested a lot of the coalition's efforts in advocating around environmental issues. It's that set of issues we of course would love to talk about with Administrator Pruitt and your appropriate EPA colleagues.

The golf industry has made huge strides in recent years when it comes to sustainable management of the two million acres of open space golf course land and water we have in this country. We have a great story to tell about huge steps we have taken forward to improve water quality and use, energy savings, pollution reduction and creation and protection of high quality fish and wildlife habitat. We want to stay on this trajectory and firmly believe we can continue to improve golf property stewardship to provide broad public benefits. In recent years, federal policies have unfortunately represented drags on our ability to do this. The golf industry is very excited about starting some fresh conversations with this administration and we'd like to start at EPA with your boss. WAG is eager to work with an administration that will have an interest in pausing to think through how any new policies or enforcement of existing policies will impact the golf industry's ability to increase the environmental value of golf.

The proposed attendees for this meeting are below. As of now the group is open from 10am to 4PM on Wednesday April 26.

Attendees:

- Steve Mona, Chief Executive Officer, World Golf Foundation
- Darell Crall, Chief Operating Officer, PGA of America
- Ty Votaw, Chief Marketing Office, PGA Tour

· Kathryn Carson, Chief Legal Officer, United States Golf Association

· Rhett Evans, Chief Executive Officer, Golf Course Superintendents Association of America

· Jay Karen, Chief Executive Officer, National Golf Course Owners Association

· Jeff Morgan, Chief Executive Officer, Club Managers Association of America

· Michael Kline, Director of Intellectual Property and Corporate Secretary, Srixon/Cleveland Golf

US Golf Manufacturers Council

More on We Are Golf and National Golf Day can be found here:

http://wearegolf.org

Would you mind getting this into the appropriate scheduling channels, and let me know what you'd recommend us doing to make this meeting possible?

Thanks,

Jeff

External Meeting Request Form for
Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: 4/19/17

Meeting Date: 4/26/17

Meeting Time:
Any time between 10:00am and 3:00pm that is most convenient for the Administrator's schedule.

Requested Location (if offsite, please list address, parking instructions, etc.):
EPA Headquarters
1200 Pennsylvania Ave, N.W.
Washington, DC 20460

Requestor: We are Golf

Purpose of the Meeting:
To inform Administrator Pruitt of the golf industry's efforts advocating for environmental issues and sustainable management.

Background on the Meeting:
The golf industry has recently made huge strides in the sustainable management of the two million acres of open space golf course land and water in the United States. WAG has a great story to tell about the steps the golf industry has taken to improve water quality and use, energy savings, pollution reduction, and the creation and protection of high quality fish and wildlife habitat. WAG wants the industry to stay on this positive trajectory and firmly believes it can continue to improve golf property stewardship to provide broad public benefits. However, in recent years, federal policies have unfortunately hindered the industry's ability to do so.

Role of the Administrator:
The golf industry is very excited about starting fresh conversations with the Administration and would love to start at EPA. WAG is eager to work with the Administrator and the Administration in thoroughly thinking through how new policies and enforcement of existing policies impact the golf industry's ability to increase the environmental value of golf.

Attendees:
- Steve Mona, Chief Executive Officer, World Golf Foundation
- Darell Crall, Chief Operating Officer, PGA of America
- Ty Votaw, Chief Marketing Office, PGA Tour
- Kathryn Carson, Chief Legal Officer, United States Golf Association
- Rhett Evans, Chief Executive Officer, Golf Course Superintendents Association of America
- Jay Karen, Chief Executive Officer, National Golf Course Owners Association

Jeff Morgan, Chief Executive Officer, Club Managers Association of America
- Michael Kline, Director of Intellectual Property and Corporate Secretary, Srixon/Cleveland Golf, US Golf Manufacturers Council

Sydney,

Thanks again for all of your help to secure the meeting earlier this week with the Administrator. It is very much appreciated. We had a very good discussion and to that end, would like to invite the Administrator to speak to our advocacy conference here in Washington in September. A formal invitation is attached and my colleague, Samantha Frith (cc'd here), is the best point of contact. Thank you in advance for your consideration and please let us know if you have any questions.

Have a great weekend.

Subject: RE: ETHICS QUESTIONS for EPA Administrator's Attendance at Boys & Girls Club Event

Hi Jennie,

1) For total attendance:

a. For kids, probably 6 members of the Keystone Club will attend. These are teens from 14-18 who participate in a full-on leadership development experience, and they just secured an award for helping to develop the #1 youth and character development program in the Country. Having them meet the Administrator and attend the game is a reward for an awesome job. In addition, Gabrielle Webster (7), our new CEO will attend, Jim Almond (8), the former CEO will attend, probably a board member from HSBC will attend (9), and another board member (10) (potentially an accounting firm partner or the Board Chair, who works at CareFirst). We will also invite the teen director, LeVar Jones (11). http://www.bgcgw.org/2016/02/meet-mr-levar-fbrs-inspired-teen-director/ That puts us at 11. The suite can hold 28, so we would have Mr. Pruitt and members of his team (I assume that would be no more than three people total). The remaining 14 spots would then go to donors to the Clubs. We thought an approximate even split made the most sense, but please let me know if a different ratio would be better—we would be happy to have more donors and the board members might be more than willing to give up their seat!

b. We are only honoring Mr. Pruitt, but we plan to honor other administration officials in the future.

c. Donors will come from a wide range of companies, and the invitations do not target a specific industry.

2) Run of show and donor commitments were not finalized. Here is what we use for our annual Tim Russert Congressional Dinner http://d251mkhdpuavfd.cloudfront.net/wp-content/uploads/2016/07/TRCD2017-FactSheet_PledgeForm.pdf We are accepting contributions if you are interested! Could you please send me your parameters on how to advertise the Administrator's presence? BGCGW will redo its forms to match your guidelines.

3) For that game on the 25th, the most expensive ticket available for purchase is $370 for the Delta Sky360 Club. I believe the Nats use dynamic pricing, so once we lock down a new date, I will have to provide a revised figure.

I believe these responses answer all of your questions, but please feel free to call me at 202-861-1551 to discuss. Or I can put you directly in touch with Gabrielle.

The clubs would like to replicate this model with different administration officials and different companies as the donors in the future, so I am very happy to answer any questions you have. We are always in favor of doing things the correct and compliant way.

Trevor

Subject: RE: ETHICS QUESTIONS for EPA Administrator's Attendance at Boys & Girls Club Event

Dear Mark and Trevor,

Thank you very much for this information.

The EPA's Scheduling Office also forwarded your recent note from May 17 suggesting to reschedule the event.

In any case, to continue considering the Administrator's attendance at the May 24 event or any similar event in the future (one hosted at the ballpark), the information you provided prompts these follow up questions:

1) How many people do you anticipate to be in attendance? Your note below suggests a minimum of 20 (only counting Club-affiliated staff and kids). But with donors, your law firm, and Club officers (management and board trustees), and any other "honorable" guests, it seems that the minimum I noted above is a bit of an underestimate. Of those in attendance, how many donors do you expect to be present? Also, I expect that donors come from a broad range of companies from the DC area (rather than a targeted industry, etc.), correct? If you have invited and confirmed any other "honorable" guests, please let me know that information as well.

2) If you have a program listing of donors and the run of show, that would be helpful to review. A copy of the donor letter would be great, too.

3) I really do need to have a dollar figure of the cost/person. From my initial email below, to determine this cost, "If there is no ticketing for the event, would you please provide a cost estimate/person of the expenses your firm incurred to sponsor the event? Please follow the guidelines in this advisory from the Office of Government Ethics (see first full paragraph on page 3)." We need this figure for gift reporting purposes.

Also, based on your note attached to your May 17 email, should EPA be able to confirm the Administrator for this event or any similar event in the future, the host of the event would have to follow our parameters on how it could communicate/advertise the Administrator's presence at the event.

Again, I apologize for the nosiness of these questions. This event implicates the gifts and fundraising rules of government ethics regulations which is why it's a bit complicated – hence the questions.

Many thanks!

Jennie for EPA Ethics

Subject: Re: ETHICS QUESTIONS for EPA Administrator's Attendance at Boys & Girls Club Event

Hi Jennie,

Looping in the CEO of the Boys & Girls Clubs, Gabrielle Webster. Gabrielle is new this week, and she is fabulous!

Baker Hostetler is donating the suite and all food to the Boys & Girls Clubs, and the invitation is solely from the former CEO, Jim Almond, and the organization. The clubs have chosen to use the suite in this manner without influence from any lobbying interests, BakerHostetler, or any of the event donors. Generally the Boys and Girls Clubs have used the suite in the past for Board retreats, but given a precarious financial situation, the clubs determined a fundraising event would be a better use of the suite this year.

The Boys & Girls Clubs of Greater Washington is raising funds by reaching out to potential sponsors to donate between $5,000 to $10,000 to the clubs. At the moment we are attempting to recruit donors and we will be happy to provide a copy of the donor letter if that would be helpful. There will be a program listing the key donors and the run of show.

We are also having 6-8 kids from the Clubs in attendance (it's a school night, so that's why we have a range). Gabrielle will also attend, along with board members of the organization and 1-2 staff members from the clubs. We plan to have an opportunity for the kids to speak with Mr. Pruitt and have their photo taken with him.

The Administrator is not required to give a speech, but we hope he will. Generally when we conduct these types of fundraising events, the CEO thanks all of the donors for coming and explains about the missions of the clubs and the role they play in keep kids in DC safe. The Clubs focus on a mission to enable all young people, especially those who need us most, become productive, caring, responsible citizens. The secondary goal is to help Gabrielle begin to meet donors who care about our organization and to meet officials who do as well. We have employed a similar fundraising mode at our Tim Russert Congressional dinner for years, and we have had wonderful success. Then Gabrielle would introduce Mr. Pruitt, and he would then say a few words about the Clubs and the club kids.

Please let me know if you need anything else, and I am happy to put you on the phone with Gabrielle.

Sincerely,

Trevor Stanley

On May 12, 2017, at 5:42 PM, Keith, Jennie <Keith.Jennie@epa.gov> wrote:

Hi Mark,

I provide ethics advice to EPA Administrator Pruitt, and I have a few nosy questions I need

to ask before his Scheduling Office can get back to you.

You mention that this is a fundraiser. Is the Boys and Girls Club selling "tickets" to the event? If so, what are the ticket prices/scheme? If there is no pricing, how is the host raising funds?

Are there any obligations of the host's special guests? Does the host expect them to have any active or visible role in the promotion, production, or presentation of the event such as standing in a reception line, speaking (e.g., mc'ing)?

If there is no ticketing for the event, would you please provide a cost estimate/person of the expenses your firm incurred to sponsor the event? Please follow the guidelines in this advisory from the Office of Government Ethics (see first full paragraph on page 3).

I need confirmation that you are authorized by the Boys & Girls Club to extend this invitation upon its behalf and that the invitation is indeed from the host of the event. The invitation attachment appears that way; however, because you are a federally registered lobbyist (the law firm) and the President's Ethics Pledge prohibits political appointees from receiving gifts from lobbyists, I need to be sure that the host of the organization is actually issuing the invitation, not the underwriter of the event.

Thank you for entertaining my questions!

Sincerely,

Jennie for EPA Ethics

Subject: Boys & Girls Club Event

Dear Sydney,

I hope all is well. I have attached an invitation from the Boys & Girls Club inviting Administrator Pruitt to attend a fundraiser at the Washington Nationals' game on May 24 as an honored guest. Our law firm is a long-time supporter of the Boys & Girls Club, which does great work for the children of the Washington area. Please let me know if Mr. Pruitt will be able to attend or if you need additional information.

Best regards,

Mark

Subject: RE: Kentucky Association of Electric Cooperatives- Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, April 25. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will

make temporary cards for everyone. Allow for 15 minutes to get through the process.

NRECA
America's Electric Cooperatives

NRECA 2017 Legislative Conference

* *

Support RUS Electric Loan Program

The Rural Utilities Service Electric Loan Program provides affordable capital to electric cooperatives for infrastructure development. The program has a track record of success and also reduces the federal deficit.

Ask your Senators to sign the Inhofe-Heitkamp letter supporting the RUS electric loan program.

Support Electric Cooperative Tax Priorities

Co-ops help their members save energy and money by promoting highly-efficient geothermal heat pumps. At the end of 2015, Congress extended tax credits for wind and solar energy. However, tax credits for geothermal heat pumps were not extended. A bill introduced by Rep. Tom Reed (R-NY) and Rep. Mike Thompson (D-CA), extends the credits for geothermal to provide parity with wind and solar technologies.

Ask your Representative to cosponsor HR 1090, the Technologies for Energy Security Act.

Congressional action is needed regarding nuclear production tax credits (PTCs). Existing law creates inequities among nuclear project stakeholders, allowing for profit entities to utilize tax credits, while not for profits are not able to realize cost savings in the same manner. To address this disparity, legislation was introduced in the House and Senate - H.R. 1551 sponsored by Rep. Tom Rice (R-SC) and S. 666 sponsored by Sen. Tim Scott (R-SC).

Urge your Senator to cosponsor S. 666 and your Representative to cosponsor H.R. 1551.

Legislation to spur commercial deployment of carbon capture and storage (CCS) technology is being championed by Rep. Mike Conaway (R-TX) and Sen. Heidi Heitkamp (D-ND). The legislation will make the existing federal CCS incentive (the "Section 45Q" tax credit) permanent while increasing its value. The bills provide incentives needed for industry to invest in CCS.

Urge your Representative and Senators to cosponsor the CCS technology tax credit bill sponsored by Rep. Conaway and Sen. Heitkamp.

Support Improved Federal Land Management Policies

Federal land management policies make it difficult for co-ops to maintain rights-of-way on or near federal property. Reforms are necessary to help co-ops manage vegetation to ensure reliability.

Legislation introduced by Rep. Doug LaMalfa (R-CA) and Rep. Kurt Schrader (D-OR) streamlines the rights-of-way review process and reduces the risk of liability.

Ask your Representative to cosponsor the Electricity Reliability and Forest Protection Act.

Support Endangered Species Act Reform

Electric cooperatives are increasingly impacted by decisions to list species as threatened or endangered. Once a species is listed, ESA compliance impacts the ability of co-ops to site and maintain power lines. We support efforts to make the ESA more efficient, effective, and less costly.

Congress should modernize the ESA to require greater transparency and reduce incentives for abuse of the law.

Several Congressional leaders are developing legislation to reform the ESA, and we expect bills to be introduced this spring or summer.

Ask your Representative to cosponsor legislation to reform the ESA when it is introduced later this year.

To: Hupp, Sydney <hupp.sydney@epa.gov>
Cc: Jackson, Ryan <jackson.ryan@epa.gov>
Subject: Kansas Farm Bureau request to discuss Flint Hills range burning with Administrator Pruitt or staff

Sydney,

Kansas Farm Bureau would like to discuss the Clean Air Act, specifically Flint Hills (Kansas) range burning, with Administrator Pruitt. There will be a group of approximately six Kansas Farm Bureau members in Washington, DC on the morning of Wednesday, May 24 where we would be able to visit. Our main concern is the challenge of needing a prescribed fire to maintain the natural ecosystem of the Flint Hills in Kansas and the Osage Hills in Oklahoma and how smoke from these necessary fires impact the ozone and PM2.5 standards. Exceedances or violations of a national ambient air quality standard directly related to prescribed fires in the Flint Hills and Osage Hills is becoming a challenge to manage.

In 2011, Sens. Inhofe and Moran introduce a bill addressing this issue:
https://www.moran.senate.gov/public/index.cfm/news-releases?ID=dc891dd7-ad7c-4d8f-83f7-aa7c4b644b3f

So far this year the media has written a number of stories:

http://cjonline.com/news/state-government/local/2017-04-18/burning-questions-tradition-economics-cloud-debate-prairie

http://journalstar.com/news/local/article_420984a8-e0a3-546e-a36d-7333898b551f.html

Sydney & Aaron,
Sorry for the slow reply, I was on the Hill most of the day.

For the week of the 15th, there's several open dates: May 15, 18, and 19. I'd recommend against Friday the 19th, as it's harder to draw audiences at the end of a Friday.

Those three dates work for events in the late afternoon, early evening. If you'd like to do morning or midday, let me know, and I'll get more dates.

Best,
Adam

Dear Sydney,

Thanks again for considering the Hoover Institution's invitation. In the meantime, the American Bar Association would like to invite a member of Administrator Pruitt's team to participate in a panel discussion at an upcoming conference in DC, on May 19. It would be a panel discussion on federalism and federal policy.

Is there a form that the ABA should complete and submit?

(I'm the middleman on this because I happen to serve on this ABA committee, which asked me to submit and invitation.)

Best,
Adam

Sydney,

I am so sorry, but Gary's schedule has just changed for June 20. The earliest Gary could do on June 20 is 4pm and anytime during the day on June 21. Is there any time in that window that works for the Administrator?

Again, I apologize for the scheduling change.

Mike

Sydney,

Hope you are well. I just wanted to circle back with you on this request. Actually, on June 6, BRT is holding their meeting and there will be a lot of CEO's in town for the meeting. We have been speaking with Chevron and wanted to see if the Administrator would potentially be interested in doing a joint meeting with Mr. Heminger, as well as Chevron's CEO, John Watson.

Please let me know if you think we can make a time on June 6 work for a meeting with both of our companies. Thanks!

Hi Sydney,

Marathon Petroleum Corp.'s CEO, Gary Heminger, will be in town June 20-21 and is looking to meet with the Administrator. I've cc'd Mike Birsic who is a good friend and is the point person for setting this up. Mr. Heminger would like to talk about RFS and air regulations, among other things.

Mike, fill in any missing details.

Sydney, let me know if you need anything else from my end in the interim.

Best,

Mandy

Subject: Request meeting with Mr. Pruitt: Regarding the environmental concerns of population growth driven by mass immigration.

Greetings Ms. Sidney,

My name is Paul Clark and I am the President of The Chesapeake Bay Population Stability Society (CBPSS). Our mission is to goal is to stabilize the population of the Chesapeake Bay watershed to ensure future environmental sustainability. Our mission includes generating greater awareness of the impacts of growth on the Bay which can be considered the Bay's leading environmental challenge. On behalf of the CBPSS, I would like to schedule a meeting with Mr. Pruitt regarding the environmental concerns of population growth driven by mass immigration. We believe that not only will this meeting be beneficial in helping efforts to reduce immigration, as is favored by President Trump, but can also provide suggestions that implement existing environmental laws and policies. We have confidence that the resources we provide will aid Mr. Pruitt in further reducing the impacts of population growth, a considerable environmental challenge.

Please let us know when you are able to schedule a time/day/place and I will ensure my availability. For more information please view us at http://cbpss.weebly.com and/or www.PandorasGreenBox.com

Thank you for your time.,

Paul Clark

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 23rd at 2:15 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left.

This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Meeting with Administrator Pruitt

I would like to arrange a meeting with Administrator Pruitt to introduce him to NSSGA. NSSGA represents the aggregates industry, which provides the raw material in asphalt, concrete and cement used in nearly every construction or infrastructure project and employs over 100,000 in the U.S. We are very encouraged about the direction of EPA under Administrator Pruitt and would like to discuss our industry's unique issues, including air and water issues such as WOTUS and Conductivity. Please let me know if I can provide any additional information. We would like an in person meeting with our President and CEO, Michael Johnson, Senior Vice President, Government and Regulatory Affairs Laura O'Neill-Kaumo, myself and Administrator Pruitt. We realize this is a very busy time for the Administrator, but would greatly appreciate a short meeting to discuss our industry's issues.

Thank you Sydney. We are flexible with a potential date of the meeting. Would June 19th,20th,26th or 29th work for the Administrator? We will ensure that it will be top-level executives from engine manufacturers who will be in attendance. Please let me know if one of these dates would be workable. Thank you.

Subject: Meeting Request: 06/21-06/22, Marine Engine Manufacturing Executives

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Subject: FW: Meeting Request - March 29th-30th

Sydney,

We sent the meeting request below to Mr. Pruitt earlier this month, but in a follow up call, learned that you would be the best one to work with moving forward. The Economic Alliance Houston Port Region will be traveling to Washington D.C. the last week in March, the 28th through the 31st. We would like to request a meeting with him or his staff at his convenience on either **March 29th or 30th**. The Economic Alliance represents the 25-mile Houston Ship Channel, home to the nation's largest petrochemical complex and its' second largest port.

We will have members with us representing Shell, ExxonMobil, Kinder Morgan, INEOS, Turner Industries, the President of the Texas Chemical Council and the Executive Director of the East Harris County Manufacturers Association. This group will be interested in discussing the new Administrator's strategy and policies affecting the chemical industry along the Texas Gulf Coast. We understand that Mr. Pruitt's schedule is busy, and would be willing to meet with his staff if he is unavailable.

We thank you for your consideration and look forward to meeting with you.

Chad Burke | **President & CEO**

Good afternoon Scott,

The Economic Alliance Houston Port Region will be traveling to Washington D.C. the last week in March, the 28th through the 31st. We would like to request a meeting with you or one of your staff members on either March 29th or 30th. The Economic Alliance communities surrounding the 25-mile Houston Ship Channel are home to the nation's largest petrochemical complex and its' second largest port, and with our over 260 members, provide professional economic development services to grow this vital region.

Issues our members will want to discuss include:

- corporate tax levels
- air permitting and regulations
- infrastructure supporting freight movement
- workforce development

We thank you for your consideration and look forward to meeting with you.

HI Sydney,

Our best open windows for bringing the egg producers to meet with Administrator Pruitt are as follows:

Wednesday, May 17

3:00 pm - 5:00 pm

Thursday, May 18

9:00 am - 11:00 am

Can we find something in these windows that works or do we need to look for others?

Best!

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Subject: Invitation to Administrator Pruitt to Offer a Keynote Address to the Nation's Egg Producers in DC on May 17, 18 or 19, 2017

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Lincoln,
Please find attached the SAVE THE DATE for July 20th in which our Roanoke Cement plant in Virginia will host the EPA industrial showcase event

Our plant has achieved the energy star award 11 years in a row and it would be an honor if Administrator Pruitt could come and speak at the celebration event.

Please advise the next steps to see if this is a possibility or let me know what questions that you may have,
Don Ingerson

Excellent, appreciate you getting back. I know it seems like ages away, but our invitations must be sent pretty soon, so we're getting down to the wire. And, thanks for connecting me with Sydney!

Sydney, below are some logistical details that your team may need to make a decision. Feel free to email me or call with further questions—happy to discuss at 202-331-2765.

We are flexible and willing to do almost anything to accommodate Mr. Pruitt. We very much hope that he accepts our invitation. Thanks so much!

Annie

CEI Annual Dinner and Reception Keynote Details:

- VIP Reception at 6:00 p.m. – optional but recommended for keynote speaker
- Dinner begins at 7:15 p.m. (lasts approx. 2 hours)
- We can be flexible on the arrival time, but we recommend the speaker arrives no later than 6:45pm
- Speaker is welcome to bring guest(s) – the number of guests is open to discussion

•□□□□□ Remarks are approximately 20 mins, and begin about halfway through dinner

•□□□□□ Remarks are on-the-record given some reporters will be in the room, but there is no Q&A time

•□□□□□ Aside from the remarks, media availability after the dinner is optional

•□□□□□ We're happy to arrange transportation or any other logistical needs

Subject: Following up, invitation to Keynote CEI Annual Dinner on June 7 in Washington

Hello Ms. Hale,

I'm following up on the invitation Competitive Enterprise Institute President Kent Lassman sent Mr. Pruitt to keynote our annual dinner in June. Do you know if Mr. Pruitt is still considering the invite?

I received a call from a Ms. Hupp last week requesting some details, but I have returned the call a few times, and have not been able to reach her. Unfortunately, we're running up against a deadline for selecting a speaker. Would you be able to let us know by Friday, March 17, if Mr. Pruitt is able to accept our invitation?

I'm happy to provide any details to help with this decision. CEI would love to have Mr. Pruitt as our speaker. CEI and our supporters care deeply about energy and environment issues and given Mr. Pruitt's legal and intellectual background, we are looking forward to hearing more about his goals as the new EPA administrator. We believe the annual dinner would provide Mr. Pruitt a prominent platform to speak to an influential audience.

I've reattached the invitation. As you may know, the CEI dinner hosts nearly 1,000 of CEI's strongest supporters, including senior level policy professionals, distinguished scholars, business executives, agency officials, members of Congress and their staff. More details about the dinner can be found here. Previous dinner speakers include Steve Forbes, Carly Fiorina, and Paul Ryan.

I'm sure things are very busy right now, but if you could provide any information, we'd really appreciate it. Thank you!

Annie

Subject: Invitation to Keynote CEI Annual Dinner June 7, 2017 in Washington, D.C.

Ms. Hale,

Thank you for making time to visit this morning and to make sure the attached invitation doesn't slip through the cracks of what must be a very busy week.

Details of the invitation to speak are included in the attached letter which were previously shared with Ms. Samantha Dravis.

We are excited about the legal discipline and intellectual rigor Mr. Pruitt will bring to the EPA and I believe that our annual dinner, host to upwards of 1,000 people, provides a powerful platform for him to speak.

Please let me know if there is anything we can do to help advance the decision-making process.

Very best regards,

Kent

Hey Sydney! So glad you are on the ground with a Admin. Pruitt. Let me know a good time to give you a buzz. I'm sure you're quite busy. Just wanted to offer invitation for administrator Pruitt to join me, his old friend Chris Jankowski, and Jim Proctor who is facilitating the world water day speech for dinner next Tuesday, March 21. This is the night before his speech. Might be a good time to decompress , have some good food and company and just walk through the world water day agenda. And you are of course welcome to join us. Also on a sidenote did you by chance get a photo that I think I mailed to you or your sister. I can't remember. It was a few weeks back to get signed? Hope you're well. Would love to see you while I'm in DC next week. Please let me know if I can ever be helpful to you.

Subject: RE: ETHICS QUESTIONS for EPA Administrator's Attendance at Boys & Girls Club Event

Dear Mark and Trevor,

Thank you very much for this information.

The EPA's Scheduling Office also forwarded your recent note from May 17 suggesting to reschedule the event.

In any case, to continue considering the Administrator's attendance at the May 24 event or any similar event in the future (one hosted at the ballpark), the information you provided prompts these follow up questions:

1) How many people do you anticipate to be in attendance? Your note below suggests a minimum of 20 (only counting Club-affiliated staff and kids). But with donors, your law firm, and Club officers (management and board trustees), and any other "honorable" guests, it seems that the minimum I noted above is a bit of an underestimate. Of those in attendance, how many donors do you expect to be present? Also, I expect that donors come from a broad range of companies from the DC area (rather than a targeted industry, etc.), correct? If you have invited and confirmed any other "honorable" guests, please let me know that information as well.

2) If you have a program listing of donors and the run of show, that would be helpful to review. A copy of the donor letter would be great, too.

3) I really do need to have a dollar figure of the cost/person. From my initial email below, to determine this cost, "If there is no ticketing for the event, would you please provide a cost estimate/person of the expenses your firm incurred to sponsor the event? Please follow the guidelines in this advisory from the Office of Government Ethics (see first full paragraph on page 3)." We need this figure for gift reporting purposes.

Also, based on your note attached to your May 17 email, should EPA be able to confirm the Administrator for this event or any similar event in the future, the host of the event would have to follow our parameters on how it could communicate/advertise the Administrator's presence at the event.

Again, I apologize for the nosiness of these questions. This event implicates the gifts and fundraising rules of government ethics regulations which is why it's a bit complicated – hence the questions.

Many thanks!

Jennie for EPA Ethics

Subject: Re: ETHICS QUESTIONS for EPA Administrator's Attendance at Boys & Girls Club Event

Hi Jennie,

Looping in the CEO of the Boys & Girls Clubs, Gabrielle Webster. Gabrielle is new this week, and she is fabulous!

Baker Hostetler is donating the suite and all food to the Boys & Girls Clubs, and the invitation is solely from the former CEO, Jim Almond, and the organization. The clubs have chosen to use the suite in this manner without influence from any lobbying interests, BakerHostetler, or any of the event donors. Generally the Boys and Girls Clubs have used the suite in the past for Board retreats, but given a precarious financial situation, the clubs determined a fundraising event would be a better use of the suite this year.

The Boys & Girls Clubs of Greater Washington is raising funds by reaching out to potential sponsors to donate between $5,000 to $10,000 to the clubs. At the moment we are attempting to recruit donors and we will be happy to provide a copy of the donor letter if that would be helpful. There will be a program listing the key donors and the run of show.

We are also having 6-8 kids from the Clubs in attendance (it's a school night, so that's why we have a range). Gabrielle will also attend, along with board members of the organization and 1-2 staff members from the clubs. We plan to have an opportunity for the kids to speak with Mr. Pruitt and have their photo taken with him.

The Administrator is not required to give a speech, but we hope he will. Generally when we conduct these types of fundraising events, the CEO thanks all of the donors for coming and explains about the missions of the clubs and the role they play in keep kids in DC safe. The Clubs focus on a mission to enable all young people, especially those who need us most, become productive, caring, responsible citizens. The secondary goal is to help Gabrielle begin to meet donors who care about our organization and to meet officials who do as well. We have employed a similar fundraising mode at our Tim Russert Congressional dinner for years, and we have had wonderful success. Then Gabrielle would introduce Mr. Pruitt, and he would then say a few words about the Clubs and the club kids.

Please let me know if you need anything else, and I am happy to put you on the phone with Gabrielle.

Sincerely,

Trevor Stanley

> You mention that this is a fundraiser. Is the Boys and Girls Club selling "tickets" to the event? If so, what are the ticket prices/scheme? If there is no pricing, how is the host raising funds?
>
> Are there any obligations of the host's special guests? Does the host expect them to have any active or visible role in the promotion, production, or presentation of the event such as standing in a reception line, speaking (e.g., mc'ing)?
>
> If there is no ticketing for the event, would you please provide a cost estimate/person of the expenses your firm incurred to sponsor the event? Please follow the guidelines in this advisory from the Office of Government Ethics (see first full paragraph on page 3).
>
> I need confirmation that you are authorized by the Boys & Girls Club to extend this invitation upon its behalf and that the invitation is indeed from the host of the event. The invitation attachment appears that way; however, because you are a federally registered lobbyist (the law firm) and the President's Ethics Pledge prohibits political appointees from receiving gifts from lobbyists, I need to be sure that the host of the organization is actually

issuing the invitation, not the underwriter of the event.

Thank you for entertaining my questions!

Sincerely,

Jennie for EPA Ethics

Michelle,

My name is Robert Wright and I am the CEO/Owner of Murex LLC headquartered in Dallas Texas. I called and chatted with you prior to Scott's confirmation and you said that you could get a meeting with Scott once he was confirmed. The company I manage is one of the largest marketers and participants in the Ethanol marketplace with revenues exceeding 4 Billion at the peak. We have been involved with the EPA for years in the RINS area and worked to establish some of the QAP programs. In doing so we have been exposed to some of the RIN fraud cases (primarily D5 RINS) which have cost my company tens of millions of dollars during the last couple of years thru no fault of our own. I would like to speak to Scott for a short period of time to plead our case regarding this matter. I know he is busy with many issues but I feel this is a case of great injustice where good honest people are punished for no apparent reason. I would be happy to send you a brief outlining the problem and potential solution if that would help you. Thank you in advance for your help and consideration.

Robert Wright

Subject: RE: POET Meeting Request for Administrator Scott Pruitt

Hi Sydney – thanks for the call back. I'm trying your email one more time, fingers crossed!

Thanks for speaking with me regarding setting up a meeting March 30th at 2PM with POET, CEO Jeff Broin, and Administrator Pruitt. Attached is our formal request with all the information regarding talking points.

On our end, POET is delighted about a meeting with Administrator Pruitt and can confirm that 2PM 3/30 works for them.

I will confirm the list of attendees as soon as I can.

Thank you,

Meghan E. Smith

Subject: POET Meeting Request for Administrator Scott Pruitt

Good morning Michelle,

I had sent the request below to Administrator Pruitt but wanted to share it with you directly as I'm sure he receives an abundance of emails. Attached is a formal request from Robert Walther, Vice President at POET LLC, to request a meeting on behalf of POET CEO and founder Jeff Broin for March 29, 2017 or the afternoon of March 30, 2017, at the availability of Administrator Pruitt.

Thank you for your consideration on this request.

Meghan E. Smith

Subject: POET Meeting Request for Administrator Scott Pruitt

Dear Administrator Pruitt,

Attached is a formal request from Robert Walther, Vice President at POET LLC, to request a meeting on behalf of POET CEO and founder Jeff Broin for March 29, 2017 or the afternoon of March 30, 2017, at your convenience.

Jeff Broin is the Chairman and CEO of POET, the largest producer of biofuels worldwide. Mr. Broin has been heavily involved in biofuels advocacy and promotion on both the federal and state levels for more than 25 years. The purpose of this meeting request is to discuss Midwestern rural economic development issues including the Renewable Fuel Standard (RFS) and proposals that have been submitted to the EPA and the Administration to modify that program.

Please let me know if you need additional information or have questions.

Thank you for your consideration of this request.

Hi Nancy-

I left you a voicemail yesterday, and just wanted to follow up. My CEO recently met with Administrator Pruitt and Samantha Dravis, and the Administrator mentioned having a future series of meetings. I talked to Robin Kime in OP to try to get more background on the concept, and she thought it would be best to talk to you first.

Would you have time for a call sometime soon to discuss?

Thanks, Venu

Subject: FW: Meeting Request - March 29th-30th

Sydney,

We sent the meeting request below to Mr. Pruitt earlier this month, but in a follow up call, learned that you would be the best one to work with moving forward. The Economic Alliance Houston Port Region will be traveling to Washington D.C. the last week in March, the 28th through the 31st. We would like to request a meeting with him or his staff at his convenience on either **March 29th or 30th**. The Economic Alliance represents the 25-mile Houston Ship Channel, home to the nation's largest petrochemical complex and its' second largest port.

We will have members with us representing Shell, ExxonMobil, Kinder Morgan, INEOS, Turner Industries, the President of the Texas Chemical Council and the Executive Director of the East Harris County Manufacturers Association. This group will be interested in discussing the new Administrator's strategy and policies affecting the chemical industry along the Texas Gulf Coast. We understand that Mr. Pruitt's schedule is busy, and would be willing to meet with his staff if he is unavailable.

We thank you for your consideration and look forward to meeting with you.

Chad Burke | President & CEO

Good afternoon Scott,

The Economic Alliance Houston Port Region will be traveling to Washington D.C. the last week in March, the 28th through the 31st. We would like to request a meeting with you or one of your staff members on either March 29th or 30th. The Economic Alliance communities surrounding the 25-mile Houston Ship Channel are home to the nation's largest petrochemical complex and its' second largest port, and with our over 260 members, provide professional economic development services to grow this vital region.

Issues our members will want to discuss include:

- corporate tax levels
- air permitting and regulations
- infrastructure supporting freight movement
- workforce development

We thank you for your consideration and look forward to meeting with you.

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk about the Significant New Alternatives Policy (SNAP) program and SNAP rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Hi Sydney,

I'm currently getting feedback from our group that June 8th is potentially a workable date, with June 7 in the afternoon as a possible back up. How do either of these dates look for Administrator Pruitt?

I will definitely fill out the form and send it to you. Thank you for sending it.

Best,

Lyndsay

Hey Lyndsay,

May 3 won't work for us now either. Since you are coordinating so many schedules, why don't you send me some possible days in times and I will endeavor to make one of them work.

Additionally, would you mind filling out the attached form for scheduling purposes on our part?

Thank you!

Hi Sydney,

We are having trouble coordinating our CEOs' schedules. We may be able to make one of these work, but are there any other dates/times that would work for Administrator Pruitt in early May?

Many thanks in advance for your help!

Best,

Lyndsay

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and

a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's

available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Wow. That's really unfortunate - I just told six PUC commissioners from across the U.S. yesterday that we were confirmed.

Is there no way to meet on the 16th, as planned?

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

Dear Ms. Hale,

In follow up to our recent invitation to Administrator Pruitt to address USEA's Annual Energy Supply Forum to be held Thursday, July 27th at the National Press Club, any feedback you can provide regarding the status of our request would be greatly appreciated. A copy of the original letter is attached for your reference.

We would be happy to provide any additional details that your office may require in order to facilitate this request.

Looking forward to your reply!

Kind regards,

Kim Grover

Re: United States Energy Association 10th Annual Energy Supply Forum
July 27, 2017

Dear Administrator Pruitt:

On July 27, 2017, USEA will hold its **10th Annual Energy Supply Forum** in the Ballroom of the National Press Club, located at 529 14th Street, NW, Washington, D.C. This annual gathering brings together the country's top energy industry and policy leaders to examine the current state of energy exploration and production, electricity generation, and global and domestic fuel supply.

We would be honored if you would consider addressing this unique event from 9:05 AM – 10:35 AM and address the "Energy Supply Policies in the New Administration".

The Forum is a full-day event. We generally have representation prominent industry professionals from the Washington energy policy community, Capitol Hill, U.S. government agencies, local embassies, various corporations. The event is also covered by the national media.

Thank you in advance for considering this request. We will contact your office to coordinate your participation. In the meantime, should you or your staff have further questions, please feel free to contact me directly at 202-312-1235 or my assistant, Kim Grover at 202-312-1236.

Sincerely,

Barry K. Worthington
Executive Director

Hi Sydney, I tried to call you at the number below and it said it was not in service. I guess those budget cuts are extreme!!

I have visited with Ryan Bernstein from Senator Hoeven's office (copied) and we were wondering about a meeting in North Dakota per the media discussion here today on the ND Senators inviting the Secretary to ND. I have also through Blu Hulsey at Continental Resources extended an invitation for the Secretary to speak at our Annual Meeting in Grand Forks, North Dakota on Sept 27 or 28th but that's likely too far out for these discussions.

We are more than happy to visit in DC as well.

Thanks, I look forward to more discussion on a meeting date. My number if you chose to call is 701-223-6380.

Mr. Pruitt,

I am in DC and would like to follow-up with you about my 04/25/17 letter to President Trump re: CLEAN COAL/CLEAN FOSSIL and yourself regarding our revolutionary technology which eliminates harmful emissions from coal while restoring its price competitiveness to natural gas without subsidy.

I believe these developments should interest you above all people given your current course at EPA.

I'll be here until Friday. As of last Friday, NASA is currently attempting to adopt our Revolutionary Solar Hydrogen/Oxygen Technology into their Advanced Concepts Division for their Lunar Landing project...a critical step toward Deep Space Exploration... which will continue to languish without our technoloy.

WE are not a gimmick and I would like to commercialize in AMERICA, for AMERICA FIRST by saving the US Coal Industry...as the BOSS has encouraged!

You have my word as a Former Marine Officer and combat veteran this is not a waste of your time; and requires your immediate attention.

Respectfully,

Patrick Maloy

Subject: Your Message to EPA Administrator E. Scott Pruitt

Thank you for your email message.

Promoting and protecting a strong and healthy environment is among the lifeblood priorities for the government. The U.S. Environmental Protection Agency is vital to that mission. I am proud to lead this agency, and I seek to listen and learn as we address the issues we face as a nation.

I believe we can grow our economy and harvest the resources we are blessed with while also being good stewards of the air, land and water by which we have been favored.

Together with the dedicated public servants at the EPA and our state partners across this great country, we can and will achieve clean air and water and strong economic growth and job creation. I hope you will visit www.epa.gov to learn more about our work and to follow our progress.

My staff will follow up in response to your email as necessary and appropriate.

Respectfully yours,

E. Scott Pruitt

EPA Administrator

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags,

coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Meeting with Administrator Scott Pruitt

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

Hey Libby,

Hope you're well too! I am trying to get it nailed down. I have a hold on the calendar and I am working to get it cleared through Ethics. I'm sorry it has been a process! They are always hesitant about him receiving awards. Will keep you updated.

Thanks!

Hi Sydney,
I hope you're doing well. I know you're overwhelmed with requests, but I wanted to check in again on the ACYPL event in September. We are eager to share the event with our alumni and so I wanted to see if there were any updates.

Thanks so much!

Hey Lyndsay,

Thank you for making such a last minute change! I'm glad that you got to meet Millan!

As for October, we have some travel that we are trying to work through right now and tomorrow is actually my last day here at the EPA. I am looping in Maddy who will be taking over for me. She can help with facilitating moving forward.

Thank you!

Subject: RE: Meeting with Administrator Pruitt

Sydney,

Thank you again for your assistance in setting up this meeting, and I'm glad we could ultimately make it work this morning with the new time. Also, it was nice to meet your sister who escorted us to the meeting!

Administrator Pruitt mentioned several specific items he would like our organizations to provide input on. Additionally, the CEOs and senior leaders who attended today's meeting have also requested the opportunity to meet with him again in a few months – especially as EPA is still staffing up and some specific items discussed in the meeting are still underway – making it appropriate to check in at a later date.

Given the challenges in getting this meeting scheduled, could we start now to identify a time that might work, say, in October?

Very Best,

Lyndsay

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19 at 12 noon. As soon as you have the list, please forward to me so that security will have the passes ready for your visit. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

This again will be the **South Lobby of the William**

Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

I just left you a voice message but then thought that email might be easier for you. Here are the time slots that would work for me next week:

Tues (the 30th)	Before 12:00 or after 2:00
Wed	After 3:30
Thurs	Before 10:00 or after 11:00
Friday	Any time after 10:00

I could also do it any time tomorrow

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

Subject: Meeting with Administrator Pruitt June 28th

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk about the Significant New Alternatives Policy (SNAP) program and SNAP

rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Honeywell (www.honeywell.com) is a Fortune 100 diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes, and industry; turbochargers; and performance materials. For more news and information on Honeywell, please visit www.honeywell.com/newsroom.

Honeywell Performance Materials and Technologies (PMT) is a global leader in helping industrial customers become more connected in order to improve efficiency, reliability, optimization and security. PMT's Advanced Materials business manufactures a wide variety of high-performance products, including Solstice® an environmentally preferable refrigerant, and Spectra®, a lightweight but incredibly strong fiber used in bullet-resistant armor, helmets and other performance fabrics. Honeywell UOP (www.uop.com) helped create the modern refining industry, and its process technologies and catalysts form the foundation for most of the world's refineries, petrochemical manufacturers and natural gas processors. Honeywell Process Solutions (www.honeywellprocess.com) is a pioneer in automation control, instrumentation and services for industries such as oil and gas, refining, pulp and paper, industrial power generation, chemicals and petrochemicals, biofuels, life sciences, and metals, minerals and mining.

Subject: Meeting with Adam Brandon, FreedomWorks

Hi Justin,

Adam Brandon, President of FreedomWorks, asked me to reach out to see if Administrator Pruitt would be available for a meeting the week of June 19th to discuss our shared priorities. Adam is flexible that week and we could work with Administrator Pruitt's schedule.

I look forward to getting this on the books!

Thanks,

Paul

Ma'am - thanks for checking back with this, but have found another speaker.
We had to get the marketing materials published for the event - and not able to wait on this, as I was not sure it would happen. We do appreciate you working this - as we know Mr. Pruitt is extremely busy. Pls sent him Gen Franks best regards.
Thanks
Michael

Good afternoon Mona,

Thank you so much for reaching out on behalf of the Medial Society Consortium! So unfortunately with 3 international trips coming up we aren't adding much to the schedule right now. Might be better if you could loop back at the beginning 2018. So sorry to delay, we are just gearing up for a very packed 6 months. Hope you have a wonderful week!

Best,

Sydney

Subject: Meeting with Administrator Pruitt June 28th

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet

Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk about the Significant New Alternatives Policy (SNAP) program and SNAP rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Honeywell (www.honeywell.com) is a Fortune 100 diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes, and industry; turbochargers; and performance materials. An update on attendees: Unfortunately Mercury Marine's President had a travel conflict arise and it can't be resolved. He's quite upset that he can't make the meeting but in his absence will be sending their Vice President of Global Operations. An updated attendee list is below:

•□□□□□□□ Ben Speciale, President, Yamaha Marine

- Chris Drees, Vice President Global Operations, Mercury Marine
- Marcia Kull, President, Torqeedo
- Chuck Rowe, President, Indmar
- Jeff Wasil, Engineering Manager, Evinrude/ BRP
- Jonathan Miller, Vice President of Government Relations, VOLVO PENTA

- John McKnight, Senior Vice President, NMMA
- Nicole Vasilaros, Vice President, NMMA
- Mike Pasko, Director, NMMA

Sydney and Cheryl-

I wanted to circle up regarding the meeting next week with Administrator Pruitt and marine engine executives. Below is a current list of meeting attendees.

- Ben Speciale, President, Yamaha Marine
- John Pfeifer, President, Mercury Marine
- Marcia Kull, President, Torqeedo
- Chuck Rowe, President, Indmar
- Jeff Wasil, Engineering Manager, Evinrude/ BRP
- Jonathan Miller, Vice President of Government Relations, VOLVO PENTA

- John McKnight, Senior Vice President, NMMA
- Nicole Vasilaros, Vice President, NMMA
- Mike Pasko, Director, NMMA

Again, our aim is for this meeting to be an introduction to our industry, with a primary focus on ethanol policy and the RFS. In addition, attendees might raise some of the items contained in the attached letter to the Agency re: regulatory relief. This was written in response to an April 20th request from EPA for industry input.

Please let me know if you have any questions. Cheryl, I'll await logistical instructions from you.

Thanks.

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

Hi Sydney,

Thanks for your patience – we actually have two options for the November Annual Conference in Chicago, IL. Hopefully one of these works for his schedule!

The two dates/times we have for our Annual Conference are:

Wednesday, November 8, 2017

Opening General Session

3.00pm – 4.30 pm *(presentation time roughly 3.20pm – we start the session with some associate business)*

OR

Friday, November 10, 2017

Business Meeting and General Session

9.00am – Noon *(presentation time approximately 10.30/10.45am depending on how quickly the session flows)*

Please let me know if something is unclear. If I need to redo the speaker form, just let me know.

Always feel free to call me if you have questions. 703.375.0483.

Thank you!

Best,

Liz.

Subject: Monsanto CEO Meeting with Administrator Pruitt - June 21st

Ryan: Monsanto CEO Hugh Grant will be in DC meeting with Congressional Members and Secretary Perdue on June 21st. I would love the opportunity to set Hugh up with you and Administrator Pruitt during this visit if it works for his schedule. He is available from 11-3:30 on the 21st.

Please let me know if I should include others in the Administrator's scheduling operation.

Thanks for your consideration.

Sydney-

After talking with our team, we would like to see about scheduling a telephone call for Friday, July 23rd. Can we place a hold for 12:30 pm? We think this might be the best opportunity due to Dan's travel schedule. Please let me know if this window isn't available for the Administrator.

Hi Evan,

An initial phone call would be wonderful. The Administrator didn't mention a specific topic but I will touch base with him to see if there is one. What are some times in the coming weeks that look good for Mr. Cathy?

Lincoln and Sarah are some of the best! All three of us moved up here from OK to work with the Administrator.

Looking forward to hearing back from you! Thanks!

Sydney-

Thank you for reaching out to schedule a conversation between Dan and Administrator Pruitt. Would an initial telephone call be sufficient? I know that he and Dan had an opportunity to visit during the Administrator's tenure in Oklahoma. Please also let me know of any background or advance information on the visit in case Dan would like to invite another member of our team to join.

Also, it was a pleasure to visit with members of your staff, Lincoln Ferguson and Sarah Greenwalt, while we recently visited DC. They were enjoying a lunch break at a local CFA Restaurant. Two great staff members.

Look forward to coordinating with you further.

Evan

Hi Sydney:

Michelle Hale asked me to shoot you an email regarding setting up a meeting with Administrator Pruitt.

I worked for the Administrator as a legal intern and Assistant Attorney General while he was

Oklahoma's Attorney General. While I was at the AG's Office, Administrator Pruitt and I discussed my political plans and he asked that I keep him updated. There have been some recent developments that I would like to share with him and discuss. As it turns out, I will be in Washington on June 19-20 for a meeting. Would it be possible to have a few minutes to visit with Administrator Pruitt?

Thank you for your assistance. I look forward to hearing from you soon.

Sincerely,

Erick Harris

Cc: Ryan Jackson (jackson.ryan@epa.gov)
Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified

energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Again thanks so much. I have been going to Bville for about 26 years, which is as long as I have been with Phillips 66 – of course I was hired by Phillips Petroleum. I started out as a Federal Regulatory Manager, and am now the VP of our Government Affairs.

Tulsa has changed so much over the years it's a great city – I am staying somewhere downtown Tulsa at the end of the month and driving to Bville, so I can check out the city more.

I rang the bell for some time slots. Larry is coming in for the AFPM Executive Committee meeting , he is Chair of AFPM, and you might have some time for your boss scheduled for the trade. I would be great if our bosses could meet sometime before the AFPM session, I think Larry can come in early. I am checking, and will get you those time buckets asap.

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Good afternoon Sydney,

After speaking with Ryan Jackson, we wanted to formally invite Administrator Pruitt to address a public forum at the Heritage Foundation. Please see the enclosed invitation from Ed Feulner for more details. We would be happy to host the remarks at a mutually convenient time.

Do not hesitate to let me know if you have any questions or concerns. We are happy to assist in any way that we can.

Thank you for your consideration,

Hello Cheryl,

Can you please add to the list for the meeting on Monday:

Laura Hanen

Interim Executive Director

National Association of County and City Health Officials

And delete Ian Goldstein. Laura will attend instead of Ian.

Can you confirm that you have made this change?

Many thanks,

Lyndsay

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19 at 12 noon. As soon as you have the list, please forward to me so that security will have the passes ready for your visit. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Sydney,

Confirming we can make 12noon work. Can you let me know logistics and arrival information for the meeting? I'll send over a re-confirmed attendee list next week.

We would welcome staff from the air office and perhaps budget staff to join the meeting.

That will be a fast trip from the airport for Mr. Pruitt!

Best,

Lyndsay

Hi Sydney,

Several major health and medical conferences take place the last two weeks of May, which means several of our CEOs would not be able to attend if we scheduled the meeting during that timeframe.

Are there any times in June that might work on your end?

Thanks again,

Lyndsay

Subject: Meeting with Administrator Scott Pruitt

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

Hi Sydney:

Unfortunately, several CEO's Monday schedules were rearranged to accommodate the 12noon meeting time, so unfortunately, I think we need to stick to that time at this point. How much time will that leave us?

Also, can you let me know who else from EPA will be attending the meeting?

Thanks so much,

Lyndsay

Hello Cheryl,

Can you please add to the list for the meeting on Monday:

Laura Hanen

Interim Executive Director

National Association of County and City Health Officials

And delete Ian Goldstein. Laura will attend instead of Ian.

Can you confirm that you have made this change?

Many thanks,

Lyndsay

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19 at 12 noon. As soon as you have the list, please forward to me so that security will have the passes ready for your visit. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Sydney,

Confirming we can make 12noon work. Can you let me know logistics and arrival information for the meeting? I'll send over a re-confirmed attendee list next week.

We would welcome staff from the air office and perhaps budget staff to join the meeting.

That will be a fast trip from the airport for Mr. Pruitt!

Best,

Lyndsay

To: jackson.ryan@epa.gov; Hupp, Millan (hupp.millan@epa.gov); Hilary Moffett
Cc: Susan Tackish
Subject: Administrator Pruitt Meeting schedule request

Ryan/Millan: Good morning, hope that all is well with you. My President and CEO Jack Gerard would like to schedule a meeting with Administrator Pruitt to follow up on several items the Administrator touched on in his remarks to API's Board meeting in March as well as ongoing regulatory activities. Our hope is to schedule this 40 minute meeting at the Administrator's earliest in town availability.

I have copied Susan Tackish, Mr. Gerard's Executive Assistant on this email. She manages his schedule/calendar and can facilitate scheduling the meeting.

Thanks in advance for your assistance.

Sydney:

Thanks, I know the Administrator's schedule is complicated enough, but with international travel it's an additional degree of difficulty.

I'll vet this promptly from my end and respond back.

Thanks, much appreciated.

Regards,

Joe

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the

American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19 at 12 noon. As soon as you have the list, please forward to me so that security will have the passes ready for your visit. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

I just left you a voice message but then thought that email might be easier for you. Here are the time slots that would work for me next week:

Tues (the 30th)	Before 12:00 or after 2:00
Wed	After 3:30
Thurs	Before 10:00 or after 11:00
Friday	Any time after 10:00

I could also do it any time tomorrow

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

On Jun 9, 2017, at 7:51 AM, Woodward, Cheryl <Woodward.Cheryl@epa.gov> wrote:

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, June 28th at 10:30 am. The instructions/directions to EPA is below and if you have

any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk about the Significant New Alternatives Policy (SNAP) program and SNAP rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Honeywell (www.honeywell.com) is a Fortune 100 diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes, and industry; turbochargers; and performance materials. Hi Cheryl and Sydney,

I work in OITA under Jane and Mark and one of my responsibilities is managing the Korea program. In a separate e-mail thread with Jim Caldwell, the Embassy of Korea informed EPA that they will be taking a private vehicle for Monday's meeting. Jim and the facilities team have made arrangements for them to enter the EPA courtyard with the vehicle, so they would not be

going through the entry procedures described below.

At the 12th Street Courtyard vehicle entrance, the security guard would let the vehicle through. There is not a guard's desk there to call from. So it could be best to pre-position in the courtyard at 3:15 to greet and escort the delegation.

I've added all involved EPA parties on this e-mail. I did not include Charry from the Embassy, but it would be helpful for someone to reach back out to her clarifying the arrival instructions. If I can be of any help, please e-mail me or call me on my cell phone today at 202-441-8863.

I am not in the office on Monday, but Team Chen of our team is available to assist on the ground with this if it is helpful to you.

•□□□□□□□ Description of the vehicle(s) (make/model/color): Hyundai Equus Black

•□□□□□□□ Name of driver(s) and their cell phone number(s): MARISTELA, Margarito (Josh will ask them to provide cell phone number as requested)

•□□□□□□□ Names of additional staff accompanying the Ambassador: Counselor CHOI, Jin-won and Secretary KIM, Jandi (+ Ambassador AHN, Ho-Young).

Sincerely,

-Josh

메일제목 : RE: Meeting Request from Ambassador Ho-Young Ahn oftheRepublicofKorea

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19th at 3:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors - EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW,**which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the**South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Subject: ACCCE Board Meeting Request

Hi Sydney,

Hope you had a good weekend. The American Coalition for Clean Coal Electricity is having their mid-year board meeting in Washington on Thursday, June 29th, and would love to have the Administrator attend for 30-45 minutes if his schedule permits. The meeting starts at 10am on the 29th, but we will accommodate the Administrator's schedule if he is available to give brief remarks.

There will be several CEOs and senior executives in attendance from the coal, railroad and utility sectors. Bob Murray, who is the current Chairman of ACCCE, and Joe Craft of Alliance are scheduled to attend the meeting as are several senior executives from CSX, Norfolk Southern, BNSF, Union Pacific, AEP, Southern Company, Peabody Energy, etc.

The ACCCE board meeting would be a great opportunity for the Administrator to discuss his regulatory reform efforts. Please let me know if you need any additional information. Thank you for your consideration and assistance.

I am still trying to get you sufficient info on the AFS fly-in, but I have better clarity on the other items:

-The Vinyl Institute would love to have Samantha speak to the exec team on the 16th as well as to the full fly-in group on the 17th. They are very excited and appreciative.

-Joc O'Rourke of Mosaic would be available any time the Administrator has time. To restate, he is requesting no more than 15 minutes.

Thank you again, Sydney, A.J. Ferate

Thanks for trying to make those work, Sydney.

While I have you looking, could you check on two other dates in June:

- The Global CEO for Mosaic, Joc O'Rourke is requesting to meet with Pruitt for 15-20 min on June 20th. He is only in county & DC that day. Mosaic is involved in a number of industries, but phosphate and potash production are the primary industries they are involved in here in the U.S.

-The American Foundry Society (AFS) Fly-in is on June 21st (or 20th.) Their specialty is "Metalcasting". They're asking for Administrator Pruitt to speak at their Leadership Breakfast on 21 June. If June 21st doesn't work, they can make June 20th work.

Thank you for letting me bother you with these; talk to you soon.

I appreciate you, AJF

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk

about the Significant New Alternatives Policy (SNAP) program and SNAP rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Honeywell (www.honeywell.com) is a Fortune 100 diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes, and industry; turbochargers; and performance materials. For more news and information on Honeywell, please visit www.honeywell.com/newsroom.

Honeywell Performance Materials and Technologies (PMT) is a global leader in helping industrial customers become more connected in order to improve efficiency, reliability, optimization and security. PMT's Advanced Materials business manufactures a wide variety of high-performance products, including Solstice® an environmentally preferable refrigerant, and Spectra®, a lightweight but incredibly strong fiber used in bullet-resistant armor, helmets and other performance fabrics. Honeywell UOP (www.uop.com) helped create the modern refining industry, and its process technologies and catalysts form the foundation for most of the world's refineries, petrochemical manufacturers and natural gas processors. Honeywell Process Solutions (www.honeywellprocess.com) is a pioneer in automation control, instrumentation and services for industries such as oil and gas, refining, pulp and paper, industrial power generation, chemicals and petrochemicals, biofuels, life sciences, and metals, minerals and mining.

Hi Sydney,

I hope all is well. Touching base with you regarding Mr. Pruitt's availability to speak at our upcoming 2017 Utility Regulation Conference, December 5-6, at the Liaison Capitol Hill, Washington, DC. Have you had a chance to review 4th quarter travel?

I am happy to answer any questions you have regarding this executive conference that you and your team may have.

Thanks Sydney,

Tom Thornton

Sure thing, that would be great, thanks Sydney! In the invitation, I did mark that we would like Mr. Pruitt to speak the morning of Dec 5th , but we would certainly work with you and the team to accommodate his busy schedule, adjusting the agenda accordingly.

I look forward to hearing from you in a few weeks!

Thanks again Sydney,

Tom Thornton

Subject: Speaking Request for Administrator Scott Pruitt

Good afternoon Ms. Hupp,

My name is Tom Thornton, Energy Program Manager with S&P Global Market Intelligence. On December 5-6, 2017, we are hosting our **2017 Utility Regulation Conference**, to be held at the Liaison Capitol Hill, Washington, DC. This conference has become an important event for energy executives, with recent speakers including Tony Clark-FERC Commissioner, and Sheryl LaFleur-FERC Commissioner.

I would like to submit a request for Administrator Scott Pruitt to speak at this executive conference, sharing insights on his vision for shaping the EPA, and the role EPA plays in advancing energy policy. I have attached a formal request, and after speaking to Cheryl, a colleague at EPA, she suggested I email you directly with this request.

Please let me know what details you require for this request, and how I may assist. We look forward to hearing from you soon, and hope Mr. Pruitt will be available to join us.

Thank you Ms. Hupp,

Tom Thornton

Sydney –

I know we are moments away from this call, and I just realized that I never replied to you! Yes, it will just be Tony on the line, and the purpose is just for Tony to begin the discussion about possibly pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Thank you!

Subject: Request for phone call with Tony Perkins

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

To: Konkus, John <konkus.john@epa.gov>
Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about

a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is 225-975-7904. If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a

landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Builders Meeting In Washington

Alan-

It was great to see you last night at the HBA of South Carolina Board of Directors meeting and the Bird Supper. Your remarks were well received and appreciated.

Pursuant to our conversation, please extend an invitation to EPA Administrator Scott Pruitt to speak at our lunch meeting during our National Association of Home Builders (NAHB) Legislative Conference on Wednesday, June 14, 2017. The meeting will be held in Emerson Hall of the Library of Congress, Washington DC beginning at 12:15 p.m. We expect 30 members of the Building Industry Association of Central South Carolina to be in attendance including our state leadership and representatives of NAHB.

Of course, we would be honored if you could join us as well.

Thank you for your assistance in this regard.

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Ryan and Samantha,

I hope you are well and settling into your new roles. Congratulations on your new leadership opportunities! I am personally thrilled with your appointments. I look forward to working closely with you and supporting your efforts.

I am writing to request a meeting with Administrator Pruitt for Bruce Culpepper, Shell US Country Chair, and Greg Guidry, Shell Executive Vice President of Unconventionals, on the morning of Monday, May 15th. Mr. Culpepper and Mr. Guidry would like to update Administrator Pruitt on Shell's operations in the US and discuss policy issues within EPA's jurisdiction that impact Shell's various lines of business.

If the morning of May 15th is problematic, both Shell leaders have some availability on May 16th.

I look forward to hearing from you.

Regards,

Marnie Funk

Hello Cheryl,

Can you please add to the list for the meeting on Monday:

Laura Hanen

Interim Executive Director

National Association of County and City Health Officials

And delete Ian Goldstein. Laura will attend instead of Ian.

Can you confirm that you have made this change?

Many thanks,

Lyndsay

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, June 19 at 12 noon. As soon as you have the list, please forward to me so that security will have the passes ready for your visit. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is

almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Sydney,

Confirming we can make 12noon work. Can you let me know logistics and arrival information for the meeting? I'll send over a re-confirmed attendee list next week.

We would welcome staff from the air office and perhaps budget staff to join the meeting.

That will be a fast trip from the airport for Mr. Pruitt!

Best,

Lyndsay

Subject: Meeting request

Hi Ryan:

I would like to request a meeting with Administrator Pruitt to discuss air quality issues facing the rapidly growing petrochemical/refining industry in Southeast, Texas. The dates that could work for our team are May 15, May 25 or May 26. Attendees would be myself, John Durkay, General Counsel to the Industrial Safety Training Council, Wayne Turner, Sunoco logistics, Greg Masica, BASF Total petrochemicals, and Eric Miller, Total refining. I have attached hereto, a brief synopsis of the issue at hand.

Please let me know how we can help make this meeting a reality.

Best regards,

John

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Request for a Shell senior leaders meeting with Administrator Pruitt on May 15

Ryan and Samantha,

I hope you are well and settling into your new roles. Congratulations on your new leadership opportunities! I am personally thrilled with your appointments. I look forward to working closely with you and supporting your efforts.

I am writing to request a meeting with Administrator Pruitt for Bruce Culpepper, Shell US Country Chair, and Greg Guidry, Shell Executive Vice President of Unconventionals, on the morning of Monday, May 15th. Mr. Culpepper and Mr. Guidry would like to update Administrator Pruitt on Shell's operations in the US and discuss policy issues within EPA's jurisdiction that impact Shell's various lines of business.

If the morning of May 15th is problematic, both Shell leaders have some availability on May 16th.

I look forward to hearing from you.

Regards,

Marnie Funk

Hi Sydney, I tried to call you at the number below and it said it was not in service. I guess those budget cuts are extreme!!

I have visited with Ryan Bernstein from Senator Hoeven's office (copied) and we were wondering about a meeting in North Dakota per the media discussion here today on the ND Senators inviting the Secretary to ND. I have also through

Blu Hulsey at Continental Resources extended an invitation for the Secretary to speak at our Annual Meeting in Grand Forks, North Dakota on Sept 27 or 28th but that's likely too far out for these discussions.

We are more than happy to visit in DC as well.

Thanks, I look forward to more discussion on a meeting date. My number if you chose to call is 701-223-6380.

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hello Sydney,

Scott sent me a text and asked me to contact you about setting up a 20 minute meeting in Washington DC. Our first choice would be at any time on May 10. If that day does not work, then May 9 would also be a possibility. In the event he is unavailable either of those days, we could probably see him when he is back in Oklahoma during May, with the exception of May 9-12.

Although Scott and I have known each other for many years, I have attached my bio for your information.

Regards,

Sam Hammons

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

-

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

Good morning Stanley,

Thank you for reaching out! Unfortunately we are just barely sneaking out of here on Tuesday evening to get to NY, so I don't think we would be able to make it up there in time. Thank you for extending the invitation though!

Best,

Sydney

Stanley,

Good morning. I am so sorry for my tardiness in responding. I am copying the Administrator's Executive Scheduler and hopefully we can include it in our day!

Thank you so much.

> As you know, our all day Sustainability Conference is the same day as the Manhattan Institute board meeting (and I have to find a way to attend both). It does present an opportunity, however, in that Secretary Pruitt can deliver a few remarks to our conference (from 8:00 am to 5:30 pm, on the very same street as the Manhattan Institute meeting!). An alternative is our cocktail party for speakers, 5:00-7:30 pm on Tuesday, May 16.

An update on attendees: Unfortunately Mercury Marine's President had a travel conflict arise and it can't be resolved. He's quite upset that he can't make the meeting but in his absence will be sending their Vice President of Global Operations. An updated attendee list is below:

- □□□□□□□□ Ben Speciale, President, Yamaha Marine
- □□□□□□□□ Chris Drees, Vice President Global Operations, Mercury Marine
- □□□□□□□□ Marcia Kull, President, Torqeedo
- □□□□□□□□ Chuck Rowe, President, Indmar
- □□□□□□□□ Jeff Wasil, Engineering Manager, Evinrude/ BRP

•□□□□□□□ Jonathan Miller, Vice President of Government Relations, VOLVO PENTA

•□□□□□□□ John McKnight, Senior Vice President, NMMA

•□□□□□□□ Nicole Vasilaros, Vice President, NMMA

•□□□□□□□ Mike Pasko, Director, NMMA

Sydney and Cheryl-

I wanted to circle up regarding the meeting next week with Administrator Pruitt and marine engine executives. Below is a current list of meeting attendees.

- Ben Speciale, President, Yamaha Marine
- John Pfeifer, President, Mercury Marine

•□□□□□□□ Marcia Kull, President, Torqeedo

•□□□□□□□ Chuck Rowe, President, Indmar

•□□□□□□□ Jeff Wasil, Engineering Manager, Evinrude/ BRP

•□□□□□□□ Jonathan Miller, Vice President of Government Relations, VOLVO PENTA

•□□□□□□□ John McKnight, Senior Vice President, NMMA

•□□□□□□□ Nicole Vasilaros, Vice President, NMMA

•□□□□□□□ Mike Pasko, Director, NMMA

Again, our aim is for this meeting to be an introduction to our industry, with a primary focus on ethanol policy and the RFS. In addition, attendees might raise some of the items contained in the attached letter to the Agency re: regulatory relief. This was written in response to an April 20th request from EPA for industry input.

Please let me know if you have any questions. Cheryl, I'll await logistical instructions from you.

Thanks.

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Hi Sydney, I tried to call you at the number below and it said it was not in service. I guess those budget cuts are extreme!!

I have visited with Ryan Bernstein from Senator Hoeven's office (copied) and we were wondering about a meeting in North Dakota per the media discussion here today on the ND Senators inviting the Secretary to ND. I have also through Blu Hulsey at Continental Resources extended an invitation for the Secretary to speak at our Annual Meeting in Grand Forks, North Dakota on Sept 27 or 28th but that's likely too far out for these

discussions.

We are more than happy to visit in DC as well.

Thanks, I look forward to more discussion on a meeting date. My number if you chose to call is 701-223-6380.

Good afternoon,

We likely won't be able to make the call happen before he leaves. What is the topic of the call? Perhaps he can talk to our Chief of Staff. As for the banquet, we would be happy to participate if the schedule allows! The scheduling team is supposed to get together this evening to discuss July travel. In the interim, would you mind filling out the attached so we have all necessary details?

Thank you!

Hi Sydney, I tried to call you at the number below and it said it was not in service. I guess those budget cuts are extreme!!

I have visited with Ryan Bernstein from Senator Hoeven's office (copied) and we were wondering about a meeting in North Dakota per the media discussion here today on the ND Senators inviting the Secretary to ND. I have also through Blu Hulsey at Continental Resources extended an invitation for the Secretary to speak at our Annual Meeting in Grand Forks, North

Dakota on Sept 27 or 28th but that's likely too far out for these discussions.

We are more than happy to visit in DC as well.

Thanks, I look forward to more discussion on a meeting date. My number if you chose to call is 701-223-6380.

Environmental Protection Agency
Mr. Scott Pruitt, Administrator
Mail Code 28221T
1200 Pennsylvania Ave. NW
Washington, DC 20460

Dear Mr. Pruitt;

Congratulations on your appointment as Administrator of the Environmental Protection Agency. I am the President of the North Dakota Petroleum Council (NDPC) and wanted to take this opportunity to tell you about the overreach of the prior administration that continues to affect NDPC members. Under the previous administration, EPA initiated sweeping Clean Air Act (CAA) Section 114 information requests and threatened company-ending sanctions under the CAA against oil companies operating in North Dakota. EPA's style and process were often contrary to the North Dakota Department of Health's (NDDoH) alternative approach to Clean Air Act Enforcement. In the one consent decree that EPA completed before the election, North Dakota refused to sign the final decree, even though NDDoH had participated fully in months of EPA driven negotiations with the operator. The North Dakota approach produced industry-wide results that immediately benefitted the environment in a shorter timeframe, with substantially less cost and included continued future compliance opportunities. Unfortunately, despite the successful North Dakota effort, we continue to see EPA focused on an aggressive, federal-only approach adopted under the earlier administration.

We respectfully request, consistent with your recent internal directive and President Trump's March 28, 2017 Executive Order, *Promoting Energy Independence and Economic* Growth, that you promptly review EPA's ongoing enforcement activities in North Dakota to determine whether they are consistent with your and the Trump Administration's approach to environmental protection and regulation.[1] We also ask that you seriously consider EPA's adoption of the NDDoH approach to Clean Air Act enforcement and take steps to amend, with court approval, the existing federal consent decree to add North Dakota (ND) so that the state continues to play an important role in protecting its environment. The attached documents describe the EPA Section 114 enforcement process, and contrasts it with the approach that North Dakota utilized. The information provided will show that ND achieved industry-wide compliance plus (above current regulations) in one-third of the time required by EPA to negotiate a settlement with one ND operator. NDPC believes that you will find this information of interest as you seek to make EPA a more effective and efficient agency, which works with states to implement, enforce and adopt resolutions that directly benefit the environment.

Please call or email with any questions you may have. We welcome the opportunity to discuss this with you and would be available to travel to Washington, DC if you feel it would be beneficial.

Thank you for your time and consideration.

Sincerely,

Ron Ness

Hi Sydney,
Thank you so much for pushing to get the ethics approval for us!

As for the travel issue, thank you for being candid on the process and the timing. I think at this stage I want to move forward and hope that things work out in our favor. I have a board meeting early next week and I will bring it up there as well to see what the general consensus is. Obviously having him out of the country would be problematic and not knowing until 2 weeks before makes that trickier. Thanks for continuing to hold it and let me know as soon as you hear anything.

Thanks so much,
Libby

Here is the feedback I received: "Yes, the Administrator may attend the event, and yes, he may receive the globe. But please do ensure that they refer to him as the Honorable (as opposed to the EPA Administrator)."

So, yay! It's been approved through ethics. The other hold up now is that I was told by our Chief of Staff yesterday that we could potentially be in Australia until the 13th now instead of through the 10th. I've still got the hold on the calendar with the ethics approval but to be completely candid the return date wasn't chosen for our last international trip until two weeks before. I am happy to continue holding though and we can sit tight for a bit to see if the trip is shortened. I'm sorry this has been such a process.

Thank you!

Hi Sydney,
Sure thing:

1) The event is called the ACYPL Honors Evening but the award itself doesn't have a name. In the last 5 years, it has been a globe engraved with the Honoree's name and the year that looks like the attached photo. If that's a problem, we don't have to do awards

2) We have been doing the Honors Evening since 1999. We have traditionally honored ACYPL Congressional alumni or friends, but that's only because we didn't have an alum in a Cabinet level position before. The list of past honorees is attached.

3) We will send out the attached invite (with his line changed to The Honorable Scott Pruitt (invited)) and will also be sharing it on our website under events http://acypl.org/events/ and in emails to our alumni network

4) Yes, this is an fundraiser for ACYPL, which is a nonpartisan, non-profit 501(c)3 organization

And if you could let me know when his participation is approved, then we will remove invited from the invitation.

Thanks for your help Sydney!!
Libby

The Ethics department is asking me these questions about the event:

1) What is the name of the award?

2) How many years has this award program been in place?

3) Are there any communication materials about the award? (e.g., website, brochure, etc.)

4) Is this event a fundraiser?

Thanks Sydney, I appreciate your efforts. Do you any sense of how we can list him on the invitation, assuming everything goes through? We had asked you before if "The Honorable" was appropriate, and I wanted to double check on that.

Additionally, would we be allowed to send out the invitation with him listed as "invited" in the interim? I am just getting slightly anxious because we are about 3 months out and I would like to promote it to our alumni network.

Thanks again!

Libby

Subject: Invitation to Speak to OK Building Summit

Dear Ms. Hupp,

I know an invitation or two is floating around the offices there at EPA, but I was recently given your email as you are the scheduler for Administrator Pruitt. We want to formally invite Mr. Pruitt to be our opening keynote to our annual OK Building Summit & Expo on September 27, 2017, 10:00 am, at the Cox Convention Center. As builders and developers we heavily endorsed and applauded his appointment as Administrator of the EPA.

Our annual Summit has grown each year and last year we had over 650 in attendance. We would love to welcome Mr. Pruitt back to Oklahoma in his new role.

Thank you for consideration and please let me know if I can provide any additional details.

Hi Sydney!

Michelle Hale gave me your information to request a form to fill out to see if Mr. Pruitt is available to speak at Leadership Oklahoma's Fall Forum September 14th at Shangri-La Resort in Northeast Oklahoma. As a member of Leadership Oklahoma, we would love to have Mr. Pruitt

be a part of our event! I am happy to send more details, however, if you have any questions, please feel free to call or email me.

Thank you so much and I look forward to hearing from you soon!

To: Hupp, Sydney <hupp.sydney@epa.gov>
Cc: Jackson, Ryan <jackson.ryan@epa.gov>
Subject: Kansas Farm Bureau request to discuss Flint Hills range burning with Administrator Pruitt or staff

Sydney,

Kansas Farm Bureau would like to discuss the Clean Air Act, specifically Flint Hills (Kansas) range burning, with Administrator Pruitt. There will be a group of approximately six Kansas Farm Bureau members in Washington, DC on the morning of Wednesday, May 24 where we would be able to visit. Our main concern is the challenge of needing a prescribed fire to maintain the natural ecosystem of the Flint Hills in Kansas and the Osage Hills in Oklahoma and how smoke from these necessary fires impact the ozone and PM2.5 standards. Exceedances or violations of a national ambient air quality standard directly related to prescribed fires in the Flint Hills and Osage Hills is becoming a challenge to manage.

In 2011, Sens. Inhofe and Moran introduce a bill addressing this issue:
https://www.moran.senate.gov/public/index.cfm/news-releases?ID=dc891dd7-ad7c-4d8f-83f7-aa7c4b644b3f

So far this year the media has written a number of stories:

http://cjonline.com/news/state-government/local/2017-04-18/burning-questions-tradition-economics-cloud-debate-prairie

http://journalstar.com/news/local/article_420984a8-e0a3-546e-a36d-7333898b551f.html

Sydney, I've attached the form for Tuesday's meeting. I will join Chet for the meeting as well. Please let me know if you need anything else.

For June 15th, do you think it would be possible for the Administrator to join us in our meeting space across the street at the Trump Hotel? If not, that is completely understandable and we'll keep the meeting in EPA HQ. We're just working through some logistical issues on our end.

Thanks!

Geoff

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Sydney and Cheryl-

I wanted to circle up regarding the meeting next week with Administrator Pruitt and marine engine executives. Below is a current list of meeting attendees.

- Ben Speciale, President, Yamaha Marine
- John Pfeifer, President, Mercury Marine
- Marcia Kull, President, Torqeedo

- Chuck Rowe, President, Indmar
- Jeff Wasil, Engineering Manager, Evinrude/ BRP
- Jonathan Miller, Vice President of Government Relations, VOLVO PENTA

- John McKnight, Senior Vice President, NMMA
- Nicole Vasilaros, Vice President, NMMA
- Mike Pasko, Director, NMMA

Again, our aim is for this meeting to be an introduction to our industry, with a primary focus on ethanol policy and the RFS. In addition, attendees might raise some of the items contained in the attached letter to the Agency re: regulatory relief. This was written in response to an April 20th request from EPA for industry input.

Please let me know if you have any questions. Cheryl, I'll await logistical instructions from you.

Thanks.

Subject: RE: Meeting Request: 06/21-06/22, Marine Engine Manufacturing Executives

Thank you Sydney. We are flexible with a potential date of the meeting. Would June 19th,,20th,26th or 29th work for the Administrator? We will ensure that it will be top-level executives from engine manufacturers who will be in attendance. Please let me know if one of these dates would be workable. Thank you.

Subject: Meeting Request: 06/21-06/22, Marine Engine Manufacturing Executives

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Hi there!

I realize you all had a super busy week last week but wanted to see if I could put this back on someone's radar in your office. Is there a window of time when you commit to invitations for speaking engagements?

We are working on our main stage commitments now and would love to save 10 minute time slot for Secretary Pruitt.

Thanks so much for your consideration and time!

To: Hupp, Sydney (hupp.sydney@epa.gov)
Cc: 'gunasekera.mandy@epa.gov'; Susan J. Miller (smiller@bia.org); 'Paul Regina'
Subject: Meeting Request

I am writing on behalf of the Brick Industry Association (BIA) to request a meeting with Administrator Pruitt. BIA is a national trade association representing clay brick manufacturers, distributorships, and their suppliers. Two-thirds of all the brick shipped in North American is manufactured by BIA members. In addition, many BIA member companies are family-owned small businesses.

Many of BIA's members are subject to a recently-promulgated National Emissions Standard for Hazardous Air Pollutants for Brick Manufacturing (i.e., the "Brick MACT"). BIA has a pending challenge to this rule in the DC Circuit. BIA does not want to discuss the litigation with the Administrator. BIA does hope to discuss with the Administrator the enormous impact that the rule is having on the industry and some of BIA's ideas as to how the rule could be improved and the burden lessened.

A group of BIA members will be in Washington, DC, on Thursday, June 15. A meeting that date would be ideal. If that does not work for Administrator Pruitt, we would appreciate any suggested alternative dates.

Please feel free to contact me if you need anything more. Thanks for your consideration.

Here is the feedback I received: "Yes, the Administrator may attend the event, and yes, he may receive the globe. But please do ensure that they refer to him as the Honorable (as opposed to the EPA Administrator)."

So, yay! It's been approved through ethics. The other hold up now is that I was told by our Chief of Staff yesterday that we could potentially be in Australia until the 13th now instead of through the 10th. I've still got the hold on the calendar with the ethics approval but to be completely candid the return date wasn't chosen for our last international trip until two weeks before. I am happy to continue holding though and we can sit tight for a bit to see if the trip is shortened. I'm sorry this has been such a process.

Thank you!

Subject: RE: Acypl event

Hi Sydney,
Sure thing:

1) The event is called the ACYPL Honors Evening but the award itself doesn't have a name. In the last 5 years, it has been a globe engraved with the Honoree's name and the year that looks like the attached photo. If that's a problem, we don't have to do awards

2) We have been doing the Honors Evening since 1999. We have traditionally honored ACYPL Congressional alumni or friends, but that's only because we didn't have an alum in a Cabinet level position before. The list of past honorees is attached.

3) We will send out the attached invite (with his line changed to The Honorable Scott Pruitt (invited)) and will also be sharing it on our website under events http://acypl.org/events/ and in emails to our alumni network

4) Yes, this is an fundraiser for ACYPL, which is a nonpartisan, non-profit 501(c)3 organization

And if you could let me know when his participation is approved, then we will remove invited from the invitation.

Thanks for your help Sydney!!
Libby

The Ethics department is asking me these questions about the event:

1) What is the name of the award?

2) How many years has this award program been in place?

3) Are there any communication materials about the award? (e.g., website, brochure, etc.)

4) Is this event a fundraiser?

Hi Sydney,
I just tried your cell but your mailbox is full, so sorry for the additional email. I just wanted to see if it was possible to list him as "The Honorable Scott Pruitt (invited)" so that we could send the invitation out.

Thanks for your help!
Libby

Thanks Sydney, I appreciate your efforts. Do you any sense of how we can list him on the invitation, assuming everything goes through? We had asked you before if "The Honorable" was appropriate, and I wanted to double check on that.

Additionally, would we be allowed to send out the invitation with him listed as "invited" in the interim? I am just getting slightly anxious because we are about 3 months out and I would like to promote it to our alumni network.

Thanks again!
Libby

Hey Libby,

Hope you're well too! I am trying to get it nailed down. I have a hold on the calendar and I am working to get it cleared through Ethics. I'm sorry it has been a process! They are always hesitant about him receiving awards. Will keep you updated.

Thanks!

Hi Sydney,
I hope you're doing well. I know you're overwhelmed with requests, but I wanted to check in again on the ACYPL event in September. We are eager to share the event with our alumni and so I wanted to see if there were any updates.

Thanks so much!
Libby

Hi Ryan:

I would like to request a meeting with Administrator Pruitt to discuss air quality issues facing the rapidly growing petrochemical/refining industry in Southeast, Texas. The dates

that could work for our team are May 15, May 25 or May 26. Attendees would be myself, John Durkay, General Counsel to the Industrial Safety Training Council, Wayne Turner, Sunoco logistics, Greg Masica, BASF Total petrochemicals, and Eric Miller, Total refining. I have attached hereto, a brief synopsis of the issue at hand.

Please let me know how we can help make this meeting a reality.

Best regards,

John

After talking with our team, we would like to see about scheduling a telephone call for Friday, July 23rd. Can we place a hold for 12:30 pm? We think this might be the best opportunity due to Dan's travel schedule. Please let me know if this window isn't available for the Administrator.

Sydney-

Thank you for reaching out to schedule a conversation between Dan and Administrator Pruitt. Would an initial telephone call be sufficient? I know that he and Dan had an opportunity to visit during the Administrator's tenure in Oklahoma. Please also let me know of any background or advance information on the visit in case Dan would like to invite another member of our team to join.

Also, it was a pleasure to visit with members of your staff, Lincoln Ferguson and Sarah Greenwalt, while we recently visited DC. They were enjoying a lunch break at a local CFA Restaurant. Two great staff members.

Look forward to coordinating with you further.

Evan

Good afternoon Mr. Cathy,

Hopeful this email finds you well! Administrator Pruitt asked me to reach out to you and see if you might be willing to get a time set up for the two of you to have a meeting. If there is someone I can work with to help get that facilitated, I would greatly appreciate it.

Have a wonderful day!

Sydney,

Jack is out of town part of the week of the 19th but here is what does work for him as of now:

6/19: 11:00am – 2:30pm, 5:00pm on

6/20: open until 2:00pm & after 4:30pm

Let me know if any of these work or if you'd prefer me to send add'l times/dates.

Laine cc'ed here will get you the form shortly.

Thank you so much!

Subject: Administrator Pruitt Meeting schedule request

Ryan/Millan: Good morning, hope that all is well with you. My President and CEO Jack Gerard would like to schedule a meeting with Administrator Pruitt to follow up on several items the Administrator touched on in his remarks to API's Board meeting in March as well as ongoing regulatory activities. Our hope is to schedule this 40 minute meeting at the Administrator's earliest in town availability.

I have copied Susan Tackish, Mr. Gerard's Executive Assistant on this email. She manages his schedule/calendar and can facilitate scheduling the meeting.

Thanks in advance for your assistance.

Hi Sidney,

Sorry we are playing phone tag! I have three issues to discuss with you:

1) We will plan on being at the front door of the EPA Headquarters Building just before 3 PM on the 18th. Is the 918-718-4555 number your cell? You said text if easier, so I thought it might be. We will land at Dulles that day by 1 PM and will be at the Trump easily by 2 PM. Call my cell if anything changes or you want to check on our arrival.

2) On a separate note, Roy Bailey, who was Finance Chair of the President's Inauguration Ceremony and our CEO of Giuliani Deason Capital Interests will be in DC next week. He will be with one of our close friends, RJ Kirk, the CEO of Intrexon (see the email below). I truly believe that Scott and his team would benefit greatly from meeting with RJ. If Scott and/or Ryan Jackson have any time I would really appreciate it if they would give RJ 15 mins or so. They will learn a lot!

3) Scott told me this past weekend that he was going to have Ryan Jackson call me to schedule a meeting in DC with our Environmental team at the Texas Public Policy Foundation and me, ASAP. He asked that I help them add a few experts on a new proposed Science Advisory Board. Could you check on the status please?

Thanks!

Doug,

I know that you and Secretary Pruitt are good friends. I know him, but probably not as well so I wanted to see if you could ask him and his chief of staff to take a meeting .

RJ Kirk, is the leading bio-tech investor in the US and Chairman/CEO of Intrexon (NYSE). Intrexon is the leading 2nd generation life science genetic engineering company in the world. One of Intrexon's subsidiaries is OxiTec which owns the mosquito technology which can eradicate Zika virus and other mosquito carrying diseases.

RJ and I would like to meet with the Secretary and his chief of staff and make a courtesy call to explain the technology and evolution of this business. Would you please see if they could meet with us at a convenient time next week Wed May 10, Thurs May 11, or Friday morning May 12. We would greatly appreciate it.

Thanks so much

Warm regards

Roy W. Bailey

Subject: Meeting with Administrator Scott Pruitt

Good afternoon Mr. Cathy,

Hopeful this email finds you well! Administrator Pruitt asked me to reach out to you and see if you might be willing to get a time set up for the two of you to have a meeting. If there is someone I can work with to help get that facilitated, I would greatly appreciate it.

Have a wonderful day!

Hi Sydney,

Just following up on this.

Will Administrator Pruitt be able to speak at POWER-GEN International on Dec. 5?

Let us know. We'd like to finalize the keynote panel by the end of this month.

Thanks!

Good morning Russell,

Thank you for reaching back out! We will be looking at 4th quarter travel as we edge more into summer. Would it be okay if we reach back out after we've had some time to get through May? In the interim, would you mind filling out the speaker request form? Please let me know if you have any questions!

Thank you!

Mr. Pruitt,

On behalf of POWER-GEN International and PennWell Corporation, I would like to invite you to be a keynote speaker at POWER-GEN International 2017, the world's largest annual forum for the power sector. We're expecting more than 20,000 power professionals to attend. Nearly 4,000 are expected to attend the keynote session on Tuesday Dec. 5 in Las Vegas, Nevada.

As EPA Administrator, your perspective on the power generation market is important to our attendees. POWER-GEN would be an excellent place to share your vision with the rest of the industry as power producers face tremendous pressure to craft comprehensive strategies to comply with a host of new and pending environmental standards. Your plan to restore balance between the economic concerns and environmental concerns of power generation is a topic of great interest for the industry. POWER-GEN would be the perfect forum to convey your ideas about the EPA's role in regulating the construction, maintenance and operation of power plants in the U.S. Nearly 40 percent of POWER-GEN's attendees are power generators (IOUs, IPPs, electric co-ops and municipal utilities).

Keynote presentations are typically 15 to 20 minutes with slides. You would be joined by four other high-ranking executives. **The keynote session begins at 9:30 a.m. Tuesday Dec. 5.** A rehearsal will be held Monday Dec. 4 around 3 p.m.

To see last year's keynote session, click here: http://bit.ly/2has7fQ. Also, here's the link to the POWER-GEN International website: www.power-gen.com.

We would be proud and honored by your participation. Please let me know if you would like to participate in the keynote session by April 17. If you have any questions, don't hesitate to contact me. I hope to hear from you soon.

Thank you for your time.

Sincerely,

Russell Ray

Sydney,

Andrew Wheeler was kind enough to share your contact information. We sent an invitation via US mail for Administrator Pruitt to keynote our annual meeting in November. After hearing him on Wednesday of this week at the Faegre Baker Daniels meeting I'm even more keen on getting him to our meeting – his comments were outstanding and a breath of fresh air from EPA.

Attached is a copy of the letter for your reference. We'd love to hear from you as soon as you're able to provide a tentative indication.

Have a great Memorial Day weekend!

I am still trying to get you sufficient info on the AFS fly-in, but I have better clarity on the other items:

-The Vinyl Institute would love to have Samantha speak to the exec team on the 16th as well as to the full fly-in group on the 17th. They are very excited and appreciative.

-Joc O'Rourke of Mosaic would be available any time the Administrator has time. To restate, he is requesting no more than 15 minutes.

Thank you again, Sydney, A.J. Ferate

Thanks for trying to make those work, Sydney.

While I have you looking, could you check on two other dates in June:

- The Global CEO for Mosaic, Joc O'Rourke is requesting to meet with Pruitt for 15-20 min on June 20th. He is only in county & DC that day. Mosaic is involved in a number of industries, but phosphate and potash production are the primary industries they are involved in here in the U.S.

-The American Foundry Society (AFS) Fly-in is on June 21st (or 20th.) Their specialty is "Metalcasting". They're asking for Administrator Pruitt to speak at their Leadership Breakfast on 21 June. If June 21st doesn't work, they can make June 20th work.

Thank you for letting me bother you with these; talk to you soon.

I appreciate you, AJF

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Subject: Invitation to Speak to OK Building Summit

Dear Ms. Hupp,

I know an invitation or two is floating around the offices there at EPA, but I was recently given your email as you are the scheduler for Administrator Pruitt. We want

to formally invite Mr. Pruitt to be our opening keynote to our annual OK Building Summit & Expo on September 27, 2017, 10:00 am, at the Cox Convention Center. As builders and developers we heavily endorsed and applauded his appointment as Administrator of the EPA.

Our annual Summit has grown each year and last year we had over 650 in attendance. We would love to welcome Mr. Pruitt back to Oklahoma in his new role.

Thank you for consideration and please let me know if I can provide any additional details.

Mike

Subject: RE: AFPM Meeting Request for June 15

Sydney,

Good afternoon. We would have to check the executives' schedule for the 16th, as the meeting ends on the 15th. Is it possible for The Administrator to meet on June 14th at 3:30 – 4:30 p.m. at EPA?

Thanks,

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Hi Sydney-

Hope this note finds you well. Duke Energy's CEO, Lynn Good, met with Administrator Pruitt at CERAWeek back in March. They had a great discussion, and we wanted to schedule a follow-up call to go into more detail on some of the issues raised.

Would either May 18 or May 22 sometime between 2:30 and 5 pm work? I think 15-30 minutes for the phone call would be sufficient.

Thanks, Venu

Hi Sydney,
I just tried your cell but your mailbox is full, so sorry for the additional email. I just wanted to see if it was possible to list him as "The Honorable Scott Pruitt (invited)" so that we could send the invitation out.

Thanks for your help!
Libby

Thanks Sydney, I appreciate your efforts. Do you any sense of how we can list him on the invitation, assuming everything goes through? We had asked you before if "The Honorable" was appropriate, and I wanted to double check on that.

Additionally, would we be allowed to send out the invitation with him listed as "invited" in the interim? I am just getting slightly anxious because we are about 3 months out and I would like to promote it to our alumni network.

Thanks again!
Libby

Hey Libby,

Hope you're well too! I am trying to get it nailed down. I have a hold on the calendar and I am working to get it cleared through Ethics. I'm sorry it has been a process! They are always hesitant about him receiving awards. Will keep you updated.

Thanks!

Hi Sydney,
I hope you're doing well. I know you're overwhelmed with requests, but I wanted to check in again on the ACYPL event in September. We are eager to share the event with our alumni and so I wanted to see if there were any updates.

Thanks so much!

Libby

Hi Libby,

Thank you! We have not yet been able to confirm with our ethics department if he is able to attend. And we have not been able to discuss fall travel yet but are hoping to this Friday. I will say though that if cleared by Ethics, he likely cannot have his title listed.

Thank you!

Subject: RE: Meeting with Administrator Scott Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, June 1st at 1:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney,

Yes, we can move the meeting up to 2:45 PM.

The following coalition members representing 33 different organizations plan to attend:

Name
Britt Aasmundstad
Paul Balserak
C. Richard Bozek
Daren Coppock
Emily Coyner
David Crow
Deidre Duncan
Ross Eisenberg
Amy Emmert
Michael C. Formica
Lorraine K. Gershman

John Glaser
Nick Goldstein
Charlie Grizzle
Kyle Harris
Mary-Thomas Hart
Robert Helland
Aaron Hobbs
Abigail Jagoda
Dorothy Kellogg
William L. Kovacs
Reece Langley
Peter Lidiak
Kerry Lynch
Ethan Mathews
Owen McDonough
Kerry McGrath
Riaz Mohammed
Cal Odom
Don Parrish
Russell Riggs
Marci Schlup
Jerry Schwartz
Ryan Serote
Brad Steele
Ed Thomas
Desmarie M. Waterhouse
Lauren Williams
Scott Yager

Please let me know if you need anything further at this point, and thanks for your help.

Best,

Owen

Subject: RE: Industry Coalition Request to Meet with Administrator Pruitt

Great. Thanks, Sydney.

I'm putting the list together now – still waiting to hear back from some members of the coalition. I will have a list for you early next week.

Best,

Owen

Hi Sydney,

Sorry I missed your call earlier today.

Is there anything more than names and organization of attendees that you'll in advance of our 3:00 PM meeting on 5/8? And when do you need the information by?

Thanks!

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

Thanks Sydney, I appreciate your efforts. Do you any sense of how we can list him on the invitation, assuming everything goes through? We had asked you before if "The Honorable" was appropriate, and I wanted to double check on that.

Additionally, would we be allowed to send out the invitation with him listed as "invited" in the interim? I am just getting slightly anxious because we are about 3 months out and I would like to promote it to our alumni network.

Thanks again!
Libby

Hi Libby,

Thank you! We have not yet been able to confirm with our ethics department if he is able to attend. And we have not been able to discuss fall travel yet but are hoping to this Friday. I will say though that if cleared by Ethics, he likely cannot have his title listed.

Thank you!

Subject: Administrator Pruitt Meeting schedule request

Ryan/Millan: Good morning, hope that all is well with you. My President and CEO Jack Gerard would like to schedule a meeting with Administrator Pruitt to follow up on several items the Administrator touched on in his remarks to API's Board meeting in March as well as ongoing regulatory activities. Our hope is to schedule this 40 minute meeting at the Administrator's earliest in town availability.

I have copied Susan Tackish, Mr. Gerard's Executive Assistant on this email. She manages his schedule/calendar and can facilitate scheduling the meeting.

Thanks in advance for your assistance.

I just left you a voice message but then thought that email might be easier for you. Here are the time slots that would work for me next week:

Tues (the 30th)	Before 12:00 or after 2:00
Wed	After 3:30
Thurs	Before 10:00 or after 11:00
Friday	Any time after 10:00

I could also do it any time tomorrow

HI Sydney,

Our best open windows for bringing the egg producers to meet with Administrator Pruitt are as follows:

Wednesday, May 17

3:00 pm - 5:00 pm

Thursday, May 18

9:00 am - 11:00 am

Can we find something in these windows that works or do we need to look for others?

Best!

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Subject: Invitation to Administrator Pruitt to Offer a Keynote Address to the Nation's Egg

Producers in DC on May 17, 18 or 19, 2017

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Subject: RE: AFPM Meeting Request for June 15

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on June 14th at 3:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Subject: Reconfirming AF&PA Meeting at EPA on Thursday, May 4 at 1:00 PM

Dear Cheryl,

I am writing to reconfirm our group's meeting at EPA this Thursday, May 4 at 1:00 PM.

Just to clarify – as I have hired a car service for our group – in your instructions below, the South Lobby is mentioned in bold in the directions; is it the North Lobby or the South Lobby where they should enter? Some of our folks were confused when I stipulated the South Lobby, as they have had meetings there earlier this week, and they used the North Lobby – so they asked me to verify.

•□□□□□□□ I currently have the instructions/directions for the group as: EPA, 1200 Pennsylvania Avenue, NW, William Jefferson Clinton Building, South Lobby / Tell Security that our group was instructed to all Cheryl Woodward at 202-564-1271 or Michelle Hale at 202-564-1430 to escort our group to the meeting

•□□□□□□□ And for the car service/driver as: EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues.

Please let me know if both sets of directions/instructions are correct.

Our group is looking forward to the meeting on Thursday afternoon.

Many thanks, Brooke

Subject: FW: AF&PA May 4th meeting at 1:00 PM

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, May 4th at 1 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

From: Noe, Paul
Sent: Tuesday, April 4, 2017 5:33 PM

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Subject: RE: Meeting Request

Hi Sydney,

Sorry I forgot to follow up sooner. I know this is a little short notice, but Arch Coal's Snr. VP for Strategy & Public Policy, Deck Slone (who spoke to Administrator Pruitt several weeks ago at a National Mining Association meeting) will be in town next Wednesday. Does the administrator have any time next Wednesday to meet with Mr. Slone? At the NMA Board Meeting, Mr. Pruitt asked Deck to come in to talk about issues affecting the coal industry, and Arch Coal in particular.

Thanks,

Rachel Rogier

Hi Mandy,

Deck Slone, Arch's Snr. VP for Strategy and Public Policy talked with Administrator Pruitt down at the NMA Board Meeting last month, and Mr. Pruitt said he'd love for Deck to meet with him to further discuss issues concerning the existing coal fleet. Please let me know who I should contact to set up a meeting.

Thanks,

Rachel Rogier

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Hi Ryan:

I would like to request a meeting with Administrator Pruitt to discuss air quality issues facing the rapidly growing petrochemical/refining industry in Southeast, Texas. The dates that could

work for our team are May 15, May 25 or May 26. Attendees would be myself, John Durkay, General Counsel to the Industrial Safety Training Council, Wayne Turner, Sunoco logistics, Greg Masica, BASF Total petrochemicals, and Eric Miller, Total refining. I have attached hereto, a brief synopsis of the issue at hand.

Please let me know how we can help make this meeting a reality.

Best regards,

John

It looks like we will be able to have PUC commissioners available to call in on the 23rd at 9:00 a.m. EST.

Even if Mr. Pruitt becomes unavailable, can we proceed with the call?

Paul Walker

On Thu, Jun 8, 2017 at 2:56 PM, Hupp, Sydney <hupp.sydney@epa.gov> wrote:

I completely understand and I'm sorry, the schedule is just very fluid. Last minute travel always throws a wrench into things but it is very often out of our control. We are interested in pursuing this effort and I would be happy to work on a time for a conference call.

As it stands right now we are fairly flexible on the morning of June 23rd to do a conference call. I will hold 9AM-10:30AM. Please let me know as soon as you can if that time will work.

Thank you!

Subject: Re: PUC Coordination Meeting

Well. The meeting involved the travel of a half-dozen commissioners from across the U.S., so I am not sure how to coordinate a new set of dates and times.

If the EPA does want to pursue this effort, perhaps we could begin with a conference call at your convenience. To be perfectly candid, I had commissioners fly to Dallas in April for a face-to-face that didn't happen. And I am now faced with telling them this meeting isn't

going to happen either - that has a significant impact on relationships.

So, let's think about two things: One, would the EPA like to pursue this effort? And if so, can you provide a couple date/time options for a conference call with constructive PUC commissioners?

Thanks for your thoughtful consideration. I will await your response.

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Sydney,

Sorry for the delay, I was trying to make this work, but unfortunately can't with Kevin's schedule. He needs to fly out that afternoon. Are there any openings in the Administrator's schedule on the 17th that would work? I can move our schedule around for any time after 10:30 AM.

Thursday, we are free anytime before 11:00 AM.

Sorry again for all the hassle, it's usually not this hard…

From: Jay Martin
Sent: Wednesday, April 5, 2017 11:34 AM
To: hupp.sydney@epa.gov
Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on

Kevin in the attached bio.

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

To: Jackson, Ryan <jackson.ryan@epa.gov>; Dravis, Samantha <dravis.samantha@epa.gov>
Subject: Request for a Shell senior leaders meeting with Administrator Pruitt on May 15

Ryan and Samantha,

I hope you are well and settling into your new roles. Congratulations on your new leadership opportunities! I am personally thrilled with your appointments. I look forward to working closely with you and supporting your efforts.

I am writing to request a meeting with Administrator Pruitt for Bruce Culpepper, Shell US Country Chair, and Greg Guidry, Shell Executive Vice President of Unconventionals, on the morning of Monday, May 15th. Mr. Culpepper and Mr. Guidry would like to update Administrator Pruitt on Shell's operations in the US and discuss policy issues within EPA's jurisdiction that impact Shell's various lines of business.

If the morning of May 15th is problematic, both Shell leaders have some availability on May 16th.

I look forward to hearing from you.

Regards,

Marnie Funk

Sydney,

The dates below would also work:

6/5 before 11:15 or after 3:30.

6/7 between 2-4

Thanks,

Ariel

Hi Doug,

Hope all is well!

Gov. Hogan was hoping to schedule a call in early June with EPA Administrator Scott Pruitt to discuss the Chesapeake Bay and other issues facing Maryland. (Tuesday, June 6 before 2 PM would be ideal, if possible.) Please let me know if you need any other information to put in this request. We appreciate your assistance!

Thanks,

Ariel

Hi Susan,

Thank you for your email! So on the Mid-Year meeting, would you mind filling out the attached form so that we may discuss in scheduling? And as for the senior executives being in town next week, we actually just had a meeting cancelled at 3PM on the 29th. Is it still possible for your senior officers to meet with him then? It would be from 3:00-3:30 and I would request their names and topic of the meeting. Hoping this still works on your end!

Thank you!

Subject: NAHB Meeting w Administrator Pruitt

Hi Sydney!

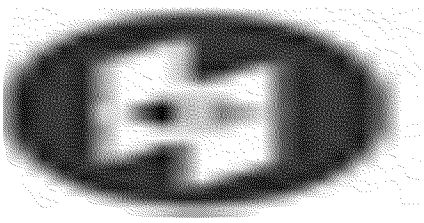

Thanks for the call today. The National Association of Home Builders is very interested in having EPA Administrator Pruitt speak before a larger group of our members. In an effort to accommodate his schedule, we are willing to create a special meeting during our Mid-Year Meeting if the Administrator is available. The timing for the meeting would be Thursday, June 15 at a time that is convenient between 12:30 and 2:30 at the Marriott Wardman Park, 2660 Woodley Road, NW, Washington, DC. We would have an audience of approximately 700 members who are interested in hearing about Administrator Pruitt's vision for the agency, how the agency will address some of the high priority issues, and steps that may be taken to improve the regulatory environment for the Nation's home builders. We would also like to reserve some time for questions, if allowed.

Our Senior Officers would also like to meet privately with Administrator Pruitt. They will be in town and available for a quick visit next week, if a meeting on such short notice is possible. They could be available Wednesday, March 29, between 3 – 5 pm or Thursday, March 30, between 8 am – 12 pm. They could also be available for a meeting on Wednesday, June 14 or before or after the address to the members on June 15, if that schedule works.

Please take another look at the calendar and let me know what might be possible. I look forward to working with you and the Administrator in the future.

Thanks for your assistance!

Susan

Cc: Jackson, Ryan <jackson.ryan@epa.gov>
Subject: Kansas Farm Bureau request to discuss Flint Hills range burning with Administrator Pruitt or staff

Sydney,

Kansas Farm Bureau would like to discuss the Clean Air Act, specifically Flint Hills (Kansas)

range burning, with Administrator Pruitt. There will be a group of approximately six Kansas Farm Bureau members in Washington, DC on the morning of Wednesday, May 24 where we would be able to visit. Our main concern is the challenge of needing a prescribed fire to maintain the natural ecosystem of the Flint Hills in Kansas and the Osage Hills in Oklahoma and how smoke from these necessary fires impact the ozone and PM2.5 standards. Exceedances or violations of a national ambient air quality standard directly related to prescribed fires in the Flint Hills and Osage Hills is becoming a challenge to manage.

In 2011, Sens. Inhofe and Moran introduce a bill addressing this issue: https://www.moran.senate.gov/public/index.cfm/news-releases?ID=dc891dd7-ad7c-4d8f-83f7-aa7c4b644b3f

So far this year the media has written a number of stories:

http://cjonline.com/news/state-government/local/2017-04-18/burning-questions-tradition-economics-cloud-debate-prairie

Subject: Meeting with Administrator Pruitt

I would like to arrange a meeting with Administrator Pruitt to introduce him to NSSGA. NSSGA represents the aggregates industry, which provides the raw material in asphalt, concrete and cement used in nearly every construction or infrastructure project and employs over 100,000 in the U.S. We are very encouraged about the direction of EPA under Administrator Pruitt and would like to discuss our industry's unique issues, including air and water issues such as WOTUS and Conductivity. Please let me know if I can provide any additional information. We would like an in person meeting with our President and CEO, Michael Johnson, Senior Vice President, Government and Regulatory Affairs Laura O'Neill-Kaumo, myself and Administrator Pruitt. We realize this is a very busy time for the Administrator, but would greatly appreciate a short meeting to discuss our industry's issues.

Good afternoon, Sydney.

Thank you for your email and for helping to schedule to this call. Yes, that sounds great.

FYI - On Friday (4/14), I will be out of the office and checking email from time-to-time. If you need immediate assistance on Friday, please contact my back-up, Danielle Lundgren (copied), at 402-471-1960 or at danielle.lundgren@nebraska.gov.

Thank you, again.

Hi Kristin,

Hope you're well! Touching base on the Gov call proposed on April 17th at 1PM CST. The Administrator is set to be traveling that day but I am trying to work out logistically finding a way for him to call in and participate on the road. Is it okay if I reach back to you on this tomorrow afternoon?

Thank you!

Dear Scott,

On behalf of Sir Richard Branson and DS Virgin Racing, I'm honored to invite you to the exclusive 2017 US Innovation Summit on July 14th, in advance of the inaugural New York ePrix.

Held at New Lab, an independent, interdisciplinary space designed to support advancement in emerging technologies, the

Summit will feature a panel discussion and addresses by Sir Richard Branson, Rocky Mountain Institute, DS Virgin Racing's Team Principal, the Chief Sustainability Officer at Hewlett Packard Enterprise, and other surprise guests!

Date: Friday July 14, 2017

Time: 1:30pm - 4:30pm

Location: Brooklyn Navy Yard Building 128, New Lab

RSVP: DSVR_NYC_Summit@ds-virginracing.com

The Innovation Summit is an integral component in the Virgin Group & DS Virgin Racing's drive for awareness, engagement, and action in relation to Future Mobility & Sustainability and we would love to have you join us! Please find further details below.

Hope you can make it!

My best,

Sasha

NEW YORK ePRIX

DS VIRGIN RACING INNOVATION SUMMIT

On behalf of Sir Richard Branson and DS Virgin Racing, we would like to invite you to join us at our exclusive Innovation Summit on Friday, July 14, in advance of the inaugural New York ePrix.

This invitation-only event will take place at the state of the art New Lab facility in Brooklyn from 1.30pm to 4.30pm, the highlight being a panel discussion with Sir Richard Branson and other industry leaders discussing **'THE ROLE OF THE BUSINESS SECTOR IN ADDRESSING CLIMATE CHANGE'.**

As well as the panel discussion, our Innovation Summit will also feature addresses by the Rocky Mountain Institute, DS Virgin Racing's Team Principal and the Chief Sustainability Officer from Hewlett Packard Enterprise, as well as one or two other surprise guests.

Our Innovation Summits are an integral part of how the Virgin Group & DS Virgin Racing seek to drive awareness, engagement and action in relation to Future Mobility & Sustainability. Competing in Formula E gives us a powerful opportunity to advance this agenda in the world's megacities and we're proud to share this with you in Brooklyn.

New Lab is an independent, interdisciplinary space designed to support advancement in emerging technologies, and a pioneering resource for new tech, new hardware, and new manufacturing in New York City. Located in historic Brooklyn Navy Yard Building 128, New Lab, which launched in September 2016, provides the tools and community that unite and support over 500 hardware-centric innovators, representing 100 companies in a variety of fields-including robotics, A.I., connected devices, urban technology, and energy-and fosters collaboration and advancement across disciplines. We hope you will be able to join us for this exclusive opportunity.

Regards,

Alex Tai
DS Virgin Racing Team Principal

Panellists
Sir Richard Branson: Founder - Virgin Group
Andrew N. Liveris: Chairman & CEO - The Dow Chemical Company
Mr Bali Padda: CEO - The Lego Group
Terry Tamminen: CEO - Leonardo Di Caprio Foundation
Dr Jennifer Holmgren: CEO - LanzaTech

Other speakers TBC including:
Lara Birkes - Chief Sustainability Officer - Hewlett Packard Enterprise

Please RSVP to DSVR_NYC_Summit@ds-virginracing.com

Sydney

Yes...3:30 pm on Tuesday May 16th works great for us.

And our CEO of Republic Services, Don Slager, will be participating in the meeting as well.

When do you need the names of the remaining participants on our end? And do you need any additional information from us before the meeting?

Really appreciate the flexibility on the scheduling and getting us on the calendar.

Importance: High

Good morning, Cheryl and Sydney.

Our chief of staff wishes to arrange a phone call this morning with someone in your office, perhaps your chief or staff or government liaison, to discuss a letter.

Could you please assist me with this? Thank you so much!

Kristin Allan

Great. Thanks, Sydney.

I'm putting the list together now – still waiting to hear back from some members of the coalition. I will have a list for you early next week.

Best,

Owen

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the

Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

HI Sydney,

Our best open windows for bringing the egg producers to meet with Administrator Pruitt are as follows:

Wednesday, May 17

3:00 pm - 5:00 pm

Thursday, May 18

9:00 am - 11:00 am

Can we find something in these windows that works or do we need to look for others?

Best!

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Tom Hebert

Good afternoon Mr. Herbert,

Thank you for reaching out to me and thank you for the invitation for Administrator Pruitt to keynote! Unfortunately, we are unable to participate this time due to conflicts on the schedule those days. Please do not hesitate to reach out to us in the future though! Hopeful you have a great rest of your week.

Best,

Sydney

Subject: Invitation to Administrator Pruitt to Offer a Keynote Address to the Nation's Egg Producers in DC on May 17, 18 or 19, 2017

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Subject: May 15-16 Scheduling Request for Administrator Pruitt

Sydney,

I hope this finds you doing well. Cam Savage suggested that I reach out to you to submit my scheduling request for Administrator Pruitt to address our Indiana Leadership Forum group.

The Indiana Leadership Forum is a 501(c)(3) non-profit organization dedicated to educating Indiana's most talented business and community leaders about government, politics and policy to prepare them for greater civic involvement and leadership roles in their communities. The group was founded in 1994 by Indiana businessman, and former White House official, Al Hubbard. I have been serving as the Executive Director of the group since 2012. Each year, we bring a class of 25 professionals to Washington, D.C. toward the end of the program to meet with federal officials and policy experts.

We would greatly appreciate the opportunity to bring the group to the EPA to hear from Administrator Pruitt.

In terms of scheduling, we have time available on the afternoon of Monday, **May 15th** and also various times on Tuesday, **May 16th**. Is it possible for us to schedule a visit on one of those days?

I'm copying Kacey Shriner who is coordinating all the logistics for the trip.

Thank you so much for your time and consideration of this request.

Checking back on the potential for the Republic Services meeting with Administrator Pruitt. Is May 16th even a possibility or do we need to stick with the Friday May 19th time slot of 9:30 am

you sent earlier.

Thanks and I appreciate you taking the time to help us out here.

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Earl,

I am copying Sydney Hupp on this email. She works in Administrator Scott Pruitt's office at the EPA. She was recently very helpful in setting up a meeting with Mr. Pruitt and is in a better position than I am when it comes to Scott Pruitt's availability to speak to the National Association of Home Builders this summer. I have also provided her work number below.

Sydney,

First, thank you for your help last week on setting up that other meeting. Second, I spoke to my local homebuilders the other day and was bragging on Scott. They are eager to meet him if his schedule permits. Please see Mr. McLeod's email below for details. I hope this helps.

Alan-

It was great to see you last night at the HBA of South Carolina Board of Directors meeting and the Bird Supper. Your remarks were well received and appreciated.

Pursuant to our conversation, please extend an invitation to EPA Administrator Scott Pruitt to speak at our lunch meeting during our National Association of Home Builders (NAHB) Legislative Conference on Wednesday, June 14, 2017. The meeting will be held in Emerson Hall of the Library of Congress, Washington DC beginning at 12:15 p.m. We expect 30 members of the Building Industry Association of Central South Carolina to be in attendance including our state leadership and representatives of NAHB.

Of course, we would be honored if you could join us as well.

Thank you for your assistance in this regard.

Subject: Invitation to Administrator Pruitt

Good Morning Sydney,

I didn't know you had gone to EPA with General Pruitt….CONGRATULATIONS! I am sure your life has become quite zesty since making the move. If we can ever be of assistance, don't hesitate to give us a call.

When we met with General (I obtained his permission to still call him "General") Pruitt a few weeks ago he expressed his desire to come to the Summer Meeting and speak to his former colleagues. The dates of the meeting are 20 – 22 June 2017 in Big Sky, Montana. I am sure there is a form we need to complete and return to you. Could you send me a copy and we will get it right back to you.

Again, Welcome to DC!

Jim

Subject: Request for meeting next week with Administrator Pruitt with CEO of Syngenta

Hi Holly and Kenneth,

It was lovely to meet you last week with the Greater Phoenix Economic Council (GPEC). You both and Administrator Pruitt were very helpful. On a separate topic, this is a request for a brief meeting for Monday or Tuesday with Administrator Pruitt with the CEO of Syngenta, Erik Fyrwald, who will be in Washington, D.C. at that time. As you may know, Syngenta is one of the world's largest providers of products to help farmers achieve sustainable crop and food security. Syngenta operates in 90 countries with nearly 30,000 employees and generates nearly $13 B in annual sales. We are providing additional background on Erik below.

Background on Erik Fyrwald, CEO, Syngenta

Erik Fyrwald is the CEO of Syngenta, a position he has held since June 1, 2016. Previously, he served as President and CEO of Univar, a world leader in the distribution of chemistry related products and services, as well as Nalco Holding Co., a leading global provider of water treatment and oil and gas products and services. Additionally, Mr. Fyrwald spent 27 years at DuPont, where he held positions relating to technology, manufacturing, sales and marketing, strategic planning, and management. He also serves on the Board of Directors of Eli Lilly & Company and the Society of Chemical Industry. Mr. Fyrwald holds degrees from the University of Delaware and the Harvard School of Business.

Can you please let us know if a brief meeting would be possible with Administrator Pruitt on Monday or Tuesday?

Thank you,
Sarah

I just left you a voice message but then thought that email might be easier for you. Here are the time slots that would work for me next week:

Tues (the 30th)	Before 12:00 or after 2:00
Wed	After 3:30
Thurs	Before 10:00 or after 11:00
Friday	Any time after 10:00

I could also do it any time tomorrow

Hello Sydney and Ryan,

As a follow-up to his letter (attached), Chris Wood, President and CEO of Trout Unlimited, would like to request a meeting with Administrator Pruitt to discuss Trout Unlimited's partnership with the EPA.

He can meet as early as Monday, April 24, and can be available at the convenience of Administrator Pruitt.

I will follow-up by phone in the coming days to assist with scheduling, if needed.

Thank you,

Liz

Cc: Adams, Kelly (PSP); Sahandy, Sheida (PSP)
Subject: Washington State meeting with Administrator Pruitt?

Hi Ryan and John,

We are hoping the Administrator can take a few moments on May 3rd to meet with Sheida Sahandy, the Director of the Puget Sound Partnership, a state agency created by legislation to help oversee the restoration of Puget Sound.

Sheida would be joined by a state leader from industry, a tribe and one of the non-governmental organizations central to the partnership's success.

Attaching a meeting request letter from Director Sahandy, as well as a recent bi-partisan letter from Representatives Reichert (R-WA) and Kilmer (D-WA) regarding Puget Sound.

We can be flexible on the time, knowing the Administrator has an extremely busy calendar. Cc'ing Kelly Adams, who is helping to juggle schedules.

Thanks so much for considering this, and please feel free to contact us if we can provide any further background or help in any way.

Sydney—

Yes. Let's please set 4pm on Thursday, May 4.

We will confirm attendees and other details closer to the date.

Have a good weekend.

Thank you,

Fred

Sydney,

Rebeckah is attending to her final day duties here at CLA before going to USDA and Beau is currently travelling, but we have heard from SCPA leadership that they would prefer to meet on Thursday, May 4. A morning appointment would be preferable to the afternoon; however, either

would work. Lunchtime is their only conflict that day with a standing appointment that would be inappropriate to cancel.

We look forward to hearing from you at your earliest convenience.

Thank you for all of your help,

Fred

Good morning Mr. Greenwood!

My apologies for the delay in getting back to you. We would be happy to have a meeting, the only issue is that we aren't able to on the 3rd. Are you all in town on the 2nd or 4th perhaps where we could host you at the EPA for a meeting?

Thank you!

Ryan, Byron, and Sydney, I am looping-back just to make sure that this invitation has gotten into the right hands for Administrator Pruitt's consideration. The meeting request with Administrator Pruitt is for anytime on Wednesday, May 3, before 3:00. The meeting attendees would include the Board Executive Committee of the Southern Crop Production Association.

I remain available at your convenience to discuss in greater detail.

Thank you for your consideration.

Beau.

Hi Ryan, Byron and Sydney. I have the pleasure of getting to work with Rebeckah in government relations at CropLife America. I look forward to getting to know you better and developing a working relationship.

Rebeckah has forwarded an invitation (attached) from the Southern Crop Production Association (SCPA) inviting Administrator Pruitt to visit with their membership during their annual DC fly-in on May 3. I sincerely hope that the Administrator has some time in his schedule to accept this invitation.

I remain available to discuss this meeting request at your convenience.

Regards, Beau.

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!
Geoff

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to

reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Subject: Introduction Video for Resource Bank Address

Hi Sydney,

I wanted to touch base with you to see if Mr. Pruitt had any sort of introduction video clip he would like to have played before going on stage to give his remarks at Resource Bank 2017. We have some large video screens in the main session room and it could be a great way to give some background information on him, etc. before he takes the stage. The video should ideally be less

than 3 minutes long; around the 2 minute mark is ideal.

If this is something you would be interested in, please use this link to upload the video directly: https://www.dropbox.com/sh/8lh69vnucr5wmks/AADMQ2c7M-zyFSA3CE9b8UnFa?dl=0. You will receive a separate email from me/DropBox with a direct link inviting you to upload video/materials. Please entitle anything you upload with his name.

If you have any questions or concerns, please do not hesitate to contact me. Thank you for your continued support of Resource Bank 2017!

Sincerely,

Jessica

Subject: Call with EPA Administrator Pruitt

Hi Doug,

Hope all is well!

Gov. Hogan was hoping to schedule a call in early June with EPA Administrator Scott Pruitt to discuss the Chesapeake Bay and other issues facing Maryland. (Tuesday, June 6 before 2 PM would be ideal, if possible.) Please let me know if you need any other information to put in this request. We appreciate your assistance!

Thanks,

Ariel

Sydney,

Steve Johnson has asked that I work with you to get this meeting on the calendar for July.

Some options on our end would be as follows:

July 11, 12, 13 or 18

Let me know if any of these dates could work for the Administrator.

Attending from our side

Thanks very much for you help in getting this meeting on the schedule.

Good afternoon Tina,

Hope this email finds you well! Thank you for reaching out to us and inviting Administrator Pruitt to participate in your event this summer. Though an event in California sounds wonderful, unfortunately the Administrator will not be able to attend due to other travel we have planned that week. Please do keep us in mind for future events though!

Hello Sydney,

Many thanks for your help to coordinate the meetings with Administrator Pruitt. Tuesday, May 2 works for Chet. Will the meeting likely take place in the morning or afternoon?

On June 15, please hold 2 p.m., and Geoff will confirm.

Best regards,

Rebbie

Subject: RE: AFPM Meeting Request

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

Geoff

Good morning Geoff,

Hope this email finds you well! Ryan forwarded me the below email to facilitate getting the meetings mentioned on the Administrator's calendar. Are you all based in DC or will people need to travel in for the first meeting as well as the second? Trying to get an idea of which May days you would like for me to look at for your group. Additionally, would you mind filling out the attached document at your convenience?

Thank you!

Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Subject: Re: Meeting with Administrator Pruitt

Greetings Ms. Dravis,

Sorry to have missed you by phone.

I reached out to Mr. Schuette to give me your contact information because I wanted to keep Mr. Pruitt's office in the loop regarding op eds in the Washington Times. The Times will be running a section on energy. When they have asked me to submit an op-ed on the topic of ethanol, they mentioned that they would also be publishing an op-ed from Mr. Pruitt.

Attached is what I have submitted. I suspect that my views are in line with those of Mr. Pruitt, but I wanted to provide him an opportunity to comment on what I wrote. Any comments or suggestions that his office has would be welcome.

I will be in D.C. the week of May 15th. If Mr. Pruitt or you could carve out 15-20 minutes to meet with me, that would be wonderful.

Have a nice weekend,

Jerry Jung

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney,

I think there is slight confusion. We are not inviting Administrator Pruitt to speak, which the form suggests otherwise. My message was just to let you all know that The Burton Awards would be sending an invitation for him to attend as a **guest**, and if he does attend that Bernie would like to invite him to sit at his table. Administrator Pruitt spoke a few years back at this event, so he should be familiar with it.

Please let me know if you still need me to fill out the form, though.

Thank you,

Emily

NEW YORK ePRIX

DS VIRGIN RACING INNOVATION SUMMIT

On behalf of Sir Richard Branson and DS Virgin Racing, we would like to invite you to join us at our exclusive Innovation Summit on Friday, July 14, in advance of the inaugural New York ePrix.

This invitation-only event will take place at the state of the art New Lab facility in Brooklyn from 1.30pm to 4.30pm, the highlight being a panel discussion with Sir Richard Branson and other industry leaders discussing **'THE ROLE OF THE BUSINESS SECTOR IN ADDRESSING CLIMATE CHANGE'.**

As well as the panel discussion, our Innovation Summit will also feature addresses by the Rocky Mountain Institute, DS Virgin Racing's Team Principal and the Chief Sustainability Officer from Hewlett Packard Enterprise, as well as one or two other surprise guests.

Our Innovation Summits are an integral part of how the Virgin Group & DS Virgin Racing seek to drive awareness, engagement and action in relation to Future Mobility & Sustainability. Competing in Formula E gives us a powerful opportunity to advance this agenda in the world's megacities and we're proud to share this with you in Brooklyn.

New Lab is an independent, interdisciplinary space designed to support advancement in emerging technologies, and a pioneering resource for new tech, new hardware, and new manufacturing in New York City. Located in historic Brooklyn Navy Yard Building 128, New Lab, which launched in September 2016, provides the tools and community that unite and support over 500 hardware-centric innovators, representing 100 companies in a variety of fields-including robotics, A.I., connected devices, urban technology, and energy-and fosters collaboration and advancement across disciplines. We hope you will be able to join us for this exclusive opportunity.

Regards,

Alex Tai
DS Virgin Racing Team Principal

Panellists
Sir Richard Branson: Founder - Virgin Group
Andrew N. Liveris: Chairman & CEO - The Dow Chemical Company
Mr Bali Padda: CEO - The Lego Group
Terry Tamminen: CEO - Leonardo Di Caprio Foundation
Dr Jennifer Holmgren: CEO - LanzaTech

Other speakers TBC including:
Lara Birkes - Chief Sustainability Officer - Hewlett Packard Enterprise

Please RSVP to DSVR_NYC_Summit@ds-virginracing.com

Typically the Office of Homeland Security requires personal and passport information for foreign visitors visiting EPA. We usually ask the host Embassy to provide this information, but in the case of private sector representatives they will need to fill out the form themselves.

I have the form if you find you have foreign visitors!

Sydney,

Do you know if there are any additional security measures to get into the EPA for foreigners? We're checking our list now to see if we have any, but I just want to make sure we bring adequate paperwork or whatever you need.

Thanks!

Autumn

Hi Sydney!

I wanted to send you along an updated attendance list for our meeting with Administrator Pruitt at 3:30 on May 9th. We do have some flexibility on how many people attend the meeting (we can cut all the non-essential Toy Association staff if necessary) so do let me know if you can accommodate a group this large. Feel free to call me if it's easier to discuss logistics over the phone.

We're very much looking forward to our meeting! Thanks again for helping facilitate.

Best,

Autumn

EPA Administrator Pruitt Speaker Request Form.docx

3:30 works well! I would like to offer that we host you all here. We can do a roundtable with coffee in our event room. We can make the St. Regis work, but to be quite honest events here run smoother from a security perspective. Understand if you prefer to do off site though. Additionally, would you mind filling out the attached event form?

Thank you!

Thank you, Rick, for the kind introduction.

Dear Sidney: It's a pleasure to meet you. Please let me know the preferred date and time for Administrator Pruitt to address BCIU. While we are more than capable on short notice, it's best if we have around 3 weeks' notice to get the perfect table in place. Does anything look open the last week in May/first week in June?

I look forward to working with you. Please feel free to call me at 202-595-2669 if that is easier.

Sincerely,

Matthew Calardo | Program Officer, Middle East & Membership Coordinator

Subject: Re: PUC Coordination Meeting

Well. The meeting involved the travel of a half-dozen commissioners from across the U.S., so I am not sure how to coordinate a new set of dates and times.

If the EPA does want to pursue this effort, perhaps we could begin with a conference call at your convenience. To be perfectly candid, I had commissioners fly to Dallas in April for a face-to-face that didn't happen. And I am now faced with telling them this meeting isn't going to happen either - that has a significant impact on relationships.

So, let's think about two things: One, would the EPA like to pursue this effort? And if so, can you provide a couple date/time options for a conference call with constructive PUC commissioners?

Thanks for your thoughtful consideration. I will await your response.

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

Subject: Invitation to Administrator Pruitt

Good Morning Sydney,

I didn't know you had gone to EPA with General Pruitt….CONGRATULATIONS! I am sure your life has become quite zesty since making the move. If we can ever be of assistance, don't hesitate to give us a call.

When we met with General (I obtained his permission to still call him "General") Pruitt a few weeks ago he expressed his desire to come to the Summer Meeting and speak to his former colleagues. The dates of the meeting are 20 – 22 June 2017 in Big Sky, Montana. I am sure there is a form we need to complete and return to you. Could you send me a copy and we will get it right back to you.

Again, Welcome to DC!

Jim

I just left you a voice message but then thought that email might be easier for you. Here are the time slots that would work for me next week:

Tues (the 30th)	Before 12:00 or after 2:00
Wed	After 3:30
Thurs	Before 10:00 or after 11:00
Friday	Any time after 10:00

I could also do it any time tomorrow

Good afternoon Mr. Holmstead,

I am reaching out from Administrator Pruitt's office to hopefully set up a meeting with you next week. I know you have a pretty full schedule so it might be a bit easier for us to find some time over the phone? Feel free to give me a call if you agree or if you know you have some open pockets of time please send my way and we can work to find one that fits.

Thank you!

Importance: High

NORTH DAKOTA
PETROLEUM
COUNCIL

[illegible]

March 31, 2017

Environmental Protection Agency
Mr. Scott Pruitt, Administrator
Mail Code 28221T
1200 Pennsylvania Ave. NW
Washington, DC 20460

Dear Mr. Pruitt;

Congratulations on your appointment as Administrator of the Environmental Protection Agency. I am the President of the North Dakota Petroleum Council (NDPC) and wanted to take this opportunity to tell you about the overreach of the prior administration that continues to affect NDPC members. Under the previous administration, EPA initiated sweeping Clean Air Act (CAA) Section 114 information requests and threatened company-ending sanctions under the CAA against oil companies operating in North Dakota. EPA's style and process were often contrary to the North Dakota Department of Health's (NDDoH) alternative approach to Clean Air Act Enforcement. In the one consent decree that EPA completed before the election, North Dakota refused to sign the final decree, even though NDDoH had participated fully in months of EPA driven negotiations with the operator. The North Dakota approach produced industry-wide results that immediately benefitted the environment in a shorter timeframe, with substantially less cost and included continued future compliance opportunities. Unfortunately, despite the successful North Dakota effort, we continue to see EPA focused on an aggressive, federal-only approach adopted under the earlier administration.

We respectfully request, consistent with your recent internal directive and President Trump's March 28, 2017 Executive Order, *Promoting Energy Independence and Economic* Growth, that you promptly review EPA's ongoing enforcement activities in North Dakota to determine whether they are consistent with your and the Trump Administration's approach to environmental protection and regulation.[1] We also ask that you seriously consider EPA's adoption of the NDDoH approach to Clean Air Act enforcement and take steps to amend, with court approval, the existing federal consent decree to add North Dakota (ND) so that the state continues to play an important role in protecting its environment. The attached documents describe the EPA Section 114 enforcement process, and contrasts it with the approach that North Dakota utilized. The information provided will show that ND achieved industry-wide compliance plus (above current regulations) in one-third of the time required by EPA to negotiate a settlement with one ND operator. NDPC believes that you will find this information of interest as you seek to make EPA a more effective and efficient agency, which works with states to implement, enforce and adopt resolutions that directly benefit the environment.

Please call or email with any questions you may have. We welcome the opportunity to discuss this with you and would be available to travel to Washington, DC if you feel it would be beneficial.

Thank you for your time and consideration.

Sincerely,

Ron Ness

Greetings Ms. Dravis,

Sorry to have missed you by phone.

I reached out to Mr. Schuette to give me your contact information because I wanted to keep Mr. Pruitt's office in the loop regarding op eds in the Washington Times. The Times will be running a section on energy. When they have asked me to submit an op-ed on the topic of ethanol, they mentioned that they would also be publishing an op-ed from Mr. Pruitt.

Attached is what I have submitted. I suspect that my views are in line with those of Mr. Pruitt,

but I wanted to provide him an opportunity to comment on what I wrote. Any comments or suggestions that his office has would be welcome.

I will be in D.C. the week of May 15th. If Mr. Pruitt or you could carve out 15-20 minutes to meet with me, that would be wonderful.

Have a nice weekend,

Jerry Jung

It is not a problem – I am sure you all are extremely busy. I can set a call anytime that will be good for the Secretary's schedule. Because so many states are in legislative session, Thursdays and Fridays are best (in the afternoon so folks on the west coast can join us).

Looking at our network's schedule, the next few weeks are pretty open so we can be flexible if there are a few dates / times that work with his schedule.

Thank you!

Subject: RE: State Policy Network - Speaking request

Hi Jennifer,

Thank you for the completed form, I'm sorry for the delay in getting back with you! We would still like to participate in a call if we could. When is the next one taking place?

Thank you!

Sydney Hupp

Subject: State Policy Network - Speaking request

Attached is the completed form requesting Secretary Pruitt to join our monthly State Energy / Environmental Policy Call. To expand the call to other key parties in the states, I can invite ALEC and RGA to participate. Our three organizations have been on a lot of policy related calls (healthcare and tax reform) together lately.

Background on this call:

We kicked off this call in December of 2015 with the goal of getting as many states as possible to submit requests to EPA for two-year state plan extensions, but after the SCOTUS stay the call transitioned into getting as many states to stop working on a plan. During session our weekly war room calls quickly became the go-to source for state action and info sharing. We not only have state and national think tank policy experts engaged, but also private industry and attorneys associated with state AG offices. We also deal with RPS mandates, carbon tax

and messaging proactive free market solutions. The call is now on a monthly basis and would benefit greatly from receiving a first-hand update on changes we will see at the EPA, plus what support the agency needs during this transition.

Look forward to discussing this request. Thank you for your consideration.

Jennifer Butler |Senior Policy Advisor | State Policy Network | M: (561) 352-0011 | www.spn.org |butler@spn.org

State Policy Network is the capacity building service organization for America's free market, state-focused think tanks.

Good afternoon Sydney,

After speaking with Ryan Jackson, we wanted to formally invite Administrator Pruitt to address a public forum at the Heritage Foundation. Please see the enclosed invitation from Ed Feulner for more details. We would be happy to host the remarks at a mutually convenient time.

Do not hesitate to let me know if you have any questions or concerns. We are happy to assist in any way that we can.

Thank you for your consideration,

Thanks for your flexibility. We look forward to the visit on Wed, July 12 at 2:30 pm. In terms of questions about room set-up, we would like the meeting to be as interactive as possible. I defer to your judgement as to how the room is arranged given the space.

Please let us know what we need to do as it relates to security and entering the building. Some initial questions include:

- Do you need to know the names of attendees in advance? If so, what information do you need?
- What entrance do visitors need to use to enter the building? Will someone meet us in the lobby and direct us to the room location?

Sydney,

I am also trying to schedule a meeting/visit to DOT with Secretary Chao. Her office got back to me last night and requested Thursday, July 13 in the afternoon.

Before I work with them further, I wanted to double back with you to see if Wed, July 12 around 2:30 pm would be a possibility for us to travel to EPA to meet with Administrator Pruitt – rather than Thursday.

If not, we understand and I'll work with the Secretary Chao's office on timing. We might be able to complete two agency meetings on Thursday afternoon. Our flight leaves late out of DC.

I'm just trying to be aware of all my options as we put the pieces together that is our agenda puzzle!

I sincerely appreciate all your help on this request.

This is great. To be on the safe side with travel, can we say 2 pm for the meeting start time? I received confirmation on Sen. Paul's time and it's 12:15 pm. I think having this extra 30 minutes will be better in case he is running late (which has happened every year).

How much time do you think we should allow for a group of 50 to get through security at EPA?

Sydney,

Would it be possible to meet at EPA on Thursday, July 13 anytime after 1:30 pm? Would that still be an option?

I received scheduling requests back from Sen. McConnell and Sen. Paul and they've requested our group meet with them mid-morning through lunch on Thursday at the Capitol.

If it's easier to speak by phone, please let me know a good time to give you a call.

Sydney,

Great news! Right now, our schedule on Wednesday, July 12 and Thursday, July 13 is flexible. I've sent speaking requests to all the Kentucky delegation offices and to Secretary Chao. I'm waiting to hear back from them.

We have space reserved in the Capitol Visitors Center for both days from 9:00 am to 3:00 pm.

Is there a time that you think would be better for Mr. Pruitt? Would he be traveling to us in the CVC or would you prefer our group hear from him at EPA?

Hello Michelle,

Your contact information was forwarded to me by the Oklahoma Commissioners of the Land Office. The attached invitation for Administrator Pruitt is also being sent regular mail. The WSLCA would be honored to have the Administrator speak at our upcoming annual conference being held in Anchorage, Alaska July 9-13, 2017. Our organization consists of 23 western states which together manage over 447 million acres of land, mineral right properties, and land beneath navigable waters. The Administrator's position and outlook on federal policy is most appreciated and will help us meet our constitutional mandate to trust beneficiaries in our states.

P

lease let us know at your earliest convenience if we can answer any questions or assist in firming up a speaking engagement.

Sincerely,

Kathy Opp

executive director - WSLCA

Sydney,

Thanks so much for trying and understand his schedule. Kevin does come out to D.C. a couple of times a year and hopefully we can make it work next time. Appreciate all the effort you put into trying to make this work over the last week.

Jay

From: Jay Martin
Sent: Wednesday, April 5, 2017 11:34 AM
To: hupp.sydney@epa.gov
Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

I completely understand and I'm sorry, the schedule is just very fluid. Last minute travel always throws a wrench into things but it is very often out of our control. We are interested in pursuing this effort and I would be happy to work on a time for a conference call.

As it stands right now we are fairly flexible on the morning of June 23rd to do a conference call. I will hold 9AM-10:30AM. Please let me know as soon as you can if that time will work.

Thank you!

Subject: Re: PUC Coordination Meeting

Well. The meeting involved the travel of a half-dozen commissioners from across the U.S., so I am not sure how to coordinate a new set of dates and times.

If the EPA does want to pursue this effort, perhaps we could begin with a conference call at your

convenience. To be perfectly candid, I had commissioners fly to Dallas in April for a face-to-face that didn't happen. And I am now faced with telling them this meeting isn't going to happen either - that has a significant impact on relationships.

So, let's think about two things: One, would the EPA like to pursue this effort? And if so, can you provide a couple date/time options for a conference call with constructive PUC commissioners?

Thanks for your thoughtful consideration. I will await your response.

Ken,

Great talking to you today. Looks like we are all on the same page.

Here's the proposed agenda for the first meeting.

We are all available in the second half of June.

As far as agenda items for the first call, we identified several points to consider.

-

1. The economic impact of the regulation proposed under the Obama administration and what the changes would be under the new version of the regulations current being proposed by EPA.

2. Discuss ways to increase the involvement of state commissions and state environmental and energy offices in the rule making process and ensure that it happens early in process.

3. What does the EPA Administrator wish to accomplish by establishing this group? What would be process for adding new topics as issues arise?

4. What does the framework look like going forward?

5. What are the EPA's current thinking or plans for dealing with Coal Ash?

March 27, 2017

Dear Administrator Pruitt:

On behalf of the Michigan IPM Alliance, it's my pleasure to invite you to attend the 2017 Decision Makers' Tour. Phil Korson, Cherry Marketing Institute, and Dawn Drake, Michigan Processing Apple Growers, are this year's coordinators and hosts. The tour will take place July 18 through July 20, 2017 in Northern Michigan. Guests will be staying at the Park Place Hotel, 300 East State Street, Traverse City, Michigan.

Attached is a tentative tour agenda. Our first farm tour is scheduled for Tuesday, July 18, 2017. We will meet in the lobby of the Park Place Hotel at 3:45 p.m. On July 19 and July 20 we'll begin each day with a morning briefing and breakfast and then we will travel together by bus to various stops.

We have also sent invitations to our IPM Alliance commodity organization members, the Environmental Protection Agency, the U.S. Department of Agriculture, the Michigan Department of Agriculture and Rural Development and the Michigan State University.

In order to arrive at an accurate count for lodging, the bus and meals please let us know if you will be able to attend. If you are able to attend, please complete the reservation needs form that is attached and return it by May 1, 2017. Please feel free to contact Phil Korson at pkorson@aol.com or by telephone at 517-669-4264 or Dawn Drake at dawn_drake@frontier.com or by telephone at 1-800-292-2653.

We hope you can join us and look forward to hearing from you soon.

Sincerely,

Philip J. Korson II, President

One last question (hopefully).

Do you need each foreign visitor to fill out this form, or can the US POC and information for all of them, be my contact info?

Typically the Office of Homeland Security requires personal and passport information for foreign visitors visiting EPA. We usually ask the host Embassy to provide this information, but in the case of private sector representatives they will need to fill out the form themselves.

I have the form if you find you have foreign visitors!

Hi Sydney!

I wanted to send you along an updated attendance list for our meeting with Administrator Pruitt at 3:30 on May 9th. We do have some flexibility on how many people attend the meeting (we can cut all the non-essential Toy Association staff if necessary) so do let me know if you can accommodate a group this large. Feel free to call me if it's easier to discuss logistics over the phone.

We're very much looking forward to our meeting! Thanks again for helping facilitate.

Best,

Autumn

Oh this is such great news!

One small wrinkle…we had someone else (literally just 15 minutes ago) accept the 3:30pm time slot. Is there any way possible that Administrator Pruitt could come meet with us at 4:30pm at the Grand Hyatt OR we could come meet him in his office at 5:00pm at the EPA? If neither of these times work, please let me know and we will do our best to move the other meeting.

Thanks again and happy to chat on the phone if that's easier.

Best,

Autumn

Washington, D.C. 20460

Dear Administrator Pruitt:

On behalf of our Chair, Governor Steve Bullock of Montana, and our Vice Chair, Governor Dennis Daugaard of South Dakota, I am pleased to invite you to join Western Governors this year at their Annual Meeting. The event will be held June 26-28, 2017 in Whitefish, Montana.

The Governors greatly appreciated the opportunity to meet with you recently in Washington, D.C., and look forward to engaging with you again on a variety of issues within the jurisdiction of the Environmental Protection Agency. I hope you will consider joining them in Montana for a series of panel discussions, private meetings, and social events.

I hope your schedule will permit you to join us. If you have any questions or require further information, please do not hesitate to contact me. In the meantime, with warm regards and best wishes, I am

Respectfully,

James D. Ogsbury

On Jun 9, 2017, at 7:51 AM, Woodward, Cheryl <Woodward.Cheryl@epa.gov> wrote:

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Wednesday, June 28th at 10:30 am. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the left heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, **which is between Pennsylvania and Constitution Avenue**. It is almost exactly half way between the two avenues on with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process

Hi Amy,

Thank you so much for following up! My apologies for the delay, I somehow missed Ryan's email about this. So it looks like the 11:30 time slot you suggested on June 28th we actually have a meeting over at the White House that we can't reschedule. Could we potentially look at the afternoon? Maybe around 3PM?

Thank you!

Good morning Sydney,

Hope all is well. Ryan had noted this was confirmed and to check in with you on timing. We are available any time in the morning, preferably around 11:30am so they can fly in that morning for the meeting. Would that work for Administrator Pruitt? If not, just let us know what works.

Thank you so much for all your help!!

Best,

Amy

Subject: Meeting with Administrator Pruitt June 28th

Ryan and Mandy,

Hope all is well. I'm sure things are busy over there given yesterday's announcement.

We were hoping Administrator Pruitt might have some time to meet Honeywell's Performance Materials and Technologies CEO, Rajeev Gautam, and Honeywell's General Counsel, Kate Adams, on June 28th? We are eager to give him an overview on our business and specifically talk about the Significant New Alternatives Policy (SNAP) program and SNAP rules, Montreal Protocol and greenhouse gas emissions and fuel economy standards for light-duty vehicles.

Please let me know if timing works and if you need anything more from my end.

Best,

Amy

Honeywell (www.honeywell.com) is a Fortune 100 diversified technology and manufacturing leader, serving customers worldwide with aerospace products and services; control technologies for buildings, homes, and industry; turbochargers; and performance materials. For more news and information on Honeywell, please visit www.honeywell.com/newsroom.

Honeywell Performance Materials and Technologies (PMT) is a global leader in helping industrial customers become more connected in order to improve efficiency, reliability, optimization and security. PMT's Advanced Materials business manufactures a wide variety of high-performance products, including Solstice® an environmentally preferable refrigerant, and Spectra®, a lightweight but incredibly strong fiber used in bullet-resistant armor, helmets and other performance fabrics. Hi Sydney,

Just finalizing everything for the meeting tomorrow.

I attached a short document that can be used as a pre-meeting brief. Please feel free to distribute that to the meeting participants and anyone that may need it.

Here are the meeting details as I have them:

Meeting with Administrator Pruitt, Nancy Beck, and Patrick Davis from 2pm-3pm, Wednesday May 24, 2017.

We will arrive at EPA about 15 minutes early (1:45). Should we ask for you?

Also, what entrance should we use? William Jefferson Clinton North?

Regards,

Robert

Hi Sydney,

I'm just following up on our May 24 meeting with Administrator Pruitt. I have the list of attendees (though we may add one more, I'll let you know as soon as possible):

Robert F. Helminiak

SOCMA

Managing Director of Government Relations

Jennifer Abril

SOCMA

President and CEO

Steel Hutchinson

GFS Organic Chemicals

Owner and President

(SOCMA's Previous Chairman)

Beth Bosley

Boron Specialties, LLC

Owner and President

John Foley

KMCO, KMTEX LLC

President and CEO

David Grimme

Baker Hughes

Vice President, Supply Chain

David Doles

Lonza

Senior Vice President, Global Head of Business Unit – Materials Performance & Protection

(SOCMA Chairman)

Please let me know what other information you need.

Regards,

Robert

Hi Sydney,

I'm following up on our conversation from earlier today. I'm excited to meet with the Administrator, May 24 at 2pm. I've filled out and attached the form as per your request.

I don't have the names of my member company participants, but I will get them to you as soon as I confirm their participation. I am anticipating eight total participants.

Please let me know if you need anything else.

Regards,

Robert

Administrator Pruitt,

I hope this finds you well. I am reaching out on behalf of the Society of Chemical Manufacturers & Affiliates (SOCMA). We are a trade association representing the specialty chemicals industry. I have attached a meeting request from SOCMA's CEO, Jennifer Abril.

SOCMA member companies employ more than 100,000 workers across the country and produce some 50,000 products - valued at $60 billion annually - that make our standard of living possible. From pharmaceuticals to cosmetics, soaps to plastics, and all manner of industrial and construction products, SOCMA members make materials that save lives, make our food supply safe and abundant, and enable the manufacture of literally thousands of other products people use daily.

We hope to introduce you to some of the key players in the specialty chemical industry and explain our high priority issues.

Please contact me if you have any questions.

Regards,
Robert

HI Sydney,

Our best open windows for bringing the egg producers to meet with Administrator Pruitt are as follows:

Wednesday, May 17

3:00 pm - 5:00 pm

Thursday, May 18

9:00 am - 11:00 am

Can we find something in these windows that works or do we need to look for others?

Best!

Thanks so much for your reply Sydney. We certainly understand. As an alternative, would it be possible for 3 to 5 grower leaders in at some point to meet the Administrator over that period? These would be the people responsible for some of the largest egg producing operations in the country with multiple farm sites and more than 50 million laying hens under production.

Best!

Dear Ms. Hupp,

I hope you are well and settling in nicely at EPA.

Please see attached a letter inviting the Administrator to offer a keynote address to the nation's egg producers at a meeting being held by United Egg Producers (UEP) here in Washington, D.C. on May 17, 18 or 19, 2017. Details are included in the letter.

UEP's farmer members raise hens that produce about 95% of the nation's eggs, and most of that egg production will be accounted for by the 150 or so egg producers in the audience listening to Administrator Pruitt's address should he decide to do this. These producers and UEP have been at the forefront of several US EPA rulemakings and policies that are central to how farmers operate today; Clean Water Act matters involving the Concentrated Animal Feeding Operations (CAFO) rule, WOTUS rule and the Chesapeake Bay TMDL as well as Clean Air Act and CERCLA/EPRCA matters as they relate to ammonia and other air emissions. These are tremendously important issues that relate directly to how egg producers can continue to proudly meet their environmental responsibilities and the growing demand for eggs, and in general make their contribution to the nation's safe, wholesome and abundant food supply.

These farmers would appreciate hearing about Administrator Pruitt's plans for US EPA's environmental programs so they can better understand how they could contribute to the success of his efforts and what these plans might mean for their farms and businesses.

Please let me know if you have any questions or if the Administrator can accept this invitation. Thank you in advance for your consideration of this request.

Best!

Tom Hebert

Thank you, Rick, for the kind introduction.

Dear Sidney: It's a pleasure to meet you. Please let me know the preferred date and time for Administrator Pruitt to address BCIU. While we are more than capable on short notice, it's best if we have around 3 weeks' notice to get the perfect table in place. Does anything look open the last week in May/first week in June?

I look forward to working with you. Please feel free to call me at 202-595-2669 if that is easier.

Sincerely,

Matthew Calardo | Program Officer, Middle East & Membership Coordinator

Subject: Meeting with Administrator Pruitt

I would like to arrange a meeting with Administrator Pruitt to introduce him to NSSGA. NSSGA represents the aggregates industry, which provides the raw material in asphalt, concrete and cement used in nearly every construction or infrastructure project and employs over 100,000 in the U.S. We are very encouraged about the direction of EPA under Administrator Pruitt and would like to discuss our industry's unique issues, including air and water issues such as WOTUS and Conductivity. Please let me know if I can provide any additional information. We would like an in person meeting with our President and CEO, Michael Johnson, Senior Vice President, Government and Regulatory Affairs Laura O'Neill-Kaumo, myself and Administrator

Pruitt. We realize this is a very busy time for the Administrator, but would greatly appreciate a short meeting to discuss our industry's issues.

Hi Sydney!

I wanted to send you along an updated attendance list for our meeting with Administrator Pruitt at 3:30 on May 9th. We do have some flexibility on how many people attend the meeting (we can cut all the non-essential Toy Association staff if necessary) so do let me know if you can accommodate a group this large. Feel free to call me if it's easier to discuss logistics over the phone.

We're very much looking forward to our meeting! Thanks again for helping facilitate.

Best,

Autumn

Oh this is such great news!

One small wrinkle…we had someone else (literally just 15 minutes ago) accept the 3:30pm time slot. Is there any way possible that Administrator Pruitt could come meet with us at 4:30pm at the Grand Hyatt OR we could come meet him in his office at 5:00pm at the EPA? If neither of these times work, please let me know and we will do our best to move the other meeting.

Thanks again and happy to chat on the phone if that's easier.

Best,

Autumn

Subject: Speaking Invitation - Western State Farm Bureau Governmental Affairs Directors

Dear Administrator Pruitt:

I am writing to invite you to speak at an upcoming meeting of the Directors of Governmental Affairs for the western state Farm Bureau organizations. Farm Bureau is the largest agricultural organization in the nation, and the policies of the EPA have a dramatic impact upon our members as they conduct their farming and ranching operations.

We are very encouraged by the direction that you and President Trump have been taking during the first 100 days of the administration. We are very supportive of the proposed withdrawal of the WOTUS rule, the clean power plan, and other burdensome regulations which went far beyond the legal scope of power for the EPA.

Each year the state Farm Bureau Directors of Governmental Affairs meet together to discuss issues, hear from experts and determine how best to work with the administration and Congress to remove unnecessary and overreaching regulatory burdens so our members can do what they do best, provide food, fiber and fuel for the rest of the nation and the world.

If you are available, we would love to have you join us on **Wednesday, June 14 at 11:00 am** at the Coeur d'Alene Resort in Coeur d'Alene Idaho. You would have up to one hour for your comments and to take Q&A. Representatives from every western state except California have registered at this point. We anticipate approximately 17 attendees, plus some spouses, so it will be an intimate setting. No press will be present, unless you would like us to invite the press for your presentation.

This will be a great opportunity to share President Trump's and your vision of the proper role of the EPA and how EPA can work more effectively with the states. We believe our organizations can have a positive influence on the Congressional delegations from the western states to help implement your goals and priorities. We see this as an opportunity to ensure we are all on the same page and moving forward in a unified manner.

We understand that you cannot always be at every event that you would like to attend. If you cannot attend personally, we would appreciate the opportunity to hear from another senior political official within EPA.

If you need any additional information from me, please don't hesitate to contact me using the information below.

Thanks for your consideration of this request, we look forward to hearing from you.

Sincerely,

Russ Hendricks

Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

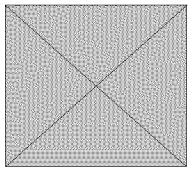

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

It is an annual event attended by those in the poultry industry in Oklahoma, Arkansas and Missouri. On Friday night June 16th we have a huge fundraiser to raise money for scholarships. There will be around 1500 people at that event and would be the best event of the Festival for him to attend and speak.

Hi John,

I hope this note finds you well. I am writing to request a meeting with the Administrator on behalf of my client, the American Coalition for Clean Coal Electricity (ACCCE). The purpose of the meeting is to introduce ACCCE's new CEO, Paul Bailey, and discuss various policy initiatives.

By way of background, ACCCE is a partnership of the industries involved in producing electricity from coal. It's membership largely consists of coal producers, railroads and utilities.

Please feel free to contact me directly at 202-486-0521 if you have any questions. Thank you for your help and thoughtful consideration.

Hi Sydney!

I wanted to send you along an updated attendance list for our meeting with Administrator Pruitt at 3:30 on May 9th. We do have some flexibility on how many people attend the meeting (we can cut all the non-essential Toy Association staff if necessary) so do let me know if you can accommodate a group this large. Feel free to call me if it's easier to discuss logistics over the phone.

We're very much looking forward to our meeting! Thanks again for helping facilitate.

Oh this is such great news!

One small wrinkle…we had someone else (literally just 15 minutes ago) accept the 3:30pm time slot. Is there any way possible that Administrator Pruitt could come meet with us at 4:30pm at the Grand Hyatt OR we could come meet him in his office at 5:00pm at the EPA? If neither of these times work, please let me know and we will do our best to move the other meeting.

Thanks again and happy to chat on the phone if that's easier.

Administrator Pruitt,

The CEO of WPX Energy, Rick Muncrief, would like the opportunity to meet with you to discuss the regulaotyr environment for the oil and gas industry and update you on the challenges and opportunities that the industry faces going forward.

You are likely familiar with WPX Energy since it is based in Tulsa – but by way of background, the company is an upstream on-shore oil and gas company with operations in the Permian Bain, the Williston Basin, and the San Juan Basin.

Mr Muncrief will be in Washington, DC next week and is available on Wednesday, May 24 in the afternoon, or Thursday, May 25 in the morning.

Please let me know ifyou have any questions. Thanks for your consideration. Best, Elizabeth Gore

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed this with earlier today as well.

Hi Ryan:

I would like to request a meeting with Administrator Pruitt to discuss air quality issues facing the rapidly growing petrochemical/refining industry in Southeast, Texas. The dates that could work for our team are May 15, May 25 or May 26. Attendees would be myself, John Durkay, General Counsel to the Industrial Safety Training Council, Wayne Turner, Sunoco logistics, Greg Masica, BASF Total petrochemicals, and Eric Miller, Total refining. I have attached hereto, a brief synopsis of the issue at hand.

Please let me know how we can help make this meeting a reality.

Best regards,

John

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Lindsay Hoefer

Hi Sydney!

I wanted to send you along an updated attendance list for our meeting with Administrator Pruitt at 3:30 on May 9th. We do have some flexibility on how many people attend the meeting (we can cut all the non-essential Toy Association staff if necessary) so do let me know if you can accommodate a group this large. Feel free to call me if it's easier to discuss logistics over the phone.

We're very much looking forward to our meeting! Thanks again for helping facilitate.

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed this with earlier today as well.

Got it. If you are wanting to do the 26th, the only thing we have that day is the 11:45. No

chance of that working?

Thanks!!

Sydney – any chance that the Administrator has time avail after 12? The Governor is scheduled to be with the Attorney General at 11am, and while DOJ is close to you guys, I worry about putting those too closely together. I don't want to run late for your boss.

Thanks for any flexibility you might have!

To: Hupp, Sydney <hupp.sydney@epa.gov>; Samantha McDonald <SMcDonald@ipaa.org>
Subject: RE: Meeting request from IPAA

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on today at 1:45 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Susan,

Thank you for your email! So on the Mid-Year meeting, would you mind filling out the attached form so that we may discuss in scheduling? And as for the senior executives being in town next week, we actually just had a meeting cancelled at 3PM on the 29th. Is it still possible for your senior officers to meet with him then? It would be from 3:00-3:30 and I would request their names and topic of the meeting. Hoping this still works on your end!

Thank you!

Subject: NAHB Meeting w Administrator Pruitt

Hi Sydney!

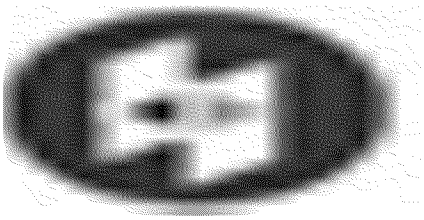

Thanks for the call today. The National Association of Home Builders is very interested in having EPA Administrator Pruitt speak before a larger group of our members. In an effort to accommodate his schedule, we are willing to create a special meeting during our Mid-Year Meeting if the Administrator is available. The timing for the meeting would be Thursday, June 15 at a time that is convenient between 12:30 and 2:30 at the Marriott Wardman Park, 2660 Woodley Road, NW, Washington, DC. We would have an audience of approximately 700 members who are interested in hearing about Administrator Pruitt's vision for the agency, how the agency will address some of the high priority issues, and steps that may be taken to improve the regulatory environment for the Nation's home builders. We would also like to reserve some time for questions, if allowed.

Our Senior Officers would also like to meet privately with Administrator Pruitt. They will be in town and available for a quick visit next week, if a meeting on such short notice is possible. They could be available Wednesday, March 29, between 3 – 5 pm or Thursday, March 30, between 8 am – 12 pm. They could also be available for a meeting on Wednesday, June 14 or before or after the address to the members on June 15, if that schedule works.

Please take another look at the calendar and let me know what might be possible. I look forward to working with you and the Administrator in the future.

Thanks for your assistance!

Susan

Subject: RE: Administrator Pruitt Speaking to IPC

Generally yes—but we might be able to figure something out for late morning on the 3rd although it's tight. We have meetings scheduled in the Senate that morning and a lunch on the House side.

On the 2nd (Tuesday) our morning meetings will be at the Willard- and if it's easier for him to come to us that morning but not the lunch meeting we can work that out too. That day he could have his pick of time slots for the afternoon after lunch (assuming the lunch hour still does not work). We have a dinner back at the Willard at 6pm but would be able to come to you up until about 4:30 I think.

If the 2nd really is too tight, we have a board meeting all day on the 1st… would he be interested at all in attending/speaking to- our opening dinner the evening of the 1st at the Willard? He wouldn't have to stay if he didn't want to… just an option. Congressman Bill Johnson (R-OH) will be attending that dinner as he has been a great ally of ours.

Thank you, Don, for all of the information. It looks like unfortunately we won't be able to make it. He will be out traveling that week. Please never hesitate to reach out in the future though if other events come up that you think we might be a good fit for!

Have a great week!

Sydney

Please find attached the completed form, I will be the primary contact for any activity.

We are still scoping the agenda based on who will come and invitations for the event will go out in early June. Good response from our "save the date" and expect a strong turnout from our

elected officials with total group size to be @ 150 people

Thank you for your consideration,

Don

Lincoln,
Please find attached the SAVE THE DATE for July 20th in which our Roanoke Cement plant in Virginia will host the EPA industrial showcase event

Our plant has achieved the energy star award 11 years in a row and it would be an honor if Administrator Pruitt could come and speak at the celebration event.

Please advise the next steps to see if this is a possibility or let me know what questions that you may have,
Don Ingerson

Cc: Don Parrish <donp@fb.org>; Scott Yager <syager@beef.org>
Subject: RE: Industry Coalition Request to Meet with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, May 8 at 2:45 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the right heading toward 12th street, the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

Subject: WISE Intern Visit to EPA

Dear Administrator Pruitt,

I am contacting your office about a summer visit to EPA for the WISE interns: http://www.wise-intern.org

During their 6 week stay in DC, I serve as their Faculty Mentor. My WISE interns come here from a variety of universities throughout the USA to learn about science policy and during the 6-week program, they are funded and sponsored by various national standards organizations, such as AIChE, ASTM, ANS, ASHRAE, IEEE, etc. This year there are 10 of them, all with varied backgrounds but all interested in science and technology policy, e.g. renewable energy generation, energy storage, sustainable energy, clean technology, medical imaging, water quality, high level waste disposal, international development etc.

Their main objective is to write a research paper that provides an up-to-date analysis of a current issue in public policy which centers around scientific or technological developments. During their stay, they act as essentially investigative reporters, trying to collect information from as many people and places as possible.

My request to you or whomever is the appropriate contact at EPA, is to arrange a meeting with the Administrator or other leadership and the interns to tell them about the EPA mission, what you do and perhaps give them a tour so they become acquainted with how the work at EPA on science and technology intersects with public policy.

I am suggesting a meeting some morning in June after June 8, 2017, but I am willing to work with you to

find a good date/time during their stay here. I may be reached by e-mail or at the phone number below. If you have questions or require additional information, please let me know. Thank you for your consideration.

Best regards,

Nancy McNabb, AIA

Hi Megan,

Hope this email finds you well! Justin forwarded over to me the invitation for the Administrator to participate in an ATR Round table. I have been talking with our Ethics office about it and they have asked me the following questions (apologies in advance):

For each roundtable the special guest visits, is there any expectation about how the guest engages with the roundtable? Does the special guest lead the roundtable discussion? Is the guest expected to present information? Typically, in the past, how has the special guest engaged with the roundtables?

If you wouldn't mind helping me out with these so that we may move forward on finding a time for the Administrator to speak, I would greatly appreciate it!!

Thank you!

Alan-

It was great to see you last night at the HBA of South Carolina Board of Directors meeting and the Bird Supper. Your remarks were well received and appreciated.

Pursuant to our conversation, please extend an invitation to EPA Administrator Scott Pruitt to speak at our lunch meeting during our National Association of Home Builders (NAHB) Legislative Conference on Wednesday, June 14, 2017. The meeting will be held in Emerson Hall of the Library of Congress, Washington DC beginning at 12:15 p.m. We expect 30 members of the Building Industry Association of Central South Carolina to be in attendance including our state leadership and representatives of NAHB.

Of course, we would be honored if you could join us as well.

Thank you for your assistance in this regard.

Sydney,

I am also trying to schedule a meeting/visit to DOT with Secretary Chao. Her office got back to me last night and requested Thursday, July 13 in the afternoon.

Before I work with them further, I wanted to double back with you to see if Wed, July 12 around 2:30 pm would be a possibility for us to travel to EPA to meet with Administrator Pruitt – rather than Thursday.

If not, we understand and I'll work with the Secretary Chao's office on timing. We might be able to complete two agency meetings on Thursday afternoon. Our flight leaves late out of DC.

I'm just trying to be aware of all my options as we put the pieces together that is our agenda puzzle!

I sincerely appreciate all your help on this request.

This is great. To be on the safe side with travel, can we say 2 pm for the meeting start time? I received confirmation on Sen. Paul's time and it's 12:15 pm. I think having this extra 30 minutes will be better in case he is running late (which has happened every year).

How much time do you think we should allow for a group of 50 to get through security at EPA?

Sydney,

Great news! Right now, our schedule on Wednesday, July 12 and Thursday, July 13 is flexible. I've sent speaking requests to all the Kentucky delegation offices and to Secretary Chao. I'm waiting to hear back from them.

We have space reserved in the Capitol Visitors Center for both days from 9:00 am to 3:00 pm.

Is there a time that you think would be better for Mr. Pruitt? Would he be traveling to us in the CVC or would you prefer our group hear from him at EPA?

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

Katelyn

Subject: Re: Follow up call with Administrator Pruitt

Sydney – the Governor would like to discuss CERCLA 108(b) hard rock mining regulations, a local mine that we've been working with EPA Region 9 on (to avoid Superfund) and funding for the EPA delegated programs for air and water.

On the logistical side, we will have a Virginia State Police officer driving us, but I've told him

that we don't need him to accompany us in the building. However, would it be possible to have a space for him to park while he waits for us? Could you let me know the best place to enter, etc?

Thanks!

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed this with earlier today as well.

And suddenly we have to be traveling tomorrow. I am so sorry for the last minute change! How flexible is Mr. Perkins tomorrow? Could potentially have the Administrator call if there is downtime in travel or if he prefers a scheduled call, I can arrange that as well. it just doesn't look like we can commit to 2PM anymore. So sorry!

Thanks!

2PM EST this Wednesday is perfect. Just let me know if it is preferred for Tony to call your office or the reverse. Tony will be at his home in Baton Rouge, so Administrator Pruitt is welcome to call him on his cell: Personal Phone/Ex. 6

Thank you for fitting this in before all the travels.

Subject: Request for phone call with Tony Perkins

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

John,

No worries at all. I felt bad even asking so late in the game. Remarkably, Vice President Pence stopped by on Friday afternoon and that was a real encouragement to our attendees.

Sydney, I will send you a separate note so we can work on finding a time for a phone call this week or next.

Thank you!

Lindsay: I apologize for the delay in getting back with you, unfortunately Administrator Pruitt's schedule has been very busy, as you can imagine. I also apologize that he will not be able to attend the event tomorrow. However, the Administrator is very interested in moving forward on the business meeting and discussing that with Mr. Perkins.

Copied on this email is Sydney Hupp who can help you move the ball down the field on that front.

Thank you Lindsay and have a great weekend!

To: Konkus, John <konkus.john@epa.gov>
Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6. If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Earl,

I copied Ms. Hupp on the email below where I tried to connect you all with her. She is copied again on this email. I know they are slammed up there so hopefully she will catch this email.

I assumed you all were in contact with her so I have not followed up. You can try emailing her again directly using the email above. If you don't hear from her within a week then call me back and I will contact Administrator Scott Pruitt directly for you guys.

I hope all is well.

Sincerely

Alan Wilson

Earl,

I am copying Sydney Hupp on this email. She works in Administrator Scott Pruitt's office at the EPA. She was recently very helpful in setting up a meeting with Mr. Pruitt and is in a better position than I am when it comes to Scott Pruitt's availability to speak to the National Association of Home Builders this summer. I have also provided her work number below.

Sydney,

First, thank you for your help last week on setting up that other meeting. Second, I spoke to my local homebuilders the other day and was bragging on Scott. They are eager to meet him if his schedule permits. Please see Mr. McLeod's email below for

details. I hope this helps.

Alan-

It was great to see you last night at the HBA of South Carolina Board of Directors

meeting and the Bird Supper. Your remarks were well received and appreciated.

Pursuant to our conversation, please extend an invitation to EPA Administrator Scott Pruitt to speak at our lunch meeting during our National Association of Home Builders (NAHB) Legislative Conference on Wednesday, June 14, 2017. The meeting will be held in Emerson Hall of the Library of Congress, Washington DC beginning at 12:15 p.m. We expect 30 members of the Building Industry Association of Central South Carolina to be in attendance including our state leadership and representatives of NAHB.

Of course, we would be honored if you could join us as well.

Thank you for your assistance in this regard.

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: RE: Industry Coalition Request to Meet with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Monday, May 8 at 2:45 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators from the train otherwise two escalators then do a small U-Turn to the right heading toward 12th street,

the South Lobby entrance is directly and immediately to your right (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street with Federal Triangle Metro sign and Trump Hotel Towers side entrance can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney,

Yes, we can move the meeting up to 2:45 PM.

The following coalition members representing 33 different organizations plan to attend:

Name
Britt Aasmundstad
Paul Balserak
C. Richard Bozek
Daren Coppock
Emily Coyner
David Crow
Deidre Duncan
Ross Eisenberg
Amy Emmert
Michael C. Formica
Lorraine K. Gershman
John Glaser
Nick Goldstein
Charlie Grizzle
Kyle Harris
Mary-Thomas Hart
Robert Helland
Aaron Hobbs
Abigail Jagoda
Dorothy Kellogg
William L. Kovacs
Reece Langley
Peter Lidiak
Kerry Lynch
Ethan Mathews
Owen McDonough
Kerry McGrath
Riaz Mohammed
Cal Odom
Don Parrish
Russell Riggs

Marci Schlup
Jerry Schwartz
Ryan Serote
Brad Steele
Ed Thomas
Desmarie M. Waterhouse
Lauren Williams
Scott Yager

Please let me know if you need anything further at this point, and thanks for your help.

Best,

Owen

Hi Sydney and Michelle,

Thanks so much for organizing the meeting for us 'aggies' last week with the Administrator. Our ag groups are part of a larger coalition that represents just about every facet of the economy. Owen McDonough, cc'd here, represents the Home Builders which is one of the major groups that are part of the coalition. I'm reaching out to you now to coordinate a meeting with the coalition and the Administrator. I'll wait to hear back from you on next steps. Happy to chat by phone, if that's easier. Thanks in advance.

We're all here in DC. Sometime this month would be perfect, the sooner the better really. We have our legislative fly-in starting on March 28 (with Mr. Pruitt speaking to our cattle producers on March 30) so it would be optimal for this meeting to happen before March 28. Thanks in advance for your effort on this. Happy to discuss further by phone if that's helpful. 202 347 0228.

Subject: Joe Craft

Good afternoon Sydney,

The details for Wednesday, April 26th dinner.

Trump Hotel

BLT Prime in the GRANT Room
6:30PM cocktails

Joe will be waiting for Scott at your designated entrance. Please feel free to communicate with Joe at 918-645-5303 or Joe.craft@arlp.com to provide details.

I appreciate the time you have given to make this happen for the Alliance Resource Partners Board meeting.

Please expect an email with short bios on each member of ARLP Board of Directors.

Also, unfortunately I am not able to attend the dinner with Scott and Ambassador MacNaughton. I appreciate the invitation and look forward to having this dinner later in summer.

Please feel free to reach out with any questions.

Again, thank you.

Sydney,

Thanks for the response. I'm working with his executive scheduler now to see if we can make this work. He has to fly out of DC that afternoon for another meeting so I'm seeing how much wiggle room he has on his departure. I will let you know shortly.

Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator

Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

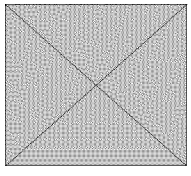

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

I am still trying to get you sufficient info on the AFS fly-in, but I have better clarity on the other items:

-The Vinyl Institute would love to have Samantha speak to the exec team on the 16th as well as to the full fly-in group on the 17th. They are very excited and appreciative.

-Joc O'Rourke of Mosaic would be available any time the Administrator has time. To restate, he is requesting no more than 15 minutes.

Thank you again, Sydney, A.J. Ferate

Thanks for trying to make those work, Sydney.

While I have you looking, could you check on two other dates in June:

- The Global CEO for Mosaic, Joc O'Rourke is requesting to meet with Pruitt for 15-20 min on June 20th. He is only in county & DC that day. Mosaic is involved in a number of industries, but phosphate and potash production are the primary industries they are involved in here in the U.S.

-The American Foundry Society (AFS) Fly-in is on June 21st (or 20th.) Their specialty is "Metalcasting". They're asking for Administrator Pruitt to speak at their Leadership Breakfast on 21 June. If June 21st doesn't work, they can make June 20th work.

Thank you for letting me bother you with these; talk to you soon.

I appreciate you, AJF

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

Dear Sydney,
On behalf of Roy Bailey and RJ Kirk I am writing to set the appointment for Thursday the 11th. I was able to move some appointments around and they are available the morning of Thursday, May 11th. May we please have an hour appointment? Would 9:30 or 10:00 am start time work best for this appointment? You may call me to discuss or email me back. Once we have a set time I will need an address and any special directions to enter the building, etc. The appointment will be with RJ Kirk, Bob Walsh and Roy Bailey.
I look forward to hearing from you.
Sincerely,
Gay Ludwick

It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Appreciate anything you can do to help make this work! Copying Troy, who I discussed this with earlier today as well.

Hi Sydney –

I would love to find time for a phone call between Mr. Pruitt and Tony Perkins sometime this week or next. With Congress out for the Easter recess, things are a lot more quiet and flexible on our end. For the most part, Tony could be available for a call anytime each day, with the exception of 4:00 – 6:00 pm ET when he is preparing for and hosting his daily radio program.

As I mentioned to John, the topic of this call would be to discuss pulling together a small group of key business leaders around the country who are very excited about Administrator Pruitt's new leadership role.

Appreciate you sending me some times you think this call could take place in the next week or so.

Subject: Request for phone call today with Tony Perkins

Hi John –

Thank you for taking my call. Tony Perkins is hoping to speak with Mr. Pruitt today about a couple things:

1. We would love for him to stop by The Willard tomorrow anytime between 9:00 – 10:30 am to speak to 200 of our key supporters. This is basically the equivalent of a stakeholders meeting where we report to our major donors on FRC's impact over the last year and what we have planned for the future. We believe this crowd, many of them business owners, would be interested to hear from Mr. Pruitt on the important and necessary changes he is bringing to the EPA.

2. This is not as urgent, but he wanted to start the discussion about pulling together a small meeting of key business owners and Mr. Pruitt. This came out of a meeting Tony had a few weeks ago in California with some of our major supporters.

Tony's cell is Personal Phone/Ex. 6 If he doesn't answer, it's because he is on stage at this event, but he will call right back.

Thank you very much for passing along this request!

Sydney: Below and attached please find the info on the American Foundry Society Fly-in as you requested last week.

I may call you about those items I sent you last week to follow up as well.

As always, please let me know if you have any questions.

Respectfully, A.J. Ferate

> Please see attached our agenda for the Fly-In in June. Should Administrator Pruitt be available Tuesday morning June 20, we would slot the "Changes at EPA on Regulations - What Does it Mean for the Metalcasting Industry?" in at either 10:15 am or 11:00 am in place of one of those panels. If the Administrator cannot join us – we would be delighted to have Samantha for the 7:30 am Breakfast Session keynote slot on June 21. You can see from the agenda what the other topics are of interest to our members and the caliber of speakers we have lined up so far.

As we have discussed, the American Foundry Society represents the U.S. metalcasting industry – the sixth-largest industry sector in America and the second largest supplier of castings in the world, after China. Metal castings are integral to virtually all U.S. manufacturing activities – especially national defense, energy and infrastructure. In the U.S., castings are used to produce 90% of all manufactured durable goods and nearly all manufacturing machinery.

The American metalcasting industry provides employment for over 200,000 men and women directly and supports thousands of other jobs indirectly. Our energy-intensive, trade-exposed industry supports a payroll of more than $9 billion and sales of more than $30.3 billion annually. Metalcasting plants are found in every state, and the industry is made of predominately small businesses, with 80% of domestic metalcasters having fewer than 100 employees.

Foundries are the mainstay of national defense. All sectors of the U.S. military are reliant on metal castings for jet fighters, ships, tanks, trucks, weapon systems and other vital operations. In fact, the U.S. Department of Defense has established formal programs to convert fabricated components to single-piece castings, improving our military's ability to cost-effectively produce such equipment in the least amount of time.

Metalcasting is one of the most energy-intensive industries in the U.S. Approximately 55% of its energy costs are consumed in melting. Mold making, core making, heat treatment, and post-cast operations also use significant energy. As such, the sector has been particularly hard hit by the regulatory overreach from EPA over the last eight years.

The American Foundry Society (AFS) is the major trade and technical association for the North American metalcasting industry. The association has more than 8,000 members representing over 2,000 metalcasting firms, their suppliers and customers. We will have about 150 owners, CEOs and executives in Washington for the Fly-In over those two days. Energy and enthusiasm among the attendees will be very high with the new Administration in place in Washington.

Thanks again for your help Stuart.

Best.

Hi Sydney,

I would just ask if Monday May 15 or Thursday May 18 would possibly work for the Administrator to take this meeting with the South Coast AQMD Executive Officer Wayne Nastri and his Board folks. These are local elected officials, consider themselves partners with the EPA, that have a strong interest to speak directly with Mr. Pruitt. We would rearrange schedules on this end to make any of those days work while they are in town.

Thanks you for consideration,

Gary

Sydney – the Governor would like to discuss CERCLA 108(b) hard rock mining regulations, a local mine that we've been working with EPA Region 9 on (to avoid Superfund) and funding for the EPA delegated programs for air and water.

On the logistical side, we will have a Virginia State Police officer driving us, but I've told him that we don't need him to accompany us in the building. However, would it be possible to have a space for him to park while he waits for us? Could you let me know the best place to enter, etc?

Thanks!

> It's tight. The Governor is meeting with Secretary Perry at 10am, and then with the Attorney General was shifted to 11:15, so it makes it pretty difficult. The Governor would be available in the morning as well – could accommodate a breakfast meeting or anything up to a 9am meeting. We could also try to do a late meeting on the 25th, he lands at 330pm, so we could try to make a 5p or 6p meeting work, too.

Hi Sydney, I hope things are well with you too! The first meeting is just with Chet Thompson, AFPM's president. We're based in D.C. so his schedule is pretty flexible. I've copied Rebbie Riley, Chet's EA, to help with scheduling.

The second request is for AFPM's executives for the afternoon of June 15th. They'll be flying into town for a series of meetings and would like to visit with Administrator Pruitt if he's available. These are the executives we expect to join.

Larry Ziemba (AFPM Chairman of the Board)

Executive Vice President, Refining, Phillips 66

Joe Gorder (AFPM Vice Chairman)

Chairman, President and CEO, Valero Energy Corporation

Greg Goff (AFPM Past Chairman)

Chairman, President and CEO, Tesoro Corporation

Dennis Seith (AFPM Treasurer)

President and CEO, INEOS

Dan Coombs

Executive Vice President of Global Manufacturing, Projects, Refining & Technology, LyondellBasell Industries

George Damiris

CEO & President, HollyFrontier Corporation

Gary Heminger

Chairman, President and CEO, Marathon Petroleum Corporation

Dave Lamp

President and COO, Western Refining Company

Jack Lipinski

CEO, CVR Energy

Jim Loving

Sr. VP Refining, Pipelines and Terminals, CHS, Inc.

Jeff Ramsey

President and CEO, Flint Hills Resources

Jeff Webber (Associate Liaison)

President, AltairStrickland, Inc.

Michael Coyle (tentative on attendance)

President, Manufacturing, Chevron U.S.A., Inc.

Tom Nimbley (tentative on attendance)

CEO, PBF Energy, Inc.

Jerry Wascom (tentative on attendance)

President, ExxonMobil Refining & Supply Co.

I'll fill out the form for both meeting requests and send them back as soon as possible.

Thanks!

To: Jackson, Ryan <jackson.ryan@epa.gov>
Subject: AFPM Meeting Request

Ryan, I hope things are well. As we discussed last week, I would like to request a meeting for AFPM's president, Chet Thompson, with Administrator Pruitt in early May. Chet would like to reintroduce himself, discuss some of the issues that are top of mind for our refining and petrochemical members, and of course explore any ways AFPM can be helpful to the Administrator. By way of background, Chet was EPA Deputy General Counsel under President G.W. Bush.

Separately, we also have our Executive Committee meeting on June 15th in D.C. If I'm not overstepping, would it be possible to explore a second meeting with Administrator Pruitt and senior executives from our companies for that afternoon?

Thanks,

Geoff Moody

Thanks for trying to make those work, Sydney.

While I have you looking, could you check on two other dates in June:

- The Global CEO for Mosaic, Joc O'Rourke is requesting to meet with Pruitt for 15-20 min on June 20th. He is only in county & DC that day. Mosaic is involved in a number of industries, but phosphate and potash production are the primary industries they are involved in here in the U.S.

-The American Foundry Society (AFS) Fly-in is on June 21st (or 20th.) Their specialty is "Metalcasting". They're asking for Administrator Pruitt to speak at their Leadership Breakfast on 21 June. If June 21st doesn't work, they can make June 20th work.

Thank you for letting me bother you with these; talk to you soon.

I appreciate you, AJF

Hi AJ,

Sorry for the delay!! Vinyl I couldn't get the Administrator or Ryan in on due to travel but our head of policy, Samantha Dravis, said she would happily serve as a proxy. For OIPA, he will be headed for Italy beginning of June so is unavailable. So sorry!

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Sydney,

I'm circling back to find out when might be some good times to reschedule this meeting for our senior executives and the Administrator. Let me know some days/times that may work and I'll see what works from this end. Additionally, one of the items we were going to mention in the meeting is the attached invitation for the Administrator to speak to our advocacy conference in September, so I wanted to go ahead and pass that along to you in the meantime. Thanks in advance and just let me know.

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Libby,

Thank you! We have not yet been able to confirm with our ethics department if he is able to attend. And we have not been able to discuss fall travel yet but are hoping to this Friday. I will say though that if cleared by Ethics, he likely cannot have his title listed.

Thank you!

Subject: May 15-16 Scheduling Request for Administrator Pruitt

Sydney,

I hope this finds you doing well. Cam Savage suggested that I reach out to you to submit my scheduling request for Administrator Pruitt to address our Indiana Leadership Forum group.

The Indiana Leadership Forum is a 501(c)(3) non-profit organization dedicated to educating Indiana's most talented business and community leaders about government, politics and policy to prepare them for greater civic involvement and leadership roles in their communities. The group was founded in 1994 by Indiana businessman, and former White House official, Al Hubbard. I have been serving as the Executive Director of the group since 2012. Each year, we bring a class of 25 professionals to Washington, D.C. toward the end of the program to meet with federal officials and policy experts.

We would greatly appreciate the opportunity to bring the group to the EPA to hear from Administrator Pruitt.

In terms of scheduling, we have time available on the afternoon of Monday, **May 15th** and also various times on Tuesday, **May 16th**. Is it possible for us to schedule a visit on one of those days?

I'm copying Kacey Shriner who is coordinating all the logistics for the trip.

Thank you so much for your time and consideration of this request.

Hi Sydney, I received your contact information from my colleagues at American Farm Bureau Federation and left you a voicemail. I am following up with an email in hopes you can help me with the best email address to reach Administrator Pruitt, so we can send him a letter from Michigan Farm Bureau and the Michigan Chamber of Commerce. The letter regards EPA's review of Michigan's delegated authority for managing Part 404 of the Clean Water Act. Administrator Pruitt has met with staff from our state's Department of Environmental Quality, who have alerted him to the concern Michigan agencies and organizations have with the EPA's review, and he has asked for those concerns to be sent to him.

Could you let me know which email Administrator Pruitt would prefer for us to reach him with this letter? Thank you for your help! Please feel free to contact me with any questions.

There's no time limit. They would have to wait until the pass is handwritten. Less time having names to prepare on arrival. Just send if you get them and change out or no show would not be a problem we couldn't handle. Let me know if you have any other questions.

Hi Cheryl – Thank you for the directions. As for attendees, the current list is as follows:

1. Congressman Kevin Cramer ND-AL;
2. Daryl Lies – President, North Dakota Farm Bureau;
3. Josh Kramer - Exec VP & Gen Manager, NDAREC;
4. Tom Meland – GM, Central Power Electric Cooperative;
5. Paul Sukut – CEO, Basin Electric Cooperative;
6. Mac McLennan – President/CEO, Minnkota Power Cooperative;
7. Zachary Smith - Comm & Gov't Affairs, NDAREC;
8. Bob Grant – President, NDAREC;
9. Wayne Martian – Manager, North Central Electric Cooperative;
10. David O'Connell - North Central Electric Cooperative;
11. Jean Brandt - North Central Electric Cooperative
12. Mark Gruman - Chief of Staff, Congressman Kevin Cramer
13. Chris Marohl – Senior Policy Advisor, Congressman Kevin Cramer

If we need to change a couple names later, what would be the latest we can make adjustments to the list?

Best,

Rachel Buening

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, April 25th at 3 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all. If you can send me the list of attendee's so that I might get your passes ready for security guards at South Entrance.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Sydney,

I'm circling back to find out when might be some good times to reschedule this meeting for our senior executives and the Administrator. Let me know some days/times that may work and I'll see what works from this end. Additionally, one of the items we were going to mention in the meeting is the attached invitation for the Administrator to speak to our advocacy conference in September, so I wanted to go ahead and pass that along to you in the meantime. Thanks in advance and just let me know.

Sydney and Cheryl,

Does the Administrator have availability on the morning of the 28th by chance instead? One of our participants is going to be on the west coast and not sure they can get here in time for a meeting on the 27th. Let me know either way and we'll see what we can work out. Thanks.

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Hi Sydney. Thanks for your email. We are excited about the opportunity to visit with Administrator Pruitt next week.

In an effort at a quick response, I want to first suggest topics for next week's meeting, including: 1) reaffirming FIFRA's risk-based approach to regulating pesticides, 2) regulatory reform at the intersection of pesticide policy and the Endangered Species Act, and 3) reauthorizing the industry's fee-for-service program, PRIA.

I am away from my desk at the moment but will forward issue backgrounders on each of these three first thing in the morning as well as a list of those that will be attending this meeting.

Thanks for your assistance! I will be back in touch tomorrow morning.

Regards, Beau.

Sydney,

Rebeckah is attending to her final day duties here at CLA before going to USDA and Beau is currently travelling, but we have heard from SCPA leadership that they would prefer to meet on Thursday, May 4. A morning appointment would be preferable to the afternoon; however, either would work. Lunchtime is their only conflict that day with a standing appointment that would be inappropriate to cancel.

We look forward to hearing from you at your earliest convenience.

Thank you for all of your help,

Hi Sydney,

I think there is slight confusion. We are not inviting Administrator Pruitt to speak, which the form suggests otherwise. My message was just to let you all know that The Burton Awards would be sending an invitation for him to attend as a **guest**, and if he does attend that Bernie would like to invite him to sit at his table. Administrator Pruitt spoke a few years back at this event, so he should be familiar with it.

Please let me know if you still need me to fill out the form, though.

Thank you,

Emily

To: 'hupp.sydney@epa.gov'
Cc: Ryan Jackson (jackson.ryan@epa.gov)
Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

From: Jay Martin
Sent: Wednesday, April 5, 2017 11:34 AM
To: hupp.sydney@epa.gov
Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

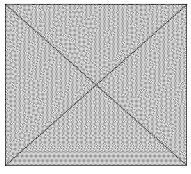

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be

greatly beneficial.

Thanks in advance for the consideration,

Jay

Sydney and Cheryl,

Does the Administrator have availability on the morning of the 28th by chance instead? One of our participants is going to be on the west coast and not sure they can get here in time for a meeting on the 27th. Let me know either way and we'll see what we can work out. Thanks.

Subject: RE: Meeting with Administrator Pruitt

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: POWER-GEN Keynote Invitation
Importance: High

Mr. Pruitt,

On behalf of POWER-GEN International and PennWell Corporation, I would like to invite you to be a keynote speaker at POWER-GEN International 2017, the world's largest annual forum for the power sector. We're expecting more than 20,000 power professionals to attend. Nearly 4,000 are expected to attend the keynote session on Tuesday Dec. 5 in Las Vegas, Nevada.

As EPA Administrator, your perspective on the power generation market is important to our attendees. POWER-GEN would be an excellent place to share your vision with the rest of the

industry as power producers face tremendous pressure to craft comprehensive strategies to comply with a host of new and pending environmental standards. Your plan to restore balance between the economic concerns and environmental concerns of power generation is a topic of great interest for the industry. POWER-GEN would be the perfect forum to convey your ideas about the EPA's role in regulating the construction, maintenance and operation of power plants in the U.S. Nearly 40 percent of POWER-GEN's attendees are power generators (IOUs, IPPs, electric co-ops and municipal utilities).

Keynote presentations are typically 15 to 20 minutes with slides. You would be joined by four other high-ranking executives. **The keynote session begins at 9:30 a.m. Tuesday Dec. 5.** A rehearsal will be held Monday Dec. 4 around 3 p.m.

To see last year's keynote session, click here: http://bit.ly/2has7fQ. Also, here's the link to the POWER-GEN International website: www.power-gen.com.

We would be proud and honored by your participation. Please let me know if you would like to participate in the keynote session by April 17. If you have any questions, don't hesitate to contact me. I hope to hear from you soon.

Thank you for your time.

Sincerely,

Russell Ray

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Hi Sydney!

Yes, 10 a.m. on June 20th is perfect. Thank you!

Unfortunately, Mr. Donohue is traveling on May 9th. Any chance May 5th anytime between noon and 1:15 pm is he available? I realize the time is during the traditional lunch hour but we could make it a short meeting. Or what about May 11th? Thank you for your time and help.

Best regards,

Leila

Hi Leila,

We are confirmed for June 20 to speak. Is 10AM okay?

As for the meeting on May 8th, we are now traveling that day. Could we look at the 9th at 10AM?

Thank you!

Subject: NUCA Speaking request

Sydney and Aaron,

I would like to invite Administrator Pruitt to speak to NUCA on May 16th and was told you are the individuals responsible for scheduling. If you are not the correct contacts, please accept my apologies and kindly direct me to the individual(s) who are.

NUCA is America's oldest and largest trade association of excavation and utility contractors. We

have about 1500 member companies nationwide who construct primarily utility infrastructure, but also who produce supplies and equipment for building infrastructure. We are hosting a Washington Fly-In May 16-18 at the Embassy Suites Convention Center in downtown Washington, DC where 100-150 of the nation's hard working underground infrastructure builders.

We would like to invite Administrator Pruitt to address our group about the status of water infrastructure, as well as how NUCA can be supportive and helpful to the Administrator in streamlining project delivery and regulations related to clean water infrastructure. This meeting will be off the record, and our group is supportive of Administrator Pruitt. The event will take place on May 16th in the morning, and we are willing and able to be flexible to the Administrators schedule in order to facilitate his attendance.

If the administrator is unable to attend, could you please direct me to a senior EPA official who is able to address our group?

Please confirm that you've received this request, and let me know what I can do to facilitate this request.

Thank you,

Will Brown

Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

He will be arriving in D.C. that morning, so any time after 10:30 AM on

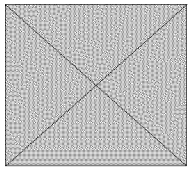

Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

Jay Martin

Sent: Tuesday, May 2, 2017 6:20 PM
To: Hupp, Sydney <hupp.sydney@epa.gov>
Subject: Fw: AFS - GA FLY-IN AGENDA

Sydney: Below and attached please find the info on the American Foundry Society Fly-in as you requested last week.

I may call you about those items I sent you last week to follow up as well.

As always, please let me know if you have any questions.

Respectfully, A.J. Ferate

Please see attached our agenda for the Fly-In in June. Should Administrator Pruitt

be available Tuesday morning June 20, we would slot the "Changes at EPA on Regulations - What Does it Mean for the Metalcasting Industry?" in at either 10:15 am or 11:00 am in place of one of those panels. If the Administrator cannot join us – we would be delighted to have Samantha for the 7:30 am Breakfast Session keynote slot on June 21. You can see from the agenda what the other topics are of interest to our members and the caliber of speakers we have lined up so far.

As we have discussed, the American Foundry Society represents the U.S. metalcasting industry – the sixth-largest industry sector in America and the second largest supplier of castings in the world, after China. Metal castings are integral to virtually all U.S. manufacturing activities – especially national defense, energy and infrastructure. In the U.S., castings are used to produce 90% of all manufactured durable goods and nearly all manufacturing machinery.

The American metalcasting industry provides employment for over 200,000 men and women directly and supports thousands of other jobs indirectly. Our energy-intensive, trade-exposed industry supports a payroll of more than $9 billion and sales of more than $30.3 billion annually. Metalcasting plants are found in every state, and the industry is made of predominately small businesses, with 80% of domestic metalcasters having fewer than 100 employees.

Foundries are the mainstay of national defense. All sectors of the U.S. military are reliant on metal castings for jet fighters, ships, tanks, trucks, weapon systems and other vital operations. In fact, the U.S. Department of Defense has established formal programs to convert fabricated components to single-piece castings, improving our military's ability to cost-effectively produce such equipment in the least amount of time.

Metalcasting is one of the most energy-intensive industries in the U.S. Approximately 55% of its energy costs are consumed in melting. Mold making, core making, heat treatment, and post-cast operations also use significant energy. As such, the sector has been particularly hard hit by the regulatory overreach from EPA over the last eight years.

The American Foundry Society (AFS) is the major trade and technical association for the North American metalcasting industry. The association has more than 8,000

members representing over 2,000 metalcasting firms, their suppliers and customers. We will have about 150 owners, CEOs and executives in Washington for the Fly-In over those two days. Energy and enthusiasm among the attendees will be very high with the new Administration in place in Washington.

Thanks again for your help Stuart.

Best.

Thanks for trying to make those work, Sydney.

While I have you looking, could you check on two other dates in June:

- The Global CEO for Mosaic, Joc O'Rourke is requesting to meet with Pruitt for 15-20 min on June 20th. He is only in county & DC that day. Mosaic is involved in a number of industries, but phosphate and potash production are the primary industries they are involved in here in the U.S.

-The American Foundry Society (AFS) Fly-in is on June 21st (or 20th.) Their specialty is "Metalcasting". They're asking for Administrator Pruitt to speak at their Leadership Breakfast on 21 June. If June 21st doesn't work, they can make June 20th work.

Thank you for letting me bother you with these; talk to you soon.

I appreciate you, AJF

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual

Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Subject: Call with EPA Administrator Pruitt

Hi Doug,

Hope all is well!

Gov. Hogan was hoping to schedule a call in early June with EPA Administrator Scott Pruitt to discuss the Chesapeake Bay and other issues facing Maryland. (Tuesday, June 6 before 2 PM would be ideal, if possible.) Please let me know if you need any other information to put in this request. We appreciate your assistance!

Thanks,

Ariel

This is great. To be on the safe side with travel, can we say 2 pm for the meeting start time? I received confirmation on Sen. Paul's time and it's 12:15 pm. I think having this extra 30 minutes will be better in case he is running late (which has happened every year).

How much time do you think we should allow for a group of 50 to get through security at EPA?

Sydney,

Would it be possible to meet at EPA on Thursday, July 13 anytime after 1:30 pm? Would that still be an option?

I received scheduling requests back from Sen. McConnell and Sen. Paul and they've requested our group meet with them mid-morning through lunch on Thursday at the Capitol.

If it's easier to speak by phone, please let me know a good time to give you a call.

Sydney,

Great news! Right now, our schedule on Wednesday, July 12 and Thursday, July 13 is flexible. I've sent speaking requests to all the Kentucky delegation offices and to Secretary Chao. I'm waiting to hear back from them.

We have space reserved in the Capitol Visitors Center for both days from 9:00 am to 3:00 pm.

Is there a time that you think would be better for Mr. Pruitt? Would he be traveling to us in the CVC or would you prefer our group hear from him at EPA?

Rusty,

Ethan Witt mentioned that you are interested in requesting a meeting with Administrator Pruitt when the Bluegrass Region Policy Group visits DC in July. I wanted to connect you with Sydney Hupp, who handles scheduling requests for the Administrator. She's your best contact for facilitating this request.

Please let our office know if you need anything else while you're in town. Hope all is well!

Best,

Katelyn

Good Afternoon Mr. Rovito

I appreciate you contacting me, however I work the logistics of the Administrator's office. His scheduler is Sydney Hupp and I am copying her on this message. Unfortunately, the Administrator will be on travel during your time in DC. There may be a staffer whom can meet with you concerning some of your interest. If you are able to get an appointment for a dialogue with one of his staff under the Administrator's office I will be glad to setup the logistics for your meeting to include security and escorting.

Subject: Request for a meeting

Ms. Woodward,

I came by your contact after consulting with NRECA about a good person to meet with at EPA. Alaska Power Association, the statewide trade association for electric utilities in Alaska, is holding our annual fly-in to Washington, D.C. June 6-8. We'll have about 10 of our members with us from all parts of the state – Barrow to Southeast, Interior and Southcentral, and the Bristol Bay Region. We'd like to request a meeting with you to talk about EPA regulations and their impact on the unique circumstances electric utilities face in Alaska. Of course, any subject that may come up will be of interest to our members.

Are you available for a meeting between 11:30 a.m. and 1 p.m., June 6, or the morning of June 7 or late morning of June 8? We'd be honored to meet with you if you are available.

Thanks,

Michael Rovito, CCC

Thanks for trying to make those work, Sydney.

While I have you looking, could you check on two other dates in June:

- The Global CEO for Mosaic, Joc O'Rourke is requesting to meet with Pruitt for 15-20 min on June 20th. He is only in county & DC that day. Mosaic is involved in a number of industries, but phosphate and potash production are the primary industries they are involved in here in the U.S.

-The American Foundry Society (AFS) Fly-in is on June 21st (or 20th.) Their specialty is "Metalcasting". They're asking for Administrator Pruitt to speak at their Leadership Breakfast on 21 June. If June 21st doesn't work, they can make June 20th work.

Thank you for letting me bother you with these; talk to you soon.

I appreciate you, AJF

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Subject: Greetings Scott Smith Kentucky

I got your contact information from Christopher and John Horne (General Counsel Ky. Energy & Environment Cabinet). I own an environmental and safety consulting company with offices in Lexington and Louisville, KY. I also serve on the environmental and public policy committees for Commerce Lexington and the Kentucky Chamber.

Commerce Lexington is planning a trip to DC in mid-July and is also working on identifying

luncheon speakers for the remaining of 2017. Once I get firm dates, can I contact you to find out if the Administrator might be available to speak to Commerce Lexington members?

To: Tyler Norvell <Personal Email/Ex. 6
Subject: Re: Scott Pruitt

Thank you again Tyler, for your offer of assistance. We would like Administrator Pruitt to speak on Wednesday July 12 at 7:30 am during at our breakfast at the Washington court hotel. The hotel is on Capitol hill, and the specific address is 525 New Jersey Ave NW Washington, DC.

The event is the general session breakfast at our annual Leadership Conference. There will be approximately 150 turkey executives in the room. This will include the heads of several Fortune 500 companies. This will be a friendly group who is excited to have the Administrator at EPA.

Please let me know what other information you may need. Thank you again!

Subject: FW: Meeting Request

Dear Sydney:

I would like to request a meeting with the Administrator for Larry Ziemba, Executive Vice President, Refining, for Phillip 66. Larry has responsibility for the company's refining operations and serves in a leadership position with the American Fuels and Petrochemical Manufacturers Association. He has been working with other refiners and the Auto industry regarding the potential for higher octane fuels and other forward looking fuels issues. A brief bio is set forth below.

Larry is currently scheduled to be in D.C. on Friday June 2nd and Monday June 5th. If those days would not work with the Administrator's schedule, he is happy to work with other days that would be more convenient for Administrator Pruitt.

Lawrence (Larry) M. Ziemba is executive vice president, Refining, for Phillips 66, a diversified energy manufacturing

and logistics company. He has 35 years of experience in the oil and gas industry. Before joining Phillips 66 in May 2012, Ziemba previously worked for ConocoPhillips as president, Global Refining, a role he took on after serving as president, U.S. Refining, since 2003. He first joined Phillips Petroleum in 2001 after its acquisition of Tosco and was in charge of handling the integration of the refining operations during the merger with Conoco. Originally from Chicago, he started his career at Unocal's Chicago refinery in 1977. In 1988, he moved to Unocal's Los Angeles corporate headquarters as manager of planning/business development for its downstream business. In 1991, he managed the acquisition of Shell's Carson refinery and subsequently integrated the asset into Los Angeles operations. In 1997, Ziemba joined Tosco as they acquired Unocal's downstream business. In 1999, he was named vice president of Tosco's three San Francisco area refineries. In 2000, he was assigned to handle the acquisition and takeover of the Wood River refinery. He has held a number of industry and community leadership positions including board positions with American Fuels and Petrochemical Manufacturers Association, WRB Refining LP and the Western States Petroleum Association. Ziemba earned a bachelor's degree in mechanical engineering from the University of Illinois-Champaign in 1977 and a Master of Business Administration degree from the University of Chicago in 1985.

Thank you for your consideration,

Joe Stanko

We can make that happen! Monday the 15th at 4:45 it is! I am going to loop in Cheryl who can provide logistics for the day and make sure we have a room set up to host your board.

Thank you!

That would actually be perfect! We have a dinner on the Hill with Sen. Barrasso at 6:30pm this works out well. We have 25-27 board members including a couple senior staff if that is possible?

Thanks so much, Eric

From: Jay Martin
Sent: Wednesday, April 5, 2017 11:34 AM
To: hupp.sydney@epa.gov
Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

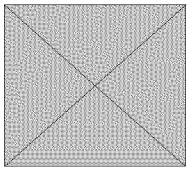

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay

Subject: RE: Meeting request from IPAA

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on today at 1:45 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Dear Cheryl,

I am writing to reconfirm our group's meeting at EPA this Thursday, May 4 at 1:00 PM.

Just to clarify – as I have hired a car service for our group – in your instructions

below, the South Lobby is mentioned in bold in the directions; is it the North Lobby or the South Lobby where they should enter? Some of our folks were confused when I stipulated the South Lobby, as they have had meetings there earlier this week, and they used the North Lobby – so they asked me to verify.

•□□□□□□□ I currently have the instructions/directions for the group as: EPA, 1200 Pennsylvania Avenue, NW, William Jefferson Clinton Building, South Lobby / Tell Security that our group was instructed to all Cheryl Woodward at 202-564-1271 or Michelle Hale at 202-564-1430 to escort our group to the meeting

•□□□□□□□ And for the car service/driver as: EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues.

Please let me know if both sets of directions/instructions are correct.

Our group is looking forward to the meeting on Thursday afternoon.

Many thanks, Brooke

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing

Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Subject: RE: AROW Meeting Request to Administrator Pruitt - April 27

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, April 27th at 3 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under

the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Just touching base on our meeting 9:30am Tuesday the 16th with the administrator, when do you need names finalized to you? Also, as I recall you don't need any other security info besides and ID for getting into the building, correct?

Ken

Thanks for the response. Let me know on timing for a possible meeting in the Administrator's office. For logistical reasons on our end, we wouldn't try to bring our entire group over, but would like bring a subset of 8-10 folks (or whatever you suggest is appropriate size for your space).

Good morning Ken,

Hope you've been well! I don't think we will be able to make the speaking portion happen. However, we might be able to host you at the EPA for an in office meeting if you all have a time that works over the duration of your stay. Kindly let me know your thoughts on that at your convenience.

Thank you!

Dear Sydney,

Attached is a meeting request letter from Western Growers CEO, Tom Nassif. Our board of directors will be in DC the week of May 15th, and would appreciate the opportunity to meet with Administrator Pruitt.

As an aside, I'm good friends with Luke Holland, and got your contact information from him, if there is someone else that this request should go through additionally please advise or pass along as appropriate.

Thanks again, let me know if you need any additional information to process this request, and I

look forward to hearing back.

Best,

Ken

Good morning,

I am writing to see if you have any questions about the invitation for Administrator Pruitt to join us as a Keynote Speaker at the 2017 Oil & Gas Environmental Conference? The conference will be held on November 28-29, 2017, at the Royal Sonesta Houston Galleria, 2222 West Loop South, Houston, Texas 77027. My original email is copied below for quick reference.

Sincerely,

Cassandra Smith

Oil&Gas ENVIRONMENTAL CONFERENCE

Scott Pruitt

Administrator

Environmental Protection Agency

1200 Pennsylvania Avenue, N.W.
Washington, DC 20460

Dear Mr. Pruitt,

We request the honor of your presence at the 3rd Biennial Oil & Gas Environmental Conference as a keynote speaker. The conference will be held on November 28-29, 2017, at the Royal Sonesta Houston Galleria, 2222 West Loop South, Houston, Texas 77027 with expected attendance of 450.

The Oil & Gas Environmental Conference is focused on new and emerging issues related to environmental performance in the oil and gas industry. This event is intended to bring together recognized experts from relevant and diverse disciplines to provide a broad range of perspectives. The conference will feature a variety of panel discussions and breakout sessions designed to inform attendees of the latest environmental trends, and issues related to the oil & gas industry.

It would be an honor and privilege to have you address environmental professionals in the oil and gas industry at the 2017 Conference.

Please let us know if we can answer any questions you may have about the invitation.

Sincerely,

Cassandra Smith

Executive Director

Ryan

Hope you are well.

I wanted to email you to request a meeting with Administrator Pruitt with the CEO of Republic Services, Dan Slager. As you know Republic Services is the second largest waste company in the country.

Purpose of the meeting will be to update Mr. Pruitt on the issues we are dealing with at Republic and the issues surrounding the West Lake Landfill in Missouri.

I am happy to work with your staff to set up a meeting in the coming weeks or month.

Thanks and let me know what else you need from us.

Subject: Meeting request (as discussed)

Sydney:

Thanks for the note yesterday. As mentioned, the Vinyl Institute is holding it's annual fly-in meeting in May. A request for Ryan Jackson to speak to the group on May 17th was previously forwarded by the organization.

This request is for the Executive Committee of the Vinyl Institute to meet for 15 minutes with the Administrator the day before the fly-in, on May 16th at any point during that day the Administrator is available.

The executive committee represents four large chemical companies that produce products such as PVC. Names that would likely be in attendance would include:

Bob Buesinger, Senior Vice President – Vinyls, Westlake Chemical, Houston, TX

Grant Evans, Vice President and General Manager – Vinyls, Occidental Chemical Corporation, Dallas, TX

Dick Heinle, Senior VP/General Manager – Vinyls, Formosa Plastics, Livingston, NJ

Dick Mason, Corporate Secretary, Shintech Inc., Houston, TX

Dick Doyle, President and CEO, Vinyl Institute, Washington, DC

Rich Krock, Vice President Regulatory and Technical Affairs, Vinyl Institute, Washington, DC

JC Walker, Partner, Keller & Heckman, Washington, DC

Should you have any additional questions about this you know where to find me.

Also, when I met with the Administrator a couple of weeks ago an invitation was extended to speak to the Oklahoma Independent Petroleum Association (OIPA) Annual Conference during the weekend of June 3-4 at any time he would be available. The conference is in Las Colinas, TX (Dallas metro area.) He seemed interested, but non-committal. Let me know if this is something he would be interested in doing.

Call me with any questions, Sydney. I appreciate you, A.J. Ferate

Hi Sydney,

Attached is a completed copy of the form. If the Administrator desires more background, my op-ed addressing corn ethanol and my bio are attached.

What is the address for the meeting?

Thank you,

Jerry Jung

Subject: Re: Meeting with Administrator Pruitt

Greetings Ms. Dravis,

Sorry to have missed you by phone.

I reached out to Mr. Schuette to give me your contact information because I wanted to keep Mr. Pruitt's office in the loop regarding op eds in the Washington Times. The Times will be running a section on energy. When they have asked me to submit an op-ed on the topic of ethanol, they mentioned that they would also be publishing an op-ed from Mr. Pruitt.

Attached is what I have submitted. I suspect that my views are in line with those of Mr. Pruitt, but I wanted to provide him an opportunity to comment on what I wrote. Any comments or suggestions that his office has would be welcome.

I will be in D.C. the week of May 15th. If Mr. Pruitt or you could carve out 15-20 minutes to meet with me, that would be wonderful.

Have a nice weekend,

Jerry Jung

Good afternoon,

I'm with the National Marine Manufacturers Association (NMMA). Earlier this week, NMMA and coalition partners sent the attached letter/petition to Administrator Pruitt. It had the support of over 26,000 recreational boaters and anglers across the country who are calling for RFS reform.

NMMA will have a group of marine engine manufacturing executives in town June 21-22, and we would like to request a meeting with Administrator Pruitt. Our industry's executive leadership would welcome the opportunity to discuss fuel policy and the RFS with the Administrator.

Please let me know what might be workable.

Thank you.

Subject: Reconfirming AF&PA Meeting at EPA on Thursday, May 4 at 1:00 PM

Dear Cheryl,

I am writing to reconfirm our group's meeting at EPA this Thursday, May 4 at 1:00 PM.

Just to clarify – as I have hired a car service for our group – in your instructions below, the South Lobby is mentioned in bold in the directions; is it the North Lobby or the South Lobby where they should enter? Some of our folks were confused when I stipulated the South Lobby, as they have had meetings there earlier this week, and they used the North Lobby – so they asked me to verify.

•□□□□□□ I currently have the instructions/directions for the group as: EPA, 1200 Pennsylvania Avenue, NW, William Jefferson Clinton Building, South Lobby / Tell Security that our group was instructed to all Cheryl Woodward at 202-564-1271 or Michelle Hale at 202-564-1430 to escort our group to the meeting

•□□□□□□ And for the car service/driver as: EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues.

Please let me know if both sets of directions/instructions are correct.

Our group is looking forward to the meeting on Thursday afternoon.

Many thanks, Brooke

Cc: Hupp, Sydney <hupp.sydney@epa.gov>
Subject: FW: AF&PA May 4th meeting at 1:00 PM

My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Thursday, May 4th at 1 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the

building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Subject: Two AF&PA Meeting Requests

Dear Amy Dewey,

As we discussed, AF&PA has requested two meetings with EPA. The first is a request for AF&PA's President and CEO and several of our member CEOs to meet with Administrator Pruitt on May 4th (see attached meeting request). To assist with scheduling that meeting, I have copied Sydney Hupp and Michelle Hale, as you suggested. I appreciate any help you can provide on scheduling this meeting.

The second is request for AF&PA staff to meet with Mandy Gunasekara and other key EPA staff to discuss our comments filed in response to the Department of Commerce Request for Information and to prepare for the meeting with Administrator Pruitt (see meeting request below). It is my understanding that Ms. Gunasekara has already facilitated the scheduling of that meeting. Thanks again for all your help.

Dear Amy Graham,

Thank you for your recent introductory message. We look forward to working with you on these and other issues. Jerry Schwartz

From: Noe, Paul
Sent: Tuesday, April 4, 2017 5:33 PM
To: Mandy Gunasekara (Gunasekara.Mandy@Epa.gov) <Gunasekara.Mandy@Epa.gov>

Subject: Meeting Request

Dear Ms. Gunasekara:

We are writing to request a meeting with you and your colleagues to discuss a number of EPA regulations and permit requirements that we have identified as adversely affecting our member's manufacturing operations. On March 31, AF&PA filed comments in response to the Department of Commerce's Request for Information pursuant to the President's January 24 directive, and our comments discuss problems and proposed solutions related to 77 distinct rules and permit issues impeding U.S. manufacturing. Most of the comments focus on EPA issues.

AF&PA President and CEO Donna Harman has requested a meeting with Administrator Pruitt on behalf of several of our CEOs on May 4th, and we believe that meeting with you and other key EPA staff in advance of that meeting would enable the Administrator to be well-briefed and ensure the meeting is as productive as possible. As the issues we would like to discuss span a number of EPA offices, we have copied several of your colleagues on this message. We will facilitate your busy schedule, but the dates of April 18-21 look good for us.

Top priority issues we would like to discuss include:

1. Carbon Neutrality of Biomass

2. Air Permit Gridlock

3. Human Health Water Quality Criteria

4. EPA Procurement Guidelines for Paper and Paper Products Containing Recovered Materials/Specifications, Labels and Standards

AF&PA represents U.S. manufacturers of pulp, paper, packaging, tissue and wood products. Our industry employs 900,000 hard working men and women, and our mills often are located in small, rural communities that need good-paying jobs. The

U.S. forest products industry is very heavily regulated, but at the same time also must operate efficiently in a fiercely competitive global market.

We look forward to hearing from you soon and to discussing these important issues. Thank you for your consideration.

Best regards,

Paul Noe

Sydney,

Would it be possible to meet at EPA on Thursday, July 13 anytime after 1:30 pm? Would that still be an option?

I received scheduling requests back from Sen. McConnell and Sen. Paul and they've requested our group meet with them mid-morning through lunch on Thursday at the Capitol.

If it's easier to speak by phone, please let me know a good time to give you a call.

Sydney,

Great news! Right now, our schedule on Wednesday, July 12 and Thursday, July 13 is flexible. I've sent speaking requests to all the Kentucky delegation offices and to Secretary Chao. I'm waiting to hear back from them.

We have space reserved in the Capitol Visitors Center for both days from 9:00 am to 3:00 pm.

Is there a time that you think would be better for Mr. Pruitt? Would he be traveling to us in the CVC or would you prefer our group hear from him at EPA?

Dear Ryan,

Hope all is well. Just a quick intro, I was national finance co-chairman for Trump and Co-Finance Chairman for the inauguration (a great honor).

I have met Secretary Pruitt several times and I think he will know me. I admire him greatly.

Congratulations to you on your high level of service.

I will be in DC next week on Wed and Thurs and would like to meet with the Secretary and you if possible. I will be accompanied by RJ Kirk - the leading bio-tech investor and executive in the U.S. RJ is Chairman/CEO of Intrexon a leading life science company and they have the genetically engineered mosquito technology which can eradicate Zika virus and other viruses associated with mosquito bites. (OxiTec) My understanding is that their technology will fall under the purview of the EPA.

I know you will find RJ very interesting and I think you will want to understand the details of their life saving technology.

Please let me know if there is a date and time convenient for us to stop by for a few minutes. It will be productive indeed.

Thanks for your consideration.

Subject: May 15-16 Scheduling Request for Administrator Pruitt

Sydney,

I hope this finds you doing well. Cam Savage suggested that I reach out to you to submit my scheduling request for Administrator Pruitt to address our Indiana Leadership Forum group.

The Indiana Leadership Forum is a 501(c)(3) non-profit organization dedicated to educating Indiana's most talented business and community leaders about government, politics and policy to prepare them for greater civic involvement and leadership roles in their communities. The group was founded in 1994 by Indiana businessman, and former White House official, Al Hubbard. I have been serving as the Executive Director of the group since 2012. Each year, we bring a class of 25 professionals to Washington, D.C. toward the end of the program to meet with federal officials and policy experts.

We would greatly appreciate the opportunity to bring the group to the EPA to hear from Administrator Pruitt.

In terms of scheduling, we have time available on the afternoon of Monday, **May 15th** and also various times on Tuesday, **May 16th**. Is it possible for us to schedule a visit on one of those days?

I'm copying Kacey Shriner who is coordinating all the logistics for the trip.

Thank you so much for your time and consideration of this request.

Hi Sydney,

Oh wonderful! Yes we can offer him complimentary registration to the meeting using this link: https://www.rb2017.org/index/begin?reg_type_id=9717 . Would it be possible for him to register in the next 24 hours? Please let me know if you have any questions or need additional information.

Sincerely,

Jessica

HI Sydney!

That's unfortunate (for both us and Administrator Pruitt). And thank you for the alternative of sending a Senior Advisor, but given the setup and expectations, I do not think a Senior Advisor is the right fit for this crowd. We appreciate the commitment to working with us and will look for other opportunities to meet. If anything changes, please let me know.

Susan

Good morning Susan, I hope you enjoyed your weekend! So sorry to have to do this, but would you consider us sending one of the Administrator's Senior Advisors in his place? He now has to testify on the 15th so he won't be available. Please let me know at your convenience if you think a surrogate might work.

Thanks!

Hi Susan,

Thank you for your email! So on the Mid-Year meeting, would you mind filling out the attached form so that we may discuss in scheduling? And as for the senior executives being in town next week, we actually just had a meeting cancelled at 3PM on the 29th. Is it still possible for your senior officers to meet with him then? It would be from 3:00-3:30 and I would request their names and topic of the meeting. Hoping this still works on your end!

Thank you!

Sydney

Subject: NAHB Meeting w Administrator Pruitt

Hi Sydney!

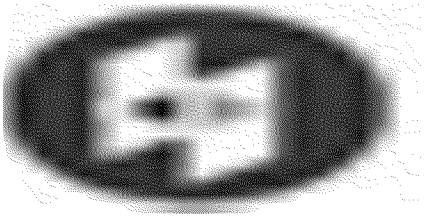

Thanks for the call today. The National Association of Home Builders is very interested in having EPA Administrator Pruitt speak before a larger group of our members. In an effort to accommodate his schedule, we are willing to create a special meeting during our Mid-Year Meeting if the Administrator is available. The timing for the meeting would be Thursday, June 15 at a time that is convenient between 12:30 and 2:30 at the Marriott Wardman Park, 2660 Woodley Road, NW, Washington, DC. We would have an audience of approximately 700 members who are interested in hearing about Administrator Pruitt's vision for the agency, how the agency will address some of the high priority issues, and steps that may be taken to improve the regulatory environment for the Nation's home builders. We would also like to reserve some time for questions, if allowed.

Our Senior Officers would also like to meet privately with Administrator Pruitt. They will be in town and available for a quick visit next week, if a meeting on such short notice is possible. They could be available Wednesday, March 29, between 3 – 5 pm or Thursday, March 30, between 8 am – 12 pm. They could also be available for a meeting on Wednesday, June 14 or before or after the address to the members on June 15, if that schedule works.

Please take another look at the calendar and let me know what might be possible. I look forward to working with you and the Administrator in the future.

Thanks for your assistance!

Susan

Sydney,

I just wanted to follow up regarding the outstanding scheduling request found below in hopes that you can help facilitate some time for Contura Energy's CEO, Kevin Crutchfield.

Your help is appreciated.

Thanks again,

Jay

From: Jay Martin
Sent: Wednesday, April 5, 2017 11:34 AM
To: hupp.sydney@epa.gov
Subject: Contura Energy Scheduling Request for Administrator Pruitt

Sydney,

I am reaching out with the hopes of scheduling a meeting with Administrator Pruitt for Kevin Crutchfield, our CEO, on either May 3-4th. For you background, Contura Energy is one of the country's largest coal companies with affiliate mining operations across multiple major coal basins in Pennsylvania, Virginia, West Virginia and Wyoming. You can find some additional information on Kevin in the attached bio.

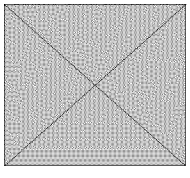

He will be arriving in D.C. that morning, so any time after 10:30 AM on Wednesday should work. He is currently planning on flying out the afternoon of May 4, so morning would be preferable on Thursday.

While Kevin has met Scott in the past, the topics of this visit would be somewhat introductory, but also include a conversation about the current and future challenges facing both the domestic production and use of coal.

Any help you can provide in securing time with the Administrator would be greatly beneficial.

Thanks in advance for the consideration,

Jay
